#### Sec. 1.01. Short Title.

This title may be cited as the Property Tax Code.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

#### Sec. 1.02. Applicability of Title.

This title applies to a taxing unit that is created by or pursuant to any general, special, or local law enacted before or after the enactment of this title unless a law enacted after enactment of this title by or pursuant to which the taxing unit is created expressly provides that this title does not apply. This title supersedes any provision of a municipal charter or ordinance relating to property taxation. Nothing in this title invalidates or restricts the right of voters to utilize municipal-level initiative and referendum to set a tax rate, level of spending, or limitation on tax increase for that municipality.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 1, effective January 1, 1982.

The Code Construction Act (Chapter 311, Government Code) applies to the construction of each provision of this title except as otherwise expressly provided by this title.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1985, 69th Leg., ch. 479 (S.B. 813), § 72, effective September 1, 1985.

(3) "Improvement" means:

(A) a building, structure, fixture, or fence erected on or affixed to land;  
(B) a transportable structure that is designed to be occupied for residential or business purposes, whether or not it is affixed to land, if the owner of the structure owns the land on which it is located, unless the structure is unoccupied and held for sale or normally is located at a particular place only temporarily; or

(C) for purposes of an entity created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution, the:

(3-a) Notwithstanding anything contained herein to the contrary, a manufactured home is an improvement to real property only if the owner of the home has elected to treat the manufactured home as real property pursuant to Section 1201.2055, Occupations Code, and a copy of the statement of ownership has been filed with the real property records of the county in which the home is located as provided in Section 1201.2055(d), Occupations Code.

(4) "Personal property" means property that is not real property.

(5) "Tangible personal property" means personal property that can be seen, weighed, measured, felt, or otherwise perceived by the senses, but does not include a document or other perceptible object that constitutes evidence of a valuable interest, claim, or right and has negligible or no intrinsic value.

(6) "Intangible personal property" means a claim, interest (other than an interest in tangible property), right, or other thing that has value but cannot be seen, felt, weighed, measured, or otherwise perceived by the senses, although its existence may be evidenced by a document. It includes a stock, bond, note or account receivable, franchise, license or permit, demand or time deposit, certificate of deposit, share account, share certificate account, share deposit account, insurance policy, annuity, pension, cause of action, contract, and goodwill.

(7) "Market value" means the price at which a property would transfer for cash or its equivalent under prevailing market conditions if:

(8) "Appraised value" means the value determined as provided by Chapter 23 of this code.

(9) "Assessed value" means, for the purposes of assessment of property for taxation, the amount determined by multiplying the appraised value by the applicable assessment ratio, but, for the purposes of determining the debt limitation imposed by Article III, Section 52, of the Texas Constitution, shall mean the market value of the property recorded by the chief appraiser.

(a) Notwithstanding any other provision in this title and except as provided by this section, any notice, rendition, application form, or completed application, or information requested under Section 41.461(a)(2), that is required or permitted by this title to be delivered between a chief appraiser, an appraisal district, an appraisal review board, or any combination of those persons and a property owner or a person designated by a property owner under Section 1.111(f) may be delivered in an electronic format if the chief appraiser and the property owner or person designated by the owner agree under this section.

(b) An agreement between a chief appraiser and a property owner, or the person designated by the owner under Section 1.111(f), must:

- (1) be in writing or in an electronic form;

(d) Unless otherwise provided by an agreement, the delivery of any information in an electronic format is effective on receipt by a chief appraiser, an appraisal district, an appraisal review board, a property owner, or a person designated by a property owner. An agreement entered into under this section remains in effect until rescinded in writing by the property owner or person designated by the owner.

(e) The comptroller by rule:

- (1) shall prescribe acceptable media, formats, content, and methods for the electronic transmission of notices required by Section 25.19; and

(g) Notwithstanding Subsection (a), if a property owner whose property is included in 25 or more accounts in the appraisal records of the appraisal district requests the chief appraiser to enter into an agreement for the delivery of the

notice required by Section 25.19 in an electronic format, the chief appraiser must enter into an agreement under this section for that purpose if the appraisal district is located in a county that has a population of more than 200,000. If the chief appraiser must enter into an agreement under this subsection, the chief appraiser shall deliver the notice in accordance with an electronic medium, format, content, and method prescribed by the comptroller under Subsection (e). If the comptroller has not prescribed the media, format, content, and method applicable to the notice, the chief appraiser may determine the medium, format, content, and method to be used.

(h) This subsection applies to the chief appraiser of an appraisal district only if the appraisal district is located in a county described by Subsection (g) or the chief appraiser has decided to authorize electronic communication under this section and the appraisal district has implemented a system that allows such communication. The chief appraiser shall provide notice regarding the availability of agreement forms authorizing electronic communication under this section. The chief appraiser shall provide the notice by:

(2) delivering the agreement form on or before February 1, or as soon as practicable after that date, to each owner of property shown on the certified appraisal roll for the preceding tax year and on or before February 1 of each subsequent year, or as soon as practicable after that date, to each new owner of property shown on the certified appraisal roll for the preceding tax year.

(i) A property owner or a person designated by the property owner who enters into an agreement under this section that has not been rescinded shall notify the appraisal district of a change in the electronic mail address specified in the agreement before the first April 1 that occurs following the change. If notification is not received by the appraisal district before that date, until notification is received, any notices delivered under the agreement to the property owner or person designated by the owner are considered to be timely delivered.

(j) An electronic signature that is included in any notice, rendition, application form, or completed application subject to an agreement under this section and that is required by Chapters 11, 22, 23, 24, 25, 26, and 41 shall be considered to be a digital signature for purposes of Section 2054.060, Government Code, and that section applies to the electronic signature.

(k) Unless the chief appraiser is required to enter an agreement under this section, a decision by the chief appraiser not to enter into an agreement under this section may not be reviewed by the appraisal review board or be the subject of:

(1) a suit to compel;

(2) a protest under Section 41.41;

(3) an appeal under Chapter 42; or

(4) a complaint under Chapter 1151, Occupations Code.

(l) Unless the chief appraiser and the property owner or person designated by the owner agree otherwise under Subsection (b), the chief appraiser, appraisal district, or appraisal review board shall deliver a notice electronically in a manner that allows for confirmation of receipt by the property owner or the person designated by the owner, such as electronic mail. If confirmation of receipt is not received by the 30th day following the date the electronic notice is delivered, the chief appraiser, appraisal district, or appraisal review board, as applicable, shall deliver the notice to the property owner or the person designated by the owner in the manner provided by Section 1.07.

(m) Notwithstanding any other provision of this section, a property owner need not enter into an agreement under this section to be entitled to electronic delivery of a notice of a protest hearing under Section 41.46.

### **Sec. 1.11. Communications to Fiduciary.**

(a) On the written request of a property owner, an appraisal office or an assessor or collector shall deliver all notices, tax bills, and other communications relating to the owner's property or taxes to the owner's fiduciary.

An agent designated by a lessee under this subsection has the same authority and is subject to the same limitations as an agent designated by a property owner under Subsection (a).

(b) The designation of an agent must be made by written authorization on a form prescribed by the comptroller under Subsection (h) and signed by the owner, a property manager authorized to designate agents for the owner, or another person authorized to act on behalf of the owner other than the person being designated as agent, and must clearly indicate that the person is authorized to act on behalf of the property owner in property tax matters relating to the property or the property owner. The designation may authorize the agent to represent the owner in all property tax matters or in specific property tax matters as identified in the designation. The designation does not take effect with respect to an appraisal district or a taxing unit participating in the appraisal district until a copy of the designation is filed with the appraisal district. Each appraisal district established for a county having a population of 500,000 or more shall implement a system that allows a designation to be signed and filed electronically.

(c) The designation of an agent under this section remains in effect until revoked in a written revocation filed with the appraisal district by the property owner or designated agent. The designated agent revoking the designation must send notice of the revocation by certified mail to the property owner at the owner's last known address. A designation may be made to expire according to its own terms but is still subject to prior revocation by the property owner or designated agent.

(d) A property owner may not designate more than one agent to represent the property owner in connection with an item of property. The designation of an agent in connection with an item of property revokes any previous designation of an agent in connection with that item of property.

(e) An agreement between a property owner or the owner's agent and the chief appraiser is final if the agreement relates to a matter:

(1) which may be protested to the appraisal review board or on which a protest has been filed but not determined by the board; or

(2) which may be corrected under Section 25.25 or on which a motion for correction under that section has been filed but not determined by the board.

(f) A property owner in writing filed with the appraisal district may direct the appraisal district, appraisal review board, and each taxing unit participating in the appraisal district to deliver all notices, tax bills, orders, and other communications relating to one or more specified items of the owner's property to a specified person instead of to the property owner. The instrument must clearly identify the person by name and give the person's address to which all notices, tax bills, orders, and other communications are to be delivered. The property owner may but is not required to designate the person's agent for other tax matters designated under Subsection (a) as the person to receive all notices, tax bills, orders, and other communications. The designation of an agent for other tax matters under Subsection (a) may also provide that the agent is the person to whom notices, tax bills, orders, and other communications are to be delivered under this subsection.

(g) An appraisal district, appraisal review board, or taxing unit may not require a person to designate an agent to represent the person in a property tax matter other than as provided by this section.

(h) The comptroller shall prescribe forms and adopt rules to facilitate compliance with this section. The comptroller shall include on any form used for designation of an agent for a single-family residential property in which the property owner resides the following statement in boldfaced type:

"In some cases, you may want to contact your appraisal district or other local taxing units for free information and/or forms concerning your case before designating an agent."

(i) An appraisal review board shall accept and consider a motion or protest filed by an agent of a property owner if an agency authorization is filed at or before the hearing on the motion or protest.

(j) An individual exempt from registration as a property tax consultant under Section 1152.002, Occupations Code, who is not supervised, directed, or compensated by a person required to register as a property tax consultant under that chapter and who files a protest with the appraisal review board on behalf of the property owner is entitled to receive all notices from the appraisal district and appraisal review board regarding the property subject to the protest until the authority is revoked by the property owner as provided by this section. An individual to which this subsection applies who is not designated by the property owner to receive notices, tax bills, orders, and other communications as provided by Subsection (f) or Section 1.11 shall file a statement with the protest that includes:

- (1) the individual's name and address;
- (2) a statement that the individual is acting on behalf of the property owner; and
- (3) a statement of the basis for the individual's exemption from registration under Section 1152.002, Occupations Code.

(k) On written request by the chief appraiser, an agent who electronically submits a designation of agent form shall provide the chief appraiser information concerning:

- (1) the electronic signature of the person who signed the form;
- (2) the date the person signed the form; and
- (3) the Internet Protocol address of the computer the person used to complete the form.

(l) A person may not knowingly make a false entry in, or false alteration of, a designation of agent form that has been signed as provided by Subsection (b).

(d) A request for a performance audit of an appraisal district may not be made under Subsection (b) or (c) if according to each of the two most recently published studies conducted by the comptroller under Section 5.10:

- (1) the overall median level of appraisal for all property in the district for which the comptroller determines a median level of appraisal is more than 0.90 and less than 1.10;
- (2) the coefficient of dispersion around the overall median level of appraisal of the properties used to determine the overall median level of appraisal for all property in the district for which the comptroller determines a median level of appraisal is less than 0.15; and
- (3) the difference between the highest and lowest median levels of appraisal in the district for the classes of property for which the comptroller determines a median level of appraisal is less than 0.20.

(e) A request for a performance audit of an appraisal district may not be made under Subsection (b) or (c):

- (1) during the two years immediately following the publication of the second of two consecutive studies according to which the comptroller is required to conduct an audit of the district under Subsection (a);
- (2) during the year immediately following the date the results of an audit of the district conducted by the comptroller under Subsection (a) are reported to the chief appraiser of the district; or
- (3) during a year in which the comptroller is conducting a review of the district under Section 5.102.

(f) For purposes of this section, "class of property" means a major kind of property for which the comptroller determines a median level of appraisal under Section 5.10 of this code.

(g) [Repealed by Acts 2009, 81st Leg., ch. 288 (H.B. 8), § 11, effective January 1, 2010.]

(h) In addition to the performance audits required by Subsections (a), (b), and (c) and the review of appraisal standards required by Section 5.102, the comptroller may audit an appraisal district to analyze the effectiveness and

efficiency of the policies, management, and operations of the appraisal district. The results of the audit shall be delivered in a report that details the comptroller's findings and recommendations for improvement to the appraisal district's chief appraiser and board of directors and the governing body of each taxing unit participating in the appraisal district. The comptroller may require reimbursement by the appraisal district for some or all of the costs of the audit, not to exceed the actual costs associated with conducting the audit.

### Sec. 5.13. Administration of Performance Audits.

(a) The comptroller shall complete an audit required by Section 5.12(a) within two years after the date of the publication of the second of the two studies the results of which required the audit to be conducted. The comptroller shall complete an audit requested under Section 5.12(b) or (c) as soon as practicable after the request is made.

(b) The comptroller may not audit the financial condition of an appraisal district or a district's tax collections. If the request is for an audit limited to one or more particular matters, the comptroller's audit must be limited to those matters.

(c) The comptroller must approve the specific plan for the performance audit of an appraisal district. Before approving an audit plan, the comptroller must provide any interested person an opportunity to appear before the comptroller and to comment on the proposed plan. Not later than the 20th day before the date the comptroller considers the plan for an appraisal district performance audit, the comptroller must notify the presiding officer of the appraisal district board of directors that the comptroller intends to consider the plan. The notice must include the time, date, and place of the meeting to consider the plan. Immediately after receiving the notice, the presiding officer shall deliver a copy of the notice to the other members of the appraisal district board of directors.

(d) In conducting a general audit, the comptroller shall consider and report on:

(1) the extent to which the district complies with applicable law or generally accepted standards of appraisal or other relevant practice, including appraisal standards and practices prescribed by any appraisal manuals required by law to be prepared and issued by the comptroller;

(2) the uniformity and level of appraisal of major kinds of property and the cause of any significant deviations from ideal uniformity and equality of appraisal of major kinds of property;

(3) duplication of effort and efficiency of operation;

(4) the general efficiency, quality of service, and qualification of appraisal district personnel; and

(5) except as otherwise provided by Subsection (b), any other matter included in the request for the audit.

(e) In conducting the audit, the comptroller is entitled to have access at all times to the books, appraisal and other records, reports, vouchers, and other information, whether confidential or not, of the appraisal district. The comptroller may require the assistance of appraisal district officers or employees that does not interfere significantly with the ordinary functions of the appraisal district. The comptroller may rely on any analysis it has made previously relating to the appraisal district if the previous analysis is useful or relevant to the audit.

(f) The comptroller shall report the results of its audit in writing to the governing body of each taxing unit that participates in the appraisal district, to the chief appraiser, and to the presiding officer of the appraisal district board of directors. If the audit was requested under Section 5.12(c) of this code, the comptroller shall also provide a report to a representative of the property owners who requested the audit.

(g) If the audit is required or requested under Section 5.12(a) or (b) of this code, the appraisal district shall reimburse the comptroller for the costs incurred in conducting the audit and making its report of the audit. The costs shall be allocated among the taxing units participating in the district in the same manner as an operating expense of the district. If the audit is requested under Section 5.12(c) of this code, the property owners who requested the audit shall reimburse the comptroller for the costs incurred in conducting the audit and making its report of the audit and shall allocate the costs among those property owners in proportion to the appraised value of each property owner's property in the district or on such other basis as the property owners may agree. If the audit confirms that the median level of appraisal for a class of property exceeds 1.10 or that the median level of appraisal for a class of property varies at least 10 percent from the overall median level of appraisal for all property in the district for which the comptroller determines a median level of appraisal, within 90 days after the date a request is made by the property owners for reimbursement the appraisal district shall reimburse the property owners who requested the audit for the amount paid to the comptroller for the costs incurred in conducting the audit and making the report. Before conducting an audit under Section 5.12(c), the comptroller may require the requesting taxing units or property owners to provide the comptroller with a bond, deposit, or other financial security sufficient to cover the expected costs of conducting the audit and making the report. For purposes of this subsection, "costs" include expenses related to salaries, professional fees, travel, reproduction or other printing services, and consumable supplies that are directly attributable to conducting the audit.

(h) At any time after the request for an audit is made, the comptroller may discontinue the audit in whole or in part if requested to do so by:

(1) the governing bodies of a majority of the taxing units participating in the district, if the audit was requested by a majority of those units;

(2) the governing bodies of a majority of the taxing units entitled to vote on the appointment of appraisal district directors, if the audit was requested by a majority of those units; or

(3) if the audit was requested under Section 5.12(c) of this code, by the taxpayers who requested the audit.

(i) The comptroller by rule may adopt procedures, audit standards, and forms for the administration of the performance audits.

(b) The comptroller shall prepare and maintain a written plan that describes how a person who does not speak English or who has a physical, mental, or developmental disability may be provided reasonable access to the comptroller’s programs.

(c) The comptroller shall prepare information of public interest describing the property tax functions of the office of the comptroller and the comptroller’s procedures by which complaints are filed with and resolved by the comptroller. The comptroller shall make the information available to the public and appropriate state agencies.

(d) If a written complaint is filed with the comptroller that the comptroller has authority to resolve, the comptroller, at least quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless notice would jeopardize an undercover investigation.

Acts 2003, 78th Leg., ch. 1041 (H.B. 1082), § 1, effective January 1, 2004.

**Sec. 6.03. Board of Directors.**

- (a) The appraisal district is governed by a board of directors. Five directors are appointed by the taxing units that participate in the district as provided by this section. If the county assessor-collector is not appointed to the board, the county assessor-collector serves as a nonvoting director. The county assessor-collector is ineligible to serve if the board enters into a contract under Section 6.05(b) or if the commissioners court of the county enters into a contract under Section 6.24(b). To be eligible to serve on the board of directors, an individual other than a county assessor-collector serving as a nonvoting director must be a resident of the district and must have resided in the district for at least two years immediately preceding the date the individual takes office. An individual who is otherwise eligible to serve on the

board is not ineligible because of membership on the governing body of a taxing unit. An employee of a taxing unit that participates in the district is not eligible to serve on the board unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the district.

(b) Members of the board of directors other than a county assessor-collector serving as a nonvoting director serve two-year terms beginning on January 1 of even-numbered years.

(c) Members of the board of directors other than a county assessor-collector serving as a nonvoting director are appointed by vote of the governing bodies of the incorporated cities and towns, the school districts, the junior college districts, and, if entitled to vote, the conservation and reclamation districts that participate in the district and of the county. A governing body may cast all its votes for one candidate or distribute them among candidates for any number of directorships. Conservation and reclamation districts are not entitled to vote unless at least one conservation and reclamation district in the district delivers to the chief appraiser a written request to nominate and vote on the board of directors by June 1 of each odd-numbered year. On receipt of a request, the chief appraiser shall certify a list by June 15 of all eligible conservation and reclamation districts that are imposing taxes and that participate in the district.

(d) The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district.

(e) The chief appraiser shall calculate the number of votes to which each taxing unit other than a conservation and reclamation district is entitled and shall deliver written notice to each of those units of its voting entitlement before October 1 of each odd-numbered year. The chief appraiser shall deliver the notice:

(1) to the county judge and each commissioner of the county served by the appraisal district;

(2) to the presiding officer of the governing body of each city or town participating in the appraisal district, to the city manager of each city or town having a city manager, and to the city secretary or clerk, if there is one, of each city or town that does not have a city manager;

(3) to the presiding officer of the governing body of each school district participating in the district and to the superintendent of those school districts; and

(4) to the presiding officer of the governing body of each junior college district participating in the district and to the president, chancellor, or other chief executive officer of those junior college districts.

(f) The chief appraiser shall calculate the number of votes to which each conservation and reclamation district entitled to vote for district directors is entitled and shall deliver written notice to the presiding officer of each conservation and reclamation district of its voting entitlement and right to nominate a person to serve as a director of the district before July 1 of each odd-numbered year.

(g) Each taxing unit other than a conservation and reclamation district that is entitled to vote may nominate by resolution adopted by its governing body one candidate for each position to be filled on the board of directors. The presiding officer of the governing body of the unit shall submit the names of the unit's nominees to the chief appraiser before October 15.

(h) Each conservation and reclamation district entitled to vote may nominate by resolution adopted by its governing body one candidate for the district's board of directors. The presiding officer of the conservation and reclamation district's governing body shall submit the name of the district's nominee to the chief appraiser before July 15 of each odd-numbered year. Before August 1, the chief appraiser shall prepare a nominating ballot, listing all the nominees of conservation and reclamation districts alphabetically by surname, and shall deliver a copy of the nominating ballot to the presiding officer of the board of directors of each district. The board of directors of each district shall determine its vote by resolution and submit it to the chief appraiser before August 15. The nominee on the ballot with the most votes is the nominee of the conservation and reclamation districts in the appraisal district if the nominee received more than 10 percent of the votes entitled to be cast by all of the conservation and reclamation districts in the appraisal district, and shall be named on the ballot with the candidates nominated by the other taxing units. The chief appraiser shall resolve a tie vote by any method of chance.

(i) If no nominee of the conservation and reclamation districts receives more than 10 percent of the votes entitled to be cast under Subsection (h), the chief appraiser, before September 1, shall notify the presiding officer of the board of directors of each conservation and reclamation district of the failure to select a nominee. Each conservation and reclamation district may submit a nominee by September 15 to the chief appraiser as provided by Subsection (h). The chief appraiser shall submit a second nominating ballot by October 1 to the conservation and reclamation districts as provided by Subsection (h). The conservation and reclamation districts shall submit their votes for nomination before October 15 as provided by Subsection (h). The nominee on the second nominating ballot with the most votes is the nominee of the conservation and reclamation districts in the appraisal district and shall be named on the ballot with the candidates nominated by the other taxing units. The chief appraiser shall resolve a tie vote by any method of chance.

(j) Before October 30, the chief appraiser shall prepare a ballot, listing the candidates whose names were timely submitted under Subsections (g) and, if applicable, (h) or (i) alphabetically according to the first letter in each candidate's surname, and shall deliver a copy of the ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote.

(k) **[Effective until January 1, 2022]** The governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser before December 15. The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before December 31 to the governing body of each taxing unit in the district and to the candidates. For purposes of determining the number of votes received by the candidates, the candidate receiving the most votes of the conservation and reclamation districts is considered to have received all of the votes cast by conservation and reclamation districts and the other candidates are considered not to have received any votes of the conservation and reclamation districts. The chief appraiser shall resolve a tie vote by any method of chance.

(k) **[Effective January 1, 2022]** Except as provided by Subsection (k-1), the governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser before December 15. The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before December 31 to the governing body of each taxing unit in the district and to the candidates. For purposes of determining the number of votes received by the candidates, the candidate receiving the most votes of the conservation and reclamation districts is considered to have received all of the votes cast by conservation and reclamation districts and the other candidates are considered not to have received any votes of the conservation and reclamation districts. The chief appraiser shall resolve a tie vote by any method of chance.

(k-1) **[Effective January 1, 2022]** This subsection applies only to an appraisal district established in a county with a population of 120,000 or more. The governing body of each taxing unit entitled to cast at least five percent of the total votes must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body. The governing body must submit its vote to the chief appraiser not later than the third day following the date the resolution is adopted.

(l) If a vacancy occurs on the board of directors other than a vacancy in the position held by a county assessor-collector serving as a nonvoting director, each taxing unit that is entitled to vote by this section may nominate by resolution adopted by its governing body a candidate to fill the vacancy. The unit shall submit the name of its nominee to the chief appraiser within 45 days after notification from the board of directors of the existence of the vacancy, and the chief appraiser shall prepare and deliver to the board of directors within the next five days a list of the nominees. The board of directors shall elect by majority vote of its members one of the nominees to fill the vacancy.

### **Sec. 6.031. Changes in Board Membership or Selection.**

(a) The board of directors of an appraisal district, by resolution adopted and delivered to each taxing unit participating in the district before August 15, may increase the number of members on the board of directors of the district to not more than 13, change the method or procedure for appointing the members, or both, unless the governing body of a taxing unit that is entitled to vote on the appointment of board members adopts a resolution opposing the change, and files it with the board of directors before September 1. If a change is rejected, the board shall notify, in writing, each taxing unit participating in the district before September 15.

(b) The taxing units participating in an appraisal district may increase the number of members on the board of directors of the district to not more than 13, change the method or procedure for appointing the members, or both, if the governing bodies of three-fourths of the taxing units that are entitled to vote on the appointment of board members adopt resolutions providing for the change. However, a change under this subsection is not valid if it reduces the voting entitlement of one or more taxing units that do not adopt a resolution proposing it to less than a majority of the voting entitlement under Section 6.03 of this code or if it reduces the voting entitlement of any taxing unit that does not adopt a resolution proposing it to less than 50 percent of its voting entitlement under Section 6.03 of this code and if that taxing unit's allocation of the budget is not reduced to the same proportional percentage amount, or if it expands the types of taxing units that are entitled to vote on appointment of board members.

(b-1) If an appraisal district increases the number of members on the board of directors of the district or changes the method or procedure for appointing the members as provided by this section, the board of directors by resolution shall provide for the junior college districts that participate in the appraisal district to collectively participate in the selection of directors in the same manner as the school district that imposes the lowest total dollar amount of property taxes in the appraisal district among all of the school districts with representation in the appraisal district. A resolution adopted under this section is not subject to rejection by a resolution opposing the change filed with the board of directors by a taxing unit under Subsection (a).

(c) An official copy of a resolution under this section must be filed with the chief appraiser of the appraisal district after June 30 and before October 1 of a year in which board members are appointed or the resolution is ineffective.

(d) Before October 5 of each year in which board members are appointed, the chief appraiser shall determine whether a sufficient number of eligible taxing units have filed valid resolutions proposing a change for the change to take effect. The chief appraiser shall notify each taxing unit participating in the district of each change that is adopted before October 10.

(e) A change in membership or selection made as provided by this section remains in effect until changed in a manner provided by this section or rescinded by resolution of a majority of the governing bodies that are entitled to vote on appointment of board members under Section 6.03 of this code.

(f) A provision of Section 6.03 of this code that is subject to change under this section but is not expressly changed by resolution of a sufficient number of eligible taxing units remains in effect.

(g) For purposes of this section, the conservation and reclamation districts in an appraisal district are considered to be entitled to vote on the appointment of appraisal district directors if:

(1) a conservation and reclamation district has filed a request to the chief appraiser to nominate and vote on directors in the current year as provided by Section 6.03(c); or

(2) conservation and reclamation districts were entitled to vote on the appointment of directors in the appraisal district in the most recent year in which directors were appointed under Section 6.03.

Acts 1989, 71st Leg., ch. 1123 (H.B. 2301), § 3, effective January 1, 1990; am. Acts 2013, 83rd Leg., ch. 1161 (S.B. 359), § 2, effective June 14, 2013.

**Sec. 6.032. [Blank].**

**Sec. 6.033. Recall of Director.**

(a) The governing body of a taxing unit may call for the recall of a member of the board of directors of an appraisal district appointed under Section 6.03 of this code for whom the unit cast any of its votes in the appointment of the board. The call must be in the form of a resolution, be filed with the chief appraiser of the appraisal district, and state that the unit is calling for the recall of the member. If a resolution calling for the recall of a board member is filed under this subsection, the chief appraiser, not later than the 10th day after the date of filing, shall deliver a written notice of the filing of the resolution and the date of its filing to the presiding officer of the governing body of each taxing unit entitled to vote in the appointment of board members.

(b) On or before the 30th day after the date on which a resolution calling for the recall of a member of the board is filed, the governing body of a taxing unit that cast any of its votes in the appointment of the board for that member may vote to recall the member by resolution submitted to the chief appraiser. Each taxing unit is entitled to the same number of votes in the recall as it cast for that member in the appointment of the board. The governing body of the taxing unit calling for the recall may cast its votes in favor of the recall in the same resolution in which it called for the recall.

(c) Not later than the 10th day after the last day provided by this section for voting in favor of the recall, the chief appraiser shall count the votes cast in favor of the recall. If the number of votes in favor of the recall equals or exceeds a majority of the votes cast for the member in the appointment of the board, the member is recalled and ceases to be a member of the board. The chief appraiser shall immediately notify in writing the presiding officer of the appraisal district board of directors and of the governing body of each taxing unit that voted in the recall election of the outcome of the recall election. If the presiding officer of the appraisal district board of directors is the member whose recall was voted on, the chief appraiser shall also notify the secretary of the appraisal district board of directors of the outcome of the recall election.

(d) If a vacancy occurs on the board of directors after the recall of a member of the board under this section, the taxing units that were entitled to vote in the recall election shall appoint a new board member. Each taxing unit is entitled to the same number of votes as it originally cast to appoint the recalled board member. Each taxing unit entitled to vote may nominate one candidate by resolution adopted by its governing body. The presiding officer of the governing body of the unit shall submit the name of the unit's nominee to the chief appraiser on or before the 30th day after the date it receives notification from the chief appraiser of the result of the recall election. On or before the 15th day after the last day provided for a nomination to be submitted, the chief appraiser shall prepare a ballot, listing the candidates nominated alphabetically according to each candidate's surname, and shall deliver a copy of the ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote. On or before the 15th day after the date on which a taxing unit's ballot is delivered, the governing body of the taxing unit shall determine its vote by resolution and submit it to the chief appraiser. On or before the 15th day after the last day on which a taxing unit may vote, the chief appraiser shall count the votes, declare the candidate who received the largest vote total appointed, and submit the results to the presiding officer of the governing body of the appraisal district and of each taxing unit in the district and to the candidates. The chief appraiser shall resolve a tie vote by any method of chance.

(e) If the board of directors of an appraisal district is appointed by a method or procedure adopted under Section 6.031 of this code, the governing bodies of the taxing units that voted for or otherwise participated in the appointment of a member of the board may recall that member and appoint a new member to the vacancy by any method adopted by resolution of a majority of those governing bodies. If the appointment was by election, the method of recall and of

appointing a new member to the vacancy is not valid unless it provides that each taxing unit is entitled to the same number of votes in the recall and in the appointment to fill the vacancy as it originally cast for the member being recalled.

**HISTORY:** Enacted by Acts 1985, 69th Leg., ch. 273 (H.B. 1202), § 1, effective August 26, 1985; am. Acts 1987, 70th Leg., ch. 59 (S.B. 469), § 5, effective September 1, 1987 (renumbered from Sec. 6.032).

#### **Sec. 6.034. Optional Staggered Terms for Board of Directors.**

(a) The taxing units participating in an appraisal district may provide that the terms of the appointed members of the board of directors be staggered if the governing bodies of at least three-fourths of the taxing units that are entitled to vote on the appointment of board members adopt resolutions providing for the staggered terms. A change to staggered terms may be adopted only if the method or procedure for appointing board members is changed under Section 6.031 of this code to eliminate or have the effect of eliminating cumulative voting for board members as provided by Section 6.03 of this code. A change to staggered terms may be proposed concurrently with a change that eliminates or has the effect of eliminating cumulative voting.

(b) An official copy of a resolution providing for staggered terms adopted by the governing body of a taxing unit must be filed with the chief appraiser of the appraisal district after June 30 and before October 1 of a year in which board members are to be appointed, or the resolution is ineffective.

(c) Before October 5 of each year in which board members are to be appointed, the chief appraiser shall determine whether a sufficient number of taxing units have filed valid resolutions proposing a change to staggered terms for the change to take effect. Before October 10 the chief appraiser shall notify each taxing unit participating in the district of a change that is adopted under this section.

(d) A change to staggered terms made under this section becomes effective beginning on January 1 of the next even-numbered year after the chief appraiser determines that the change has been adopted. The entire board of directors shall be appointed for that year without regard to the staggered terms. At the earliest practical date after January 1 of that year, the board shall determine by lot which of its members shall serve one-year terms and which shall serve two-year terms in order to implement the staggered terms. If the board consists of an even number of board members, one-half of the members must be designated to serve one-year terms and one-half shall be designated to serve two-year terms. If the board consists of an odd number of board members, the number of members designated to serve two-year terms must exceed by one the number of members designated to serve one-year terms.

(e) After the staggered terms have been implemented as provided by Subsection (d) of this section, the appraisal district shall appoint annually for terms to begin on January 1 of each year a number of board members equal to the number of board members whose terms expire on that January 1, unless a change in the total number of board members is adopted under Section 6.031 of this code to take effect on that January 1.

(f) If a change in the number of directors is adopted under Section 6.031 of this code in an appraisal district that has adopted staggered terms for board members, the change must specify how many members' terms are to begin in even-numbered years and how many members' terms are to begin in odd-numbered years. The change may not provide that the number of members whose terms are to begin in even-numbered years differs by more than one from the number of members whose terms are to begin in odd-numbered years.

(g) A change to staggered terms made as provided by this section may be rescinded by resolution of a majority of the governing bodies that are entitled to vote on appointment of board members under Section 6.03 of this code. To be effective, a resolution providing for the rescission must be adopted by the governing body and filed with the chief appraiser after June 30 and before October 1 of an odd-numbered year. If the required number of resolutions are filed during that period, the chief appraiser shall notify each taxing unit participating in the district that the rescission is adopted. If the rescission is adopted, the terms of all members of the board serving at the time of the adoption expire on January 1 of the even-numbered year following the adoption, including terms of members who will have served only one year of a two-year term on that date. The entire board of directors shall be appointed for two-year terms beginning on that date.

(h) If an appraisal district that has adopted staggered terms adopts or rescinds a change in the method or procedure for appointing board members and the change or rescission results in a method of appointing board members by cumulative voting, the change or rescission has the same effect as a rescission of the change to staggered terms made under Subsection (g) of this section.

(i) If a vacancy occurs on the board of directors of an appraisal district that has adopted staggered terms for board members, the vacancy shall be filled by appointment by resolution of the governing body of the taxing unit that nominated the person whose departure from the board caused the vacancy, and the procedure for filling a vacancy provided by Section 6.03 of this code does not apply in that event.

Acts 1987, 70th Leg., ch. 167 (S.B. 892), § 5.01(a)(51), effective September 1, 1987 (renumbered from Sec. 6.032); am. Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 3, effective January 1, 1998.

(1) is related within the second degree by consanguinity or affinity, as determined under Chapter 573, Government Code, to an individual who is engaged in the business of appraising property for compensation for use in proceedings under this title or of representing property owners for compensation in proceedings under this title in the appraisal district; or

(2) owns property on which delinquent taxes have been owed to a taxing unit for more than 60 days after the date the individual knew or should have known of the delinquency unless:

An offense under this subsection is a Class B misdemeanor.

(c) A chief appraiser commits an offense if the chief appraiser refers a person, whether gratuitously or for compensation, to another person for the purpose of obtaining an appraisal of property, whether or not the appraisal is for ad valorem tax purposes. An offense under this subsection is a Class B misdemeanor.

(d) An appraisal performed by a chief appraiser in a private capacity or by an individual related within the second degree by consanguinity or affinity, as determined under Chapter 573, Government Code, to the chief appraiser may not be used as evidence in a protest or challenge under Chapter 41 or an appeal under Chapter 42 concerning property that is taxable in the appraisal district in which the chief appraiser is employed.

### **Sec. 6.036. Interest in Certain Contracts Prohibited.**

(a) An individual is not eligible to be appointed to or to serve on the board of directors of an appraisal district if the individual or a business entity in which the individual has a substantial interest is a party to a contract with:

(1) the appraisal district; or

(2) a taxing unit that participates in the appraisal district, if the contract relates to the performance of an activity governed by this title.

(b) An appraisal district may not enter into a contract with a member of the board of directors of the appraisal district or with a business entity in which a member of the board has a substantial interest.

(c) A taxing unit may not enter into a contract relating to the performance of an activity governed by this title with a member of the board of directors of an appraisal district in which the taxing unit participates or with a business entity in which a member of the board has a substantial interest.

(d) For purposes of this section, an individual has a substantial interest in a business entity if:

(1) the combined ownership of the individual and the individual's spouse is at least 10 percent of the voting stock or shares of the business entity; or

(2) the individual or the individual's spouse is a partner, limited partner, or officer of the business entity.

(e) In this section, "business entity" means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or other entity recognized by law.

(f) This section does not limit the application of any other law, including the common law relating to conflicts of interest, to an appraisal district director.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 796 (H.B. 432), § 5, effective September 1, 1989.

### **Sec. 6.037. Participation of Conservation and Reclamation Districts in Appraisal District Matters.**

In this title, a reference to the taxing units entitled to vote on the appointment of appraisal district board members includes the conservation and reclamation districts participating in the appraisal district, without regard to whether

the conservation and reclamation districts are currently entitled to do so under Section 6.03(c). In a provision of this title other than Section 6.03 or 6.031 that grants authority to a majority or other number of the taxing units entitled to vote on the appointment of appraisal district directors, including the disapproval of the appraisal district budget under Section 6.06 and the disapproval of appraisal district board actions under Section 6.10, the conservation and reclamation districts participating in the appraisal district are given the vote or authority of one taxing unit. That vote or authority is considered exercised only if a majority of the conservation and reclamation districts take the same action to exercise that vote or authority. Otherwise, the conservation and reclamation districts are treated in the same manner as a single taxing unit that is entitled to act but does not take any action on the matter.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 1123 (H.B. 2301), § 4, effective January 1, 1990; am. Acts 1990, 71st Leg., 6th C.S., ch. 12 (S.B. 51), § 2(28), effective September 6, 1990 (renumbered from Sec. 6.035).

#### **Sec. 6.04. Organization, Meetings, and Compensation.**

(b) The board may meet at any time at the call of the chairman or as provided by board rule, but may not meet less often than once each calendar quarter.

(c) Members of the board may not receive compensation for service on the board but are entitled to reimbursement for actual and necessary expenses incurred in the performance of their duties as provided by the budget adopted by the board.

(d) The board shall develop and implement policies that provide the public with reasonable opportunity to appear before the board to speak on any issue under the jurisdiction of the board. Reasonable time shall be provided during each board meeting for public comment on appraisal district and appraisal review board policies and procedures, and a report from the taxpayer liaison officer if one is required by Section 6.052.

(e) The board shall prepare and maintain a written plan that describes how a person who does not speak English or who has a physical, mental, or developmental disability may be provided reasonable access to the board.

(f) The board shall prepare information of public interest describing the functions of the board and the board's procedures by which complaints are filed with and resolved by the board. The board shall make the information available to the public and the appropriate taxing jurisdictions.

(g) If a written complaint is filed with the board that the board has authority to resolve, the board, at least quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless notice would jeopardize an undercover investigation.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1980; am. Acts 1983, 68th Leg., ch. 262 (H.B. 532), § 1, effective August 29, 1983; am. Acts 1989, 71st Leg., ch. 796 (H.B. 1464), § 6, effective September 1, 1989.

#### **Sec. 6.05. Appraisal Office.**

(a) Except as authorized by Subsection (b) of this section, each appraisal district shall establish an appraisal office. The appraisal office must be located in the county for which the district is established. An appraisal district may establish branch appraisal offices outside the county for which the district is established.

(b) The board of directors of an appraisal district may contract with an appraisal office in another district or with a taxing unit in the district to perform the duties of the appraisal office for the district.

(c) The chief appraiser is the chief administrator of the appraisal office. Except as provided by Section 6.0501, the chief appraiser is appointed by and serves at the pleasure of the appraisal district board of directors. If a taxing unit performs the duties of the appraisal office pursuant to a contract, the assessor for the unit is the chief appraiser. To be eligible to be appointed or serve as a chief appraiser, a person must be certified as a registered professional appraiser under Section 1151.160, Occupations Code, possess an MAI professional designation from the Appraisal Institute, or possess an Assessment Administration Specialist (AAS), Certified Assessment Evaluator (CAE), or Residential Evaluation Specialist (RES) professional designation from the International Association of Assessing Officers. A person who is eligible to be appointed or serve as a chief appraiser by having a professional designation described by this subsection must become certified as a registered professional appraiser under Section 1151.160, Occupations Code, not later than the fifth anniversary of the date the person is appointed or begins to serve as chief appraiser. A chief appraiser who is not eligible to be appointed or serve as chief appraiser may not perform an action authorized or required by law to be performed by a chief appraiser, including the preparation, certification, or submission of any part of the appraisal roll. Not later than January 1 of each year, a chief appraiser shall notify the comptroller in writing that the chief appraiser is either eligible to be appointed or serve as the chief appraiser or not eligible to be appointed or serve as the chief appraiser.

(d) Except as provided by Section 6.0501, the chief appraiser is entitled to compensation as provided by the budget adopted by the board of directors. The chief appraiser's compensation may not be directly or indirectly linked to an increase in the total market, appraised, or taxable value of property in the appraisal district. Except as provided by Section 6.0501, the chief appraiser may employ and compensate professional, clerical, and other personnel as provided by the budget, with the exception of a general counsel to the appraisal district.

(e) The chief appraiser may delegate authority to his employees.

(f) The chief appraiser may not employ any individual related to a member of the board of directors within the second degree by affinity or within the third degree by consanguinity, as determined under Chapter 573, Government Code. A person commits an offense if the person intentionally or knowingly violates this subsection. An offense under this subsection is a misdemeanor punishable by a fine of not less than \$100 or more than \$1,000.

(g) The chief appraiser is an officer of the appraisal district for purposes of the nepotism law, Chapter 573, Government Code. An appraisal district may not employ or contract with an individual or the spouse of an individual who is related to the chief appraiser within the first degree by consanguinity or affinity, as determined under Chapter 573, Government Code.

(h) The board of directors of an appraisal district by resolution may prescribe that specified actions of the chief appraiser relating to the finances or administration of the appraisal district are subject to the approval of the board.

(i) To ensure adherence with generally accepted appraisal practices, the board of directors of an appraisal district shall develop biennially a written plan for the periodic reappraisal of all property within the boundaries of the district according to the requirements of Section 25.18 and shall hold a public hearing to consider the proposed plan. Not later than the 10th day before the date of the hearing, the secretary of the board shall deliver to the presiding officer of the governing body of each taxing unit participating in the district a written notice of the date, time, and place for the hearing. Not later than September 15 of each even-numbered year, the board shall complete its hearings, make any amendments, and by resolution finally approve the plan. Copies of the approved plan shall be distributed to the presiding officer of the governing body of each taxing unit participating in the district and to the comptroller within 60 days of the approval date.

(j) The board of directors of an appraisal district may employ a general counsel to the district to serve at the will of the board. The general counsel shall provide counsel directly to the board and perform other duties and responsibilities as determined by the board. The general counsel is entitled to compensation as provided by the budget adopted by the board.

#### **Sec. 6.0501. Appointment of Eligible Chief Appraiser by Comptroller.**

(a) The comptroller shall appoint a person eligible to be a chief appraiser under Section 6.05(c) or a person who has previously been appointed or served as a chief appraiser to perform the duties of chief appraiser for an appraisal district whose chief appraiser is ineligible to serve.

(b) A chief appraiser appointed under this section serves until the earlier of:

- (1) the first anniversary of the date the comptroller appoints the chief appraiser; or
- (2) the date the board of directors of the appraisal district:
  - (A) appoints a chief appraiser under Section 6.05(c); or

(d) An appraisal district that does not appoint a chief appraiser or contract with an appraisal district or a taxing unit to perform the duties of the appraisal office by the first anniversary of the date the comptroller appoints a chief appraiser shall contract with an appraisal district or a taxing unit to perform the duties of the appraisal office or with a qualified public or private entity to perform the duties of the chief appraiser, subject to the approval of the comptroller.

(b) The acquisition or conveyance of real property or the construction or renovation of a building or other improvement by an appraisal district must be approved by the governing bodies of three-fourths of the taxing units entitled to vote on the appointment of board members. The board of directors by resolution may propose a property transaction or other action for which this subsection requires approval of the taxing units. The chief appraiser shall notify the presiding officer of each governing body entitled to vote on the approval of the proposal by delivering a copy of the board's resolution, together with information showing the costs of other available alternatives to the proposal. On

or before the 30th day after the date the presiding officer receives notice of the proposal, the governing body of a taxing unit by resolution may approve or disapprove the proposal. If a governing body fails to act on or before that 30th day or fails to file its resolution with the chief appraiser on or before the 10th day after that 30th day, the proposal is treated as if it were disapproved by the governing body.

(c) The board of directors may convey real property owned by the district, and the proceeds shall be credited to each taxing unit that participates in the district in proportion to the unit's allocation of the appraisal district budget in the year in which the transaction occurs. A conveyance must be approved as provided by Subsection (b) of this section, and any proceeds shall be apportioned by an amendment to the annual budget made as provided by Subsection (c) of Section 6.06 of this code.

(d) An acquisition of real property by an appraisal district before January 1, 1988, may be validated before March 1, 1988, in the manner provided by Subsection (b) of this section for the acquisition of real property.

In addition, the taxpayer liaison officer is responsible for receiving, and compiling a list of, comments, complaints, and suggestions filed by the chief appraiser, a property owner, or a property owner's agent concerning the matters listed in Section 5.103(b) or any other matter related to the fairness and efficiency of the appraisal review board established for the appraisal district. The taxpayer liaison officer shall forward to the comptroller comments, complaints, and suggestions filed under this subsection in the form and manner prescribed by the comptroller not later than December 31 of each year.

(b) The taxpayer liaison officer shall provide to the public information and materials designed to assist property owners in understanding the appraisal process, protest procedures, the procedure for filing comments, complaints, and suggestions under Subsection (a) of this section or a complaint under Section 6.04(g), and other matters. Information concerning the process for submitting comments, complaints, and suggestions to the comptroller concerning an appraisal review board shall be provided at each protest hearing.

(c) The taxpayer liaison officer shall report to the board at each meeting on the status of all comments, complaints, and suggestions filed with the officer under Subsection (a) of this section and all complaints filed with the board under Section 6.04(g).

(d) The taxpayer liaison officer is entitled to compensation as provided by the budget adopted by the board of directors.

(e) The chief appraiser or any other person who performs appraisal or legal services for the appraisal district for compensation is not eligible to be the taxpayer liaison officer.

(f) The taxpayer liaison officer is responsible for providing clerical assistance to the local administrative district judge in the selection of appraisal review board members. The officer shall deliver to the local administrative district judge any applications to serve on the board that are submitted to the officer and shall perform other duties as requested by the local administrative district judge. The officer may not influence the process for selecting appraisal review board members.

(g) Notwithstanding any other provision of this chapter, a taxpayer liaison officer does not commit an offense under this chapter if the officer communicates with the chief appraiser or another employee or agent of the appraisal district, a member of the appraisal review board established for the appraisal district, a member of the board of directors of the appraisal district, a property tax consultant, a property owner, an agent of a property owner, or another person if the communication is made in the good faith exercise of the officer's statutory duties.

### **Sec. 6.054. Restriction on Employment by Appraisal District.**

An individual may not be employed by an appraisal district if the individual:

- (1) is an officer of a taxing unit that participates in the appraisal district;
- (2) is an employee of a taxing unit that participates in the appraisal district; or

(3) has served as a member of the appraisal review board for the appraisal district at any time during the preceding two years.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 17, effective January 1, 2020; am. Acts 2021, 87th Leg., ch. 533 (S.B. 63), § 4, effective September 1, 2021.

### **Sec. 6.06. Appraisal District Budget and Financing.**

(a) Each year the chief appraiser shall prepare a proposed budget for the operations of the district for the following tax year and shall submit copies to each taxing unit participating in the district and to the district board of directors before June 15. He shall include in the budget a list showing each proposed position, the proposed salary for the position, all benefits proposed for the position, each proposed capital expenditure, and an estimate of the amount of the budget that will be allocated to each taxing unit. Each taxing unit entitled to vote on the appointment of board members shall maintain a copy of the proposed budget for public inspection at its principal administrative office.

(b) The board of directors shall hold a public hearing to consider the budget. The secretary of the board shall deliver to the presiding officer of the governing body of each taxing unit participating in the district not later than the 10th day before the date of the hearing a written notice of the date, time, and place fixed for the hearing. The board shall complete its hearings, make any amendments to the proposed budget it desires, and finally approve a budget before September 15. If governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving a budget and file them with the secretary of the board within 30 days after its adoption, the budget does not take effect, and the board shall adopt a new budget within 30 days of the disapproval.

(c) The board may amend the approved budget at any time, but the secretary of the board must deliver a written copy of a proposed amendment to the presiding officer of the governing body of each taxing unit participating in the district not later than the 30th day before the date the board acts on it.

(d) Each taxing unit participating in the district is allocated a portion of the amount of the budget equal to the proportion that the total dollar amount of property taxes imposed in the district by the unit for the tax year in which the budget proposal is prepared bears to the sum of the total dollar amount of property taxes imposed in the district by each participating unit for that year. If a taxing unit participates in two or more districts, only the taxes imposed in a district are used to calculate the unit's cost allocations in that district. If the number of real property parcels in a taxing unit is less than 5 percent of the total number of real property parcels in the district and the taxing unit imposes in excess of 25 percent of the total amount of the property taxes imposed in the district by all of the participating taxing units for a year, the unit's allocation may not exceed a percentage of the appraisal district's budget equal to three times the unit's percentage of the total number of real property parcels appraised by the district.

(e) Unless the governing body of a unit and the chief appraiser agree to a different method of payment, each taxing unit shall pay its allocation in four equal payments to be made at the end of each calendar quarter, and the first payment shall be made before January 1 of the year in which the budget takes effect. A payment is delinquent if not paid on the date it is due. A delinquent payment incurs a penalty of 5 percent of the amount of the payment and accrues interest at an annual rate of 10 percent. If the budget is amended, any change in the amount of a unit's allocation is apportioned among the payments remaining.

(f) Payments shall be made to a depository designated by the district board of directors. The district's funds may be disbursed only by a written check, draft, or order signed by the chairman and secretary of the board or, if authorized by resolution of the board, by the chief appraiser.

(g) If a taxing unit decides not to impose taxes for any tax year, the unit is not liable for any of the costs of operating the district in that year, and those costs are allocated among the other taxing units as if that unit had not imposed taxes in the year used to calculate allocations. However, if that unit has made any payments, it is not entitled to a refund.

(h) If a newly formed taxing unit or a taxing unit that did not impose taxes in the preceding year imposes taxes in any tax year, that unit is allocated a portion of the amount budgeted to operate the district as if it had imposed taxes in the preceding year, except that the amount of taxes the unit imposes in the current year is used to calculate its allocation. Before the amount of taxes to be imposed for the current year is known, the allocation may be based on an estimate to which the district board of directors and the governing body of the unit agree, and the payments made after that amount is known shall be adjusted to reflect the amount imposed. The payments of a newly formed taxing unit that has no source of funds are postponed until the unit has received adequate tax or other revenues.

(i) The fiscal year of an appraisal district is the calendar year unless the governing bodies of three-fourths of the taxing units entitled to vote on the appointment of board members adopt resolutions proposing a different fiscal year and file them with the secretary of the board not more than 12 and not less than eight months before the first day of the fiscal year proposed by the resolutions. If the fiscal year of an appraisal district is changed under this subsection, the chief appraiser shall prepare a proposed budget for the fiscal year as provided by Subsection (a) of this section before the 15th day of the seventh month preceding the first day of the fiscal year established by the change, and the board of directors shall adopt a budget for the fiscal year as provided by Subsection (b) of this section before the 15th day of the fourth month preceding the first day of the fiscal year established by the change. Unless the appraisal district adopts a different method of allocation under Section 6.061 of this code, the allocation of the budget to each taxing unit shall be calculated as provided by Subsection (d) of this section using the amount of property taxes imposed by each participating taxing unit in the most recent tax year preceding the fiscal year established by the change for which the

necessary information is available. Each taxing unit shall pay its allocation as provided by Subsection (e) of this section, except that the first payment shall be made before the first day of the fiscal year established by the change and subsequent payments shall be made quarterly. In the year in which a change in the fiscal year occurs, the budget that takes effect on January 1 of that year may be amended as necessary as provided by Subsection (c) of this section in order to accomplish the change in fiscal years.

(j) If the total amount of the payments made or due to be made by the taxing units participating in an appraisal district exceeds the amount actually spent or obligated to be spent during the fiscal year for which the payments were made, the chief appraiser shall credit the excess amount against each taxing unit's allocated payments for the following year in proportion to the amount of each unit's budget allocation for the fiscal year for which the payments were made. If a taxing unit that paid its allocated amount is not allocated a portion of the district's budget for the following fiscal year, the chief appraiser shall refund to the taxing unit its proportionate share of the excess funds not later than the 150th day after the end of the fiscal year for which the payments were made.

(k) For good cause shown, the board of directors may waive the penalty and interest on a delinquent payment under Subsection (e).

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1981; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), §§ 17, 18, effective August 14, 1981; am. Acts 1985, 69th Leg., ch. 311 (H.B. 2300), § 1, effective August 26, 1985; am. Acts 1989, 71st Leg., ch. 796 (H.B. 432), § 9, effective September 1, 1989; am. Acts 2007, 80th Leg., ch. 87 (S.B. 948), § 1, effective May 14, 2007.

### **Sec. 6.061. Changes in Method of Financing.**

(a) The board of directors of an appraisal district, by resolution adopted and delivered to each taxing unit participating in the district after June 15 and before August 15, may prescribe a different method of allocating the costs of operating the district unless the governing body of any taxing unit that participates in the district adopts a resolution opposing the different method, and files it with the board of directors before September 1. If a board proposal is rejected, the board shall notify, in writing, each taxing unit participating in the district before September 15.

(b) The taxing units participating in an appraisal district may adopt a different method of allocating the costs of operating the district if the governing bodies of three-fourths of the taxing units that are entitled to vote on the appointment of board members adopt resolutions providing for the other method. However, a change under this subsection is not valid if it requires any taxing unit to pay a greater proportion of the appraisal district's costs than the unit would pay under Section 6.06 of this code without the consent of the governing body of that unit.

(c) An official copy of a resolution under this section must be filed with the chief appraiser of the appraisal district after April 30 and before May 15 or the resolution is ineffective.

(d) Before May 20, the chief appraiser shall determine whether a sufficient number of eligible taxing units have filed valid resolutions proposing a change in the allocation of district costs for the change to take effect. Before May 25, the chief appraiser shall notify each taxing unit participating in the district of each change that is adopted.

(e) A change in allocation of district costs made as provided by this section remains in effect until changed in a manner provided by this section or rescinded by resolution of a majority of the governing bodies that are entitled to vote on appointment of board members under Section 6.03 of this code.

(f) [Repealed by Acts 1993, 73rd Leg., ch. 347 (S.B. 7), § 4.13(2), effective May 31, 1993.]

### **Sec. 6.062. Publication of Budget.**

(a) Not later than the 10th day before the date of the public hearing at which the board of directors considers the appraisal district budget, the chief appraiser shall give notice of the public hearing by publishing the notice in a newspaper having general circulation in the county for which the appraisal district is established. The notice may not be smaller than one-quarter page of a standard-size or tabloid-size newspaper and may not be published in the part of the paper in which legal notices and classified advertisements appear.

(b) The notice must set out the time, date, and place of the public hearing and must set out a summary of the proposed budget. The summary must set out as separate items:

(2) the amount of increase proposed from the budget adopted for the current year; and

(a) An individual is not eligible to be appointed to or to serve on the appraisal review board established for an appraisal district if the individual or a business entity in which the individual has a substantial interest is a party to a contract with the appraisal district or with a taxing unit that participates in the appraisal district.

(b) An appraisal district may not enter into a contract with a member of the appraisal review board established for the appraisal district or with a business entity in which a member of the appraisal review board has a substantial interest.

(c) A taxing unit may not enter into a contract with a member of the appraisal review board established for an appraisal district in which the taxing unit participates or with a business entity in which a member of the appraisal review board has a substantial interest.

(a) The board of directors of an appraisal district by resolution of a majority of the members may provide for a number of auxiliary appraisal review board members that the board considers appropriate to hear taxpayer protests before the appraisal review board and to assist the board in performing its duties.

(b) An auxiliary board member is appointed in the same manner and for the same term as an appraisal review board member under Section 6.41 and is subject to the same eligibility requirements and restrictions as a board member under Sections 6.41, 6.411, 6.412, and 6.413.

(c) An auxiliary board member may attend meetings of the appraisal review board but may not vote in a determination made by the board or serve as chairman or secretary of the board. An auxiliary board member is not included in determining what constitutes a quorum of the board or whether a quorum is present at any meeting of the board.

(d) An auxiliary board member may hear taxpayer protests before the appraisal review board. An auxiliary board member may not hear taxpayer protests before a special panel established under Section 6.425 unless the member is eligible to be appointed to the special panel. If one or more auxiliary board members sit on a panel established under Section 6.425 or 41.45 to conduct a protest hearing, the number of regular appraisal review board members required by that section to constitute the panel is reduced by the number of auxiliary board members sitting. An auxiliary board member sitting on a panel is considered a regular board member for all purposes related to the conduct of the hearing.

(e) An auxiliary board member is entitled to make a recommendation to the appraisal review board regarding a protest heard by the member but is not entitled to vote on the determination of the protest by the board.

(f) An auxiliary board member is entitled to compensation as provided by the appraisal district budget and is not entitled to a per diem or reimbursement of expenses under Section 6.42(c).

### **Sec. 6.42. Organization, Meetings, and Compensation.**

(a) A majority of the appraisal review board constitutes a quorum. The local administrative district judge under Subchapter D, Chapter 74, Government Code, in the county in which the appraisal district is established shall select a chairman and a secretary from among the members of the appraisal review board. The judge is encouraged to select as chairman a member of the appraisal review board, if any, who has a background in law and property appraisal.

(b) The board may meet at any time at the call of the chairman or as provided by rule of the board. The board shall meet to examine the appraisal records within 10 days after the date the chief appraiser submits the records to the board.

(c) Members of the board are entitled to per diem set by the appraisal district budget for each day the board meets and to reimbursement for actual and necessary expenses incurred in the performance of board functions as provided by the district budget.

(d) The concurrence of a majority of the members of the appraisal review board present at a meeting of the board is sufficient for a recommendation, determination, decision, or other action by the board. The concurrence of a majority of the members of a panel of the board present at a meeting of the panel is sufficient for a recommendation by the panel. The concurrence of more than a majority of the members of the board or panel may not be required.

(e) Notwithstanding Subsection (d), the chairman of the appraisal review board may appoint to a special panel described by this section a member of the appraisal review board who does not meet the qualifications prescribed by that subsection if:

(1) the number of persons appointed to the board by the local administrative district judge who meet those qualifications is not sufficient to fill the positions on each special panel; and

(2) the board member being appointed to the panel holds a bachelor's degree in any field.

(f) In addition to conducting protest hearings relating to property described by Subsection (b) of this section, a special panel may conduct protest hearings under Chapter 41 relating to property not described by Subsection (b) of this section as assigned by the chairman of the appraisal review board.

(g) By February 1 or as soon thereafter as practicable, the comptroller shall determine the minimum eligibility amount for the current tax year for purposes of Subsection (b)(1) and publish that amount in the Texas Register. The minimum eligibility amount for the 2020 tax year is \$50 million. The attorney shall disclose to the board a material fact that may assist the board or panel in making an informed decision regardless of whether the fact is adverse to the position of a party.

(e) An appraisal district may specify in its budget whether the appraisal review board may employ legal counsel or must use the services of the county attorney. *Subchapter B  
Exemptions*

**Sec. 11.11. Public Property.**

- (a) Except as provided by Subsections (b) and (c) of this section, property owned by this state or a political subdivision of this state is exempt from taxation if the property is used for public purposes.
- (b) Land owned by the Permanent University Fund is taxable for county purposes. Any notice required by Section 25.19 of this code shall be sent to the comptroller, and the comptroller shall appear in behalf of the state in any protest or appeal relating to taxation of Permanent University Fund land.
- (c) Agricultural or grazing land owned by a county for the benefit of public schools under Article VII, Section 6, of the

Texas Constitution is taxable for all purposes. The county shall pay the taxes on the land from the revenue derived from the land. If revenue from the land is insufficient to pay the taxes, the county shall pay the balance from the county general fund.

(d) Property owned by the state that is not used for public purposes is taxable. Property owned by a state agency or institution is not used for public purposes if the property is rented or leased for compensation to a private business enterprise to be used by it for a purpose not related to the performance of the duties and functions of the state agency or institution or used to provide private residential housing for compensation to members of the public other than students and employees of the state agency or institution owning the property, unless the residential use is secondary to its use by an educational institution primarily for instructional purposes. Any notice required by Section 25.19 of this code shall be sent to the agency or institution that owns the property, and it shall appear in behalf of the state in any protest or appeal related to taxation of the property.

(e) Property that is held or dedicated for the support, maintenance, or benefit of an institution of higher education as defined by Section 61.003, Education Code, but is not rented or leased for compensation to a private business enterprise to be used by it for a purpose not related to the performance of the duties and functions of the state or institution or is not rented or leased to provide private residential housing to members of the public other than students and employees of the state or institution is not taxable. If a portion of property of an institution of higher education is used for public purposes and a portion is not used for those purposes, the portion of the property used for public purposes is exempt under this subsection. All oil, gas, and other mineral interests owned by an institution of higher education are exempt from all ad valorem taxes. Property bequeathed to an institution is exempt from the assessment of ad valorem taxes from the date of the decedent's death, unless:

- (1) the property is leased for compensation to a private business enterprise as provided in this subsection; or
- (2) the transfer of the property to an institution is contested in a probate court, in which case ad valorem taxes shall be assessed to the estate of the decedent until the final determination of the disposition of the property is made. The property is exempt from the assessment of ad valorem taxes upon vesting of the property in the institution.

(f) Property of a higher education development foundation or an alumni association that is located on land owned by the state for the support, maintenance, or benefit of an institution of higher education as defined in Chapter 61, Education Code, is exempt from taxation if:

- (1) the foundation or organization meets the requirements of Sections 11.18(e) and (f) and is organized exclusively to operate programs or perform other activities for the benefit of institutions of higher education; and
- (2) the property is used exclusively in those programs or activities.

(g) For purposes of this section, an improvement is owned by the state and is used for public purposes if it is:

- (1) located on land owned by the Texas Department of Criminal Justice;
- (2) leased and used by the department; and
- (3) subject to a lease-purchase agreement providing that legal title to the improvement passes to the department at the end of the lease period.

(h) For purposes of this section, tangible personal property is owned by this state or a political subdivision of this state if it is subject to a lease-purchase agreement providing that the state or political subdivision, as applicable, is entitled to compel delivery of the legal title to the property to the state or political subdivision, as applicable, at the end of the lease term. The property ceases to be owned by the state or political subdivision, as applicable, if, not later than the 30th day after the date the lease terminates, the state or political subdivision, as applicable, does not exercise its right to acquire legal title to the property.

(i) A corporation organized under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes), or a successor statute, that engages primarily in providing chilled water and steam to an eligible institution, as defined by Section 301.031, Health and Safety Code, is entitled to an exemption from taxation of the property the corporation owns as though the property of the corporation were owned by this state and used for health or educational purposes.

(j) For purposes of this section, any portion of a facility owned by the Texas Department of Transportation that is a rail facility or system or is a highway in the state highway system, and that is licensed or leased to a private entity by that department under Chapter 91 or 223, Transportation Code, is public property used for a public purpose if the rail facility or system, highway, or facility is operated by the private entity to provide transportation or utility services. Any part of a facility, rail facility or system, or state highway that is licensed or leased to a private entity for a commercial purpose is not exempt from taxation.

(a) The governing body of a taxing unit by ordinance or order may exempt from ad valorem taxation residential

property owned by the United States or an agency of the United States and used to provide transitional housing for the indigent under a program operated or directed by the United States Department of Housing and Urban Development.

(b) For purposes of this section, transitional housing for indigent individuals is housing provided at no cost or nominal cost to an indigent individual or family during a temporary period in which the individual or a member of the family participates in a job training program, job placement program, or other program intended to assist the individual or family to become self-sufficient.

(c) The exemption provided by this section applies even if the United States or its agency leases the property to a nonprofit organization in return for the organization's assistance in operating the program to provide transitional housing, as long as the lease does not require the nonprofit organization to pay more than a nominal amount to lease the property.

**HISTORY:** Enacted by Acts 1991, 72nd Leg., ch. 762, § 13, effective January 1, 1992.

### Sec. 11.12. Federal Exemptions.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841, § 1, effective January 1, 1980.

### Sec. 11.13. Residence Homestead.

(a) A family or single adult is entitled to an exemption from taxation for the county purposes authorized in Article VIII, Section 1-a, of the Texas Constitution of \$3,000 of the assessed value of his residence homestead.

(b) **[2 Versions: Effective unless and until Acts 2021, 87th Leg., 3rd C.S. S.J.R. No. 2 is approved by the voters and the ballot certified]** An adult is entitled to exemption from taxation by a school district of \$25,000 of the appraised value of the adult's residence homestead, except that only \$5,000 of the exemption applies to an entity operating under former Chapter 17, 18, 25, 26, 27, or 28, Education Code, as those chapters existed on May 1, 1995, as permitted by Section 11.301, Education Code.

(b) **[2 Versions: Proposed Amendment by Acts 2021, 87th Leg., 3rd C.S. S.J.R. No. 2, contingent on Voter Approval]** An adult is entitled to exemption from taxation by a school district of \$40,000 of the appraised value of the adult's residence homestead, except that only \$5,000 of the exemption applies to an entity operating under former Chapter 17, 18, 25, 26, 27, or 28, Education Code, as those chapters existed on May 1, 1995, as permitted by Section 11.301, Education Code.

(c) In addition to the exemption provided by Subsection (b) of this section, an adult who is disabled or is 65 or older is entitled to an exemption from taxation by a school district of \$10,000 of the appraised value of his residence homestead.

(d) In addition to the exemptions provided by Subsections (b) and (c) of this section, an individual who is disabled or is 65 or older is entitled to an exemption from taxation by a taxing unit of a portion (the amount of which is fixed as provided by Subsection (e) of this section) of the appraised value of his residence homestead if the exemption is adopted either:

(1) by the governing body of the taxing unit; or

(2) by a favorable vote of a majority of the qualified voters of the taxing unit at an election called by the governing body of a taxing unit, and the governing body shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the taxing unit.

(e) The amount of an exemption adopted as provided by Subsection (d) of this section is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by:

(1) the governing body authorizing the exemption if the exemption is authorized as provided by Subdivision (1) of Subsection (d) of this section; or

(2) the petition for the election if the exemption is authorized as provided by Subdivision (2) of Subsection (d) of this section.

(f) Once authorized, an exemption adopted as provided by Subsection (d) of this section may be repealed or decreased or increased in amount by the governing body of the taxing unit or by the procedure authorized by Subdivision (2) of Subsection (d) of this section. In the case of a decrease, the amount of the exemption may not be reduced to less than \$3,000 of the market value.

(g) If the residence homestead exemption provided by Subsection (d) of this section is adopted by a county that levies a tax for the county purposes authorized by Article VIII, Section 1-a, of the Texas Constitution, the residence homestead exemptions provided by Subsections (a) and (d) of this section may not be aggregated for the county tax purposes. An individual who is eligible for both exemptions is entitled to take only the exemption authorized as provided by Subsection (d) of this section for purposes of that county tax.

(h) **[As added by Acts 2019 86th Leg., ch. 457 (H.B. 2441)]** Joint, community, or successive owners may not each receive the same exemption provided by or pursuant to this section for the same residence homestead in the same year. An eligible disabled person who is 65 or older may not receive both a disabled and an elderly residence homestead exemption from the same taxing unit in the same year but may choose either if a taxing unit has adopted both. An eligible disabled person who is 65 or older may receive both a disabled and an elderly residence homestead exemption

in the same year if the person receives the exemptions with respect to taxes levied by different taxing units. A person may not receive an exemption under this section for more than one residence homestead in the same year.

(h) [As added by Acts 2019 86th Leg., ch. 663 (S.B. 1943)] Joint, community, or successive owners may not each receive the same exemption provided by or pursuant to this section for the same residence homestead in the same year. An eligible disabled person who is 65 or older may not receive both a disabled and an elderly residence homestead exemption but may choose either. A person may not receive an exemption under this section for more than one residence homestead in the same year. An heir property owner who qualifies heir property as the owner's residence homestead under this chapter is considered the sole recipient of any exemption granted to the owner for the residence homestead by or pursuant to this section.

(i) The assessor and collector for a taxing unit may disregard the exemptions authorized by Subsection (b), (c), (d), or (n) of this section and assess and collect a tax pledged for payment of debt without deducting the amount of the exemption if:

- (1) prior to adoption of the exemption, the unit pledged the taxes for the payment of a debt; and
- (2) granting the exemption would impair the obligation of the contract creating the debt.

(j) For purposes of this section:

(1) "Residence homestead" means a structure (including a mobile home) or a separately secured and occupied portion of a structure (together with the land, not to exceed 20 acres, and improvements used in the residential occupancy of the structure, if the structure and the land and improvements have identical ownership) that:

- (A) is owned by one or more individuals, either directly or through a beneficial interest in a qualifying trust;
- (B) is designed or adapted for human residence;
- (C) is used as a residence; and

(D) is occupied as the individual's principal residence by an owner, by an owner's surviving spouse who has a life estate in the property, or, for property owned through a beneficial interest in a qualifying trust, by a trustor or beneficiary of the trust who qualifies for the exemption.

(2) "Trustor" means a person who transfers an interest in real or personal property to a qualifying trust, whether during the person's lifetime or at death, or the person's spouse.

(3) "Qualifying trust" means a trust:

(A) in which the agreement, will, or court order creating the trust, an instrument transferring property to the trust, or any other agreement that is binding on the trustee provides that the trustor of the trust or a beneficiary of the trust has the right to use and occupy as the trustor's or beneficiary's principal residence residential property rent free and without charge except for taxes and other costs and expenses specified in the instrument or court order:

- (i) for life;
- (ii) for the lesser of life or a term of years; or
- (iii) until the date the trust is revoked or terminated by an instrument or court order that describes the property with sufficient certainty to identify it and is recorded in the real property records of the county in which the property is located; and

(B) that acquires the property in an instrument of title or under a court order that:

- (i) describes the property with sufficient certainty to identify it and the interest acquired; and
- (ii) is recorded in the real property records of the county in which the property is located.

(k) A qualified residential structure does not lose its character as a residence homestead if a portion of the structure is rented to another or is used primarily for other purposes that are incompatible with the owner's residential use of the structure. However, the amount of any residence homestead exemption does not apply to the value of that portion of the structure that is used primarily for purposes that are incompatible with the owner's residential use.

(l) A qualified residential structure does not lose its character as a residence homestead when the owner who qualifies for the exemption temporarily stops occupying it as a principal residence if that owner does not establish a different principal residence and the absence is:

- (1) for a period of less than two years and the owner intends to return and occupy the structure as the owner's principal residence; or
- (2) caused by the owner's:
  - (A) military service inside or outside of the United States as a member of the armed forces of the United States or of this state; or
  - (B) residency in a facility that provides services related to health, infirmity, or aging.

(m) In this section:

(1) "Disabled" means under a disability for purposes of payment of disability insurance benefits under Federal Old-Age, Survivors, and Disability Insurance.

(2) "School district" means a political subdivision organized to provide general elementary and secondary public education. "School district" does not include a junior college district or a political subdivision organized to provide special education services.

(n) In addition to any other exemptions provided by this section, an individual is entitled to an exemption from taxation by a taxing unit of a percentage of the appraised value of his residence homestead if the exemption is adopted by the governing body of the taxing unit before July 1 in the manner provided by law for official action by the body. If

the percentage set by the taxing unit produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the taxing unit may not exceed 20 percent.

(n-1) **[Expired.]**

(o) For purposes of this section, a residence homestead also may consist of an interest in real property created through ownership of stock in a corporation incorporated under the Cooperative Association Act (Article 1396-50.01, Vernon's Texas Civil Statutes) to provide dwelling places to its stockholders if:

- (1) the interests of the stockholders of the corporation are appraised separately as provided by Section 23.19 of this code in the tax year to which the exemption applies;
- (2) ownership of the stock entitles the owner to occupy a dwelling place owned by the corporation;
- (3) the dwelling place is a structure or a separately secured and occupied portion of a structure; and
- (4) the dwelling place is occupied as his principal residence by a stockholder who qualifies for the exemption.

(p) Exemption under this section for a homestead described by Subsection (o) of this section extends only to the dwelling place occupied as a residence homestead and to a portion of the total common area used in the residential occupancy that is equal to the percentage of the total amount of the stock issued by the corporation that is owned by the homestead claimant. The size of a residence homestead under Subsection (o) of this section, including any relevant portion of common area, may not exceed 20 acres.

(q) The surviving spouse of an individual who qualifies for an exemption under Subsection (d) for the residence homestead of a person 65 or older is entitled to an exemption for the same property from the same taxing unit in an amount equal to that of the exemption for which the deceased spouse qualified if:

- (1) the deceased spouse died in a year in which the deceased spouse qualified for the exemption;
- (2) the surviving spouse was 55 or older when the deceased spouse died; and
- (3) the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse.

(r) An individual who receives an exemption under Subsection (d) is not entitled to an exemption under Subsection (q).

(s) [Expired pursuant to Acts 1997, 75th Leg., ch. 1071 (S.B. 1873), § 28, effective January 1, 1999.]

(b) **[Effective January 1, 2022]** A disabled veteran who has been awarded by the United States Department of Veterans Affairs or its successor 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead.

(c) The surviving spouse of a disabled veteran who qualified for an exemption under Subsection (b) when the disabled veteran died, or of a disabled veteran who would have qualified for an exemption under that subsection if that subsection had been in effect on the date the disabled veteran died, is entitled to an exemption from taxation of the total appraised value of the same property to which the disabled veteran's exemption applied, or to which the disabled veteran's exemption would have applied if the exemption had been authorized on the date the disabled veteran died, if:

(c) The surviving spouse of a disabled veteran who qualified for an exemption under Subsection (b) of a percentage of the appraised value of the disabled veteran's residence homestead when the disabled veteran died is entitled to an exemption from taxation of the same percentage of the appraised value of the same property to which the disabled veteran's exemption applied if:

(a) If a qualified residential structure for which the owner receives an exemption under Section 11.13 is rendered uninhabitable or unusable by a casualty or by wind or water damage, the owner may continue to receive the exemption for the structure and the land and improvements used in the residential occupancy of the structure while the owner constructs a replacement qualified residential structure on the land if the owner does not establish a different principal residence for which the owner receives an exemption under Section 11.13 during that period and intends to return and occupy the structure as the owner's principal residence. To continue to receive the exemption, the owner must begin active construction of the replacement qualified residential structure or other physical preparation of the site on which the structure is to be located not later than the first anniversary, or the fifth anniversary for a property described by Subsection (a-1)(1), of the date the owner ceases to occupy the former qualified residential structure as the owner's principal residence.

(d) A tax lien attaches to property on the date a sale under the circumstances described by Subsection (c) occurs to secure payment of the additional tax and interest imposed by that subsection and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.

If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes plus interest as soon as practicable. The taxes and interest are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the property.

### Sec. 11.1801. Charity Care and Community Benefits Requirements for Charitable Hospital.

(a) To qualify as a charitable organization under Section 11.18(d)(1), a nonprofit hospital or hospital system must provide charity care and community benefits as follows:

(1) charity care and government-sponsored indigent health care must be provided at a level that is reasonable in relation to the community needs, as determined through the community needs assessment, the available resources of the hospital or hospital system, and the tax-exempt benefits received by the hospital or hospital system;

(2) charity care and government-sponsored indigent health care must be provided in an amount equal to at least four percent of the hospital's or hospital system's net patient revenue;

(3) charity care and government-sponsored indigent health care must be provided in an amount equal to at least 100 percent of the hospital's or hospital system's tax-exempt benefits, excluding federal income tax; or

(4) charity care and community benefits must be provided in a combined amount equal to at least five percent of the hospital's or hospital system's net patient revenue, provided that charity care and government-sponsored indigent health care are provided in an amount equal to at least four percent of net patient revenue.

(b) A nonprofit hospital that has been designated as a disproportionate share hospital under the state Medicaid program in the current year or in either of the previous two fiscal years shall be considered to have provided a reasonable amount of charity care and government-sponsored indigent health care and is considered to be in compliance with the standards in Subsection (a).

(c) A hospital operated on a nonprofit basis that is located in a county with a population of less than 58,000 and in which the entire county or the population of the entire county has been designated as a health professionals shortage area is considered to be in compliance with the standards in Subsection (a).

(d) A hospital providing health care services to inpatients or outpatients without receiving any payment for providing those services from any source, including the patient or person legally obligated to support the patient, third-party payors, Medicare, Medicaid, or any other state or local indigent care program but excluding charitable donations,

legacies, bequests, or grants or payments for research, is considered to be in compliance with the standards in Subsection (a).

(e) For purposes of complying with Subsection (a)(4), a hospital or hospital system may not change its existing fiscal year unless the hospital or hospital system changes its ownership or corporate structure as a result of a sale or merger.

(f) For purposes of this section, a hospital that complies with Subsection (a)(1) or that is considered to be in compliance with the standards in Subsection (a) under Subsection (b), (c), or (d) shall be excluded in determining a hospital system's compliance with the standards in Subsection (a)(2), (3), or (4).

(g) For purposes of this section, "charity care," "government-sponsored indigent health care," "health care organization," "hospital system," "net patient revenue," "nonprofit hospital," and "tax-exempt benefits" have the meanings assigned by Sections 311.031 and 311.042, Health and Safety Code. A determination of the amount of community benefits and charity care and government-sponsored indigent health care provided by a hospital or hospital system and the hospital's or hospital system's compliance with Section 311.045, Health and Safety Code, shall be based on the most recently completed and audited prior fiscal year of the hospital or hospital system.

(h) The providing of charity care and government-sponsored indigent health care in accordance with Subsection (a)(1) shall be guided by the prudent business judgment of the hospital, which will ultimately determine the appropriate level of charity care and government-sponsored indigent health care based on the community needs, the available resources of the hospital, the tax-exempt benefits received by the hospital, and other factors that may be unique to the hospital, such as the hospital's volume of Medicare and Medicaid patients. These criteria shall not be determinative factors, but shall be guidelines contributing to the hospital's decision along with other factors that may be unique to the hospital. The formulas in Subsections (a)(2), (3), and (4) shall also not be considered determinative of a reasonable amount of charity care and government-sponsored indigent health care.

(i) The requirements of this section shall not apply to the extent a hospital or hospital system demonstrates that reductions in the amount of community benefits, charity care, and government-sponsored indigent health care are necessary to maintain financial reserves at a level required by a bond covenant or are necessary to prevent the hospital or hospital system from endangering its ability to continue operations, or if the hospital or hospital system, as a result of a natural or other disaster, is required substantially to curtail its operations.

(j) In any fiscal year that a hospital or hospital system, through unintended miscalculation, fails to meet any of the standards in Subsection (a) or fails to be considered to be in compliance with the standards in Subsection (a) under Subsection (b), (c), or (d), the hospital or hospital system shall not lose its tax-exempt status without the opportunity to cure the miscalculation in the fiscal year following the fiscal year the failure is discovered by both meeting one of the standards and providing an additional amount of charity care and government-sponsored indigent health care that is equal to the shortfall from the previous fiscal year. A hospital or hospital system may apply this provision only once every five years.

### **Sec. 11.181. Charitable Organizations Improving Property for Low-Income Housing.**

(a) An organization is entitled to an exemption from taxation of improved or unimproved real property it owns if the organization:

- (1) meets the requirements of a charitable organization provided by Sections 11.18(e) and (f);
- (2) owns the property for the purpose of building or repairing housing on the property primarily with volunteer labor to sell without profit to an individual or family satisfying the organization's low-income and other eligibility requirements; and
- (3) engages exclusively in the building, repair, and sale of housing as described by Subdivision (2), and related activities.

(b) Property may not be exempted under Subsection (a) after the fifth anniversary of the date the organization acquires the property. Property that received an exemption under Section 11.1825 and that was subsequently transferred by the organization described by that section that qualified for the exemption to an organization described by this section may not be exempted under Subsection (a) after the fifth anniversary of the date the transferring organization acquired the property.

(c) An organization entitled to an exemption under Subsection (a) is also entitled to an exemption from taxation of any building or tangible personal property the organization owns and uses in the administration of its acquisition, building, repair, or sale of property. To qualify for an exemption under this subsection, property must be used exclusively

by the charitable organization, except that another individual or organization may use the property for activities incidental to the charitable organization's use that benefit the beneficiaries of the charitable organization.

(d) For the purposes of Subsection (e), the chief appraiser shall determine the market value of property exempted under Subsection (a) and shall record the market value in the appraisal records.

(e) If the organization that owns improved or unimproved real property that has been exempted under Subsection (a) sells the property to a person other than an individual or family satisfying the organization's low-income or other eligibility requirements, a penalty is imposed on the property equal to the amount of the taxes that would have been imposed on the property in each tax year that the property was exempted from taxation under Subsection (a), plus interest at an annual rate of 12 percent calculated from the dates on which the taxes would have become due.

(f) The charitable organization and the purchaser of the property from that organization are jointly and severally liable for the penalty and interest imposed under Subsection (e). A tax lien in favor of all taxing units for which the penalty is imposed attaches to the property to secure payment of the penalty and interest.

(g) The chief appraiser shall make an entry in the appraisal records for the property against which a penalty under Subsection (e) is imposed and shall deliver written notice of the imposition of the penalty and interest to the charitable organization and to the person who purchased the property from that organization.

### **Sec. 11.182. Community Housing Development Organizations Improving Property for Low-Income and Moderate-Income Housing; Property Previously Exempt.**

(a) In this section:

(1) "Cash flow" means the amount of money generated by a housing project for a fiscal year less the disbursements for that fiscal year for operation and maintenance of the project, including:

- (A) standard property maintenance;
- (B) debt service;
- (C) employee compensation;
- (D) fees required by government agencies;
- (E) expenses incurred in satisfaction of requirements of lenders, including reserve requirements;
- (F) insurance; and
- (G) other justifiable expenses related to the operation and maintenance of the project.

(2) "Community housing development organization" has the meaning assigned by 42 U.S.C. Section 12704.

(b) An organization is entitled to an exemption from taxation of improved or unimproved real property it owns if the organization:

- (1) is organized as a community housing development organization;
- (2) meets the requirements of a charitable organization provided by Sections 11.18(e) and (f);
- (3) owns the property for the purpose of building or repairing housing on the property to sell without profit to a low-income or moderate-income individual or family satisfying the organization's eligibility requirements or to rent without profit to such an individual or family; and
- (4) engages exclusively in the building, repair, and sale or rental of housing as described by Subdivision (3) and related activities.

(c) Property owned by the organization may not be exempted under Subsection (b) after the third anniversary of the date the organization acquires the property unless the organization is offering to rent or is renting the property without profit to a low-income or moderate-income individual or family satisfying the organization's eligibility requirements.

(d) A multifamily rental property consisting of 36 or more dwelling units owned by the organization that is exempted under Subsection (b) may not be exempted in a subsequent tax year unless in the preceding tax year the organization spent, for eligible persons in the county in which the property is located, an amount equal to at least 40 percent of the total amount of taxes that would have been imposed on the property in that year without the exemption on social, educational, or economic development services, capital improvement projects, or rent reduction. This subsection does not apply to property acquired by the organization using tax-exempt bond financing after January 1, 1997, and before December 31, 2001.

(e) In addition to meeting the applicable requirements of Subsections (b) and (c), to receive an exemption under Subsection (b) for improved real property that includes a housing project constructed after December 31, 2001, and financed with qualified 501(c)(3) bonds issued under Section 145 of the Internal Revenue Code of 1986, tax-exempt private activity bonds subject to volume cap, or low-income housing tax credits, the organization must:

- (1) control 100 percent of the interest in the general partner if the project is owned by a limited partnership;
- (2) comply with all rules of and laws administered by the Texas Department of Housing and Community Affairs applicable to community housing development organizations; and
- (3) submit annually to the Texas Department of Housing and Community Affairs and to the governing body of each taxing unit for which the project receives an exemption for the housing project evidence demonstrating that the organization spent an amount equal to at least 90 percent of the project's cash flow in the preceding fiscal year as determined by the audit required by Subsection (g), for eligible persons in the county in which the property is located, on social, educational, or economic development services, capital improvement projects, or rent reduction.

(f) An organization entitled to an exemption under Subsection (b) is also entitled to an exemption from taxation of any building or tangible personal property the organization owns and uses in the administration of its acquisition, building, repair, sale, or rental of property. To qualify for an exemption under this subsection, property must be used exclusively by the organization, except that another person may use the property for activities incidental to the organization's use that benefit the beneficiaries of the organization.

(g) To receive an exemption under Subsection (b) or (f), an organization must annually:

(1) have an audit prepared by an independent auditor that includes a detailed report on the organization's sources and uses of funds; and

(2) deliver a copy of the audit to the Texas Department of Housing and Community Affairs and to the chief appraiser of the appraisal district in which the property subject to the exemption is located.

(h) Subsections (d) and (e)(3) do not apply to property owned by an organization if:

(1) the entity that provided the financing for the acquisition or construction of the property:

(A) requires the organization to make payments in lieu of taxes to the school district in which the property is located; or

(B) restricts the amount of rent the organization may charge for dwelling units on the property; or

(2) the organization has entered into an agreement with each taxing unit for which the property receives an exemption to spend in each tax year for the purposes provided by Subsection (d) or (e)(3) an amount equal to the total amount of taxes imposed on the property in the tax year preceding the year in which the organization acquired the property.

(i) If any property owned by an organization receiving an exemption under this section has been acquired or sold during the preceding year, such organization shall file by March 31 of the following year with the chief appraiser in the county in which the relevant property is located, on a form promulgated by the comptroller of public accounts, a list of such properties acquired or sold during the preceding year.

(j) An organization may not receive an exemption under Subsection (b) or (f) for property for a tax year unless the organization received an exemption under that subsection for the property for any part of the 2003 tax year.

(k) Notwithstanding Subsection (j) of this section and Sections 11.43(a) and (c), an exemption under Subsection (b) or (f) does not terminate because of a change in the ownership of the property if the property is sold at a foreclosure sale and, not later than the 30th day after the date of the sale, the owner of the property submits to the chief appraiser evidence that the property is owned by an organization that meets the requirements of Subsections (b)(1), (2), and (4). If the owner of the property submits the evidence required by this subsection, the exemption continues to apply to the property for the remainder of the current tax year and for subsequent tax years until the owner ceases to qualify the property for the exemption. This subsection does not prohibit the chief appraiser from requiring the owner to file a new application to confirm the owner's current qualification for the exemption as provided by Section 11.43(c).

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 715 (H.B. 137), § 2, effective January 1, 1998; am. Acts 2001, 77th Leg., ch. 842 (H.B. 1392), §§ 2, 4, effective June 14, 2001; am. Acts 2013, 83rd Leg., ch. 399 (S.B. 193), § 1, effective January 1, 2014.

(c) Notwithstanding Subsection (b), an owner of real property that is not an organization described by that subsection is entitled to an exemption from taxation of property under this section if the property otherwise qualifies for the exemption and the owner is:

(1) a limited partnership of which an organization that meets the requirements of Subsection (b) controls 100 percent of the general partner interest; or

(2) an entity the parent of which is an organization that meets the requirements of Subsection (b).

(B) the statewide area median family income, as adjusted for family size and as established by the United States Department of Housing and Urban Development.

(g) Property may not receive an exemption under this section unless at least 50 percent of the total square footage of the dwelling units in the housing project is reserved for individuals or families described by Subsection (f).

(h) The annual total of the monthly rent charged or to be charged for each dwelling unit in the project reserved for an individual or family described by Subsection (f) may not exceed 30 percent of the area median family income for the household's place of residence, as adjusted for family size and as established by the United States Department of Housing and Urban Development.

(i) Property owned for the purpose of constructing a housing project on the property is exempt under this section only if:

(1) the property is used to provide housing to individuals or families described by Subsection (f); or

(2) the housing project is under active construction or other physical preparation.

(j) For purposes of Subsection (i)(2), a housing project is under physical preparation if the organization has engaged in architectural or engineering work, soil testing, land clearing activities, or site improvement work necessary for the construction of the project or has conducted an environmental or land use study relating to the construction of the project.

(k) An organization may not receive an exemption for a housing project constructed by the organization if the construction of the project was completed before January 1, 2004.

(l) If the property is owned for the purpose of rehabilitating a housing project on the property:

(1) the original construction of the housing project must have been completed at least 10 years before the date the organization began actual rehabilitation of the project;

(2) the person from whom the organization acquired the project must have owned the project for at least five years, if the organization is not the original owner of the project;

(3) the organization must provide to the chief appraiser and, if the project was financed with bonds, the issuer of the bonds a written statement prepared by a certified public accountant stating that the organization has spent on rehabilitation costs at least the greater of \$5,000 or the amount required by the financial lender for each dwelling unit in the project; and

(4) the organization must maintain a reserve fund for replacements:

(A) in the amount required by the financial lender; or

(B) if the financial lender does not require a reserve fund for replacements, in an amount equal to \$300 per unit per year.

(m) Beginning with the 2005 tax year, the amount of the reserve required by Subsection (l)(4)(B) is increased by an annual cost-of-living adjustment determined in the manner provided by Section 1(f)(3), Internal Revenue Code of 1986, as amended, substituting "calendar year 2004" for the calendar year specified in Section 1(f)(3)(B) of that code.

(n) A reserve must be established for each dwelling unit in the property, regardless of whether the unit is reserved for an individual or family described by Subsection (f). The reserve must be maintained on a continuing basis, with withdrawals permitted:

(1) only as authorized by the financial lender; or

(2) if the financial lender does not require a reserve fund for replacements, only to pay the cost of capital improvements needed for the property to maintain habitability under the Minimum Property Standards of the United States Department of Housing and Urban Development or the code of a municipality or county applicable to the property, whichever is more restrictive.

(o) For purposes of Subsection (n)(2), “capital improvement” means a property improvement that has a depreciable life of at least five years under generally accepted accounting principles, excluding typical “make ready” expenses such as expenses for plasterboard repair, interior painting, or floor coverings.

(p) If the organization acquires the property for the purpose of constructing or rehabilitating a housing project on the property, the organization must be renting or offering to rent the applicable square footage of dwelling units in the property to individuals or families described by Subsection (f) not later than the third anniversary of the date the organization acquires the property.

(p-1) Notwithstanding the other provisions of this section, the transfer of property from an organization described by this section to a nonprofit organization that claims an exemption for the property under Section 11.181(a) is a proper use of and purpose for owning the property under this section and does not affect the eligibility of the property for an exemption under this section.

(q) If property qualifies for an exemption under this section, the chief appraiser shall use the income method of appraisal as described by Section 23.012 to determine the appraised value of the property. The chief appraiser shall use that method regardless of whether the chief appraiser considers that method to be the most appropriate method of appraising the property. In appraising the property, the chief appraiser shall:

(1) consider the restrictions provided by this section on the income of the individuals or families to whom the dwelling units of the housing project may be rented and the amount of rent that may be charged for purposes of computing the actual rental income from the property or projecting future rental income; and

(2) use the same capitalization rate that the chief appraiser uses to appraise other rent-restricted properties.

(r) Not later than January 31 of each year, the appraisal district shall give public notice in the manner determined by the district, including posting on the district’s website if applicable, of the capitalization rate to be used in that year to appraise property receiving an exemption under this section.

(s) Unless otherwise provided by the governing body of a taxing unit any part of which is located in a county with a population of at least 1.8 million under Subsection (x), for property described by Subsection (f)(1), the amount of the exemption under this section from taxation is 50 percent of the appraised value of the property.

(s-1) For property described by Subsection (f)(2), the amount of the exemption under this section from taxation is 100 percent of the appraised value of the property.

(t) Notwithstanding Section 11.43(c), an exemption under this section does not terminate because of a change in ownership of the property if:

(1) the property is foreclosed on for any reason and, not later than the 30th day after the date of the foreclosure sale, the owner of the property submits to the chief appraiser evidence that the property is owned by:

(A) an organization that meets the requirements of Subsection (b); or

(B) an entity that meets the requirements of Subsections (c) and (d); or

(2) in the case of property owned by an entity described by Subsections (c) and (d), the organization meeting the requirements of Subsection (b) that controls the general partner interest of or is the parent of the entity as described by Subsection (c) ceases to serve in that capacity and, not later than the 30th day after the date the cessation occurs, the owner of the property submits evidence to the chief appraiser that the organization has been succeeded in that capacity by another organization that meets the requirements of Subsection (b).

(u) The chief appraiser may extend the deadline provided by Subsection (t)(1) or (2), as applicable, for good cause shown.

(v) Notwithstanding any other provision of this section, an organization may not receive an exemption from taxation of property described by Subsection (f)(1) by a taxing unit any part of which is located in a county with a population of at least 1.8 million unless the exemption is approved by the governing body of the taxing unit in the manner provided by law for official action.

(w) To receive an exemption under this section from taxation by a taxing unit for which the approval of the governing body of the taxing unit is required by Subsection (v), an organization must submit to the governing body of the taxing unit a written request for approval of the exemption from taxation of the property described in the request.

(x) Not later than the 60th day after the date the governing body of the taxing unit receives a written request under Subsection (w) for an exemption under this section, the governing body shall:

(1) approve the exemption in the amount provided by Subsection (s);

(2) approve the exemption in a reasonable amount other than the amount provided by Subsection (s); or

(3) deny the exemption if the governing body determines that:

(A) the taxing unit cannot afford the loss of ad valorem tax revenue that would result from approving the exemption; or

(B) additional housing for individuals or families meeting the income eligibility requirements of this section is not needed in the territory of the taxing unit.

(y) Not later than the fifth day after the date the governing body of the taxing unit takes action under Subsection (x), the taxing unit shall issue a letter to the organization stating the governing body’s action and, if the governing body denied the exemption, stating whether the denial was based on a determination under Subsection (x)(3)(A) or (B) and the basis for the determination. The taxing unit shall send a copy of the letter by regular mail to the chief appraiser of each appraisal district that appraises the property for the taxing unit. The governing body may charge the organization a fee not to exceed the administrative costs of processing the request of the organization, approving or denying the

exemption, and issuing the letter required by this subsection. If the chief appraiser determines that the property qualifies for an exemption under this section and the governing body of the taxing unit approves the exemption, the chief appraiser shall grant the exemption in the amount approved by the governing body.

  - (1) the trust:
    - (A) meets the requirements of a charitable organization provided by Sections 11.18(e) and (f);
    - (B) owns the land for the purpose of leasing the land and selling or leasing the housing units located on the land as provided by Chapter 373B, Local Government Code; and

(b) Use of the property by a person other than the association does not affect the eligibility of the property for an exemption authorized by this section if the use is incidental to use by the association and limited to activities that benefit:

- (1) the ambulatory health care centers to which the association provides assistance; or
- (2) the individuals to whom the health care centers provide medical care.

(c) Performance of noncharitable functions by the association does not affect the eligibility of the property for an exemption authorized by this section if those other functions are incidental to the association's charitable functions.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 675 (H.B. 541), § 1, effective January 1, 2000.

**Sec. 11.184. Organizations Engaged Primarily in Performing Charitable Functions.**

(1) "Local charitable organization" means an organization that:

- (A) is a chapter, subsidiary, or branch of a statewide charitable organization; and
- (B) with respect to its activities in this state, is engaged primarily in performing functions listed in Section 11.18(d).

(d) Use of exempt property by persons who are not charitable organizations eligible for an exemption from taxation under this section or Section 11.18 does not result in the loss of an exemption authorized by this section if the use is incidental to use by those charitable organizations and limited to activities that benefit the charitable organization that owns or uses the property.

(e) Before an organization may submit an application for an exemption under this section, the organization must apply to the comptroller for a determination of whether the organization is engaged primarily in performing functions listed in Section 11.18(d) and is eligible for an exemption under this section. In making the determination, the comptroller shall consider:

- (1) whether the organization is recognized by the Internal Revenue Service as a tax-exempt organization under Section 501 of the Internal Revenue Code of 1986;
- (2) whether the organization holds a letter of exemption issued by the comptroller certifying that the organization is entitled to issue an exemption certificate under Section 151.310;

- (5) any other factor the comptroller considers relevant.

(f) Not later than the 30th day after the date the organization submits an application under Subsection (e), the comptroller may request that the organization provide additional information the comptroller determines necessary. Not later than the 90th day after the date the application is submitted or, if applicable, the date the additional information is provided, the comptroller shall issue a letter to the organization stating the comptroller's determination.

(g) The comptroller may:

- (1) adopt rules to implement this section;
- (2) prescribe the form of an application for a determination letter under this section; and
- (3) charge an organization a fee not to exceed the administrative costs of processing a request, making a determination, and issuing a determination letter under this section.

(h) An organization applying for an exemption under this section shall submit with the application a copy of the determination letter issued by the comptroller under Subsection (f). The chief appraiser shall accept the copy of the letter as conclusive evidence as to whether the organization engages primarily in performing charitable functions and is eligible for an exemption under this section.

(i) A property may not be exempted under Subsection (c)(2) for more than three years.

(j) For purposes of Subsection (c)(2), an incomplete improvement is under physical preparation if the charitable organization has:

- (1) engaged in architectural or engineering work, soil testing, land clearing activities, or site improvement work necessary for the construction of the improvement; or
- (2) conducted an environmental or land use study relating to the construction of the improvement.

(k) An exemption under this section expires at the end of the fifth tax year after the year in which the exemption is granted. To continue to receive an exemption under this section after that year, the organization must obtain a new determination letter and reapply for the exemption.

(l) Notwithstanding the other provisions of this section, a corporation that is not a qualified charitable organization is entitled to an exemption from taxation of property under this section if:

- (1) the corporation is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, by being listed as an exempt entity under Section 501(c)(2) of that code;
- (2) the corporation holds title to the property for, collects income from the property for, and turns over the entire amount of that income, less expenses, to a qualified charitable organization; and
- (3) the qualified charitable organization would qualify for an exemption from taxation of the property under this section if the qualified charitable organization owned the property.

(m) Before a corporation described by Subsection (l) may submit an application for an exemption under this section, the qualified charitable organization for which the corporation holds title to the property must apply to the comptroller for the determination described by Subsection (e) with regard to the qualified charitable organization. The application for the determination must also include an application to the comptroller for a determination of whether the corporation meets the requirements of Subsections (l)(1) and (2). The corporation shall submit with the application for an exemption under this section a copy of the determination letter issued by the comptroller. The chief appraiser shall accept the copy of the letter as conclusive evidence of the matters described by Subsection (h) as well as of whether the corporation meets the requirements of Subsections (l)(1) and (2).

(n) Notwithstanding Subsection (k), in order for a corporation to continue to receive an exemption under Subsection (l) after the fifth tax year after the year in which the exemption is granted, the qualified charitable organization for which the corporation holds title to property must obtain a new determination letter and the corporation must reapply for the exemption.

The taxes and interest are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

  - (ii) is designed and intended to be used exclusively by qualified nonprofit community business organizations;
 and
- (B) the land on which the incomplete improvement is located that will be reasonably necessary for the use of the improvement by qualified nonprofit community business organizations.

(c) Use of exempt property by persons who are not nonprofit community business organizations qualified as provided by this section does not result in the loss of an exemption authorized by this section if the use is incidental to use by qualified nonprofit community business organizations and limited to activities that benefit the beneficiaries of the nonprofit community business organizations that own or use the property.

(d) To qualify for an exemption under this section, a nonprofit community business organization must be engaged primarily in performing one or more of the following functions in the local community:

- (1) promoting the common economic interests of commercial enterprises;
- (2) improving the business conditions of one or more types of business; or

(b) The governing body of a taxing unit may not repeal or reduce the amount of an exemption granted under Subsection (a) for a property that otherwise qualifies for the exemption unless:

- (1) the owner of the property consents to the repeal or reduction; or
- (2) the taxing unit provides written notice of the repeal or reduction to the owner not later than five years before the date the governing body repeals or reduces the exemption.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1980; am. Acts 1995, 74th Leg., ch. 109 (S.B. 365), § 21, effective August 30, 1995; am. Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 25, effective January 1, 2020.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 726 (H.B. 479), § 1, effective September 1, 1997.

**Sec. 11.251. Tangible Personal Property Exempt.**

(a) In this section, “freeport goods” means property that under Article VIII, Section 1-j, of the Texas Constitution is not taxable.

(b) A person is entitled to an exemption from taxation by a taxing unit of the appraised value of that portion of the person’s inventory or property consisting of freeport goods as determined under this section for the taxing unit.

(c) The exemption provided by Subsection (b) is subtracted from the market value of the inventory or property determined under Section 23.12 to determine the taxable value of the inventory or property for the taxing unit.

(d) Except as provided by Subsections (f) and (g), the chief appraiser shall determine the appraised value of freeport goods under this subsection. The chief appraiser shall determine the percentage of the market value of inventory or property owned by the property owner in the preceding calendar year that was contributed by freeport goods. The chief appraiser shall apply that percentage to the market value of the property owner’s inventory or property for the current year to determine the appraised value of freeport goods for the current year.

(e) In determining the market value of freeport goods that in the preceding year were assembled, manufactured, repaired, maintained, processed, or fabricated in this state or used by the person who acquired or imported the property in the repair or maintenance of aircraft operated by a certificated air carrier, the chief appraiser shall exclude the cost of equipment, machinery, or materials that entered into and became component parts of the freeport goods but were not themselves freeport goods or that were not transported outside the state before the expiration of 175 days, or, if applicable, the greater number of days adopted by the taxing unit as authorized by Subsection (l), after they were brought into this state by the property owner or acquired by the property owner in this state. For component parts held in bulk, the chief appraiser may use the average length of time a component part was held in this state by the property owner during the preceding year in determining whether the component parts were transported out of this state before the expiration of 175 days or, if applicable, the greater number of days adopted by the taxing unit as authorized by Subsection (l).

(f) If the property owner was not engaged in transporting freeport goods out of this state for the entire preceding year, the chief appraiser shall calculate the percentage of cost described in Subsection (d) for the portion of the year in which the property owner was engaged in transporting freeport goods out of this state.

(g) If the property owner or the chief appraiser demonstrates that the method provided by Subsection (d) significantly understates or overstates the market value of the property qualified for an exemption under Subsection (b) in the current year, the chief appraiser shall determine the market value of the freeport goods to be exempt by determining, according to the property owner’s records and any other available information, the market value of those freeport goods owned by the property owner on January 1 of the current year, excluding the cost of equipment, machinery, or materials that entered into and became component parts of the freeport goods but were not themselves freeport goods or that were not transported outside the state before the expiration of 175 days, or, if applicable, the greater number of days adopted by the taxing unit as authorized by Subsection (l), after they were brought into this state by the property owner or acquired by the property owner in this state.

(h) The chief appraiser by written notice delivered to a property owner who claims an exemption under this section may require the property owner or a person designated in writing by the importer of record to provide copies of inventory or property records in order to determine the amount and value of freeport goods. If the property owner or

designated person fails to deliver the information requested in the notice before the 31st day after the date the notice is delivered to the property owner or before the date the appraisal review board approves the appraisal records under Section 41.12, whichever is later, the property owner forfeits the right to claim or receive the exemption for that year. If the property owner or designated person delivers the information requested in the notice before the date the appraisal review board approves the appraisal records but not before the 31st day after the date the notice is delivered to the property owner and the exemption is allowed, the property owner is liable to each taxing unit for a penalty in an amount equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the inventory or property and the amount that would otherwise have been imposed. The chief appraiser shall make an entry on the appraisal records for the inventory or property indicating the property owner's liability for the penalty and shall deliver a written notice of imposition of the penalty, explaining the reason for its imposition, to the property owner. The assessor for a taxing unit that taxes the inventory or property shall add the amount of the penalty to the property owner's tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner the collector collects the tax. The amount of the penalty constitutes a lien against the inventory or property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

(i) The exemption provided by Subsection (b) does not apply to a taxing unit that takes action to tax the property under Article VIII, Section 1-j, Subsection (b), of the Texas Constitution.

(j) Petroleum products as set forth in Article VIII, Section 1-j, of the Texas Constitution shall mean liquid and gaseous materials that are the immediate derivatives of the refining of oil or natural gas.

(k) Property that meets the requirements of Article VIII, Sections 1-j(a)(1) and (2), of the Texas Constitution and that is transported outside of this state not later than 175 days, or, if applicable, the greater number of days adopted by the taxing unit as authorized by Subsection (l), after the date the person who owns it on January 1 acquired it or imported it into this state is freeport goods regardless of whether the person who owns it on January 1 is the person who transports it outside of this state.

(l) The governing body of a taxing unit, in the manner provided by law for official action, may extend the date by which freeport goods that are aircraft parts must be transported outside the state to a date not later than the 730th day after the date the person acquired or imported the property in this state. An extension adopted by official action under this subsection applies only to the exemption from ad valorem taxation by the taxing unit adopting the extension and applies to:

(1) the tax year:

(A) in which the extension is adopted if officially adopted before June 1 of a tax year; or

(B) immediately following the tax year in which the extension is adopted if officially adopted on or after June 1 of a tax year; and

(2) each tax year following the year of adoption of the extension.

### Sec. 11.252. Motor Vehicles Leased for Use Other than Production of Income.

(a) The owner of a motor vehicle that is subject to a lease is entitled to an exemption from taxation of the vehicle if:

(1) the lessee does not hold the vehicle for the production of income; and

(2) the vehicle is used primarily for activities that do not involve the production of income.

(b) For purposes of this section, a motor vehicle is presumed to be used primarily for activities that do not involve the production of income if:

(1) 50 percent or more of the miles the motor vehicle is driven in a year are for non-income producing purposes;

(2) the motor vehicle is leased to this state or a political subdivision of this state; or

(3) the motor vehicle:

(A) is leased to an organization that is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c)(3) of that code; and

(B) would be exempt from taxation if the vehicle were owned by the organization.

(c) The comptroller by rule shall establish exemption application requirements and appropriate procedures to determine whether a motor vehicle subject to a lease qualifies for an exemption under Subsection (a).

(d) **[Effective until January 1, 2022]** In connection with the requirements and procedures under Subsection (c), the comptroller by rule shall adopt a form to be completed by the lessee of a motor vehicle for which the owner of the vehicle may apply for an exemption under Subsection (a). The form shall require a lessee who is an individual to provide the lessee's name, address, and driver's license or personal identification certificate number. The form shall require a lessee that is an entity described by Subsection (b) to provide the lessee's name, address, and, if applicable, federal tax identification number. The form shall require a lessee who is an individual, or the authorized representative of a lessee that is an entity described by Subsection (b), to certify under oath that the lessee does not hold the vehicle for the production of income and that the vehicle is used primarily for activities that do not involve the production of income. The comptroller shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making a false statement on the form.

(d) [Effective January 1, 2022] In connection with the requirements and procedures under Subsection (c), the comptroller by rule shall adopt a form to be completed by the lessee of a motor vehicle for which the owner of the vehicle may apply for an exemption under Subsection (a). The form shall require a lessee who is an individual to provide the lessee's name, address, and driver's license or personal identification certificate number. The form shall require a lessee that is an entity described by Subsection (b) to provide the lessee's name, address, and, if applicable, federal tax identification number. The form shall require a lessee who is an individual, or the authorized representative of a lessee that is an entity described by Subsection (b), to certify, either under oath or by written, unsworn declaration, that the lessee does not hold the vehicle for the production of income and that the vehicle is used primarily for activities that do not involve the production of income. The comptroller shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making a false statement on the form.

(e) The owner of a motor vehicle that is subject to a lease shall maintain the form, an electronic image of the form, or a certified copy of the form completed by the lessee of the vehicle and make the form, electronic image, or certified copy available for inspection and copying by the chief appraiser of the applicable appraisal district at all reasonable times. If the owner does not maintain a completed form, electronic image of the completed form, or certified copy of the completed form relating to the vehicle, the owner:

(1) must render the vehicle for taxation in the applicable rendition statement or property report filed by the owner under Chapter 22; and

(2) may not file an application for an exemption under Subsection (a) for the vehicle.

(f) The governing body of a municipality by ordinance adopted before January 1, 2002, may provide for the taxation of leased motor vehicles otherwise exempted under Subsection (a). If the governing body of a municipality provides for the taxation of leased motor vehicles under this subsection, the exemption provided by Subsection (a) does not apply to that municipality.

(g) [Repealed by Acts 2003, 78th Leg., ch. 866 (S.B. 658), § 1, effective June 20, 2003.]

(h) In this section:

(1) "Lease" has the meaning assigned by Section 152.001(6).

(2) "Motor vehicle" means a passenger car or truck with a shipping weight of not more than 9,000 pounds.

(i) In addition to the requirements of Subsections (c) and (d), the comptroller by rule shall prescribe a property report form to be completed by the lessor describing the leased motor vehicles that the lessor owns. The property report form shall require the lessor to list each leased vehicle the lessor owns on January 1, to provide the year, make, model, and vehicle identification number of each leased vehicle, and to provide the name of the lessee, the address at which the vehicle is kept, and an indication of whether the lessee has designated the vehicle as not held for the production and not used for the production of income.

(j) The lessor shall provide the chief appraiser with the completed property report form adopted by the comptroller in the manner provided by Subchapter B, Chapter 22.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1406 (S.B. 248), § 1, effective January 1, 2002; am. Acts 2003, 78th Leg., ch. 866 (S.B. 658), § 1, effective June 20, 2003; am. Acts 2019, 86th Leg., ch. 570 (S.B. 58), §§ 1, 2, effective September 1, 2019; am. Acts 2021, 87th Leg., ch. 644 (H.B. 988), § 6, effective January 1, 2022.

### Sec. 11.253. Tangible Personal Property in Transit.

(a) In this section:

(1) "Dealer's motor vehicle inventory," "dealer's vessel and outboard motor inventory," "dealer's heavy equipment inventory," and "retail manufactured housing inventory" have the meanings assigned by Subchapter B, Chapter 23.

(2) "Goods-in-transit" means tangible personal property that:

(A) is acquired in or imported into this state to be forwarded to another location in this state or outside this state;

(B) is stored under a contract of bailment by a public warehouse operator at one or more public warehouse facilities in this state that are not in any way owned or controlled by the owner of the personal property for the account of the person who acquired or imported the property;

(C) is transported to another location in this state or outside this state not later than 175 days after the date the person acquired the property in or imported the property into this state; and

(D) does not include oil, natural gas, petroleum products, aircraft, dealer's motor vehicle inventory, dealer's vessel and outboard motor inventory, dealer's heavy equipment inventory, or retail manufactured housing inventory.

(3) "Location" means a physical address.

(4) "Petroleum product" means a liquid or gaseous material that is an immediate derivative of the refining of oil or natural gas.

(5) "Bailee" and "warehouse" have the meanings assigned by Section 7.102, Business & Commerce Code.

(6) "Public warehouse operator" means a person that:

(A) is both a bailee and a warehouse; and

(B) stores under a contract of bailment, at one or more public warehouse facilities, tangible personal property that is owned by other persons solely for the account of those persons and not for the operator's account.

(b) A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit.

(c) The exemption provided by Subsection (b) is subtracted from the market value of the property determined under Section 23.01 or 23.12, as applicable, to determine the taxable value of the property.

(d) Except as provided by Subsections (f) and (g), the chief appraiser shall determine the appraised value of goods-in-transit under this subsection. The chief appraiser shall determine the percentage of the market value of tangible personal property owned by the property owner and used for the production of income in the preceding calendar year that was contributed by goods-in-transit. For the first year in which the exemption applies to a taxing unit, the chief appraiser shall determine that percentage as if the exemption applied in the preceding year. The chief appraiser shall apply that percentage to the market value of the property owner's tangible personal property used for the production of income for the current year to determine the appraised value of goods-in-transit for the current year.

(e) In determining the market value of goods-in-transit that in the preceding year were stored in this state, the chief appraiser shall exclude the cost of equipment, machinery, or materials that entered into and became component parts of the goods-in-transit but were not themselves goods-in-transit or that were not transported to another location in this state or outside this state before the expiration of 175 days after the date they were brought into this state by the property owner or acquired by the property owner in this state. For component parts held in bulk, the chief appraiser may use the average length of time a component part was held by the owner of the component parts during the preceding year at a location in this state that was not owned by or under the control of the owner of the component parts in determining whether the component parts were transported to another location in this state or outside this state before the expiration of 175 days.

(f) If the property owner was not engaged in transporting goods-in-transit to another location in this state or outside this state for the entire preceding year, the chief appraiser shall calculate the percentage of the market value described in Subsection (d) for the portion of the year in which the property owner was engaged in transporting goods-in-transit to another location in this state or outside this state.

(g) If the property owner or the chief appraiser demonstrates that the method provided by Subsection (d) significantly understates or overstates the market value of the property qualified for an exemption under Subsection (b) in the current year, the chief appraiser shall determine the market value of the goods-in-transit to be exempt by determining, according to the property owner's records and any other available information, the market value of those goods-in-transit owned by the property owner on January 1 of the current year, excluding the cost of equipment, machinery, or materials that entered into and became component parts of the goods-in-transit but were not themselves goods-in-transit or that were not transported to another location in this state or outside this state before the expiration of 175 days after the date they were brought into this state by the property owner or acquired by the property owner in this state.

(h) The chief appraiser by written notice delivered to a property owner who claims an exemption under this section may require the property owner to provide copies of property records so the chief appraiser can determine the amount and value of goods-in-transit and that the location in this state where the goods-in-transit were detained for storage was not owned by or under the control of the owner of the goods-in-transit. If the property owner fails to deliver the information requested in the notice before the 31st day after the date the notice is delivered to the property owner, the property owner forfeits the right to claim or receive the exemption for that year.

(i) Property that meets the requirements of this section constitutes goods-in-transit regardless of whether the person who owns the property on January 1 is the person who transports the property to another location in this state or outside this state.

(j) The governing body of a taxing unit, in the manner required for official action by the governing body, may provide for the taxation of goods-in-transit exempt under Subsection (b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the governing body proposes to tax goods-in-transit. Before acting to tax the exempt property, the governing body of the taxing unit must conduct a public hearing as required by Section 1-n(d), Article VIII, Texas Constitution. If the governing body of a taxing unit provides for the taxation of the goods-in-transit as provided by this subsection, the exemption prescribed by Subsection (b) does not apply to that unit. The goods-in-transit remain subject to taxation by the taxing unit until the governing body of the taxing unit, in the manner required for official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption prescribed by Subsection (b) will apply to that taxing unit.

(j-1) Notwithstanding Subsection (j) or official action that was taken under that subsection before October 1, 2011, to tax goods-in-transit exempt under Subsection (b) and not exempt under other law, a taxing unit may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the governing body of the taxing unit takes action on or after October 1, 2011, in the manner required for official action by the governing body, to provide for the taxation of the goods-in-transit. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the governing body proposes to tax goods-in-transit. Before acting to tax the exempt property, the governing body of the taxing unit must conduct a public hearing as required by Section 1-n(d), Article VIII, Texas Constitution. If the governing body of a taxing unit provides for the taxation of the goods-in-transit as provided by this subsection, the exemption prescribed by Subsection (b) does not apply to that unit. The goods-in-transit remain subject to taxation by the taxing unit until the governing body of the taxing unit, in the manner required for official action, rescinds or repeals its previous action to tax goods-in-transit or otherwise determines that the exemption prescribed by Subsection (b) will apply to that taxing unit.

(j-2) Notwithstanding Subsection (j-1), if under Subsection (j) the governing body of a taxing unit, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit

for the payment of a debt of the taxing unit, the tax officials of the taxing unit may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

(k) A property owner who receives the exemption from taxation provided by Subsection (b) is not eligible to receive the exemption from taxation provided by Section 11.251 for the same property.

(l) **[Effective January 1, 2022]** [Expires December 31, 2025] This subsection applies only to a taxing unit any part of which is located in an area designated a disaster area by a disaster declaration issued under Section 418.014 or 418.108, Government Code, on or after January 1, 2020. Notwithstanding Subsections (a)(2)(C), (e), and (g), the governing body of a taxing unit, in the manner provided by law for official action, may extend the date by which goods-in-transit must be transported to another location in this state or outside this state to a date not later than the 270th day after the date the person acquired the property in or imported the property into this state. An extension adopted by official action under this subsection applies only to:

- (1) the exemption from ad valorem taxation by the taxing unit adopting the extension; and
- (2) the tax year in which the extension is adopted.

(m) **[Effective January 1, 2022]** [Expires December 31, 2025] This subsection and Subsection (l) expire December 31, 2025.

**HISTORY:** Enacted by Acts 2007, 80th Leg., ch. 830 (H.B. 621), § 1, effective January 1, 2008; am. Acts 2011, 82nd Leg., 1st C.S., ch. 4 (S.B. 1), § 48.01, effective January 1, 2012; am. Acts 2011, 82nd Leg., 1st C.S., ch. 4 (S.B. 1), § 48.02, effective October 1, 2011; am. Acts 2021, 87th Leg., ch. 644 (H.B. 988), § 7, effective January 1, 2022.

#### **Sec. 11.254. Motor Vehicle Used for Production of Income and for Personal Activities.**

(a) Except as provided by Subsection (c), an individual is entitled to an exemption from taxation of one motor vehicle owned by the individual that is used in the course of the individual's occupation or profession and is also used for personal activities of the owner that do not involve the production of income.

(b) In this section, "motor vehicle" means a passenger car or light truck as those terms are defined by Section 502.001, Transportation Code.

(c) A person who has been granted or applied for an exemption under this section may not apply for another exemption under this section until after the application or exemption has been denied.

(d) This section does not apply to a motor vehicle used to transport passengers for hire.

**HISTORY:** Enacted by Acts 2007, 80th Leg., ch. 842 (H.B. 1022), § 1, effective November 6, 2007; am. Acts 2009, 81st Leg., ch. 87 (S.B. 1969), § 27.001(86), effective September 1, 2009 (renumbered from Sec. 11.253); am. Acts 2009, 81st Leg., ch. 706 (H.B. 2814), § 2, effective January 1, 2010 (renumbered from Sec. 11.253).

#### **Sec. 11.26. Limitation of School Tax on Homesteads of Elderly or Disabled.**

(a) The tax officials shall appraise the property to which this section applies and calculate taxes as on other property, but if the tax so calculated exceeds the limitation imposed by this section, the tax imposed is the amount of the tax as limited by this section, except as otherwise provided by this section. A school district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older or on the residence homestead of an individual who is disabled, as defined by Section 11.13, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for the applicable exemption provided by Section 11.13(c) for an individual who is 65 years of age or older or is disabled. If the individual qualified that residence homestead for the exemption after the beginning of that first year and the residence homestead remains eligible for the same exemption for the next year, and if the school district taxes imposed on the residence homestead in the next year are less than the amount of taxes imposed in that first year, a school district may not subsequently increase the total annual amount of ad valorem taxes it imposes on the residence homestead above the amount it imposed in the year immediately following the first year for which the individual qualified that residence homestead for the same exemption, except as provided by Subsection (b). If the first tax year the individual qualified the residence homestead for the exemption provided by Section 11.13(c) for individuals 65 years of age or older or disabled was a tax year before the 2015 tax year, the amount of the limitation provided by this section is the amount of tax the school district imposed for the 2014 tax year less an amount equal to the amount determined by multiplying \$10,000 times the tax rate of the school district for the 2015 tax year, plus any 2015 tax attributable to improvements made in 2014, other than improvements made to comply with governmental regulations or repairs.

(a-1) Notwithstanding the other provisions of this section, if in the 2007 tax year an individual qualifies for a limitation on tax increases provided by this section on the individual's residence homestead and the first tax year the individual or the individual's spouse qualified for an exemption under Section 11.13(c) for the same homestead was the 2006 tax year, the amount of the limitation provided by this section on the homestead in the 2007 tax year is equal to the amount computed by:

- (1) multiplying the amount of tax the school district imposed on the homestead in the 2006 tax year by a fraction the numerator of which is the tax rate of the district for the 2007 tax year and the denominator of which is the tax rate of the district for the 2006 tax year; and

(2) adding any tax imposed in the 2007 tax year attributable to improvements made in the 2006 tax year as provided by Subsection (b) to the lesser of the amount computed under Subdivision (1) or the amount of tax the district imposed on the homestead in the 2006 tax year.

(a-2) Notwithstanding the other provisions of this section, if in the 2007 tax year an individual qualifies for a limitation on tax increases provided by this section on the individual's residence homestead and the first tax year the individual or the individual's spouse qualified for an exemption under Section 11.13(c) for the same homestead was a tax year before the 2006 tax year, the amount of the limitation provided by this section on the homestead in the 2007 tax year is equal to the amount computed by:

(1) multiplying the amount of tax the school district imposed on the homestead in the 2005 tax year by a fraction the numerator of which is the tax rate of the district for the 2006 tax year and the denominator of which is the tax rate of the district for the 2005 tax year;

(2) adding any tax imposed in the 2006 tax year attributable to improvements made in the 2005 tax year as provided by Subsection (b) to the lesser of the amount computed under Subdivision (1) or the amount of tax the district imposed on the homestead in the 2005 tax year;

(3) multiplying the amount computed under Subdivision (2) by a fraction the numerator of which is the tax rate of the district for the 2007 tax year and the denominator of which is the tax rate of the district for the 2006 tax year; and

(4) adding to the lesser of the amount computed under Subdivision (2) or (3) any tax imposed in the 2007 tax year attributable to improvements made in the 2006 tax year, as provided by Subsection (b).

(a-3) Except as provided by Subsection (b), a limitation on tax increases provided by this section on a residence homestead computed under Subsection (a-1) or (a-2) continues to apply to the homestead in subsequent tax years until the limitation expires.

(1) multiplying the taxable value of the homestead in the 2019 tax year by a tax rate equal to the difference between the school district's maximum compressed rate for the 2019 tax year and the district's maximum compressed rate for the 2020 tax year;

(1) multiplying the taxable value of the homestead in the 2022 tax year by a tax rate equal to the difference between the school district's maximum compressed rate for the 2022 tax year and the district's maximum compressed rate for the 2023 tax year;

(3) adding any tax imposed in the 2023 tax year attributable to improvements made in the 2022 tax year as provided by Subsection (b) to the amount computed under Subdivision (2).

(a-10) **[Proposed Amendment by Acts 2021, 87th Leg., 2nd C.S., S.J.R. No. 2, Contingent on Voter Approval]** Notwithstanding the other provisions of this section, if in the 2024 or a subsequent tax year an individual qualifies for a limitation on tax increases provided by this section on the individual's residence homestead, the amount of the limitation provided by this section on the homestead is equal to the amount computed by:

(1) multiplying the taxable value of the homestead in the preceding tax year by a tax rate equal to the difference between the school district's maximum compressed rate for the preceding tax year and the district's maximum compressed rate for the current tax year;

(2) subtracting the amount computed under Subdivision (1) from the amount of tax the district imposed on the homestead in the preceding tax year; and

(3) adding any tax imposed in the current tax year attributable to improvements made in the preceding tax year as provided by Subsection (b) to the amount computed under Subdivision (2).

(b) If an individual makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the school district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. The amount of the tax increase is determined by applying the current tax rate to the difference in the assessed value of the homestead with the improvements and the assessed value it would have had without the improvements. A limitation imposed by this section then applies to the increased amount of tax until more improvements, if any, are made.

(c) The limitation on tax increases required by this section expires if on January 1:

(1) none of the owners of the structure who qualify for the exemption and who owned the structure when the limitation first took effect is using the structure as a residence homestead; or

(2) none of the owners of the structure qualifies for the exemption.

(d) If the appraisal roll provides for taxation of appraised value for a prior year because a residence homestead exemption for individuals 65 years of age or older or for disabled individuals was erroneously allowed, the tax assessor shall add, as back taxes due as provided by Section 26.09(d), the positive difference if any between the tax that should have been imposed for that year and the tax that was imposed because of the provisions of this section.

(e) For each school district in an appraisal district, the chief appraiser shall determine the portion of the appraised value of residence homesteads of individuals on which school district taxes are not imposed in a tax year because of the limitation on tax increases imposed by this section. That portion is calculated by determining the taxable value that, if multiplied by the tax rate adopted by the school district for the tax year, would produce an amount equal to the amount of tax that would have been imposed by the school district on those residence homesteads if the limitation on tax increases imposed by this section were not in effect, but that was not imposed because of that limitation. The chief appraiser shall determine that taxable value and certify it to the comptroller as soon as practicable for each tax year.

(f) The limitation on tax increases required by this section does not expire because the owner of an interest in the structure conveys the interest to a qualifying trust as defined by Section 11.13(j) if the owner or the owner's spouse is a trustor of the trust and is entitled to occupy the structure.

(g) Except as provided by Subsection (b), if an individual who receives a limitation on tax increases imposed by this section, including a surviving spouse who receives a limitation under Subsection (i), subsequently qualifies a different residence homestead for the same exemption under Section 11.13, a school district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes the school district would have imposed on the subsequently qualified homestead in the first year in which the individual receives that same exemption for the subsequently qualified homestead had the limitation on tax increases imposed by this section not been in effect, multiplied by a fraction the numerator of which is the total amount of school district taxes imposed on the former homestead in the last year in which the individual received that same exemption for the former homestead and the denominator of which is the total amount of school district taxes that would have been imposed on the former homestead in the last year in which the individual received that same exemption for the former homestead had the limitation on tax increases imposed by this section not been in effect.

(h) An individual who receives a limitation on tax increases under this section, including a surviving spouse who receives a limitation under Subsection (i), and who subsequently qualifies a different residence homestead for an exemption under Section 11.13, or an agent of the individual, is entitled to receive from the chief appraiser of the appraisal district in which the former homestead was located a written certificate providing the information necessary to determine whether the individual may qualify for that same limitation on the subsequently qualified homestead under Subsection (g) and to calculate the amount of taxes the school district may impose on the subsequently qualified homestead.

(i) If an individual who qualifies for the exemption provided by Section 11.13(c) dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if:

- (1) the surviving spouse is 55 years of age or older when the individual dies; and
- (2) the residence homestead of the individual:
  - (A) is the residence homestead of the surviving spouse on the date that the individual dies; and
  - (B) remains the residence homestead of the surviving spouse.

(i-1) A limitation under Subsection (i) applicable to the residence homestead of the surviving spouse of an individual who was disabled and who died before January 1, 2020, is calculated as if the surviving spouse was entitled to the limitation when the individual died.

(j) If an individual who qualifies for an exemption provided by Section 11.13(c) for an individual 65 years of age or older dies in the first year in which the individual qualified for the exemption and the individual first qualified for the exemption after the beginning of that year, except as provided by Subsection (k), the amount to which the surviving spouse's school district taxes are limited under Subsection (i) is the amount of school district taxes imposed on the residence homestead in that year determined as if the individual qualifying for the exemption had lived for the entire year.

(k) If in the first tax year after the year in which an individual dies in the circumstances described by Subsection (j) the amount of school district taxes imposed on the residence homestead of the surviving spouse is less than the amount of school district taxes imposed in the preceding year as limited by Subsection (j), in a subsequent tax year the surviving spouse's school district taxes on that residence homestead are limited to the amount of taxes imposed by the district in that first tax year after the year in which the individual dies.

(l) For the purpose of calculating a limitation on ad valorem tax increases by a school district under this section, an individual who qualified a residence homestead before January 1, 2003, for an exemption under Section 11.13(c) for a disabled individual is considered to have first qualified the homestead for that exemption on January 1, 2003.

(m) For the purpose of qualifying under Subsection (g) for the limitation on ad valorem taxes on a subsequently qualified homestead imposed by a school district, the residence homestead of a disabled individual may be considered to be a subsequently qualified homestead only if the disabled individual qualified the former homestead for an exemption under Section 11.13(c) for a disabled individual for a tax year beginning on or after January 1, 2003.

(n) Notwithstanding Subsection (c), the limitation on tax increases required by this section does not expire if the owner of the structure qualifies for an exemption under Section 11.13 under the circumstances described by Section 11.135(a).

(o) Notwithstanding Subsections (a), (a-3), and (b), an improvement to property that would otherwise constitute an improvement under Subsection (b) is not treated as an improvement under that subsection if the improvement is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement under Subsection (b), the replacement structure is considered to be an improvement under that subsection only if:

- (1) the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred; or
- (2) the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure.

(p) An heir property owner who qualifies heir property as the owner's residence homestead under this chapter is considered the sole owner of the property for the purposes of this section.

### **Sec. 11.261. Limitation of County, Municipal, or Junior College District Tax on Homesteads of Disabled and Elderly.**

(a) This section applies only to a county, municipality, or junior college district that has established a limitation on the total amount of taxes that may be imposed by the county, municipality, or junior college district on the residence homestead of a disabled individual or an individual 65 years of age or older under Section 1-b(h), Article VIII, Texas Constitution.

(b) The tax officials shall appraise the property to which the limitation applies and calculate taxes as on other property, but if the tax so calculated exceeds the limitation provided by this section, the tax imposed is the amount of the tax as limited by this section, except as otherwise provided by this section. The county, municipality, or junior college district may not increase the total annual amount of ad valorem taxes the county, municipality, or junior college district imposes on the residence homestead of a disabled individual or an individual 65 years of age or older above the amount of the taxes the county, municipality, or junior college district imposed on the residence homestead in the first tax year, other than a tax year preceding the tax year in which the county, municipality, or junior college district established the limitation described by Subsection (a), in which the individual qualified that residence homestead for the exemption provided by Section 11.13(c) for a disabled individual or an individual 65 years of age or older. If the individual qualified that residence homestead for the exemption after the beginning of that first year and the residence homestead remains eligible for the exemption for the next year, and if the county, municipal, or junior college district taxes imposed on the residence homestead in the next year are less than the amount of taxes imposed in that first year, a county, municipality, or junior college district may not subsequently increase the total annual amount of ad valorem taxes it imposes on the residence homestead above the amount it imposed on the residence homestead in the year immediately following the first year, other than a tax year preceding the tax year in which the county, municipality, or junior college district established the limitation described by Subsection (a), for which the individual qualified that residence homestead for the exemption.

(c) If an individual makes improvements to the individual's residence homestead, other than repairs and other than improvements required to comply with governmental requirements, the county, municipality, or junior college district may increase the amount of taxes on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. The amount of the tax increase is determined by applying the current tax rate to the difference between the appraised value of the homestead with the improvements and the appraised value it would have had without the improvements. A limitation provided by this section then applies to the increased amount of county, municipal, or junior college district taxes on the residence homestead until more improvements, if any, are made.

(d) A limitation on county, municipal, or junior college district tax increases provided by this section expires if on January 1:

(1) none of the owners of the structure who qualify for the exemption provided by Section 11.13(c) for a disabled individual or an individual 65 years of age or older and who owned the structure when the limitation provided by this section first took effect is using the structure as a residence homestead; or

(2) none of the owners of the structure qualifies for the exemption provided by Section 11.13(c) for a disabled individual or an individual 65 years of age or older.

(e) If the appraisal roll provides for taxation of appraised value for a prior year because a residence homestead exemption for disabled individuals or individuals 65 years of age or older was erroneously allowed, the tax assessor for the applicable county, municipality, or junior college district shall add, as back taxes due as provided by Section 26.09(d), the positive difference, if any, between the tax that should have been imposed for that year and the tax that was imposed because of the provisions of this section.

(f) A limitation on tax increases provided by this section does not expire because the owner of an interest in the structure conveys the interest to a qualifying trust as defined by Section 11.13(j) if the owner or the owner's spouse is a trustor of the trust and is entitled to occupy the structure.

(g) Except as provided by Subsection (c), if an individual who receives a limitation on county, municipal, or junior college district tax increases provided by this section subsequently qualifies a different residence homestead in the same county, municipality, or junior college district for an exemption under Section 11.13, the county, municipality, or junior college district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes the county, municipality, or junior college district would have imposed on the subsequently qualified homestead in the first year in which the individual receives that exemption for the subsequently qualified

homestead had the limitation on tax increases provided by this section not been in effect, multiplied by a fraction the numerator of which is the total amount of taxes the county, municipality, or junior college district imposed on the former homestead in the last year in which the individual received that exemption for the former homestead and the denominator of which is the total amount of taxes the county, municipality, or junior college district would have imposed on the former homestead in the last year in which the individual received that exemption for the former homestead had the limitation on tax increases provided by this section not been in effect.

(h) An individual who receives a limitation on county, municipal, or junior college district tax increases under this section and who subsequently qualifies a different residence homestead in the same county, municipality, or junior college district for an exemption under Section 11.13, or an agent of the individual, is entitled to receive from the chief appraiser of the appraisal district in which the former homestead was located a written certificate providing the information necessary to determine whether the individual may qualify for a limitation on the subsequently qualified homestead under Subsection (g) and to calculate the amount of taxes the county, municipality, or junior college district may impose on the subsequently qualified homestead.

(i) If an individual who qualifies for a limitation on county, municipal, or junior college district tax increases under this section dies, the surviving spouse of the individual is entitled to the limitation on taxes imposed by the county, municipality, or junior college district on the residence homestead of the individual if:

- (1) the surviving spouse is disabled or is 55 years of age or older when the individual dies; and
- (2) the residence homestead of the individual:
  - (A) is the residence homestead of the surviving spouse on the date that the individual dies; and
  - (B) remains the residence homestead of the surviving spouse.

(j) If an individual who is 65 years of age or older and qualifies for a limitation on county, municipal, or junior college district tax increases for the elderly under this section dies in the first year in which the individual qualified for the limitation and the individual first qualified for the limitation after the beginning of that year, except as provided by Subsection (k), the amount to which the surviving spouse's county, municipal, or junior college district taxes are limited under Subsection (i) is the amount of taxes imposed by the county, municipality, or junior college district, as applicable, on the residence homestead in that year determined as if the individual qualifying for the exemption had lived for the entire year.

(k) If in the first tax year after the year in which an individual who is 65 years of age or older dies under the circumstances described by Subsection (j) the amount of taxes imposed by a county, municipality, or junior college district on the residence homestead of the surviving spouse is less than the amount of taxes imposed by the county, municipality, or junior college district in the preceding year as limited by Subsection (j), in a subsequent tax year the surviving spouse's taxes imposed by the county, municipality, or junior college district on that residence homestead are limited to the amount of taxes imposed by the county, municipality, or junior college district in that first tax year after the year in which the individual dies.

(l) Notwithstanding Subsection (d), a limitation on county, municipal, or junior college district tax increases provided by this section does not expire if the owner of the structure qualifies for an exemption under Section 11.13 under the circumstances described by Section 11.135(a).

(m) Notwithstanding Subsections (b) and (c), an improvement to property that would otherwise constitute an improvement under Subsection (c) is not treated as an improvement under that subsection if the improvement is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement under Subsection (c), the replacement structure is considered to be an improvement under that subsection only if:

- (1) the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred; or
- (2) the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure.

(n) An heir property owner who qualifies heir property as the owner's residence homestead under this chapter is considered the sole owner of the property for the purposes of this section.

### Sec. 11.27. Solar and Wind-Powered Energy Devices.

(a) A person is entitled to an exemption from taxation of the amount of appraised value of real property owned by the person that arises from the installation or construction on the property of a solar or wind-powered energy device that is primarily for production and distribution of energy for on-site use.

(a-1) A person is entitled to an exemption from taxation of the appraised value of a solar or wind-powered energy device owned by the person that is installed or constructed on real property and is primarily for production and distribution of energy for on-site use regardless of whether the person owns the real property on which the device is installed or constructed.

(b) The comptroller, with the assistance of the Texas Energy and Natural Resources Advisory Council, or its successor, shall develop guidelines to assist local officials in the administration of this section.

(c) In this section:

(1) "Solar energy device" means an apparatus designed or adapted to convert the radiant energy from the sun, including energy imparted to plants through photosynthesis employing the bioconversion processes of anaerobic digestion, gasification, pyrolysis, or fermentation, but not including direct combustion, into thermal, mechanical, or electrical energy; to store the converted energy, either in the form to which originally converted or another form; or to distribute radiant solar energy or the energy to which the radiant solar energy is converted.

(2) "Wind-powered energy device" means an apparatus designed or adapted to convert the energy available in the wind into thermal, mechanical, or electrical energy; to store the converted energy, either in the form to which originally converted or another form; or to distribute the converted energy.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 39, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 11, effective September 1, 1991; am. Acts 2021, 87th Leg., ch. 533 (S.B. 63), § 6, effective September 1, 2021.

### Sec. 11.271. Offshore Drilling Equipment Not in Use.

(a) In this section:

(1) "Environmental protection agency of the United States" includes:

(A) the United States Department of the Interior and any agency, bureau, or other entity established in that department, including the Bureau of Safety and Environmental Enforcement and the Bureau of Ocean Energy Management, Regulation and Enforcement; and

(B) any other department, agency, bureau, or entity of the United States that prescribes rules or regulations described by Subdivision (2)(A).

(2) "Offshore spill response containment system" means a marine or mobile containment system that:

(A) is designed and used or intended to be used solely to implement a response plan that meets or exceeds rules or regulations adopted by any environmental protection agency of the United States, this state, or a political subdivision of this state for the control, reduction, or monitoring of air, water, or land pollution in the event of a blowout or loss of control of an offshore well drilled or used for the exploration for or production of oil or gas;

(B) has a design capability to respond to a blowout or loss of control of an offshore well drilled or used for the exploration for or production of oil or gas that is drilled in more than 5,000 feet of water;

(C) is used or intended to be used solely to respond to a blowout or loss of control of an offshore well drilled or used for the exploration for or production of oil or gas without regard to the depth of the water in which the well is drilled; and

(D) except for any monitoring function for which the system may be used, is used or intended to be used as a temporary measure to address fugitive oil, gas, sulfur, or other minerals after a leak has occurred and is not used or intended to be used after the leak has been contained as a continuing means of producing oil, gas, sulfur, or other minerals.

(3) "Rules or regulations adopted by any environmental protection agency of the United States" includes 30 C.F.R. Part 254 and any corresponding provision or provisions of succeeding, similar, substitute, proposed, or final federal regulations.

(b) An owner or lessee of a marine or mobile drilling unit designed for offshore drilling of oil or gas wells is entitled to an exemption from taxation of the drilling unit if the drilling unit:

(1) is being stored in a county bordering on the Gulf of Mexico or on a bay or other body of water immediately adjacent to the Gulf of Mexico;

(2) is not being stored for the sole purpose of repair or maintenance; and

(3) is not being used to drill a well at the location at which it is being stored.

(c) A person is entitled to an exemption from taxation of the personal property the person owns or leases that is used, constructed, acquired, stored, or installed solely as part of an offshore spill response containment system, or that is used solely for the development, improvement, storage, deployment, repair, maintenance, or testing of such a system, if the system is being stored while not in use in a county bordering on the Gulf of Mexico or on a bay or other body of water immediately adjacent to the Gulf of Mexico. Property described by this subsection and not used for any other purpose is considered to be property used wholly as an integral part of mobile or marine drilling equipment designed for offshore drilling of oil or gas wells.

(d) Subsection (c) does not apply to personal property used, wholly or partly, for the exploration for or production of oil, gas, sulfur, or other minerals, including the equipment, piping, casing, and other components of an oil or gas well. For purposes of this subsection, the offshore capture of fugitive oil, gas, sulfur, or other minerals that is entirely incidental to the property's temporary use as an offshore spill response containment system is not considered to be production of those substances.

(e) Subsection (c) does not apply to personal property that was used, constructed, acquired, stored, or installed in this state on or before January 1, 2013.

(f) To qualify for an exemption under Subsection (c), the person owning or leasing the property must be an entity formed primarily for the purpose of designing, developing, modifying, enhancing, assembling, operating, deploying, and

maintaining an offshore spill response containment system. A person may not qualify for the exemption by providing services to or for an offshore spill response containment system that the person does not own or lease.

(a) A person is entitled to an exemption from taxation of land that the person owns and that has been dedicated by recorded donated easement dedicating said land as a disposal site for depositing and discharging materials dredged from the main channel of the Gulf Intracoastal Waterway by or under the direction of the state or federal government.

(b) An exemption granted under this section terminates when the land ceases to be used as an active dredge material disposal site described by Subsection (a) of this section and is no longer dedicated for that purpose.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 428 (S.B. 982), § 1, effective January 1, 1988.

**Sec. 11.30. Nonprofit Water Supply or Wastewater Service Corporation.**

(a) A corporation organized under Chapter 67, Water Code, that provides in the bylaws of the corporation that on dissolution of the corporation the assets of the corporation remaining after discharge of the corporation's indebtedness shall be transferred to an entity that provides a water supply or wastewater service, or both, that is exempt from ad valorem taxation is entitled to an exemption from taxation of:

(1) property that the corporation owns and that is reasonably necessary for and used in the operation of the corporation:

- (A) to acquire, treat, store, transport, sell, or distribute water; or

(B) the land on which the incomplete improvement is located that will be reasonably necessary for the use of the improvement in the operation of the corporation for a purpose described by Subdivision (1).

(b) A property may not be exempted under Subsection (a)(2) for more than three years.

(c) For purposes of Subsection (a)(2), an incomplete improvement is under physical preparation if the corporation has:

- (1) engaged in architectural or engineering work, soil testing, land clearing activities, or site improvement work necessary for the construction of the improvement; or
- (2) conducted an environmental or land use study relating to the construction of the improvement.

**Sec. 11.31. Pollution Control Property.**

(a) A person is entitled to an exemption from taxation of all or part of real and personal property that the person owns and that is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution. A person is not entitled to an exemption from taxation under this section solely on the basis that the person manufactures or produces a product or provides a service that prevents, monitors, controls, or reduces air, water, or land pollution. Property used for residential purposes, or for recreational, park, or scenic uses as defined by Section 23.81, is ineligible for an exemption under this section.

(b) In this section, "facility, device, or method for the control of air, water, or land pollution" means land that is acquired after January 1, 1994, or any structure, building, installation, excavation, machinery, equipment, or device, and any attachment or addition to or reconstruction, replacement, or improvement of that property, that is used, constructed, acquired, or installed wholly or partly to meet or exceed rules or regulations adopted by any environmental

protection agency of the United States, this state, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air, water, or land pollution. This section does not apply to a motor vehicle.

(c) In applying for an exemption under this section, a person seeking the exemption shall present in a permit application or permit exemption request to the executive director of the Texas Commission on Environmental Quality information detailing:

- (1) the anticipated environmental benefits from the installation of the facility, device, or method for the control of air, water, or land pollution;
- (2) the estimated cost of the pollution control facility, device, or method; and
- (3) the purpose of the installation of such facility, device, or method, and the proportion of the installation that is pollution control property.

If the installation includes property that is not used wholly for the control of air, water, or land pollution, the person seeking the exemption shall also present such financial or other data as the executive director requires by rule for the determination of the proportion of the installation that is pollution control property.

(d) Following submission of the information required by Subsection (c), the executive director of the Texas Commission on Environmental Quality shall determine if the facility, device, or method is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution. As soon as practicable, the executive director shall send notice by regular mail or by electronic means to the chief appraiser of the appraisal district for the county in which the property is located that the person has applied for a determination under this subsection. The executive director shall issue a letter to the person stating the executive director's determination of whether the facility, device, or method is used wholly or partly to control pollution and, if applicable, the proportion of the property that is pollution control property. The executive director shall send a copy of the letter by regular mail or by electronic means to the chief appraiser of the appraisal district for the county in which the property is located.

(e) Not later than the 20th day after the date of receipt of the letter issued by the executive director, the person seeking the exemption or the chief appraiser may appeal the executive director's determination to the Texas Commission on Environmental Quality. The commission shall consider the appeal at the next regularly scheduled meeting of the commission for which adequate notice may be given. The person seeking the determination and the chief appraiser may testify at the meeting. The commission may remand the matter to the executive director for a new determination or deny the appeal and affirm the executive director's determination. On issuance of a new determination, the executive director shall issue a letter to the person seeking the determination and provide a copy to the chief appraiser as provided by Subsection (d). A new determination of the executive director may be appealed to the commission in the manner provided by this subsection. A proceeding under this subsection is not a contested case for purposes of Chapter 2001, Government Code.

(e-1) The executive director shall issue a determination letter required by Subsection (d) to the person seeking the exemption, and the commission shall take final action on the initial appeal under Subsection (e) if an appeal is made, not later than the first anniversary of the date the executive director declares the application to be administratively complete.

(f) The commission may charge a person seeking a determination that property is pollution control property an additional fee not to exceed its administrative costs for processing the information, making the determination, and issuing the letter required by this section.

(g) The commission shall adopt rules to implement this section. Rules adopted under this section must:

- (1) establish specific standards for considering applications for determinations;
- (2) be sufficiently specific to ensure that determinations are equal and uniform; and
- (3) allow for determinations that distinguish the proportion of property that is used to control, monitor, prevent, or reduce pollution from the proportion of property that is used to produce goods or services.

(g-1) The standards and methods for making a determination under this section that are established in the rules adopted under Subsection (g) apply uniformly to all applications for determinations under this section, including applications relating to facilities, devices, or methods for the control of air, water, or land pollution included on a list adopted by the Texas Commission on Environmental Quality under Subsection (k).

(h) The executive director may not make a determination that property is pollution control property unless the property meets the standards established under rules adopted under this section.

(i) A person seeking an exemption under this section shall provide to the chief appraiser a copy of the letter issued by the executive director of the Texas Commission on Environmental Quality under Subsection (d) determining that the facility, device, or method is used wholly or partly as pollution control property. The chief appraiser shall accept a final determination by the executive director as conclusive evidence that the facility, device, or method is used wholly or partly as pollution control property.

(j) This section does not apply to a facility, device, or method for the control of air, water, or land pollution that was subject to a tax abatement agreement executed before January 1, 1994.

(k) The Texas Commission on Environmental Quality shall adopt rules establishing a nonexclusive list of facilities, devices, or methods for the control of air, water, or land pollution, which must include:

- (1) coal cleaning or refining facilities;
- (2) atmospheric or pressurized and bubbling or circulating fluidized bed combustion systems and gasification fluidized bed combustion combined cycle systems;

- (3) ultra-supercritical pulverized coal boilers;
- (4) flue gas recirculation components;
- (5) syngas purification systems and gas-cleanup units;
- (6) enhanced heat recovery systems;
- (7) exhaust heat recovery boilers;
- (8) heat recovery steam generators;
- (9) superheaters and evaporators;
- (10) enhanced steam turbine systems;
- (11) methanation;
- (12) coal combustion or gasification byproduct and coproduct handling, storage, or treatment facilities;
- (13) biomass cofiring storage, distribution, and firing systems;
- (14) coal cleaning or drying processes, such as coal drying/moisture reduction, air jiggling, precombustion decarbonization, and coal flow balancing technology;
- (15) oxy-fuel combustion technology, amine or chilled ammonia scrubbing, fuel or emission conversion through the use of catalysts, enhanced scrubbing technology, modified combustion technology such as chemical looping, and cryogenic technology;
- (16) if the United States Environmental Protection Agency adopts a final rule or regulation regulating carbon dioxide as a pollutant, property that is used, constructed, acquired, or installed wholly or partly to capture carbon dioxide from an anthropogenic source in this state that is geologically sequestered in this state;
- (17) fuel cells generating electricity using hydrogen derived from coal, biomass, petroleum coke, or solid waste; and
- (18) any other equipment designed to prevent, capture, abate, or monitor nitrogen oxides, volatile organic compounds, particulate matter, mercury, carbon monoxide, or any criteria pollutant.

(l) The Texas Commission on Environmental Quality by rule shall update the list adopted under Subsection (k) at least once every three years. An item may be removed from the list if the commission finds compelling evidence to support the conclusion that the item does not provide pollution control benefits.

(m) Notwithstanding the other provisions of this section, if the facility, device, or method for the control of air, water, or land pollution described in an application for an exemption under this section is a facility, device, or method included on the list adopted under Subsection (k), the executive director of the Texas Commission on Environmental Quality, not later than the 30th day after the date of receipt of the information required by Subsections (c)(2) and (3) and without regard to whether the information required by Subsection (c)(1) has been submitted, shall determine that the facility, device, or method described in the application is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution and shall take the actions that are required by Subsection (d) in the event such a determination is made.

(n) The Texas Commission on Environmental Quality shall establish a permanent advisory committee consisting of representatives of industry, appraisal districts, taxing units, and environmental groups, as well as members who are not representatives of any of those entities but have substantial technical expertise in pollution control technology and environmental engineering, to advise the commission regarding the implementation of this section. At least one member of the advisory committee must be a representative of a school district or junior college district in which property is located that is or previously was subject to an exemption under this section. Chapter 2110, Government Code, does not apply to the size, composition, or duration of the advisory committee.

  - (1) collect gas generated by the landfill;
  - (2) compress and transport the gas;
  - (3) process the gas so that it may be:
    - (A) delivered into a natural gas pipeline; or
    - (B) used as a transportation fuel in methane-powered on-road or off-road vehicles or equipment; and
  - (4) deliver the gas:
    - (A) into a natural gas pipeline; or
    - (B) to a methane fueling station.

(e) Property described by Subsection (b) shall be appraised as tangible personal property for ad valorem tax purposes, regardless of whether the property is affixed to or incorporated into real property.

(f) This section may not be construed to exempt from taxation tangible personal property located on or in close proximity to a landfill that is not used in the manner prescribed by Subsection (b).

**HISTORY:** Enacted by Acts 2013, 83rd Leg., ch. 964 (H.B. 1897), § 2, effective September 1, 2013; Acts 2015, 84th Leg., ch. 1244 (H.B. 994), §§ 1, 2, 3, effective January 1, 2016.

#### **Sec. 11.315. Energy Storage System in Nonattainment Area.**

(a) In this section, “energy storage system” means a device capable of storing energy to be discharged at a later time, including a chemical, mechanical, or thermal storage device.

(b) A person is entitled to an exemption from taxation by a taxing unit of an energy storage system owned by the person if:

(1) the exemption is adopted by the governing body of the taxing unit in the manner provided by law for official action by the governing body; and

(2) the energy storage system:

(A) is used, constructed, acquired, or installed wholly or partly to meet or exceed 40 C.F.R. Section 50.11 or any other rules or regulations adopted by any environmental protection agency of the United States, this state, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air pollution;

(B) is located in:

(i) an area designated as a nonattainment area within the meaning of Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407); and

(c) Once authorized, an exemption adopted under this section may be repealed by the governing body of a taxing unit in the manner provided by law for official action by the governing body.

**HISTORY:** Enacted by Acts 2013, 83rd Leg., ch. 1030 (H.B. 2712), § 1, effective January 1, 2014.

#### **Sec. 11.32. Certain Water Conservation Initiatives.**

The governing body of a taxing unit by official action of the governing body adopted in the manner required by law for official actions may exempt from taxation part or all of the assessed value of property on which approved water conservation initiatives, desalination projects, or brush control initiatives have been implemented. For purposes of this section, approved water conservation, desalination, and brush control initiatives shall be designated pursuant to an ordinance or other law adopted by the governing unit.

#### **Sec. 11.33. Raw Cocoa and Green Coffee Held in Harris County.**

(a) A person is entitled to an exemption from taxation of raw cocoa and green coffee that the person holds in Harris County.

(b) An exemption granted under this section, once allowed, need not be claimed in subsequent years, and the exemption applies to all raw cocoa and green coffee the person holds until the cocoa’s or the coffee’s qualification for the exemption changes. The chief appraiser may, however, require a person who holds raw cocoa or green coffee for which an exemption in a prior year has been granted to file a new application to confirm the cocoa’s or the coffee’s current qualification for the exemption by delivering a written notice that a new application is required, accompanied by an appropriate application form, to the person.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 961 (S.B. 1574), § 1, effective January 1, 2002.

#### **Sec. 11.34. Limitation of Taxes on Real Property in Designated Areas of Certain Municipalities.**

(a) This section applies only to a municipality having a population of less than 10,000.

(b) Acting under the authority of Section 1-o, Article VIII, Texas Constitution, the governing body of a municipality, by official action, may call an election in the municipality to permit the voters of the municipality to determine whether to authorize the governing body to enter into an agreement with an owner of real property in or adjacent to an area in the municipality that has been approved for funding under the programs administered by the Department of Agriculture as described by Section 1-o, Article VIII, Texas Constitution, under which the parties agree that the ad valorem taxes imposed by any political subdivision on the owner’s real property may not be increased for the first five tax years after the tax year in which the agreement is entered into, subject to the terms and conditions provided by the agreement.

(c) If the authority to limit tax increases under this section is approved by the voters and the governing body of the municipality enters into an agreement to limit tax increases under this section, the tax officials shall appraise the property to which the limitation applies and calculate taxes as on other property, but if the tax so calculated exceeds the limitation, the tax imposed is the amount of the tax as limited by this section, except as provided by Subsections (f) and (g).

(d) An agreement to limit tax increases under this section must be entered into before December 31 of the tax year in which the election was held.

(e) A taxing unit may not increase the total annual amount of ad valorem taxes the taxing unit imposes on the property above the amount of the taxes the taxing unit imposed on the property in the tax year in which the governing body of the municipality entered into an agreement to limit tax increases under this section.

(f) Subject to Subsection (g), an agreement to limit tax increases under this section expires on the earlier of:

(1) January 1 of the sixth tax year following the tax year in which the agreement was entered into; or

(2) January 1 of the first tax year in which the owner of the property when the agreement was entered into ceases to own the property.

(g) If property subject to an agreement to limit tax increases under this section is owned by two or more persons, the limitation expires on January 1 of the first tax year following the year in which the ownership of at least a 50 percent interest in the property is sold or otherwise transferred.

(h) Notwithstanding Subsection (a), if the population of a municipality to which this section applies when the municipality enters into an agreement to limit taxes under this section subsequently increases to 10,000 or more, the validity of the agreement is not affected by that change in population, and the agreement does not expire because of that change.

### Sec. 11.35. Temporary Exemption for Qualified Property Damaged by Disaster.

(a) In this section:

(1) "Damage" means physical damage.

(2) "Qualified property" means property that:

(A) consists of:

(i) tangible personal property used for the production of income;

(ii) an improvement to real property; or

(iii) a manufactured home as that term is defined by Section 1201.003, Occupations Code, that is used as a dwelling, regardless of whether the owner of the manufactured home elects to treat the manufactured home as real property under Section 1201.2055, Occupations Code;

(B) is located in an area declared by the governor to be a disaster area following a disaster;

(C) is at least 15 percent damaged by the disaster, as determined by the chief appraiser under this section; and

(D) for property described by Paragraph (A)(i), is the subject of a rendition statement or property report filed by the property owner under Section 22.01 that demonstrates that the property had taxable situs in the disaster area for the tax year in which the disaster occurred.

(b) A person is entitled to an exemption from taxation by a taxing unit of a portion of the appraised value of qualified property that the person owns in an amount determined under Subsection (h).

(c) [Repealed.]

(d) [Repealed.]

(e) [Repealed.]

(f) On receipt of an application for the exemption authorized by this section, the chief appraiser shall determine whether any item of qualified property that is the subject of the application is at least 15 percent damaged by the disaster and assign to each such item of qualified property a damage assessment rating of Level I, Level II, Level III, or Level IV, as appropriate, as provided by Subsection (g). In determining the appropriate damage assessment rating, the chief appraiser may rely on information provided by a county emergency management authority, the Federal Emergency Management Agency, or any other source the chief appraiser considers appropriate.

(g) The chief appraiser shall assign to an item of qualified property:

(1) a Level I damage assessment rating if the property is at least 15 percent, but less than 30 percent, damaged, meaning that the property suffered minimal damage and may continue to be used as intended;

(2) a Level II damage assessment rating if the property is at least 30 percent, but less than 60 percent, damaged, which, for qualified property described by Subsection (a)(2)(A)(ii) or (iii), means that the property has suffered only nonstructural damage, including nonstructural damage to the roof, walls, foundation, or mechanical components, and the waterline, if any, is less than 18 inches above the floor;

(3) a Level III damage assessment rating if the property is at least 60 percent damaged but is not a total loss, which, for qualified property described by Subsection (a)(2)(A)(ii) or (iii), means that the property has suffered significant structural damage requiring extensive repair due to the failure or partial failure of structural elements, wall elements, or the foundation, or the waterline is at least 18 inches above the floor; or

(4) a Level IV damage assessment rating if the property is a total loss, meaning that repair of the property is not feasible.

(h) Subject to Subsection (i), the amount of the exemption authorized by this section for an item of qualified property is determined by multiplying the appraised value, determined for the tax year in which the disaster occurred, of the property by:

- (1) 15 percent, if the property is assigned a Level I damage assessment rating;
- (2) 30 percent, if the property is assigned a Level II damage assessment rating;
- (3) 60 percent, if the property is assigned a Level III damage assessment rating; or
- (4) 100 percent, if the property is assigned a Level IV damage assessment rating.

(i) If a person qualifies for the exemption authorized by this section after the beginning of the tax year, the amount of the exemption is calculated by multiplying the amount determined under Subsection (h) by a fraction, the denominator of which is 365 and the numerator of which is the number of days remaining in the tax year after the day on which the governor first declares the area in which the person's qualified property is located to be a disaster area, including the day on which the governor makes the declaration.

(j) If a person qualifies for the exemption authorized by this section after the amount of the tax due on the qualified property is calculated and the effect of the qualification is to reduce the amount of the tax due on the property, the assessor for each applicable taxing unit shall recalculate the amount of the tax due on the property and correct the tax roll. If the tax bill has been mailed and the tax on the property has not been paid, the assessor shall mail a corrected tax bill to the person in whose name the property is listed on the tax roll or to the person's authorized agent. If the tax on the property has been paid, the tax collector for the taxing unit shall refund to the person who paid the tax the amount by which the payment exceeded the tax due. No interest is due on an amount refunded under this subsection.

(k) The exemption authorized by this section expires as to an item of qualified property on January 1 of the first tax year in which the property is reappraised under Section 25.18.

**Sec. 11.41. Partial Ownership of Exempt Property.**

(b) In the application of this section, community ownership by a person who qualifies for the exemption and the person's spouse is treated as if the person owns the community interest of the person's spouse.

(c) An heir property owner who qualifies heir property as the owner's residence homestead under this chapter is considered the sole owner of the property for the purposes of this section.

(a) If the chief appraiser denies a timely filed application for an exemption under Section 11.20 for an organization that otherwise qualified for the exemption on January 1 of the year but that did not satisfy the requirements of Subsection (c)(4) of that section on that date, the organization is eligible for the exemption for the tax year if the organization:

- (1) satisfies the requirements of Section 11.20(c)(4) before the later of:
  - (A) June 1 of the year to which the exemption applies; or
  - (B) the 60th day after the date the chief appraiser notifies the organization of its failure to comply with those requirements; and
- (2) within the time provided by Subdivision (1) files with the chief appraiser a new completed application for the exemption together with an affidavit stating that the organization has complied with the requirements of Section 11.20(c)(4).

(b) If the chief appraiser cancels an exemption for a religious organization under Section 11.20 that was erroneously allowed in a tax year because he determines that the organization did not satisfy the requirements of Section 11.20(c)(4) on January 1 of that year, the organization is eligible for the exemption for that tax year if the organization:

- (1) satisfies the requirements of Section 11.21(d)(5) before the later of:

- (1) was otherwise qualified for the exemption;
- (2) satisfies the requirements of Section 11.21(d)(5) on or before the 30th day after the date the chief appraiser notifies the school of the cancellation; and

#### **Sec. 11.423. Qualification of Charitable Organization or Youth Association.**

(a) If the chief appraiser denies a timely filed application for an exemption under Section 11.18 or 11.19 for an organization or association that otherwise qualified for the exemption on January 1 of the year but that did not satisfy the requirements of Section 11.18(f)(2) or 11.19(d)(5), as appropriate, on that date, the organization or association is eligible for the exemption for the tax year if the organization or association:

- (1) satisfies the requirements of Section 11.18(f)(2) or 11.19(d)(5), as appropriate, before the later of:

#### **Sec. 11.424. Conflict Between Governing Regulation of Nonprofit Organization, Association, or Entity and Contract with United States.**

To the extent of a conflict between a provision in a contract entered into by an organization, association, or entity with the United States and a provision in the charter, a bylaw, or other regulation adopted by the organization or entity to govern its affairs in compliance with Section 11.18(f)(2), 11.19(d)(5), 11.20(c)(4), or 11.21(d)(5), the existence of the contract or the organization's compliance with the contract does not affect the eligibility of the organization, association, or entity to receive an exemption under the applicable section of this code, and the organization, association, or entity may comply with the provision in the contract instead of the conflicting provision in the charter, bylaw, or other regulation.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 18, effective January 1, 1998; Enacted by Acts 1997, 75th Leg., ch. 1411 (H.B. 2383), § 6, effective June 20, 1997.

#### **Sec. 11.43. Application for Exemption.**

(a) To receive an exemption, a person claiming the exemption, other than an exemption authorized by Section 11.11, 11.12, 11.14, 11.141, 11.145, 11.146, 11.15, 11.16, 11.161, or 11.25, must apply for the exemption. To apply for an exemption, a person must file an exemption application form with the chief appraiser for each appraisal district in which the property subject to the claimed exemption has situs.

(b) Except as provided by Subsection (c) and by Sections 11.184 and 11.437, a person required to apply for an exemption must apply each year the person claims entitlement to the exemption.

(c) An exemption provided by Section 11.13, 11.131, 11.132, 11.133, 11.134, 11.17, 11.18, 11.182, 11.1827, 11.183, 11.19, 11.20, 11.21, 11.22, 11.23(a), (h), (j), (j-1), or (m), 11.231, 11.254, 11.27, 11.271, 11.29, 11.30, 11.31, 11.315, or 11.35, once allowed, need not be claimed in subsequent years, and except as otherwise provided by Subsection (e), the exemption applies to the property until it changes ownership or the person's qualification for the exemption changes. However, except as provided by Subsection (r), the chief appraiser may require a person allowed one of the exemptions in a prior year to file a new application to confirm the person's current qualification for the exemption by delivering a written notice that a new application is required, accompanied by an appropriate application form, to the person previously allowed the exemption. If the person previously allowed the exemption is 65 years of age or older, the chief appraiser may not cancel the exemption due to the person's failure to file the new application unless the chief appraiser complies with the requirements of Subsection (q), if applicable.

(d) **[Effective until January 1, 2022]** To receive an exemption the eligibility for which is determined by the claimant's qualifications on January 1 of the tax year, a person required to claim an exemption must file a completed exemption application form before May 1 and must furnish the information required by the form. A person who after January 1 of a tax year acquires property that qualifies for an exemption covered by Section 11.42(d) must apply for the exemption for the applicable portion of that tax year before the first anniversary of the date the person acquires the property. For good cause shown the chief appraiser may extend the deadline for filing an exemption application by written order for a single period not to exceed 60 days.

(d) **[Effective January 1, 2022]** To receive an exemption the eligibility for which is determined by the claimant's qualifications on January 1 of the tax year, a person required to claim an exemption must file a completed exemption application form before May 1 and must furnish the information required by the form. A person who after January 1 of a tax year acquires property that qualifies for an exemption covered by Section 11.42(d) or (f) must apply for the exemption for the applicable portion of that tax year before the first anniversary of the date the person acquires the

property. For good cause shown the chief appraiser may extend the deadline for filing an exemption application by written order for a single period not to exceed 60 days.

(e) Except as provided by Section 11.422, 11.431, 11.433, 11.434, 11.435, or 11.439, or 11.4391, if a person required to apply for an exemption in a given year fails to file timely a completed application form, the person may not receive the exemption for that year.

(f) The comptroller, in prescribing the contents of the application form for each kind of exemption, shall ensure that the form requires an applicant to furnish the information necessary to determine the validity of the exemption claim. The form must require an applicant to provide the applicant's name and driver's license number, personal identification certificate number, or social security account number. If the applicant is a charitable organization with a federal tax identification number, the form must allow the applicant to provide the organization's federal tax identification number in lieu of a driver's license number, personal identification certificate number, or social security account number. The comptroller shall include on the forms a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The comptroller shall include, on application forms for exemptions that do not have to be claimed annually, a statement explaining that the application need not be made annually and that if the exemption is allowed, the applicant has a duty to notify the chief appraiser when the applicant's entitlement to the exemption ends. In this subsection:

(1) "Driver's license" has the meaning assigned that term by Section 521.001, Transportation Code.

(2) "Personal identification certificate" means a certificate issued by the Department of Public Safety under Subchapter E, Chapter 521, Transportation Code.

(g) A person who receives an exemption that is not required to be claimed annually shall notify the appraisal office in writing before May 1 after his entitlement to the exemption ends.

(h) If the chief appraiser learns of any reason indicating that an exemption previously allowed should be canceled, the chief appraiser shall investigate. Subject to Subsection (q), if the chief appraiser determines that the property should not be exempt, the chief appraiser shall cancel the exemption and deliver written notice of the cancellation within five days after the date the exemption is canceled.

(i) If the chief appraiser discovers that an exemption that is not required to be claimed annually has been erroneously allowed in any one of the five preceding years, the chief appraiser shall add the property or appraised value that was erroneously exempted for each year to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation. If an exemption that was erroneously allowed did not apply to all taxing units in which the property was located, the chief appraiser shall note on the appraisal records, for each prior year, the taxing units that gave the exemption and are entitled to impose taxes on the property or value that escaped taxation.

(j) In addition to the items required by Subsection (f), an application for a residence homestead exemption prescribed by the comptroller and authorized by Section 11.13 must:

(1) list each owner of the residence homestead and the interest of each owner;

(2) state that the applicant does not claim an exemption under that section on another residence homestead in this state or claim a residence homestead exemption on a residence homestead outside this state;

(3) state that each fact contained in the application is true;

(4) include a copy of the applicant's driver's license or state-issued personal identification certificate unless the applicant:

(A) is a resident of a facility that provides services related to health, infirmity, or aging; or

(B) is certified for participation in the address confidentiality program administered by the attorney general under Subchapter B, Chapter 58, Code of Criminal Procedure;

(5) state that the applicant has read and understands the notice of the penalties required by Subsection (f); and

(6) be signed by the applicant.

(k) A person who qualifies for an exemption authorized by Section 11.13(c) or (d) or 11.132 must apply for the exemption no later than the first anniversary of the date the person qualified for the exemption.

(l) The form for an application under Section 11.13 must include a space for the applicant to state the applicant's date of birth. Failure to provide the date of birth does not affect the applicant's eligibility for an exemption under that section, other than an exemption under Section 11.13(c) or (d) for an individual 65 years of age or older.

(m) Notwithstanding Subsections (a) and (k), a person who receives an exemption under Section 11.13, other than an exemption under Section 11.13(c) or (d) for an individual 65 years of age or older, in a tax year is entitled to receive an exemption under Section 11.13(c) or (d) for an individual 65 years of age or older in the next tax year on the same property without applying for the exemption if the person becomes 65 years of age in that next year as shown by:

(1) information in the records of the appraisal district that was provided to the appraisal district by the individual in an application for an exemption under Section 11.13 on the property or in correspondence relating to the property; or

(2) the information provided by the Texas Department of Public Safety to the appraisal district under Section 521.049, Transportation Code.

(m-1) Subsection (m) does not apply if the chief appraiser determines that the individual is no longer entitled to any exemption under Section 11.13 on the property.

(n) Except as provided by Subsection (p), a chief appraiser may not allow an applicant an exemption provided by Section 11.13 if the applicant is required under Subsection (j) to provide a copy of the applicant's driver's license or

state-issued personal identification certificate unless the address listed on the driver's license or state-issued personal identification certificate provided by the applicant corresponds to the address of the property for which the exemption is claimed.

(o) The application form for a residence homestead exemption must require an applicant who is not specifically identified on a deed or other appropriate instrument recorded in the real property records of the county in which the property is located as an owner of the residence homestead, including an heir property owner, to provide:

- (1) an affidavit establishing the applicant's ownership of an interest in the property;
- (2) a copy of the death certificate of the prior owner of the property, if the applicant is an heir property owner;
- (3) a copy of the most recent utility bill for the property, if the applicant is an heir property owner; and
- (4) a citation of any court record relating to the applicant's ownership of the property if available.

(o-1) The application form for a residence homestead exemption may not require an heir property owner to provide a copy of an instrument recorded in the real property records of the county in which the property is located.

(o-2) The application form for a residence homestead exemption must require:

- (1) an applicant who is an heir property owner to state that the property for which the application is submitted is heir property; and
- (2) each owner of an interest in heir property who occupies the property as the owner's principal residence, other than the applicant, to provide an affidavit that authorizes the submission of the application.

(p) A chief appraiser may waive the requirement provided by Subsection (n) that the address of the property for which the exemption is claimed correspond to the address listed on the driver's license or state-issued personal identification certificate provided by the applicant under Subsection (j) if the applicant:

- (1) is an active duty member of the armed services of the United States or the spouse of an active duty member and the applicant includes with the application a copy of the applicant's or spouse's military identification card and a copy of a utility bill for the property subject to the claimed exemption in the applicant's or spouse's name; or
- (2) holds a driver's license issued under Section 521.121(c) or 521.1211, Transportation Code, and includes with the application a copy of the application for that license provided to the Texas Department of Transportation.

(q) A chief appraiser may not cancel an exemption under Section 11.13 that is received by an individual who is 65 years of age or older without first providing written notice of the cancellation to the individual receiving the exemption. The notice must include a form on which the individual may indicate whether the individual is qualified to receive the exemption and a self-addressed postage prepaid envelope with instructions for returning the form to the chief appraiser. The chief appraiser shall consider the individual's response on the form in determining whether to continue to allow the exemption. If the chief appraiser does not receive a response on or before the 60th day after the date the notice is mailed, the chief appraiser may cancel the exemption on or after the 30th day after the expiration of the 60-day period, but only after making a reasonable effort to locate the individual and determine whether the individual is qualified to receive the exemption. For purposes of this subsection, sending an additional notice of cancellation that includes, in bold font equal to or greater in size than the surrounding text, the date on which the chief appraiser is authorized to cancel the exemption to the individual receiving the exemption immediately after the expiration of the 60-day period by first class mail in an envelope on which is written, in all capital letters, "RETURN SERVICE REQUESTED," or another appropriate statement directing the United States Postal Service to return the notice if it is not deliverable as addressed, or providing the additional notice in another manner that the chief appraiser determines is appropriate, constitutes a reasonable effort on the part of the chief appraiser. This subsection does not apply to an exemption under Section 11.13(c) or (d) for an individual 65 years of age or older that is canceled because the chief appraiser determines that the individual receiving the exemption no longer owns the property subject to the exemption.

(r) The chief appraiser may not require a person allowed an exemption under Section 11.131 to file a new application to determine the person's current qualification for the exemption if the person has a permanent total disability determined by the United States Department of Veterans Affairs under 38 C.F.R. Section 4.15.

(s) A person who qualifies for an exemption under Section 11.35(b) must apply for the exemption not later than the 105th day after the date the governor declares the area in which the person's qualified property is located to be a disaster area. The chief appraiser may extend the deadline prescribed by this subsection for good cause shown.

#### **Sec. 11.437. Exemption for Cotton Stored in Warehouse.**

(a) A person who operates a warehouse used primarily for the storage of cotton for transportation outside of this state may apply for an exemption under Section 11.251 for cotton stored in the warehouse on behalf of all the owners of the cotton. An exemption granted under this section applies to all cotton stored in the warehouse that is eligible to be exempt under Section 11.251. Cotton that is stored in a warehouse covered by an exemption granted under this section and that is transported outside of this state is presumed to have been transported outside of this state within the time permitted by Article VIII, Section 1-j, of the Texas Constitution for cotton to qualify for an exemption under that section.

(b) An exemption granted under this section, once allowed, need not be claimed in subsequent years, and except as provided by Section 11.43(e), the exemption applies to cotton stored in the warehouse until the warehouse changes ownership or the cotton's qualification for the exemption changes. The chief appraiser may, however, require a person who operates a warehouse for which an exemption for cotton has been granted in a prior year to file a new application to confirm the cotton's current qualification for the exemption by delivering a written notice that a new application is required, accompanied by an appropriate application form, to the person.

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 779 (S.B. 1487), § 3, effective January 1, 1994; am. Acts 1995, 74th Leg., ch. 76 (S.B. 959), § 17.01(45), effective September 1, 1995 (renumbered from Sec. 11.436).

#### **Sec. 11.438. Late Application for Veteran's Organization Exemption.**

(a) The chief appraiser shall accept and approve or deny an application for a veteran's organization exemption under Section 11.23(a) after the filing deadline provided by Section 11.43 if the application is filed not later than December 31 of the fifth year after the year in which the taxes for which the exemption is claimed were imposed.

(b) If the taxes and related penalties and interest imposed on the property for the year for which the exemption is claimed are paid before an application is filed under this section, the chief appraiser may approve the late application for an exemption only on a showing that the taxes, penalties, and interest were paid under protest.

(c) If a late application is approved after approval of the appraisal records for a year for which the exemption is granted, the chief appraiser shall notify the collector for each taxing unit in which the property was taxable in that year. The collector shall deduct from the organization's tax bill the amount of tax imposed on the property for that year and any penalties and interest relating to that tax if the tax and related penalties and interest have not been paid. If the

tax and related penalties and interest on the property for a tax year for which an exemption is granted under this section were paid under protest, the organization is eligible for a refund of the tax, penalties, and interest paid as provided by Section 31.11. The deadline prescribed by Section 31.11(c) for applying for a refund does not apply to a refund under this section.

(a) **[Effective January 1, 2022]** The chief appraiser shall accept and approve or deny an application for an exemption under Section 11.131 or 11.132 for the residence homestead of a disabled veteran but not the surviving spouse of the disabled veteran or Section 11.22 after the filing deadline provided by Section 11.43 if the application is filed not later than five years after the delinquency date for the taxes on the property.

(b) If a late application is approved after approval of the appraisal records for the year for which the exemption is granted, the chief appraiser shall notify the collector for each taxing unit in which the property was taxable in that year not later than the 30th day after the date the late application is approved. The collector shall correct the taxing unit's tax roll to reflect the amount of tax imposed on the property after applying the exemption and shall deduct from the person's tax bill the amount of tax imposed on the exempted portion of the property for that year. If the tax and any related penalties and interest have been paid, the collector shall pay to the person who was the owner of the property on the date the tax was paid a refund of the tax imposed on the exempted portion of the property and the corresponding portion of any related penalties and interest paid. The collector shall pay the refund not later than the 60th day after the date the chief appraiser notifies the collector of the approval of the exemption.

(a) The chief appraiser shall accept and approve or deny an application for an exemption for freeport goods under Section 11.251 after the deadline for filing it has passed if it is filed on or before the later of:

(1) June 15; or

(2) if applicable, the 60th day after the date on which the chief appraiser delivers notice to the property owner under Section 22.22.

(b) If the application is approved, the property owner is liable to each taxing unit for a penalty in an amount equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the inventory or property, a portion of which consists of freeport goods, and the amount that would otherwise have been imposed.

(c) The chief appraiser shall make an entry on the appraisal records for the inventory or property indicating the property owner's liability for the penalty and shall deliver a written notice of imposition of the penalty, explaining the reason for its imposition, to the property owner.

(d) The tax assessor for a taxing unit that taxes the inventory or property shall add the amount of the penalty to the property owner's tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner the collector collects the tax. The amount of the penalty constitutes a lien against the inventory or property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 125 (S.B. 862), § 3, effective September 1, 2001; am. #### **Sec. 11.45. Action on Exemption Applications.**

(a) The chief appraiser shall determine separately each applicant's right to an exemption. After considering the application and all relevant information, the chief appraiser shall, as soon as practicable but not later than the 90th day after the later of the date the applicant first qualifies for the exemption or the date the applicant provides to the chief appraiser the information necessary for the chief appraiser to determine the applicant's right to the exemption, as the law and facts warrant:

- (1) approve the application and allow the exemption;
- (2) modify the exemption applied for and allow the exemption as modified;
- (3) disapprove the application and request additional information from the applicant in support of the claim; or
- (4) deny the application.

(b) If the chief appraiser requires additional information from an applicant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a written notice to the applicant specifying the additional information the applicant must provide to the chief appraiser before the chief appraiser can determine the applicant's right to the exemption. The applicant must furnish the information not later than the 30th day after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for exemption filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser modifies or denies an application, the chief appraiser shall deliver a written notice of the modification or denial to the applicant not later than the fifth day after the date the chief appraiser makes the determination. The notice must state and fully explain each reason the chief appraiser modified or denied the application. The notice must include the damage assessment rating assigned by the chief appraiser to each item of qualified property that is the subject of the application and a brief explanation of the procedures for protesting the chief appraiser's determination. If the chief appraiser modifies or denies the application, the notice must state and fully explain each reason the chief appraiser modified or denied the application. The notice required under this subsection is in lieu of any notice that would otherwise be required under Subsection (d).

### Sec. 21.01. Real Property.

Real property is taxable by a taxing unit if located in the unit on January 1, except as provided by Chapter 49, Education Code.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1993, 73rd Leg., ch. 347 (S.B. 7), § 4.10, effective May 31, 1993; am. Acts 1997, 75th Leg., ch. 165 (S.B. 898), § 6.74, effective September 1, 1997; am. Acts 2019, 86th Leg., ch. 943 (H.B. 3), § 3.089, effective September 1, 2019.

### Sec. 21.02. Tangible Personal Property Generally.

(a) Except as provided by Subsections (b) and (e) and by Sections 21.021, 21.04, and 21.05, tangible personal property is taxable by a taxing unit if:

(1) it is located in the unit on January 1 for more than a temporary period;

(2) it normally is located in the unit, even though it is outside the unit on January 1, if it is outside the unit only temporarily;

(3) it normally is returned to the unit between uses elsewhere and is not located in any one place for more than a temporary period; or

(4) the owner resides (for property not used for business purposes) or maintains the owner's principal place of business in this state (for property used for business purposes) in the unit and the property is taxable in this state but does not have a taxable situs pursuant to Subdivisions (1) through (3) of this subsection.

(b) Tangible personal property having taxable situs at the same location as real property detached from a school district and annexed by another school district under Chapter 49, Education Code, is taxable in the tax year in which the detachment and annexation occurs by the same school district by which the real property is taxable in that tax year under Chapter 49, Education Code. For purposes of this subsection and Chapter 49, Education Code, tangible personal property has taxable situs at the same location as real property detached and annexed under Chapter 49, Education Code, if the detachment and annexation of the real property, had it occurred before January 1 of the tax year, would have changed the taxable situs of the tangible personal property determined as provided by Subsection (a) from the school district from which the real property was detached to the school district to which the real property was annexed.

(c) Tangible personal property has taxable situs in a school district that is the result of a consolidation under Chapter 49, Education Code, in the year in which the consolidation occurs if the property would have had taxable situs in the consolidated district in that year had the consolidation occurred before January 1 of that year.

(d) A motor vehicle does not have taxable situs in a taxing unit under Subsection (a)(1) if, on January 1, the vehicle:

(1) has been located for less than 60 days at a place of business of a person who holds a wholesale motor vehicle auction general distinguishing number issued by the Texas Department of Motor Vehicles under Chapter 503, Transportation Code, for that place of business; and

(2) is offered for resale.

(e) In this subsection, "portable drilling rig" includes equipment associated with the drilling rig. A portable drilling rig designed for land-based oil or gas drilling or exploration operations is taxable by each taxing unit in which the rig is located on January 1 if the rig was located in the appraisal district that appraises property for the unit for the preceding 365 consecutive days. If the drilling rig was not located in the appraisal district where it is located on January 1 for the preceding 365 days, it is taxable by each taxing unit in which the owner's principal place of business in this state is located on January 1, unless the owner renders the rig under Chapter 22 to the appraisal district in which the rig is located on January 1, in which event the rig is taxable by each taxing unit in which the rig is located on January 1. If an owner elects to render any portable drilling rig to the appraisal district in which the rig is located on January 1 when the rig otherwise would be taxable at the owner's principal place of business in this state, all the owner's portable drilling rigs are taxable by the taxing units in which each rig is located on January 1. Notwithstanding any other provision of this subsection, if the owner of a portable drilling rig does not have a place of business in this state, the rig is taxable by each taxing unit in which the rig is located on January 1.

If a vessel or other watercraft is not deemed to be located in any taxing unit on January 1 for more than a temporary period pursuant to this subsection, the property is taxable as provided by Subdivisions (2) through (4) of Section 21.02 of this code.

(b) **[Effective January 1, 2022]** A special-purpose vessel or other watercraft not used as an instrumentality of commerce, as defined by Section 21.031, is deemed to be located on January 1 for more than a temporary period for purposes of Section 21.02 in the taxing unit in which it was physically located during the year preceding the tax year. The appraisal office shall not allocate to this state the portion of the total market value of the vessel or watercraft that fairly reflects its use in another state or country, in international waters, or beyond the Gulfward boundary of this state.

(b) **[Effective until January 1, 2022]** The appraisal office shall make the allocation as follows:

(1) **[Effective until January 1, 2022]** The allocable portion of the total fair market value of a vessel or other watercraft used as an instrumentality of commerce that is taxable in this state is determined by multiplying the total fair market value by a fraction, the numerator of which is the number of miles the vessel or watercraft was operated in this state during the year preceding the tax year and the denominator of which is the total number of miles the vessel or watercraft was operated during the year preceding the tax year. For purposes of this section, "vessel or other watercraft used as an instrumentality of commerce" means a vessel or other watercraft that is primarily employed in the transportation of cargo, passengers, or equipment, and that is economically employed when it is moving from point to point as a means of transportation.

(2) **[Effective until January 1, 2022]** The allocable portion of the total fair market value of a special-purpose vessel or other watercraft not used as an instrumentality of commerce is determined by multiplying the total fair market value by a fraction, the numerator of which is the number of days the vessel or watercraft was physically located in this state during the year preceding the tax year and the denominator of which is 365. For purposes of this section, "special-purpose vessel or other watercraft not used as an instrumentality of commerce" means a vessel or other watercraft that:

(A) **[Effective until January 1, 2022]** is designed to be transient and customarily is moved from location to location on a more or less regular basis;

(B) **[Effective until January 1, 2022]** is economically employed when operated in a localized area or in a fixed place; and

(C) **[Effective until January 1, 2022]** is not primarily employed to transport cargo, passengers, and equipment but rather to perform some specialized function or operation not requiring constant movement from point to point.

(b) **[Effective January 1, 2022]** The appraisal office shall make the allocation as provided by Subsections (b-1), (b-2), and (b-3).

(b-1) **[Effective January 1, 2022]** Except as provided by Subsection (b-2), the allocable portion of the total fair market value of a vessel or other watercraft used as an instrumentality of commerce that is taxable in this state is determined by multiplying the total fair market value by a fraction, the numerator of which is the number of miles the vessel or watercraft was operated in this state during the year preceding the tax year and the denominator of which is the total number of miles the vessel or watercraft was operated during the year preceding the tax year.

(b-2) **[Effective January 1, 2022]** A property owner that operates a fleet of vessels or other watercraft that are used as instrumentalities of commerce may elect in writing submitted to the appraisal office to have the appraisal office make the allocation under this subsection. If the property owner makes the election, the allocable portion of the total fair market value of a vessel or other watercraft that is part of the property owner's fleet, is used as an instrumentality of commerce, is taxable in this state, and has taxable situs at a location in the appraisal district is determined by multiplying the total fair market value of the vessel or other watercraft by a fraction, the numerator of which is the number of miles that all the vessels or other watercraft of the property owner's fleet that are used as instrumentalities of commerce, are taxable in this state, and have taxable situs at a location in the same appraisal district as the vessel or other watercraft the value of which is allocated under this subsection were operated in this state during the year preceding the tax year and the denominator of which is the total number of miles that all the vessels or other watercraft of the property owner's fleet that are used as instrumentalities of commerce, are taxable in this state, and have taxable situs at a location in the same appraisal district as the vessel or other watercraft the value of which is allocated under this subsection were operated during the year preceding the tax year. Notwithstanding Sections 21.02 and 21.021, a property owner that elects to have the appraisal office make the allocation of the property owner's fleet under this subsection may designate the location of the property owner's principal place of business as the taxable situs of the fleet.

(b-3) **[Effective January 1, 2022]** The allocable portion of the total fair market value of a special-purpose vessel or other watercraft not used as an instrumentality of commerce is determined by multiplying the total fair market value by a fraction, the numerator of which is the number of days the vessel or watercraft was physically located in this state during the year preceding the tax year and the denominator of which is 365.

(c) A vessel or other watercraft used as an instrumentality of commerce or a special-purpose vessel or other watercraft not used as an instrumentality of commerce that is used outside this state and is in this state solely to be converted, repaired, stored, or inspected is presumed to be in interstate, international, or foreign commerce and not located in this state for longer than a temporary period for purposes of Sections 11.01 and 21.02.

(d) If the allocation provisions of this section do not fairly reflect the use of a vessel or other watercraft in this state, an alternate allocation formula shall be utilized if the property owner or appraisal office demonstrates that:

(1) the allocation formula specified in this section is arbitrary and unreasonable as applied to the vessel or watercraft; and

(2) the formula or indication of use proposed by the property owner or appraisal office more fairly reflects the vessel or watercraft's use in this state than that specified in this section.

(e) To receive an allocation of value under this section, a property owner must apply for the allocation on a form that substantially complies with the form prescribed by the comptroller. The application must be filed with the chief appraiser for the district in which the property to which the application applies is taxable before the approval of the appraisal records by the appraisal review board as provided by Section 41.12 of this code.

(f) The comptroller shall promulgate forms and may adopt rules consistent with the provisions of this section.

(g) A vessel or other watercraft to be used as an instrumentality of commerce or a special-purpose vessel or other watercraft not to be used as an instrumentality of commerce that is under construction in this state is presumed to be in interstate, international, or foreign commerce and not located in this state for longer than a temporary period for purposes of Sections 11.01 and 21.02.

(h) Tangible personal property in this state is presumed to be in interstate, international, or foreign commerce and not located in this state for longer than a temporary period for purposes of Sections 11.01 and 21.02 if the owner demonstrates to the chief appraiser that the owner intends to incorporate the property in or attach the property to an identified vessel or other watercraft described by Subsection (c) or (g).

(i) **[Effective January 1, 2022]** For purposes of this section:

(1) "Special-purpose vessel or other watercraft not used as an instrumentality of commerce" means a vessel or other watercraft that:

(A) is designed to be transient and customarily is moved from location to location on a more or less regular basis;

(B) is economically employed when operated in a localized area or in a fixed place; and

(C) is not primarily employed to transport cargo, passengers, and equipment but rather to perform some specialized function or operation not requiring constant movement from point to point.

(2) "Vessel or other watercraft used as an instrumentality of commerce" means a vessel or other watercraft that is primarily employed in the transportation of cargo, passengers, or equipment, and that is economically employed when it is moving from point to point as a means of transportation.

The appraisal office shall not allocate to this state the portion of the total market value of the aircraft that fairly reflects its use beyond the boundaries of this state.

(b) The allocable portion of the total fair market value of a commercial aircraft that is taxable in this state is presumed to be the fair market value of the aircraft multiplied by a fraction, the numerator of which is the product of 1.5 and the number of revenue departures by the aircraft from Texas during the year preceding the tax year, and the denominator of which is the greater of (1) 8,760, or (2) the numerator.

(c) During the time in which any commercial aircraft is removed from air transportation service for repair, storage, or inspection, such aircraft is presumed to be in interstate, international, or foreign commerce and not located in this state for longer than a temporary period for purposes of Section 11.01 of this code.

The appraisal office shall not allocate to this state the portion of the total market value of the aircraft that fairly reflects its use beyond the boundaries of this state.

(b) The allocable portion of the total fair market value of an aircraft described by Subsection (a) is presumed to be the fair market value of the aircraft multiplied by a fraction, the numerator of which is the number of departures by the aircraft from a location in this state during the year preceding the tax year and the denominator of which is the total number of departures by the aircraft from all locations during the year preceding the tax year.

*Subchapter A*

*Appraisals Generally*

**Sec. 23.01. Appraisals Generally.**

(a) Except as otherwise provided by this chapter, all taxable property is appraised at its market value as of January 1.

(b) The market value of property shall be determined by the application of generally accepted appraisal methods and techniques. If the appraisal district determines the appraised value of a property using mass appraisal standards, the mass appraisal standards must comply with the Uniform Standards of Professional Appraisal Practice. The same or similar appraisal methods and techniques shall be used in appraising the same or similar kinds of property. However, each property shall be appraised based upon the individual characteristics that affect the property's market value, and all available evidence that is specific to the value of the property shall be taken into account in determining the property's market value.

(c) Notwithstanding Section 1.04(7)(C), in determining the market value of a residence homestead, the chief appraiser may not exclude from consideration the value of other residential property that is in the same neighborhood

as the residence homestead being appraised and would otherwise be considered in appraising the residence homestead because the other residential property:

(1) was sold at a foreclosure sale conducted in any of the three years preceding the tax year in which the residence homestead is being appraised and was comparable at the time of sale based on relevant characteristics with other residence homesteads in the same neighborhood; or

(2) has a market value that has declined because of a declining economy.

(d) The market value of a residence homestead shall be determined solely on the basis of the property's value as a residence homestead, regardless of whether the residential use of the property by the owner is considered to be the highest and best use of the property.

(e) Notwithstanding any provision of this subchapter to the contrary, if the appraised value of property in a tax year is lowered under Subtitle F, the appraised value of the property as finally determined under that subtitle is considered to be the appraised value of the property for that tax year. In the next tax year in which the property is appraised, the chief appraiser may not increase the appraised value of the property unless the increase by the chief appraiser is reasonably supported by clear and convincing evidence when all of the reliable and probative evidence in the record is considered as a whole. If the appraised value is finally determined in a protest under Section 41.41(a)(2) or an appeal under Section 42.26, the chief appraiser may satisfy the requirement to reasonably support by clear and convincing evidence an increase in the appraised value of the property in the next tax year in which the property is appraised by presenting evidence showing that the inequality in the appraisal of property has been corrected with regard to the properties that were considered in determining the value of the subject property. The burden of proof is on the chief appraiser to support an increase in the appraised value of property under the circumstances described by this subsection.

(f) The selection of comparable properties and the application of appropriate adjustments for the determination of an appraised value of property by any person under Section 41.43(b)(3) or 42.26(a)(3) must be based on the application of generally accepted appraisal methods and techniques. Adjustments must be based on recognized methods and techniques that are necessary to produce a credible opinion.

(g) Notwithstanding any other provision of this section, property owners representing themselves are entitled to offer an opinion of and present argument and evidence related to the market and appraised value or the inequality of appraisal of the owner's property.

(h) Appraisal methods and techniques included in the most recent versions of the following are considered generally accepted appraisal methods and techniques for the purposes of this title:

(1) the Appraisal of Real Estate published by the Appraisal Institute;

(2) the Dictionary of Real Estate Appraisal published by the Appraisal Institute;

(3) the Uniform Standards of Professional Appraisal Practice published by The Appraisal Foundation; and

(4) a publication that includes information related to mass appraisal.

Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 28, effective January 1, 2020; am. Acts 2019, 86th Leg., ch. 1284 (H.B. 1313), § 2, effective January 1, 2020.

### **Sec. 23.0101. Consideration of Alternate Appraisal Methods.**

In determining the market value of property, the chief appraiser shall consider the cost, income, and market data comparison methods of appraisal and use the most appropriate method.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 22, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 1295 (S.B. 1641), § 1, effective January 1, 2000.

### **Sec. 23.011. Cost Method of Appraisal.**

If the chief appraiser uses the cost method of appraisal to determine the market value of real property, the chief appraiser shall:

(1) use cost data obtained from generally accepted sources;

(2) make any appropriate adjustment for physical, functional, or economic obsolescence;

(3) make available to the public on request cost data developed and used by the chief appraiser as applied to all properties within a property category and may charge a reasonable fee to the public for the data;

(4) clearly state the reason for any variation between generally accepted cost data and locally produced cost data if the data vary by more than 10 percent; and

(5) make available to the property owner on request all applicable market data that demonstrate the difference between the replacement cost of the improvements to the property and the depreciated value of the improvements.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 22, effective January 1, 1998.

**Sec. 23.012. Income Method of Appraisal.**

(a) If the income method of appraisal is the most appropriate method to use to determine the market value of real property, the chief appraiser shall:

- (1) analyze comparable rental data available to the chief appraiser or the potential earnings capacity of the property, or both, to estimate the gross income potential of the property;
  - (2) analyze comparable operating expense data available to the chief appraiser to estimate the operating expenses of the property;
  - (3) analyze comparable data available to the chief appraiser to estimate rates of capitalization or rates of discount; and
  - (4) base projections of future rent or income potential and expenses on reasonably clear and appropriate evidence.
- (b) In developing income and expense statements and cash-flow projections, the chief appraiser shall consider:
- (1) historical information and trends;
  - (2) current supply and demand factors affecting those trends; and
  - (3) anticipated events such as competition from other similar properties under construction.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 22, effective January 1, 1998; am. Acts 2003, 78th Leg., ch. 548 (H.B. 1460), § 1, effective January 1, 2004.

**Sec. 23.013. Market Data Comparison Method of Appraisal.**

(a) If the chief appraiser uses the market data comparison method of appraisal to determine the market value of real property, the chief appraiser shall use comparable sales data and shall adjust the comparable sales to the subject property.

(b) A sale is not considered to be a comparable sale unless the sale occurred within 24 months of the date as of which the market value of the subject property is to be determined, except that a sale that did not occur during that period may be considered to be a comparable sale if enough comparable properties were not sold during that period to constitute a representative sample.

(b-1) Notwithstanding Subsection (b), for a residential property in a county with a population of more than 150,000, a sale is not considered to be a comparable sale unless the sale occurred within 36 months of the date as of which the market value of the subject property is to be determined, regardless of the number of comparable properties sold during that period.

(c) A sale of a comparable property must be appropriately adjusted for any change in the market value of the comparable property during the period between the date of the sale of the comparable property and the date as of which the market value of the subject property is to be determined.

(d) Whether a property is comparable to the subject property shall be determined based on similarities with regard to location, square footage of the lot and improvements, property age, property condition, property access, amenities, views, income, operating expenses, occupancy, and the existence of easements, deed restrictions, or other legal burdens affecting marketability.

(e) **[Effective January 1, 2022]** In this subsection, “designated historic district” means an area that is zoned or otherwise designated as a historic district under municipal, state, or federal law. In determining the market value of residential real property located in a designated historic district, the chief appraiser shall consider the effect on the property’s value of any restriction placed by the historic district on the property owner’s ability to alter, improve, or repair the property.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 22, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 1295 (S.B. 1641), § 2, effective January 1, 2000; am. Acts 2021, 87th Leg., ch. 1035 (H.B. 3971), § 1, effective January 1, 2022.

**Sec. 23.014. Exclusion of Property As Real Property.**

Except as provided by Section 23.24(b), in determining the market value of real property, the chief appraiser shall analyze the effect on that value of, and exclude from that value the value of, any:

- (1) tangible personal property, including trade fixtures;
- (2) **[Effective until January 1, 2022]** intangible personal property; or
- (2) **[Effective January 1, 2022]** intangible personal property;
- (3) **[Effective until January 1, 2022]** other property that is not subject to appraisal as real property.

- (4) **[Effective January 1, 2022]** other property that is not subject to appraisal as real property.

**Sec. 23.03. Compilation of Large Properties and Properties Subject to Limitation on Appraised Value.**

Each year the chief appraiser shall compile and send to the Texas Department of Economic Development a list of properties in the appraisal district that in that tax year:

- (1) have a market value of \$100 million or more; or
- (2) are subject to a limitation on appraised value under Chapter 313.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 517 (S.B. 14), § 3, effective September 1, 1995.

**Sec. 23.12. Inventory.**

(a) Except as provided by Sections 23.121, 23.1241, 23.124, and 23.127, the market value of an inventory is the price for which it would sell as a unit to a purchaser who would continue the business. An inventory shall include residential real property which has never been occupied as a residence and is held for sale in the ordinary course of a trade or business, provided that the residential real property remains unoccupied, is not leased or rented, and produces no income.

(b) The chief appraiser shall establish procedures for the equitable and uniform appraisal of inventory for taxation. In conjunction with the establishment of the procedures, the chief appraiser shall:

- (1) establish, publish, and adhere to one procedure for the determination of the quantity of property held in inventory without regard to the kind, nature, or character of the property comprising the inventory; and
- (2) apply the same enforcement, verification, and audit procedures, techniques, and criteria to the discovery, physical examination, or quantification of all inventories without regard to the kind, nature, or character of the property comprising the inventory.

(c) In appraising an inventory, the chief appraiser shall use the information obtained pursuant to Subsection (b) of this section and shall apply generally accepted appraisal techniques in computing the market value as defined in Subsection (a) of this section.

(d) Subsections (b) and (c) of this section apply only to an inventory held for sale, lease, or rental.

(e) A person who owns an inventory to which Subsection (b) of this section applies may bring an action to enjoin the chief appraiser from certifying to a taxing unit any portion of the appraisal roll that lists an inventory for which the chief appraiser has not complied with the requirements of Subsection (b) of this section.

(f) The owner of an inventory other than a dealer's motor vehicle inventory as that term is defined by Section 23.121, a dealer's heavy equipment inventory as that term is defined by Section 23.1241, or a dealer's vessel and outboard motor inventory as that term is defined by Section 23.124, or a retail manufactured housing inventory as that term is defined by Section 23.127 may elect to have the inventory appraised at its market value as of September 1 of the year preceding the tax year to which the appraisal applies by filing an application with the chief appraiser requesting that the inventory be appraised as of September 1. The application must clearly describe the inventory to which it applies and be signed by the owner of the inventory. The application applies to the appraisal of the inventory in each tax year that begins after the next August 1 following the date the application is filed with the chief appraiser unless the owner of the inventory by written notice filed with the chief appraiser revokes the application or the ownership of the inventory changes. A notice revoking the application is effective for each tax year that begins after the next September following the date the notice of revocation is filed with the chief appraiser.

(A) a person who holds a manufacturer's license issued under Chapter 2301, Occupations Code;

(B) an entity that is owned or controlled by a person who holds a manufacturer's license issued under Chapter 2301, Occupations Code;

(C) a dealer whose general distinguishing number issued by the Texas Department of Motor Vehicles under the authority of Chapter 503, Transportation Code, prohibits the dealer from selling a vehicle to any person except a dealer; or

(D) a dealer who:

(i) does not sell motor vehicles described by Section 152.001(3)(A);

(ii) meets either of the following requirements:

(a) the total annual sales from the dealer's motor vehicle inventory, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the preceding tax year are 25 percent or less of the dealer's total revenue from all sources during that period; or

(b) the dealer did not sell a motor vehicle to a person other than another dealer during the 12-month period corresponding to the preceding tax year and the dealer estimates that the dealer's total annual sales from the dealer's motor vehicle inventory, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the current tax year will be 25 percent or less of the dealer's total revenue from all sources during that period;

(iii) not later than August 31 of the preceding tax year, filed with the chief appraiser and the collector a declaration on a form prescribed by the comptroller stating that the dealer elected not to be treated as a dealer under this section in the current tax year; and

(iv) renders the dealer's motor vehicle inventory in the current tax year by filing a rendition with the chief appraiser in the manner provided by Chapter 22.

(4) "Dealer's motor vehicle inventory" means all motor vehicles held for sale by a dealer.

(5) "Dealer-financed sale" means the sale of a motor vehicle in which the seller finances the purchase of the vehicle, is the sole lender in the transaction, and retains exclusively the right to enforce the terms of the agreement evidencing the sale.

(6) "Declaration" means the dealer's motor vehicle inventory declaration form promulgated by the comptroller as required by this section.

(7) "Fleet transaction" means the sale of five or more motor vehicles from a dealer's motor vehicle inventory to the same person within one calendar year.

(8) "Motor vehicle" means a towable recreational vehicle or a fully self-propelled vehicle with at least two wheels which has as its primary purpose the transport of a person or persons, or property, whether or not intended for use on a public street, road, or highway. The term does not include:

(A) a vehicle with respect to which the certificate of title has been surrendered in exchange for a salvage certificate in the manner provided by law; or

(B) equipment or machinery designed and intended to be used for a specific work-related purpose other than the transporting of a person or property.

(9) "Owner" means a dealer who owes current year vehicle inventory taxes levied against a dealer's motor vehicle inventory.

(10) "Person" means a natural person, corporation, partnership, or other legal entity.

(11) "Sales price" means the total amount of money paid or to be paid for the purchase of a motor vehicle as set forth as "sales price" in the form entitled "Application for Texas Certificate of Title" promulgated by the Texas Department of Motor Vehicles. In a transaction that does not involve the use of that form, the term means an amount of money that is equivalent, or substantially equivalent, to the amount that would appear as "sales price" on the Application for Texas Certificate of Title if that form were involved.

(12) "Subsequent sale" means a dealer-financed sale of a motor vehicle that, at the time of the sale, has been the subject of a dealer-financed sale from the same dealer's motor vehicle inventory in the same calendar year.

(13) "Total annual sales" means the total of the sales price from every sale from a dealer's motor vehicle inventory for a 12-month period.

(14) "Towable recreational vehicle" means a nonmotorized vehicle that is designed for temporary human habitation for recreational, camping, or seasonal use and:

(A) is titled and registered with the Texas Department of Motor Vehicles through the office of the collector;

(B) is permanently built on a single chassis;

(C) contains one or more life support systems; and

(D) is designed to be towable by a motor vehicle.

(a-1) A dealer who has elected to file the declaration described by Subsection (a)(3)(D)(iii) and to render the dealer's motor vehicle inventory as provided by Subsection (a)(3)(D)(iv) must continue to file the declaration and render the dealer's motor vehicle inventory so long as the dealer meets the requirements of Subsection (a)(3)(D)(ii)(a) or (b).

(b) For the purpose of the computation of property tax, the market value of a dealer's motor vehicle inventory on January 1 is the total annual sales from the dealer's motor vehicle inventory, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the prior tax year, divided by 12.

(c) For the purpose of the computation of property tax, the market value of the dealer's motor vehicle inventory of an owner who was not a dealer on January 1 of the prior tax year, the chief appraiser shall estimate the market value of the dealer's motor vehicle inventory. In making the estimate required by this subsection the chief appraiser shall extrapolate using sales data, if any, generated by sales from the dealer's motor vehicle inventory in the prior tax year.

(d) Except for dealer's motor vehicle inventory, personal property held by a dealer is appraised as provided by other sections of this code. In the case of a dealer whose sales from dealer's motor vehicle inventory are made predominately to dealers, the chief appraiser shall appraise the dealer's motor vehicle inventory as provided by Section 23.12 of this code.

(e) A dealer is presumed to be an owner of a dealer's motor vehicle inventory on January 1 if, in the 12-month period ending on December 31 of the immediately preceding year, the dealer sold a motor vehicle to a person other than a dealer. The presumption created by this subsection is not rebutted by the fact that a dealer has no motor vehicles physically on hand for sale from dealer's motor vehicle inventory on January 1.

(f) The comptroller shall promulgate a form entitled Dealer's Motor Vehicle Inventory Declaration. Except as provided by Section 23.122(l), not later than February 1 of each year, or, in the case of a dealer who was not in business on January 1, not later than 30 days after commencement of business, each dealer shall file a declaration with the chief appraiser and file a copy with the collector. For purposes of this subsection, a dealer is presumed to have commenced business on the date of issuance to the dealer of a dealer's general distinguishing number as provided by Chapter 503, Transportation Code. Notwithstanding the presumption created by this subsection, a chief appraiser may, at his or her sole discretion, designate as the date on which a dealer commenced business a date other than the date of issuance to the dealer of a dealer's general distinguishing number. The declaration is sufficient to comply with this subsection if it sets forth the following information:

(1) the name and business address of each location at which the dealer owner conducts business;

(2) each of the dealer's general distinguishing numbers issued by the Texas Department of Motor Vehicles;

(3) a statement that the dealer owner is the owner of a dealer's motor vehicle inventory; and

(4) the market value of the dealer's motor vehicle inventory for the current tax year as computed under Section 23.121(b).

(g) Under the terms provided by this subsection, the chief appraiser may examine the books and records of the holder of a general distinguishing number issued by the Texas Department of Motor Vehicles. A request made under this subsection must be made in writing, delivered personally to the custodian of the records, at the location for which the

general distinguishing number has been issued, must provide a period not less than 15 days for the person to respond to the request, and must state that the person to whom it is addressed has the right to seek judicial relief from compliance with the request. In a request made under this section the chief appraiser may examine:

- (1) the document issued by the Texas Department of Motor Vehicles showing the person's general distinguishing number;
- (2) documentation appropriate to allow the chief appraiser to ascertain the applicability of this section and Section 23.122 to the person;
- (3) sales records to substantiate information set forth in the dealer's declaration filed by the person.

(h) If a dealer fails to file a declaration as required by this section, the chief appraiser may report the dealer to the Texas Department of Motor Vehicles to initiate cancellation of the dealer's general distinguishing number. The chief appraiser shall include with the report written verification that the chief appraiser informed the dealer of the requirement to file a declaration under this section.

(h-1) If, on the declaration required by this section, a dealer reports the sale of fewer than five motor vehicles in the prior year, the chief appraiser shall report the dealer to the Texas Department of Motor Vehicles to initiate cancellation of the dealer's general distinguishing number. The chief appraiser shall include with the report a copy of a declaration indicating the sale by a dealer of fewer than five motor vehicles in the prior year. A report by a chief appraiser to the Texas Department of Motor Vehicles as provided by this subsection is prima facie grounds for the cancellation of the dealer's general distinguishing number under Section 503.038(a)(9), Transportation Code, or for refusal by the Texas Department of Motor Vehicles to renew the dealer's general distinguishing number.

(i) A dealer who fails to file a declaration required by this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day during which a dealer fails to comply with the terms of this subsection is a separate violation.

(j) A dealer who violates Subsection (g) of this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day during which a person fails to comply with the terms of Subsection (g) of this section is a separate violation.

(k) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a declaration required by this section shall forfeit a penalty. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, county attorney, chief appraiser, or person designated by the chief appraiser shall collect the penalty established by this section in the name of the chief appraiser. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the owner maintains the owner's principal place of business or residence. A penalty forfeited under this subsection is \$1,000 for each month or part of a month in which a declaration is not filed or timely filed after it is due.

### Sec. 23.1211. Temporary Production Aircraft; Value.

(a) In this section:

(1) "List price" means the value of an aircraft as listed in the most recent edition of the International Bureau of Aviation Aircraft Values Book.

(2) "Maximum takeoff weight" means the maximum takeoff weight listed in the aircraft's type certificate data sheet for the lowest rated configuration or, if the aircraft does not have a type certificate data sheet, the maximum takeoff weight target as published by the aircraft's manufacturer.

(3) "Temporary production aircraft" means an aircraft:

- (A) that is a transport category aircraft as defined by federal aviation regulations;
- (B) for which a Federal Aviation Administration special airworthiness certificate has been issued;
- (C) that is operated under a Federal Aviation Administration special flight permit;
- (D) that has a maximum takeoff weight of at least 145,000 pounds; and
- (E) that is temporarily located in this state for purposes of manufacture or assembly.

(b) The chief appraiser shall determine the appraised value of temporary production aircraft to be 10 percent of the aircraft's list price as of January 1.

(c) The legislature finds that there is a lack of information that reliably establishes the market value of temporary production aircraft. Accordingly, the legislature has enacted this section to specify the method to be used in determining the appraised value of such aircraft.

**HISTORY:** Enacted by Acts 2011, 82nd Leg., ch. 848 (H.B. 3727), § 1, effective September 1, 2011.

### Sec. 23.122. Prepayment of Taxes by Certain Taxpayers.

(a) In this section:

(1) "Aggregate tax rate" means the combined tax rates of all relevant taxing units authorized by law to levy property taxes against a dealer's motor vehicle inventory.

(2) "Chief appraiser" has the meaning given it in Section 23.121 of this code.

(3) "Collector" has the meaning given it in Section 23.121 of this code.

(4) "Dealer's motor vehicle inventory" has the meaning given it in Section 23.121 of this code.

(5) "Declaration" has the meaning given it in Section 23.121 of this code.

(6) "Owner" has the meaning given it in Section 23.121 of this code.

(7) "Relevant taxing unit" means a taxing unit, including the county, authorized by law to levy property taxes against a dealer's motor vehicle inventory.

(8) "Sales price" has the meaning given it in Section 23.121 of this code.

(9) "Statement" means the Dealer's Motor Vehicle Inventory Tax Statement filed on a form promulgated by the comptroller as required by this section.

(10) "Subsequent sale" has the meaning given it in Section 23.121 of this code.

(11) "Total annual sales" has the meaning given it in Section 23.121 of this code.

(12) "Unit property tax factor" means a number equal to one-twelfth of the prior year aggregate tax rate at the location where a dealer's motor vehicle inventory is located on January 1 of the current year.

(b) Except for a vehicle sold to a dealer, a vehicle included in a fleet transaction, or a vehicle that is the subject of a subsequent sale, an owner or a person who has agreed by contract to pay the owner's current year property taxes levied against the owner's motor vehicle inventory shall assign a unit property tax to each motor vehicle sold from a dealer's motor vehicle inventory. The unit property tax of each motor vehicle is determined by multiplying the sales price of the motor vehicle by the unit property tax factor. On or before the 10th day of each month the owner shall, together with the statement filed by the owner as required by this section, deposit with the collector a sum equal to the total of unit property tax assigned to all motor vehicles sold from the dealer's motor vehicle inventory in the prior month to which a unit property tax was assigned. The money shall be deposited by the collector in or otherwise credited by the collector to the owner's escrow account for prepayment of property taxes as provided by this section. An escrow account required by this section is used to pay property taxes levied against the dealer's motor vehicle inventory, and the owner shall fund the escrow account as provided by this subsection.

(c) The collector shall maintain the escrow account for each owner in the county depository. The collector is not required to maintain a separate account in the depository for each escrow account created as provided by this section but shall maintain separate records for each owner. The collector shall retain any interest generated by the escrow account to defray the cost of administration of the prepayment procedure established by this section. Interest generated by an escrow account created as provided by this section is the sole property of the collector, and that interest may be used by no entity other than the collector. Interest generated by an escrow account may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(d) The owner may not withdraw funds in an escrow account created pursuant to this section.

(e) The comptroller shall promulgate a form entitled a Dealer's Motor Vehicle Inventory Tax Statement. Each month, a dealer shall complete the form regardless of whether a motor vehicle is sold. A dealer may use no other form for that purpose. The statement may include the information the comptroller deems appropriate but shall include at least the following:

(1) a description of each motor vehicle sold;

(2) the sales price of the motor vehicle;

(3) the unit property tax of the motor vehicle if any; and

(4) the reason no unit property tax is assigned if no unit property tax is assigned.

(f) On or before the 10th day of each month a dealer shall file with the collector the statement covering the sale of each motor vehicle sold by the dealer in the prior month. On or before the 10th day of a month following a month in which a dealer does not sell a motor vehicle, the dealer must file the statement with the collector and indicate that no sales were made in the prior month. A dealer shall file a copy of the statement with the chief appraiser and retain documentation relating to the disposition of each motor vehicle sold. A chief appraiser or collector may examine documents held by a dealer as required by this subsection in the same manner, and subject to the same provisions, as are set forth in Section 23.121(g).

(g) The requirements of Subsection (f) of this section apply to all dealers, without regard to whether or not the dealer owes vehicle inventory tax for the current year. A dealer who owes no vehicle inventory tax for the current year because he was not in business on January 1 may neither assign a unit property tax to a motor vehicle sold by the dealer nor remit money with the statement unless pursuant to the terms of a contract as provided by Subsection (l) of this section.

(h) A collector may establish a procedure, voluntary or mandatory, by which the unit property tax of a vehicle is paid and deposited into an owner's escrow account at the time of processing the transfer of title to the motor vehicle.

(i) A relevant taxing unit shall, on its tax bill prepared for the owner of a dealer's motor vehicle inventory, separately itemize the taxes levied against the dealer's motor vehicle inventory. When the tax bill is prepared by a relevant taxing unit for a dealer's motor vehicle inventory, the assessor for the relevant taxing unit, or an entity, if any, other than the collector, that collects taxes on behalf of the taxing unit, shall provide the collector a true and correct copy of the tax bill sent to the owner, including taxes levied against the dealer's motor vehicle inventory. The collector shall apply the money in the owner's escrow account to the taxes imposed and deliver a tax receipt to the owner. The collector shall

apply the amount to each relevant taxing unit in proportion to the amount of taxes levied, and the assessor of each relevant taxing unit shall apply the funds received from the collector to the taxes owed by the owner.

(j) If the amount in the escrow account is not sufficient to pay the taxes in full, the collector shall apply the money to the taxes and deliver to the owner a tax receipt for the partial payment and a tax bill for the amount of the deficiency together with a statement that the owner must remit to the collector the balance of the total tax due.

(k) The collector shall remit to each relevant taxing unit the total amount collected by the collector in deficiency payments. The assessor of each relevant taxing unit shall apply those funds to the taxes owed by the owner. Taxes that are due but not received by the collector on or before January 31 are delinquent. Not later than February 15 the collector shall distribute to relevant taxing units in the manner set forth in this section all funds collected pursuant to the authority of this section and held in escrow by the collector as provided by this section. This section does not impose a duty on a collector to collect delinquent taxes that the collector is not otherwise obligated by law or contract to collect.

(l) A person who acquires the business or assets of an owner may, by contract, agree to pay the current year vehicle inventory taxes owed by the owner. The owner who owes the current year tax and the person who acquires the business or assets of the owner shall jointly notify the chief appraiser and the collector of the terms of the agreement and of the fact that the purchaser has agreed to pay the current year vehicle inventory taxes owed by the selling dealer. The chief appraiser and the collector shall adjust their records accordingly. Notwithstanding the terms of Section 23.121 of this code, a person who agrees to pay current year vehicle inventory taxes as provided by this subsection is not required to file a declaration until the year following the acquisition. This subsection does not relieve the selling owner of tax liability.

(m) A dealer who fails to file a statement as required by this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$100. Each day during which a dealer fails to comply with the terms of this subsection is a separate violation.

(n) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a statement as required by this section shall forfeit a penalty. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, county attorney, collector, or person designated by the collector shall collect the penalty established by this section in the name of the collector. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the owner maintains the owner's principal place of business or residence. A penalty forfeited under this subsection is \$500 for each month or part of a month in which a statement is not filed or timely filed after it is due.

(o) An owner who fails to remit unit property taxes due as required by this section shall pay a penalty of five percent of the amount due. If the amount is not paid within 10 days after the due date, the owner shall pay an additional penalty of five percent of the amount due. Notwithstanding the terms of this section, unit property taxes paid on or before January 31 of the year following the date on which they are due are not delinquent. The collector, the collector's designated agent, or the county or district attorney shall enforce the terms of this subsection. A penalty under this subsection is in addition to any other penalty provided by law if the owner's taxes are delinquent.

(p) Fines collected pursuant to the authority of this section shall be deposited in the county depository to the credit of the general fund. Penalties collected pursuant to the authority of this section are the sole property of the collector, may be used by no entity other than the collector, and may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

### Sec. 23.124. Dealer's Vessel and Outboard Motor Inventory; Value.

(a) In this section:

(1) "Chief appraiser" means the chief appraiser for the appraisal district in which a dealer's vessel and outboard motor inventory is located.

(2) "Collector" means the county tax assessor-collector in the county in which a dealer's vessel and outboard motor inventory is located.

(3) "Dealer" means a person who holds a dealer's and manufacturer's number issued by the Parks and Wildlife Department under the authority of Section 31.041, Parks and Wildlife Code, or is authorized by law or interstate reciprocity agreement to purchase vessels or outboard motors in Texas without paying the sales tax. The term does not include a person who is principally engaged in manufacturing vessels or outboard motors or an entity that is owned or controlled by such a person.

(4) "Dealer's vessel and outboard motor inventory" means all vessels and outboard motors held for sale by a dealer.

(5) "Dealer-financed sale" means the sale of a vessel or outboard motor in which the seller finances the purchase of the vessel or outboard motor, is the sole lender in the transaction, and retains exclusively the right to enforce the terms of the agreement evidencing the sale.

(6) "Declaration" means the dealer's vessel and outboard motor inventory declaration form promulgated by the comptroller as required by this section.

(7) "Fleet transaction" means the sale of five or more vessels or outboard motors from a dealer's vessel and outboard motor inventory to the same business entity within one calendar year.

(8) "Outboard motor" has the meaning given it by Section 31.003, Parks and Wildlife Code.

(9) "Owner" means a dealer who owes current year vessel and outboard motor inventory taxes levied against a dealer's vessel and outboard motor inventory.

(10) "Person" means a natural person, corporation, partnership, or other legal entity.

(11) "Sales price" means the total amount of money paid or to be paid for the purchase of:

(A) a vessel, other than a trailer that is treated as a vessel, as set forth as "sales price" in the form entitled "Application for Texas Certificate of Number/Title for Boat/Seller, Donor or Trader's Affidavit" promulgated by the Parks and Wildlife Department;

(B) an outboard motor as set forth as "sales price" in the form entitled "Application for Texas Certificate of Title for an Outboard Motor/Seller, Donor or Trader's Affidavit" promulgated by the Parks and Wildlife Department; or

(C) a trailer that is treated as a vessel as set forth as "sales price" in the form entitled "Application for Texas Certificate of Title" promulgated by the Texas Department of Motor Vehicles.

In a transaction involving a vessel, an outboard motor, or a trailer that is treated as a vessel that does not involve the use of one of these forms, the term means an amount of money that is equivalent, or substantially equivalent, to the amount that would appear as "sales price" on the Application for Texas Certificate of Number/Title for Boat/Seller, Donor or Trader's Affidavit, the Application for Texas Certificate of Title for an Outboard Motor/Seller, Donor or Trader's Affidavit, or the Application for Texas Certificate of Title if one of these forms were involved.

(12) "Subsequent sale" means a dealer-financed sale of a vessel or outboard motor that, at the time of the sale, has been the subject of a dealer-financed sale from the same dealer's vessel and outboard motor inventory in the same calendar year.

(13) "Total annual sales" means the total of the sales price from every sale from a dealer's vessel and outboard motor inventory for a 12-month period.

(14) "Vessel" has the meaning given it by Section 31.003, Parks and Wildlife Code, except such term shall not include:

(A) vessels of more than 65 feet in length, measured from end to end over the deck, excluding sheer; and

(B) canoes, kayaks, punts, rowboats, rubber rafts, or other vessels under 14 feet in length when paddled, poled, oared, or windblown.

The term “vessel” also includes trailers that are treated as vessels as defined in this section.

(15) “Trailer treated as a vessel” means a vehicle that:

(A) is designed to carry a vessel; and

(B) is either a “trailer” or “semitrailer” as such terms are defined by Section 501.002, Transportation Code.

(b) For the purpose of the computation of property tax, the market value of a dealer’s vessel and outboard motor inventory on January 1 is the total annual sales from the dealer’s vessel and outboard motor inventory, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the prior tax year, divided by 12.

(c) For the purpose of the computation of property tax on the market value of a dealer’s vessel and outboard motor inventory of an owner who was not a dealer on January 1 of the prior tax year, the chief appraiser shall estimate the market value of the dealer’s vessel and outboard motor inventory. In making the estimate required by this subsection, the chief appraiser shall extrapolate using sales data, if any, generated by sales from the dealer’s vessel and outboard motor inventory in the prior tax year.

(d) Except for the dealer’s vessel and outboard motor inventory, personal property held by a dealer is appraised as provided by other sections of this code. In the case of a dealer whose sales from the dealer’s vessel and outboard motor inventory are made predominantly to dealers, the chief appraiser shall appraise the dealer’s vessel and outboard motor inventory as provided by Section 23.12 of this code.

(e) A dealer is presumed to be an owner of a dealer’s vessel and outboard motor inventory on January 1 if, in the 12-month period ending on December 31 of the immediately preceding year, the dealer sold a vessel or outboard motor to a person other than a dealer. The presumption created by this subsection is not rebutted by the fact that a dealer has no vessels or outboard motors physically on hand for sale from a dealer’s vessel and outboard motor inventory on January 1.

(f) The comptroller shall promulgate a form entitled “Dealer’s Vessel and Outboard Motor Inventory Declaration.” Except as provided by Section 23.125(l) of this code, not later than February 1 of each year or, in the case of a dealer who was not in business on January 1, not later than 30 days after commencement of business, each dealer shall file a declaration with the chief appraiser and file a copy with the collector. The declaration is sufficient to comply with this subsection if it sets forth the following information:

(1) the name and business address of each location at which the dealer owner conducts business;

(2) each of the dealer’s and manufacturer’s numbers issued by the Parks and Wildlife Department;

(3) a statement that the dealer owner is the owner of a dealer’s vessel and outboard motor inventory; and

(4) the market value of the dealer’s vessel and outboard motor inventory for the current tax year as computed under Subsection (b) of this section.

(g) Under the terms provided by this subsection, the chief appraiser may examine the books and records of the holder of a dealer’s and manufacturer’s number issued by the Parks and Wildlife Department. A request made under this subsection must be made in writing, delivered personally to the custodian of the records, must provide a period not less than 15 days for the person to respond to the request, and must state that the person to whom it is addressed has the right to seek judicial relief from compliance with the request. In a request made under this section the chief appraiser may examine:

(1) the document issued by the Parks and Wildlife Department showing the person’s dealer’s and manufacturer’s number;

(2) documentation appropriate to allow the chief appraiser to ascertain the applicability of this section and Section 23.125 of this code to the person;

(3) sales records to substantiate information set forth in the dealer’s declaration filed by the person.

(h) If a dealer fails to file a declaration required by this section, or if, on the declaration required by this section, a dealer reports the sale of fewer than five vessels or outboard motors in the prior year, the chief appraiser shall report that fact to the Parks and Wildlife Department.

(i) A dealer who fails to file a declaration required by this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day during which a dealer fails to comply with the terms of this subsection is a separate violation.

(j) A dealer who violates Subsection (g) of this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day during which a dealer fails to comply with the terms of Subsection (g) of this section is a separate violation.

(k) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a declaration required by this section shall forfeit a penalty. A tax lien attaches to the dealer’s business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, or county attorney shall collect the penalty established by this section in the name of the chief appraiser or collector. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the owner maintains the owner’s principal place of business or residence. A penalty forfeited under this subsection is \$1,000 for each month or part of a month in which a declaration is not filed or timely filed after it is due.

**Sec. 23.1241. Dealer's Heavy Equipment Inventory; Value.**

(a) In this section:

(1) "Dealer" means a person engaged in the business in this state of selling, leasing, or renting heavy equipment. The term does not include a bank, savings bank, savings and loan association, credit union, or other finance company. In addition, for purposes of taxation of a person's inventory of heavy equipment in a tax year, the term does not include a person who renders the person's inventory of heavy equipment for taxation in that tax year by filing a rendition statement or property report in accordance with Chapter 22.

(2) "Dealer's heavy equipment inventory" means all items of heavy equipment that a dealer holds for sale, lease, or rent in this state during a 12-month period.

(3) "Dealer-financed sale" means the sale at retail of an item of heavy equipment in which the dealer finances the purchase of the item, is the sole lender in the transaction, and retains exclusively the right to enforce the terms of the agreement that evidences the sale.

(4) "Declaration" means a dealer's heavy equipment inventory declaration form adopted by the comptroller under this section.

(5) "Fleet transaction" means the sale of five or more items of heavy equipment from a dealer's heavy equipment inventory to the same person in one calendar year.

(6) "Heavy equipment" means self-propelled, self-powered, or pull-type equipment, including farm equipment or a diesel engine, that weighs at least 1,500 pounds and is intended to be used for agricultural, construction, industrial, maritime, mining, or forestry uses. The term does not include a motor vehicle that is required by:

(A) Chapter 501, Transportation Code, to be titled; or

(B) Chapter 502, Transportation Code, to be registered.

(7) "Sales price" means:

(A) the total amount of money paid or to be paid to a dealer for the purchase of an item of heavy equipment; or

(B) for a lease or rental, the total amount of the lease or rental payments.

(8) "Subsequent sale" means a dealer-financed sale of an item of heavy equipment that, at the time of the sale, has been the subject of a dealer-financed sale from the same dealer's heavy equipment inventory in the same calendar year. The term does not include a rental or lease with an unexercised purchase option or without a purchase option.

(9) "Total annual sales" means the total of the:

(A) sales price for each sale from a dealer's heavy equipment inventory in a 12-month period; and

(B) lease and rental payments received for each lease or rental of heavy equipment inventory in a 12-month period.

(b) For the purpose of the computation of property tax, the market value of a dealer's heavy equipment inventory on January 1 is the total annual sales, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the preceding tax year, divided by 12.

(b-1) For the purpose of the computation of property tax on the market value of the dealer's heavy equipment inventory, the sales price of an item of heavy equipment that is sold during the preceding tax year after being leased or rented for a portion of that same tax year is considered to be the sum of the sales price of the item plus the total lease and rental payments received for the item in the preceding tax year.

(c) For the purpose of the computation of property tax on the market value of the dealer's heavy equipment inventory of an owner who was not a dealer on January 1 of the preceding tax year, the chief appraiser shall estimate the market value of the dealer's heavy equipment inventory. In making the estimate required by this subsection, the chief appraiser shall extrapolate using sales data, if any, generated by sales from the dealer's heavy equipment inventory in the preceding tax year.

(d) Except for dealer's heavy equipment inventory, personal property held by a dealer is appraised as provided by the other sections of this code. In the case of a dealer whose sales from the dealer's heavy equipment inventory are made predominately to other dealers, the chief appraiser shall appraise the dealer's heavy equipment inventory as provided by Section 23.12.

(e) A dealer is presumed to be an owner of a dealer's heavy equipment inventory on January 1 if, in the 12-month period ending on December 31 of the preceding year, the dealer sold, leased, or rented an item of heavy equipment to a person other than a dealer. The presumption is not rebutted by the fact that a dealer has no item of heavy equipment physically on hand for sale from the dealer's heavy equipment inventory on January 1.

(f) The comptroller by rule shall adopt a dealer's heavy equipment inventory declaration form. Except as provided by Section 23.1242(k), not later than February 1 of each year, or, in the case of a dealer who was not in business on January 1, not later than 30 days after commencement of business, each dealer shall file a declaration with the chief appraiser and file a copy with the collector. The declaration is sufficient to comply with this subsection if it sets forth:

(1) the name and business address of each location at which the declarant conducts business;

(2) a statement that the declarant is the owner of a dealer's heavy equipment inventory; and

(3) the market value of the declarant's heavy equipment inventory for the current tax year as computed under Subsection (b).

(g) As provided by this subsection, the chief appraiser may examine the books and records of a dealer. A request made under this subsection must be made in writing, must be delivered personally to the custodian of the records at a location at which the dealer conducts business, must provide a period of not less than 15 days for the person to respond to the request, and must state that the person to whom the request is addressed has the right to seek judicial relief from compliance with the request. In a request made under this section, the chief appraiser may examine:

(1) documentation appropriate to allow the chief appraiser to ascertain the applicability of this section and Section 23.1242 to the person; and

(2) sales records to substantiate information set forth in the declaration filed by the dealer.

(h) [Repealed by Acts 1999, 76th Leg., ch. 574 (S.B. 521), § 2(1), effective June 18, 1999.]

(i) [Repealed by Acts 2011, 82nd Leg., ch. 322 (H.B. 2476), § 8, effective January 1, 2012.]

(j) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a declaration required by Subsection (f) shall forfeit a penalty. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, or county attorney may collect the penalty established by this section in the name of the collector. The chief appraiser may collect the penalty in the name of the chief appraiser. The chief appraiser or the appropriate district attorney, criminal district attorney, or county attorney may sue to enforce compliance with this section. Venue of an action brought under this subsection, including an action for injunctive relief, is in the county in which the violation occurred or in the county in which the owner maintains the owner's principal place of business or residence. The court may award attorney's fees to a chief appraiser, district attorney, criminal district attorney, or county attorney who prevails in a suit to collect a penalty or enforce compliance with this section. A penalty forfeited under this subsection is \$1,000 for each month or part of a month in which a declaration is not filed or timely filed after it is due.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1184 (S.B. 759), § 2, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 574 (S.B. 521), § 2(1), effective June 18, 1999; am. Acts 1999, 76th Leg., ch. 1550 (S.B. 1435), §§ 1—3, effective January 1, 2000; am. Acts 2009, 81st Leg., ch. 116 (H.B. 2071), § 4, effective September 1, 2009; am. Acts 2011, 82nd Leg., ch. 322 (H.B. 2476), §§ 1, 2, 8, effective January 1, 2012; am. Acts 2013, 83rd Leg., ch. 884 (H.B. 826), § 1, effective January 1, 2014.

### Sec. 23.1242. Prepayment of Taxes by Heavy Equipment Dealers.

(a) In this section:

(1) "Aggregate tax rate" means the combined tax rates of all appropriate taxing units authorized by law to levy property taxes against a dealer's heavy equipment inventory.

(2) "Dealer's heavy equipment inventory," "declaration," "dealer," "sales price," "subsequent sale," and "total annual sales" have the meanings assigned those terms by Section 23.1241.

(3) "Statement" means the dealer's heavy equipment inventory tax statement filed on a form adopted by the comptroller under this section.

(4) "Unit property tax factor" means a number equal to one-twelfth of the preceding year's aggregate ad valorem tax rate at the location where a dealer's heavy equipment inventory is located on January 1 of the current year.

(b) Except for an item of heavy equipment sold to a dealer, an item of heavy equipment included in a fleet transaction, an item of heavy equipment that is the subject of a subsequent sale, or an item of heavy equipment that is subject to a lease or rental, an owner or a person who has agreed by contract to pay the owner's current year property taxes levied against the owner's heavy equipment inventory shall assign a unit property tax to each item of heavy equipment sold from a dealer's heavy equipment inventory. In the case of a lease or rental, the owner shall assign a unit property tax to each item of heavy equipment leased or rented. The unit property tax of each item of heavy equipment is determined by multiplying the sales price of the item or the monthly lease or rental payment received for the item, as applicable, by the unit property tax factor. If the transaction is a lease or rental, the owner shall collect the unit property tax from the lessee or renter at the time the lessee or renter submits payment for the lease or rental. The owner of the equipment shall state the amount of the unit property tax assigned as a separate line item on an invoice. On or before the 20th day of each month the owner shall, together with the statement filed by the owner as required by this section, deposit with the collector an amount equal to the total of unit property tax assigned to all items of heavy equipment sold, leased, or rented from the dealer's heavy equipment inventory in the preceding month to which a unit property tax was assigned. The money shall be deposited by the collector to the credit of the owner's escrow account for prepayment of property taxes as provided by this section. An escrow account required by this section is used to pay property taxes levied against the dealer's heavy equipment inventory, and the owner shall fund the escrow account as provided by this subsection.

(c) The collector shall maintain the escrow account for each owner in the county depository. The collector is not required to maintain a separate account in the depository for each escrow account created as provided by this section but shall maintain separate records for each owner. The collector shall retain any interest generated by the escrow account to defray the cost of administration of the prepayment procedure established by this section. Interest generated by an escrow account created as provided by this section is the sole property of the collector and that interest may not be used by an entity other than the collector. Interest generated by an escrow account may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(d) Except as provided by Section 23.1243, the owner may not withdraw funds in an escrow account created under this section.

(e) The comptroller by rule shall adopt a dealer's heavy equipment inventory tax statement form. Each month, a dealer shall complete the form regardless of whether an item of heavy equipment is sold, leased, or rented. A dealer may use no other form for that purpose. The statement may include the information the comptroller considers appropriate but shall include at least the following:

- (1) a description of each item of heavy equipment sold, leased, or rented including any unique identification or serial number affixed to the item by the manufacturer;
- (2) the sales price of or lease or rental payment received for the item of heavy equipment, as applicable;
- (3) the unit property tax of the item of heavy equipment, if any; and
- (4) the reason no unit property tax is assigned if no unit property tax is assigned.

(f) On or before the 20th day of each month, a dealer shall file with the collector the statement covering the sale, lease, or rental of each item of heavy equipment sold, leased, or rented by the dealer in the preceding month. On or before the 20th day of a month following a month in which a dealer does not sell, lease, or rent an item of heavy equipment, the dealer must file the statement with the collector and indicate that no sales, leases, or rentals were made in the prior month. A dealer shall file a copy of the statement with the chief appraiser and retain documentation relating to the disposition of each item of heavy equipment sold and the lease or rental of each item of heavy equipment. A chief appraiser or collector may examine documents held by a dealer as provided by this subsection in the same manner, and subject to the same conditions, as provided by Section 23.1241(g).

(g) Except as provided by this subsection, Subsection (f) applies to any dealer, regardless of whether a dealer owes heavy equipment inventory tax for the current year. A dealer who owes no heavy equipment inventory tax for the current year because the dealer was not in business on January 1:

- (1) shall file the statement required by this section showing the information required by this section for each month that the dealer is in business; and
- (2) may not assign a unit property tax to an item of heavy equipment sold by the dealer or remit money with the statement except in compliance with the terms of a contract as provided by Subsection (k).

(h) A taxing unit shall, on its tax bill prepared for the owner of a dealer's heavy equipment inventory, separately itemize the taxes levied against the dealer's heavy equipment inventory. When the tax bill is prepared for a dealer's heavy equipment inventory, the assessor for the taxing unit, or an entity, if any, other than the collector, that collects taxes on behalf of the taxing unit, shall provide the collector a true and correct copy of the tax bill sent to the owner, including taxes levied against the dealer's heavy equipment inventory. The collector shall apply the money in the owner's escrow account to the taxes imposed and deliver a tax receipt to the owner. The collector shall apply the amount to each appropriate taxing unit in proportion to the amount of taxes levied, and the assessor of each taxing unit shall apply the funds received from the collector to the taxes owed by the owner.

(i) If the amount in the escrow account is not sufficient to pay the taxes in full, the collector shall apply the money to the taxes and deliver to the owner a tax receipt for the partial payment and a tax bill for the amount of the deficiency together with a statement that the owner must remit to the collector the balance of the total tax due.

(j) The collector shall remit to each appropriate taxing unit the total amount collected by the collector in deficiency payments. The assessor of each taxing unit shall apply those funds to the taxes owed by the owner. Taxes that are due but not received by the collector on or before January 31 are delinquent. Not later than February 15, the collector shall distribute to each appropriate taxing unit in the manner provided by this section all funds collected under authority of this section and held in escrow by the collector under this section. This section does not impose a duty on a collector to collect delinquent taxes that the collector is not otherwise obligated by law or contract to collect.

(k) A person who acquires the business or assets of an owner may, by contract, agree to pay the current year heavy equipment inventory taxes owed by the owner. The owner who owes the current year tax and the person who acquires the business or assets of the owner shall jointly notify the chief appraiser and the collector of the terms of the agreement and of the fact that the other person has agreed to pay the current year heavy equipment inventory taxes owed by the dealer. The chief appraiser and the collector shall adjust their records accordingly. Notwithstanding Section 23.1241, a person who agrees to pay current year heavy equipment inventory taxes as provided by this subsection is not required to file a declaration until the year following the acquisition. This subsection does not relieve the selling owner of the tax liability.

(l) [Repealed by Acts 2011, 82nd Leg., ch. 322 (H.B. 2476), § 8, effective January 1, 2012.]

(m) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a statement as required by this section shall forfeit a penalty. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, or county attorney may collect the penalty established by this section in the name of the collector. The chief appraiser may collect the penalty in the name of the chief appraiser. The chief appraiser or the appropriate district attorney, criminal district attorney, or county attorney may sue to enforce compliance with this section. Venue of an action brought under this subsection, including an action for injunctive relief, is in the county in which the violation occurred or in the county in which the owner maintains the owner's principal place of business or residence. The court may award attorney's fees to a chief appraiser, district attorney, criminal district attorney, or county attorney who prevails in a suit to collect a penalty or enforce compliance with this section. A penalty forfeited under this subsection is \$500 for each month or part of a month in which a statement is not filed or timely filed after it is due.

(n) An owner who fails to remit unit property taxes due as required by this section shall pay a penalty of five percent of the amount due. If the amount is not paid within 10 days after the due date, the owner shall pay an additional penalty

of five percent of the amount due. Notwithstanding this section, unit property taxes paid on or before January 31 of the year following the date on which they are due are not delinquent. The collector, the collector's designated agent, or the county or district attorney shall enforce this subsection. A penalty under this subsection is in addition to any other penalty provided by law if the owner's taxes are delinquent.

(o) A fine collected under this section shall be deposited in the county depository to the credit of the general fund. A penalty collected under this section is the sole property of the collector, may be used by no entity other than the collector, and may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(p) Section 23.123 applies to a declaration or statement filed under this section in the same manner in which that section applies to a statement or declaration filed as required by Section 23.121 or 23.122.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1184 (S.B. 759), § 2, effective January 1, 1998; am. Acts 2009, 81st Leg., ch. 116 (H.B. 2071), § 5, effective September 1, 2009; am. Acts 2011, 82nd Leg., ch. 322 (H.B. 2476), §§ 3, 8, effective January 1, 2012; am. Acts 2017, 85th Leg., ch. 89 (H.B. 1346), § 1, effective September 1, 2017.

### **Sec. 23.1243. Refund of Prepayment of Taxes on Fleet Transaction.**

(a) In this section, "dealer" and "fleet transaction" have the meanings assigned those terms by Section 23.1241.

(b) A dealer may apply to the chief appraiser for a refund of the unit property tax paid on a sale that is a fleet transaction.

(c) The chief appraiser shall determine whether to approve or deny, wholly or partly, the refund requested in the application. The chief appraiser shall deliver a written notice of the chief appraiser's determination to the collector maintaining the escrow account described by Section 23.1242 and to the applicant that states the amount, if any, to be refunded.

(d) A collector who receives a notice described by Subsection (c) stating an amount to be refunded shall pay the amount to the dealer not later than the 45th day after the date the collector receives the notice. The dealer shall use the dealer's best efforts to pay the refund to the customer who paid the tax that relates to the fleet transaction for which the refund is requested not later than the 30th day after the date the dealer receives the refund.

**HISTORY:** Enacted by Acts 2011, 82nd Leg., ch. 322 (H.B. 2476), § 4, effective January 1, 2012.

### **Sec. 23.125. Prepayment of Taxes by Certain Taxpayers.**

(a) In this section:

(1) "Aggregate tax rate" means the combined tax rates of all relevant taxing units authorized by law to levy property taxes against a dealer's vessel and outboard motor inventory.

(2) "Chief appraiser" has the meaning given it in Section 23.124 of this code.

(3) "Collector" has the meaning given it in Section 23.124 of this code.

(4) "Dealer's vessel and outboard motor inventory" has the meaning given it in Section 23.124 of this code.

(5) "Declaration" has the meaning given it in Section 23.124 of this code.

(6) "Owner" has the meaning given it in Section 23.124 of this code.

(7) "Relevant taxing unit" means a taxing unit, including the county, authorized by law to levy property taxes against a dealer's vessel and outboard motor inventory.

(8) "Sales price" has the meaning given it in Section 23.124 of this code.

(9) "Statement" means the dealer's vessel and outboard motor inventory tax statement filed on a form promulgated by the comptroller as required by this section.

(10) "Subsequent sale" has the meaning given it in Section 23.124 of this code.

(11) "Total annual sales" has the meaning given it in Section 23.124 of this code.

(12) "Unit property tax factor" means a number equal to one-twelfth of the prior year aggregate tax rate at the location where a dealer's vessel and outboard motor inventory is located on January 1 of the current year.

(b) Except for a vessel or outboard motor sold to a dealer, a vessel or outboard motor included in a fleet transaction, or a vessel or outboard motor that is the subject of a subsequent sale, an owner or a person who has agreed by contract to pay the owner's current year property taxes levied against the owner's vessel and outboard motor inventory shall assign a unit property tax to each vessel and outboard motor sold from a dealer's vessel and outboard motor inventory. The unit property tax of each vessel or outboard motor is determined by multiplying the sales price of the vessel or outboard motor by the unit property tax factor. On or before the 10th day of each month the owner shall, together with the statement filed by the owner as required by this section, deposit with the collector a sum equal to the total of unit property tax assigned to all vessels and outboard motors sold from the dealer's vessel and outboard motor inventory in the prior month to which a unit property tax was assigned. The money shall be deposited by the collector in or otherwise credited by the collector to the owner's escrow account for prepayment of property taxes as provided by this section. An escrow account required by this section is used to pay property taxes levied against the dealer's vessel and outboard motor inventory, and the owner shall fund the escrow account as provided by this subsection.

(c) The collector shall maintain the escrow account for each owner in the county depository. The collector is not required to maintain a separate account in the depository for each escrow account created as provided by this section but shall maintain separate records for each owner. The collector shall retain any interest generated by the escrow

account to defray the cost of administration of the prepayment procedure established by this section. Interest generated by an escrow account created as provided by this section is the sole property of the collector, and that interest may be used by no entity other than the collector. Interest generated by an escrow account may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(d) The owner may not withdraw funds in an escrow account created pursuant to this section.

(e) The comptroller shall promulgate a form entitled "Dealer's Vessel and Outboard Motor Inventory Tax Statement." Each month, a dealer shall complete the form regardless of whether a vessel and outboard motor is sold. A dealer may use no other form for that purpose. The statement may include the information the comptroller deems appropriate but shall include at least the following:

- (1) a description of each vessel or outboard motor sold;
- (2) the sales price of the vessel or outboard motor;
- (3) the unit property tax of the vessel or outboard motor, if any; and
- (4) the reason no unit property tax is assigned if no unit property tax is assigned.

(f) On or before the 10th day of each month a dealer shall file with the collector the statement covering the sale of each vessel or outboard motor sold by the dealer in the prior month. On or before the 10th day of a month following a month in which a dealer does not sell a vessel or outboard motor, the dealer must file the statement with the collector and indicate that no sales were made in the prior month. A dealer shall file a copy of the statement with the chief appraiser and retain documentation relating to the disposition of each vessel and outboard motor sold. A chief appraiser or collector may examine documents held by a dealer as provided by this subsection in the same manner, and subject to the same provisions, as are set forth in Section 23.124(g).

(g) Except as provided by this subsection, the requirements of Subsection (f) of this section apply to all dealers, without regard to whether or not the dealer owes vessel and outboard motor inventory tax for the current year. A dealer who owes no vessel and outboard motor inventory tax for the current year because he was not in business on January 1:

(1) shall file the statement required by this section showing the information required by this section for each month during which the dealer is in business; and

(2) may neither assign a unit property tax to a vessel or outboard motor sold by the dealer nor remit money with the statement unless pursuant to the terms of a contract as provided by Subsection (l) of this section.

(h) A collector may establish a procedure, voluntary or mandatory, by which the unit property tax of a vessel or outboard motor is paid and deposited into an owner's escrow account at the time of processing the transfer of title to the vessel or outboard motor.

(i) A relevant taxing unit shall, on its tax bill prepared for the owner of a dealer's vessel and outboard motor inventory, separately itemize the taxes levied against the dealer's vessel and outboard motor inventory. When the tax bill is prepared by a relevant taxing unit for a dealer's vessel and outboard motor inventory, the assessor for the relevant taxing unit, or an entity, if any, other than the collector, that collects taxes on behalf of the taxing unit, shall provide the collector a true and correct copy of the tax bill sent to the owner, including taxes levied against a dealer's vessel and outboard motor inventory. The collector shall apply the money in the owner's escrow account to the taxes imposed and deliver a tax receipt to the owner. The collector shall apply the amount to each relevant taxing unit in proportion to the amount of taxes levied, and the assessor of each relevant taxing unit shall apply the funds received from the collector to the taxes owed by the owner.

(j) If the amount in the escrow account is not sufficient to pay the taxes in full, the collector shall apply the money to the taxes and deliver to the owner a tax receipt for the partial payment and a tax bill for the amount of the deficiency together with a statement that the owner must remit to the collector the balance of the total tax due.

(k) The collector shall remit to each relevant taxing unit the total amount collected by the collector in deficiency payments. The assessor of each relevant taxing unit shall apply those funds to the taxes owed by the owner. Taxes that are due but not received by the collector on or before January 31 are delinquent. Not later than February 15, the collector shall distribute to relevant taxing units in the manner set forth in this section all funds collected pursuant to the authority of this section and held in escrow by the collector as provided by this section. This section does not impose a duty on a collector to collect delinquent taxes that the collector is not otherwise obligated by law or contract to collect.

(l) A person who acquires the business or assets of an owner may, by contract, agree to pay the current year vessel and outboard motor inventory taxes owed by the owner. The owner who owes the current year tax and the person who acquires the business or assets of the owner shall jointly notify the chief appraiser and the collector of the terms of the agreement and of the fact that the other person has agreed to pay the current year vessel and outboard motor inventory taxes owed by the dealer. The chief appraiser and the collector shall adjust their records accordingly. Notwithstanding the terms of Section 23.124 of this code, a person who agrees to pay current year vessel and outboard motor inventory taxes as provided by this subsection is not required to file a declaration until the year following the acquisition. This subsection does not relieve the selling owner of the tax liability.

(m) A dealer who fails to file a statement as required by this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$100. Each day during which a dealer fails to comply with the terms of this subsection is a separate violation.

(n) In addition to other penalties provided by law, a dealer who fails to file or fails to timely file a statement as required by this section shall forfeit a penalty. A tax lien attaches to the owner's business personal property to secure

payment of the penalty. The appropriate district attorney, criminal district attorney, or county attorney shall collect the penalty established by this section in the name of the chief appraiser or collector. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the owner maintains the owner's principal place of business or residence. A penalty forfeited under this subsection is \$500 for each month or part of a month in which a statement is not filed or timely filed after it is due.

(o) An owner who fails to remit unit property taxes due as required by this section shall pay a penalty of five percent of the amount due. If the amount is not paid within 10 days after the due date, the owner shall pay an additional penalty of five percent of the amount due. Notwithstanding the terms of this section, unit property taxes paid on or before January 31 of the year following the date on which they are due are not delinquent. The collector, the collector's designated agent, or the county or district attorney shall enforce the terms of this subsection. A penalty under this subsection is in addition to any other penalty provided by law if the owner's taxes are delinquent.

(p) Fines and penalties collected pursuant to the authority of this section shall be deposited in the county depository to the credit of the general fund.

### **Sec. 23.127. Retail Manufactured Housing Inventory; Value.**

(a) In this section:

- (1) "Chief appraiser" means the chief appraiser for the appraisal district in which a retailer's retail manufactured housing inventory is located.
- (2) "Collector" means the county tax assessor-collector for the county in which a retailer's retail manufactured housing inventory is located.
- (3) "Declaration" means a retail manufactured housing inventory declaration form adopted by the comptroller under this section in relation to units of manufactured housing considered to be retail manufactured housing inventory.
- (4) "Department" means the Texas Department of Housing and Community Affairs.
- (5) "HUD-code manufactured home" has the meaning assigned by Section 1201.003, Occupations Code.
- (6) "Manufactured housing" means:

(A) a HUD-code manufactured home as it would customarily be held by a retailer in the normal course of business in a retail manufactured housing inventory; or

(B) a mobile home as it would customarily be held by a retailer in the normal course of business in a retail manufactured housing inventory.

(7) "Mobile home" has the meaning assigned by Section 1201.003, Occupations Code.

(8) "Owner" means a retailer who owes current year inventory taxes imposed on a retailer's retail manufactured housing inventory.

(9) "Retail manufactured housing inventory" means all units of manufactured housing that a retailer holds for sale at retail and that are defined as inventory by Section 1201.201, Occupations Code.

(10) "Retailer" has the meaning assigned by Section 1201.003, Occupations Code.

(11) "Retailer-financed sale" means the sale at retail of a unit of manufactured housing in which the retailer finances the purchase of the unit of manufactured housing, is the sole lender in the transaction, and retains exclusively the right to enforce the terms of the agreement that evidences the sale.

(12) "Sales price" means the total amount of money paid or to be paid to a retailer for the purchase of a unit of manufactured housing, excluding any amount paid for the installation of the unit.

(13) "Subsequent sale" means a retailer-financed sale of a unit of manufactured housing that, at the time of the sale, has been the subject of a retailer-financed sale from the same retail manufactured housing inventory in the same calendar year.

(14) "Total annual sales" means the total of the sales price for each sale from a retail manufactured housing inventory in a 12-month period.

(b) For the purpose of the computation of property taxes, the market value of a retail manufactured housing inventory on January 1 is the total annual sales, less sales to retailers and subsequent sales, for the 12-month period corresponding to the preceding tax year, divided by 12.

(c) For the purpose of the computation of property taxes on the market value of the retail manufactured housing inventory of an owner who was not a retailer on January 1 of the preceding tax year, the chief appraiser shall estimate the market value of the retail manufactured housing inventory. In making the estimate required by this subsection, the chief appraiser shall extrapolate using any sales data generated by sales from the retail manufactured housing inventory in the preceding tax year.

(d) Except for a retail manufactured housing inventory, personal property held by a retailer is appraised as provided by the other sections of this code. In the case of a retailer whose sales from the retail manufactured housing inventory are made predominately to other retailers, the chief appraiser shall appraise the retail manufactured housing inventory as provided by Section 23.12.

(e) A retailer is presumed to be an owner of a retail manufactured housing inventory on January 1 if, in the 12-month period ending on December 31 of the immediately preceding year, the retailer sold a unit of manufactured housing to a person other than a retailer. The presumption created by this subsection is not rebutted by the fact that a retailer does not have any units of manufactured housing physically on hand for sale from the retail manufactured housing inventory on January 1.

(f) The comptroller by rule shall adopt a form entitled "Retail Manufactured Housing Inventory Declaration." Except as provided by Section 23.128(k), not later than February 1 of each year or, in the case of a retailer who was not in business on January 1, not later than the 30th day after the date the retailer commences business, each retailer shall file a declaration with the chief appraiser and file a copy with the collector. The declaration is sufficient to comply with this subsection if it sets forth the following information:

(1) the name and business address of each location at which the retailer conducts business;

(2) the retailer's license number issued by the department;

(3) a statement that the retailer is the owner of a retail manufactured housing inventory; and

(4) the market value of the retailer's manufactured housing inventory for the current tax year as computed under Subsection (b).

(g) The chief appraiser may examine the books and records of a retailer. A request made under this subsection must be made in writing, delivered personally to the custodian of the records at a location at which the retailer conducts business, provide a period of not less than 15 days for the person to respond to the request, and state that the person to whom the request is addressed has the right to seek judicial relief from compliance with the request. In an examination made under this section, the chief appraiser may examine:

(1) the document issued by the department showing the retailer's license number;

(2) documentation appropriate to allow the chief appraiser to ascertain the applicability of this section and Section 23.128 to the retailer; and

(3) sales records to substantiate information stated in a retailer's declaration filed by the person.

(h) If a retailer fails to file a declaration as required by Subsection (f), or if, on the declaration required by Subsection (f) a retailer reports the sale of fewer than two units of manufactured housing in the preceding year, the chief appraiser shall report that fact to the department.

(i) A retailer who fails to file a declaration as required by Subsection (f) commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day that a retailer fails to file the declaration as required by Subsection (f) is a separate violation.

(j) A retailer who violates Subsection (g) commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$500. Each day that a retailer fails to comply with Subsection (g) is a separate violation.

(k) In addition to other penalties provided by law, a retailer who fails to file or fails to timely file a declaration required by Subsection (f) is liable for a penalty in the amount of \$1,000 for each month or part of a month in which a declaration is not filed or timely filed after it is due. A lien attaches to the retailer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, county attorney, chief appraiser, or person designated by the chief appraiser shall collect the penalty established by this section in the name of the chief appraiser. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the retailer maintains the retailer's principal place of business or residence.

(l) Section 23.123 applies to a declaration filed under this section in the same manner in which that section applies to a declaration filed as required by Section 23.121.

(m) Except as provided by Subsection (d), a chief appraiser shall appraise retail manufactured housing inventory in the manner provided by this section.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1112 (H.B. 2606), § 2, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 1060 (H.B. 3197), § 1, effective January 1, 2000; am. Acts 2003, 78th Leg., ch. 1276 (H.B. 3507), § 14A.812, effective September 1, 2003; am. Acts 2009, 81st Leg., ch. 116 (H.B. 2071), § 7, effective September 1, 2009; am. Acts 2017, 85th Leg., ch. 408 (H.B. 2019), §§ 81, 82, effective September 1, 2017.

### Sec. 23.128. Prepayment of Taxes by Manufactured Housing Retailers.

(a) In this section:

(1) "Aggregate tax rate" means the combined tax rates of all appropriate taxing units authorized by law to impose property taxes on a retail manufactured housing inventory.

(2) "Appropriate taxing unit" means a taxing unit, including the county, authorized by law to impose property taxes on a retail manufactured housing inventory.

(3) "Chief appraiser," "collector," "declaration," "manufactured housing," "owner," "retail manufactured housing inventory," "retailer," "sales price," "subsequent sale," and "total annual sales" have the meanings assigned by Section 23.127.

(4) "Statement" means the retail manufactured housing inventory tax statement filed on a form adopted by the comptroller under this section.

(5) "Unit property tax factor" means a number equal to one-twelfth of the preceding year's aggregate ad valorem tax rate at the location at which a retail manufactured housing inventory is located on January 1 of the current year.

(b) Except for a unit of manufactured housing sold to a retailer or a unit of manufactured housing that is the subject of a subsequent sale, a retailer or a person who has agreed by contract to pay the retailer's current year property taxes imposed on the retailer's manufactured housing inventory shall assign a unit property tax to each unit of manufactured housing sold from a retail manufactured housing inventory. The unit property tax of each unit of manufactured housing is determined by multiplying the sales price of the unit by the unit property tax factor. On or before the 10th day of each month the retailer shall, together with the statement filed by the retailer as required by this section, deposit with the collector an amount equal to the total of the unit property tax assigned to all units of manufactured housing sold from the retail manufactured housing inventory in the preceding month to which a unit property tax was assigned. The collector shall deposit the money to the credit of the retailer's escrow account for prepayment of property taxes as provided by this section. An escrow account required by this section is used to pay property taxes imposed on the retail manufactured housing inventory, and the retailer shall fund the escrow account as provided by this subsection.

(c) The collector shall maintain the escrow account for each retailer in the county depository. The collector is not required to maintain a separate account in the depository for each escrow account created as provided by this section but shall maintain separate records for each retailer. The collector shall retain any interest generated by the escrow account to defray the cost of administration of the prepayment procedure established by this section. Interest generated by an escrow account created as provided by this section is the sole property of the collector and may not be used by an entity other than the collector. Interest generated by an escrow account may not be used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(d) The retailer may not withdraw money in an escrow account created under this section.

(e) The comptroller by rule shall adopt a form entitled "Retail Manufactured Housing Inventory Tax Statement." Each month, a retailer shall complete the form regardless of whether a unit of manufactured housing is sold. A retailer may not use another form for that purpose. The statement shall include:

(1) a description of the unit of manufactured housing sold, including any unique identification or serial number affixed to each unit by the manufacturer;

(2) the sales price of the unit of manufactured housing;

(3) any unit property tax of the unit of manufactured housing;

(4) the reason a unit property tax is not assigned if that is the case; and

(5) any other information the comptroller considers appropriate.

(f) On or before the 10th day of each month, a retailer shall file with the collector the statement covering the sale of each unit of manufactured housing sold by the retailer in the preceding month. On or before the 10th day of a month

following a month in which a dealer does not sell a unit of manufactured housing, the dealer must file the statement with the collector and indicate that no sales were made in the prior month. A retailer shall file a copy of the statement with the chief appraiser and retain documentation relating to the disposition of each unit of manufactured housing sold. A chief appraiser or collector may examine documents held by a retailer as required by this subsection in the same manner, and subject to the same conditions, as in Section 23.127(g).

(g) Subsection (f) applies to a retailer regardless of whether the retailer owes retail manufactured housing inventory tax for the current year. A retailer who does not owe any retail manufactured housing inventory tax for the current year because the retailer was not in business on January 1 may not assign a unit property tax to a unit of manufactured housing sold by the retailer or remit money with the statement unless under the terms of a contract as provided by Subsection (k).

(h) An appropriate taxing unit shall, on its tax bill prepared for the owner of a retail manufactured housing inventory, separately itemize the taxes imposed on the retail manufactured housing inventory. When the tax bill is prepared for a retail manufactured housing inventory, the assessor for the taxing unit, or an entity, if any, other than the collector, that collects taxes on behalf of the taxing unit, shall provide the collector a true and correct copy of the tax bill sent to the owner, including taxes imposed on the retail manufactured housing inventory. The collector shall apply the money in the owner's escrow account to the taxes imposed and deliver a tax receipt to the owner. The collector shall apply the amount to each appropriate taxing unit in proportion to the amount of taxes imposed, and the assessor of each taxing unit shall apply the money received from the collector to the taxes owed by the owner. No penalties or interest shall be assessed against an owner for property taxes which the owner has previously paid but which are not delivered to the appropriate taxing unit before the date on which such taxes become delinquent.

(i) If the amount in the escrow account is not sufficient to pay the taxes in full, the collector shall apply the money to the taxes and deliver to the owner a tax receipt for the partial payment and a tax bill for the amount of the deficiency together with a statement that the owner must remit to the collector the balance of the total tax due; however, no penalty or interest shall be assessed against an owner for that portion of the property taxes which represents the amount of the partial payment if the amount of the deficiency is not paid before the date the deficiency is delinquent.

(j) The collector shall remit to each appropriate taxing unit the total amount collected by the collector in deficiency payments. The assessor of each taxing unit shall apply that amount to the taxes owed by the owner. Taxes that are due but not received by the collector on or before January 31 are delinquent. Not later than February 15, the collector shall distribute to each appropriate taxing unit in the manner provided by this section all money collected under this section and held in escrow by the collector under this section. This section does not impose a duty on a collector to collect delinquent taxes that the collector is not otherwise obligated by law or contract to collect.

(k) A person who acquires the business or assets of a retailer may, by contract, agree to pay the current year retail manufactured housing inventory taxes owed by the retailer. The retailer who owes the current year tax and the person who acquires the business or assets of the retailer shall jointly notify the chief appraiser and the collector of the terms of the agreement and of the fact that the purchaser has agreed to pay the current year retail manufactured housing inventory taxes owed by the selling retailer. The chief appraiser and the collector shall adjust their records accordingly. Notwithstanding Section 23.127, a person who agrees to pay current year retail manufactured housing inventory taxes as provided by this subsection is not required to file a declaration until the year following the acquisition. This subsection does not relieve the selling retailer of tax liability.

(l) A retailer who fails to file a statement as required by this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine not to exceed \$100. Each day that a retailer fails to comply with this subsection is a separate violation.

(m) In addition to other penalties provided by law, a retailer who fails to file or fails to timely file a statement as required by this section is liable for a penalty in the amount of \$500 for each month or part of a month in which a statement is not filed after it is due. A tax lien attaches to the retailer's business personal property to secure payment of the penalty. The appropriate district attorney, criminal district attorney, county attorney, collector, or person designated by the collector shall collect the penalty established by this section in the name of the collector. Venue of an action brought under this subsection is in the county in which the violation occurred or in the county in which the retailer maintains the retailer's principal place of business or residence.

(n) A retailer who fails to remit unit property taxes due as required by this section shall pay a penalty of five percent of the amount due. If the amount is not paid within 10 days after the due date, the retailer shall pay an additional penalty of five percent of the amount due. Notwithstanding this section, unit property taxes paid on or before January 31 of the year following the date on which they are due are not delinquent. The collector, the collector's designated agent, or the county or district attorney shall enforce this subsection. A penalty under this subsection is in addition to any other penalty provided by law if the owner's taxes are delinquent.

(o) A fine collected under this section shall be deposited in the county depository to the credit of the general fund. A penalty collected under this section is the sole property of the collector and may not be used by an entity other than the collector or used to reduce or otherwise affect the annual appropriation to the collector that would otherwise be made.

(p) Section 23.123 applies to a statement filed under this section in the same manner in which that section applies to a statement filed as required by Section 23.122.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1112 (H.B. 2606), § 2, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 1060 (H.B. 3197), § 2, effective January 1, 2000; am. **Sec. 23.129. Waiver of Certain Penalties.**

- (a) Subject to Subsection (b):
  - (1) a chief appraiser may waive a penalty imposed by Section 23.121(k), 23.1241(j), or 23.127(k); and
  - (2) a collector may waive a penalty imposed by Section 23.122(n), 23.1242(m), or 23.128(m).
- (b) A chief appraiser or collector may waive a penalty under Subsection (a) only if:
  - (1) the taxpayer seeking the waiver files a written application for the waiver with the chief appraiser or collector, as applicable, not later than the 30th day after the date the declaration or statement, as applicable, was required to be filed;
  - (2) the taxpayer's failure to file or failure to timely file the declaration or statement was a result of:
    - (A) a disaster that made it effectively impossible for the taxpayer to comply with the filing requirement; or
    - (B) an event beyond the control of the taxpayer that destroyed the taxpayer's property or records; and
  - (3) the taxpayer is otherwise in compliance with this chapter.

**HISTORY:** Enacted by Acts 2011, 82nd Leg., ch. 192 (S.B. 1385), § 1, effective September 1, 2011; am. Acts 2013, 83rd Leg., ch. 1259 (H.B. 585), § 16, effective June 14, 2013.

**Sec. 23.13. Taxable Leaseholds.**

A taxable leasehold or other possessory interest in real property that is exempt from taxation to the owner of the estate or interest encumbered by the possessory interest is appraised at the market value of the leasehold or other possessory interest. However, the appraised value may not be less than the total rental paid for the interest for the current tax year.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 23.135. License to Occupy Dwelling Unit in Tax-Exempt Retirement Community.**

A license to occupy a dwelling unit in a retirement community that is exempt from taxation under Section 11.18(d)(19) is not a taxable leasehold or other possessory interest in real property regardless of whether the occupant of the dwelling unit is required to pay a refundable or nonrefundable deposit or a periodic service fee under the contract granting the occupant the license to occupy the dwelling unit.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 606 (H.B. 2080), § 1, effective June 17, 2005.

**Sec. 23.14. Appraisal of Property Subject to Environmental Response Requirement.**

(a) In this section, "environmental response requirement" means remedial action by a property owner to correct, mitigate, or prevent a present or future air, water, or land pollution.

(b) In appraising real property that the chief appraiser knows is subject to an environmental response requirement, the present value of the estimated cost to the owner of the property of the environmental response requirement is an appropriate element that reduces market value and shall be taken into consideration by the chief appraiser in determining the market value of the property.

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 403 (H.B. 1735), § 1, effective August 30, 1993.

**Sec. 23.15. Intangibles of an Insurance Company.**

Intangible property owned by an insurance company incorporated under the laws of this state is appraised as provided by Article 4.01, Insurance Code.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 23.16. Intangibles of a Savings and Loan Association.**

Intangible property owned by a savings and loan association is appraised as provided by Section 89.003, Finance Code.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1999, 76th Leg., ch. 62 (S.B. 1368), § 7.90, effective September 1, 1999.

**Sec. 23.17. Mineral Interest Not Being Produced.**

An interest in a mineral that may be removed by surface mining or quarrying from a deposit and that is not being produced is appraised at the price for which the interest would sell while the mineral is in place and not being produced. The appraised value is determined by applying a per acre value to the number of acres covered by the interest. The aggregate of the appraised value of the interest and the appraised value of all other interests that if not under separate ownership would constitute a fee simple estate in real property may not exceed the appraised value that would be placed on the fee estate if the interest in minerals were not owned separately.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 23.175. Oil or Gas Interest.**

(a) If a real property interest in oil or gas in place is appraised by a method that takes into account the future income from the sale of oil or gas to be produced from the interest, the method must use the average price of the oil or gas from the interest for the preceding calendar year multiplied by a price adjustment factor as the price at which the oil or gas produced from the interest is projected to be sold in the current year of the appraisal. The average price for the preceding calendar year is calculated by dividing the sum of the monthly average prices for which oil and gas from the interest was selling during each month of the preceding calendar year by 12. If there was no production of oil or gas from the interest during any month of the preceding calendar year, the average price for which similar oil and gas from comparable interests was selling during that month is to be used. Except as otherwise provided by this subsection, the chief appraiser shall calculate the price adjustment factor by dividing the spot price of West Texas Intermediate crude oil in nominal dollars per barrel or the spot price of natural gas at the Henry Hub in nominal dollars per million British thermal units, as applicable, as projected for the current calendar year by the United States Energy Information Administration in the most recently published edition of the Annual Energy Outlook by the spot price of West Texas Intermediate crude oil in nominal dollars per barrel or the spot price of natural gas at the Henry Hub in nominal dollars per million British thermal units, as applicable, for the preceding calendar year as stated in the same report. If as of March 1 of the current calendar year the most recently published edition of the Annual Energy Outlook was published before December 1 of the preceding calendar year, the chief appraiser shall use the projected current and preceding calendar year spot price of West Texas Intermediate crude oil in nominal dollars per barrel or the spot price of natural gas at the Henry Hub in nominal dollars per million British thermal units, as applicable, as stated in the Short-Term Energy Outlook report published in January of the current calendar year by the United States Energy Information Administration in the price adjustment factor calculations. The price for the interest used in the second through the sixth calendar year of the appraisal may not reflect an annual escalation or de-escalation rate that exceeds the average annual percentage change from 1982 to the most recent year for which the information is available in the producer price index for domestically produced petroleum or for natural gas, as applicable, as published by the Bureau of Labor Statistics of the United States Department of Labor. The price for the interest used in the sixth calendar year of the appraisal must be used in each subsequent year of the appraisal.

(b) The comptroller by rule shall develop and distribute to each appraisal office appraisal manuals that specify the formula to be used in computing the limit on the price for an interest used in the second through the sixth year of an appraisal and the methods and procedures to discount future income from the sale of oil or gas from the interest to present value.

(c) Each appraisal office shall use the formula, methods, and procedures specified by the appraisal manuals developed under Subsection (b).

**Sec. 23.18. Property Owned by a Nonprofit Homeowners' Organization for the Benefit of Its Members.**

(a) Because many residential subdivisions are developed on the basis of a nonprofit corporation or association maintaining nominal ownership to property, such as swimming pools, parks, meeting halls, parking lots, tennis courts, or other similar property, that is held for the use, benefit, and enjoyment of the members of the organization, that nominally owned property is to be appraised as provided by this section on the basis of a nominal value to avoid double taxation of the property that would result from taxation on the basis of market value of both the property of the organization and the residential units or lots of the members of the organization, whose property values are enhanced by the right to use the organization's property.

(b) All property owned by an organization that qualifies as a nonprofit homeowners' organization under this section is appraised at a nominal value as provided by this section if:

(1) the property is held for the use, benefit, and enjoyment of all members of the organization equally;

(2) each member of the organization owns an easement, license, or other nonrevokable right for the use and enjoyment on an equal basis of all property held by the organization, even if the right is subject to a restriction imposed by the instruments conveying the right or interest or granting the easement or subject to a rule, regulation, or bylaw imposed by the organization pursuant to authority granted by articles of incorporation, declaration of covenants, conditions and restrictions, bylaws, or articles of association of the organization; and

(3) each member's easement, license, or other nonrevokable right to the use and enjoyment of the property is appurtenant to and an integral part of the taxable real property owned by the member.

(c) The chief appraiser, in appraising property owned by a member of a qualified nonprofit homeowners' organization who is entitled to the use and enjoyment of facilities owned by the organization, shall consider the enhanced value of the property resulting from the member's right to the use and benefit of those facilities.

(d) An organization qualifies as a nonprofit homeowners' organization under this section if:

(1) it engages in residential real estate management;

(2) it is organized and operated to provide for the acquisition, construction, management, maintenance, and care of property nominally owned by the organization and held for the use, benefit, and enjoyment of its members;

(3) 60 percent or more of the gross income of the organization consists of amounts received as membership dues, fees, or assessments from owners of residences or residential lots within an area subject to the jurisdiction and assessment of the organization;

(4) 90 percent or more of the expenditures of the organization is made for the purpose of acquiring, constructing, managing, maintaining, and caring for the property nominally held by the organization;

(5) each member owns an easement, a license, or other nonrevokable right for the use and enjoyment on an equal basis of all property nominally owned by the organization even if the right is subject to a restriction imposed by the instruments conveying the right or interest or granting the easement or subject to a rule, regulation, or bylaw imposed by the organization pursuant to authority granted by articles of incorporation, declaration of covenants, conditions and restrictions, the bylaws, or articles of association of the organization;

(6) net earnings of the organization do not inure to the benefit of any member of the organization or individual, other than by acquiring, constructing, or providing management, maintenance, and care of the organization's property or by a rebate of excess membership dues, fees, or assessments; and

(7) it qualifies for taxation under Section 1301 of the Tax Reform Act of 1976, Section 528 of the Internal Revenue Code of 1954, as amended, entitled "Certain Homeowners Associations."

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 59, effective January 1, 1982.

**Sec. 23.19. Property Occupied by Stockholders of Corporation Incorporated Under Cooperative Association Act.**

(a) In this section, "cooperative housing corporation" means a corporation incorporated under the Cooperative Association Act (Article 1396-50.01, Vernon's Texas Civil Statutes) to provide dwelling places for its stockholders.

(b) If an appraisal district receives a written request for the appraisal of real property and improvements of a cooperative housing corporation according to the separate interests of the corporation's stockholders, the chief appraiser shall separately appraise the interests described by Subsection (d) if the conditions required by Subsections (e) and (f) have been met. Separate appraisal under this section is for the purposes of administration of tax exemptions, determination of applicable limitations of taxes under Section 11.26 or 11.261, and apportionment by a cooperative housing corporation of property taxes among its stockholders but is not the basis for determining value on which a tax is imposed under this title. A stockholder whose interest is separately appraised under this section may protest and appeal the appraised value in the manner provided by this title for protest and appeal of the appraised value of other property.

(c) An appraisal under this section applies to the tax year in which a request is made under this section only if the request is received by the appraisal district before March 1. After the first separate appraisal of interests of stockholders of a cooperative housing corporation under this section, separate appraisals of interests of stockholders of the corporation shall be made in subsequent years without further request. A request may not be rescinded after the first separate appraisal has been made, and a request is binding on future owners and stockholders of the corporation.

(d) The interest that is to be separately appraised under this section is the market value of the right of exclusive occupancy of each separate dwelling place that is transferable only concurrently with the transfer of stock ownership in the corporation by the person having the right of occupancy, together with the market value of the right of use of a portion of the total common area used in the residential occupancy that is equal to the percentage of the total amount of the stock issued by the corporation that is owned by the stockholder.

(e) A separate appraisal of interests under this section may not be made unless:

(1) the person making the request files a resolution of the board of directors of the corporation certifying that the stockholders of the corporation have approved the request in the manner provided by the corporate articles of incorporation or bylaws for approval of matters affecting the corporation generally; and

(2) a diagrammatic floor plan of the improvements and a survey plot map of the land showing the location of the improvements on the land have been filed with the appraisal district.

(f) The chief appraiser may require a cooperative housing corporation for which separate appraisal of interests has been requested under this section to submit or verify a list of stockholders of the corporation at least annually.

(g) A tax bill or a separate statement accompanying the tax bill to a cooperative housing corporation for which interests of stockholders are separately appraised under this section must state, in addition to the information required by Section 31.01, the appraised value and taxable value of each interest separately appraised. Each exemption claimed as provided by this title by a person entitled to the exemption shall also be deducted from the total appraised value of the property of the corporation. The total tax imposed by a school district, county, municipality, or junior college district shall be reduced by any amount that represents an increase in taxes attributable to separately appraised interests of the real property and improvements that are subject to the limitation of taxes prescribed by Section 11.26 or 11.261. The corporation shall apportion among its stockholders liability for reimbursing the corporation for property taxes according to the relative taxable values of their interests.

(h) A cooperative housing corporation remains liable for payment of all taxes, penalties, and interest imposed under this title on property owned by the corporation, and the tax lien attaches to the entirety of the property.

(i) The chief appraiser may charge a fee in an amount not to exceed \$100 for the initial cost of separately appraising interests in a cooperative housing corporation.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 547 (S.B. 21), § 2, effective January 1, 1988; am. Acts 2003, 78th Leg., ch. 396 (H.B. 136), § 2, effective January 1, 2004.

#### **Sec. 23.20. Waiver of Special Appraisal.**

(a) An owner of inventory or real property may in writing waive the right to special appraisal provided by Section 23.12 or Subchapter C, D, E, F, or G as to one or more taxing units designated in the waiver. In a tax year in which a waiver is in effect, the property is appraised for each taxing unit to which the waiver applies at the value determined under Subchapter A of this chapter or the value determined under Section 23.12 or Subchapter C, D, E, F, or G, whichever is the greater value.

(b) A waiver of the right to special appraisal provided by Section 23.12 may be submitted at any time. A waiver of the right to special appraisal provided by Subchapter C, D, E, F, or G may be submitted with an application for appraisal under that subchapter or at any other time. A property owner who has waived special appraisal under this section as to one or more taxing units may make additional waivers under this section as to other taxing units in which the property is located.

(c) A waiver under this section is effective for 25 consecutive tax years beginning on the first tax year in which the waiver is effective without regard to whether the property is subject to appraisal under Section 23.12 or Subchapter C, D, E, F, or G. To be effective in the year in which the waiver is executed, it must be filed before May 1 of that year with the chief appraiser of the appraisal district in which the property is located, unless for good cause shown the chief appraiser extends the filing deadline for not more than 60 days. An application filed after the year's deadline takes effect in the next tax year.

(d) A waiver filed under this section is applicable to the property for the term of the waiver, runs with any land to which the waiver applies, and is binding on the owner who executed the waiver and any successor in interest. A waiver may not be revoked as to any taxing unit except on approval by official action of the governing body of the taxing unit on a finding by the governing body that the revocation of the waiver would not materially impair the contractual, bond, or other debt obligation of the taxing unit wholly or partly payable from property taxes to which the property is subject. An application for revocation must be filed with the governing body of each taxing unit to which the revocation is to apply. A waiver may not be revoked if revocation is prohibited under a rule adopted under Subsection (e). The revocation is effective in the year in which the governing body approves the revocation if the chief appraiser receives a written notice of the approval before the appraisal review board approves the appraisal records. If the notice is not received before the deadline the revocation takes effect in the next tax year.

(e) The Texas Commission on Environmental Quality, a commissioners court, and the Texas Transportation Commission each, by rule, may ensure that a waiver under this section that applies to real property is properly and timely executed, and is irrevocable by the owner of the property to which the waiver applies or by any other related person receiving or proposing to receive, directly or indirectly, the proceeds of any bonds issued by or to be issued by the taxing unit. The rules of the Texas Commission on Environmental Quality apply to waivers applicable to taxing units that are conservation and reclamation districts subject to the jurisdiction of the commission. The rules of the commissioners court apply to waivers applicable to taxing units that are road districts created by the commissioners court. The rules of the Texas Transportation Commission apply to waivers applicable to taxing units that are road utility districts subject to the jurisdiction of the commission.

(f) For computations required to be made under this title, the appraised value of the property for taxation by a taxing unit to which a waiver applies is the value at which the property is taxed under this section.

(g) A waiver of a special appraisal of property under Subchapter C, D, E, F, or G of this chapter does not constitute a change of use of the property or diversion of the property to another use for purposes of the imposition of additional taxes under any of those subchapters.

#### **Sec. 23.21. Property Used to Provide Affordable Housing.**

(a) In appraising real property that is rented or leased to a low-income individual or family meeting income-eligibility standards established by the owner of the property under regulations or restrictions limiting to a percentage of the individual's or the family's income the amount that the individual or family may be required to pay for the rental or lease of the property, the chief appraiser shall take into account the extent to which that use and limitation reduce the market value of the property.

(b) In appraising real property that is rented or leased to a low-income individual or family meeting income-eligibility standards established by a governmental entity or under a governmental contract for affordable housing limiting the amount that the individual or family may be required to pay for the rental or lease of the property, the chief appraiser shall take into account the extent to which that use and limitation reduce the market value of the property.

(c) In appraising land that is leased by a community land trust created or designated under Section 373B.002, Local Government Code, to a family meeting the income-eligibility standards established by Section 373B.006 of that code under regulations or restrictions limiting the amount that the family may be required to pay for the rental or lease of the property, the chief appraiser shall use the income method of appraisal as described by Section 23.012 to determine the appraised value of the property. The chief appraiser shall use that method regardless of whether the chief appraiser considers that method to be the most appropriate method of appraising the property. In appraising the property, the chief appraiser shall:

(1) take into account the uses and limitations applicable to the property, including the terms of the lease applicable to the property, for purposes of computing the actual rental income from the property and projecting future rental income; and

(2) use the same capitalization rate that the chief appraiser uses to appraise other rent-restricted properties.

(c-1) In appraising a housing unit that is leased by a community land trust created or designated under Section 373B.002, Local Government Code, to a family meeting the income-eligibility standards established by Section 373B.006 of that code under regulations or restrictions limiting the amount that the family may be required to pay for the rental or lease of the property, the chief appraiser shall use the income method of appraisal as described by Section 23.012 to determine the appraised value of the property. The chief appraiser shall use that method regardless of whether the chief appraiser considers that method to be the most appropriate method of appraising the property. In appraising the property, the chief appraiser shall:

(1) take into account the uses and limitations applicable to the property, including the terms of the lease applicable to the property, for purposes of computing the actual rental income from the property and projecting future rental income; and

(2) use the same capitalization rate that the chief appraiser uses to appraise other rent-restricted properties.

(d) In appraising a housing unit that the owner or a predecessor of the owner acquired from a community land trust created or designated under Section 373B.002, Local Government Code, and that is located on land owned by the trust and leased by the owner of the housing unit, the chief appraiser shall take into account the extent to which any regulations or restrictions limiting the right of the owner of the housing unit to sell the housing unit, including any limitation on the price for which the housing unit may be sold, reduce the market value of the housing unit. If the sale of the housing unit is subject to an eligible land use restriction, the chief appraiser may not appraise the housing unit in a tax year for an amount that exceeds the price for which the housing unit may be sold under the eligible land use restriction in that tax year. For purposes of this subsection, "eligible land use restriction" means an agreement, deed restriction, or restrictive covenant applicable to the housing unit that:

(1) is recorded in the real property records;

(2) has a term of at least 40 years;

(3) restricts the price for which the housing unit may be sold to a price that is equal to or less than the market value of the housing unit; and

(4) restricts the sale of the housing unit to a family meeting the income-eligibility standards established by Section 373B.006, Local Government Code.

(e) In appraising real property that was previously owned by an organization that received an exemption for the property under Section 11.181(a) and that was sold to a low-income individual or family meeting income eligibility standards established by the organization under regulations or restrictions limiting to a percentage of the individual's or the family's income the amount that the individual or family was required to pay for purchasing the property, the chief appraiser shall take into account the extent to which that use and limitation and any resale restrictions or conditions applicable to the property established by the organization reduce the market value of the property.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 980 (H.B. 2577), § 53, effective September 1, 1997; am. Acts 1999, 76th Leg., ch. 62 (S.B. 1368), § 16.04, effective September 1, 1999; am. Acts 2011, 82nd Leg., ch. 383 (S.B. 402), § 4, effective January 1, 2012; am. Acts 2011, 82nd Leg., ch. 1309 (H.B. 3133), § 3, effective June 17, 2011; am. ### **Sec. 23.215. Appraisal of Certain Nonexempt Property Used for Low-Income or Moderate-Income Housing.**

(a) This section applies only to real property owned by an organization:

(1) for the purpose of renting the property to a low-income or moderate-income individual or family satisfying the organization's income eligibility requirements;

(2) that is or will be financed under the low income housing tax credit program under Subchapter DD, Chapter 2306, Government Code, and subject to a land use restriction agreement under that subchapter;

(3) that does not receive an exemption under Section 11.182 or 11.1825; and

(4) the owner of which has not entered into an agreement with any taxing unit to make payments to the taxing unit instead of taxes on the property.

(b) In appraising property that is under construction or that has not reached stabilized occupancy on January 1 of the tax year in which the property is appraised, the chief appraiser shall determine the value of the property in the manner provided by Section 11.1825(q) using the property's projected income and expenses for the first full year of operation as established and utilized in the underwriting report pertaining to the property prepared by the Texas Department of Housing and Community Affairs under Subchapter DD, Chapter 2306, Government Code, and adjust

that value as provided by this subsection to determine the appraised value of the property. For a property under construction on January 1, the chief appraiser shall adjust the value to reflect the percentage of the construction that is complete on January 1. For a property on which construction is complete but that has not reached stabilized occupancy on January 1, the chief appraiser shall adjust the value to reflect the actual occupancy of the property on January 1. For purposes of this subsection, a property is not considered to be under construction if the purpose of the work being performed on the property is the maintenance or rehabilitation of the property.

(c) In appraising property for the first tax year following the year in which construction on the property is complete and occupancy of the property has stabilized and any tax year subsequent to that year, the chief appraiser shall determine the appraised value of the property in the manner provided by Section 11.1825(q).

**HISTORY:** Enacted by Acts 2003, 78th Leg., ch. 1156 (H.B. 3546), § 5, effective January 1, 2004; am. Acts 2021, 87th Leg., ch. 726 (H.B. 3833), § 1, effective June 15, 2021.

#### **Sec. 23.22. Land Use of Which Is Restricted by Governmental Entity.**

In appraising land the use of which is subject to a restriction that is imposed by a governmental entity and to which the owner of the land has not consented, including a restriction to preserve wildlife habitat, the chief appraiser shall consider the effect of the restriction on the value of the property.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 23, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 62 (S.B. 1368), § 160.5, effective September 1, 1999 (renumbered from Sec. 23.21).

#### **Sec. 23.225. Appraisal of Land Included in Habitat Preserve and Subject to Conservation Easement [Repealed].**

Repealed by Acts 2007, 80th Leg., ch. 454 (H.B. 604), § 3, effective January 1, 2008.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 5, effective September 1, 2005.

#### **Sec. 23.23. Limitation on Appraised Value of Residence Homestead.**

(a) Notwithstanding the requirements of Section 25.18 and regardless of whether the appraisal office has appraised the property and determined the market value of the property for the tax year, an appraisal office may increase the appraised value of a residence homestead for a tax year to an amount not to exceed the lesser of:

- (1) the market value of the property for the most recent tax year that the market value was determined by the appraisal office; or
- (2) the sum of:
  - (A) 10 percent of the appraised value of the property for the preceding tax year;
  - (B) the appraised value of the property for the preceding tax year; and
  - (C) the market value of all new improvements to the property.

(b) When appraising a residence homestead, the chief appraiser shall:

- (1) appraise the property at its market value; and
- (2) include in the appraisal records both the market value of the property and the amount computed under Subsection (a)(2).

(c) The limitation provided by Subsection (a) takes effect as to a residence homestead on January 1 of the tax year following the first tax year the owner qualifies the property for an exemption under Section 11.13. The limitation expires on January 1 of the first tax year that neither the owner of the property when the limitation took effect nor the owner's spouse or surviving spouse qualifies for an exemption under Section 11.13.

(c-1) **[Effective January 1, 2022]** For purposes of Subsection (c), an owner who receives an exemption as provided by Section 11.42(f) is considered to have qualified the property for the exemption as of January 1 of the tax year following the tax year in which the owner acquired the property.

(d) This section does not apply to property appraised under Subchapter C, D, E, F, or G.

(e) In this section, "new improvement" means an improvement to a residence homestead made after the most recent appraisal of the property that increases the market value of the property and the value of which is not included in the appraised value of the property for the preceding tax year. The term does not include repairs to or ordinary maintenance of an existing structure or the grounds or another feature of the property.

(f) Notwithstanding Subsections (a) and (e) and except as provided by Subdivision (2), an improvement to property that would otherwise constitute a new improvement is not treated as a new improvement if the improvement is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property under Subsection (a) in the tax year in which the structure would have constituted a new improvement:

- (1) the appraised value the property would have had in the preceding tax year if the casualty or damage had not occurred is considered to be the appraised value of the property for that year, regardless of whether that appraised value exceeds the actual appraised value of the property for that year as limited by Subsection (a); and
- (2) the replacement structure is considered to be a new improvement only if:

(A) the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred; or

(B) the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure.

(g) In this subsection, “disaster recovery program” means the disaster recovery program administered by the General Land Office or by a political subdivision of this state that is funded with community development block grant disaster recovery money authorized by federal law. Notwithstanding Subsection (f)(2), and only to the extent necessary to satisfy the requirements of the disaster recovery program, a replacement structure described by that subdivision is not considered to be a new improvement if to satisfy the requirements of the disaster recovery program it was necessary that:

(1) the square footage of the replacement structure exceed that of the replaced structure as that structure existed before the casualty or damage occurred; or

(2) the exterior of the replacement structure be of higher quality construction and composition than that of the replaced structure.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 47, effective January 1, 1998; am. Acts 2003, 78th Leg., ch. 1173 (S.B. 340), § 9, effective January 1, 2004; am. Acts 2007, 80th Leg., ch. 1355 (H.B. 438), § 1, effective January 1, 2008; am. Acts 2009, 81st Leg., ch. 359 (H.B. 1257), § 1(d), effective June 19, 2009; am. Acts 2009, 81st Leg., ch. 1417 (H.B. 770), § 8, effective January 1, 2010; am. Acts 2013, 83rd Leg., ch. 1259 (H.B. 585), § 15, effective January 1, 2014; am. Acts 2019, 86th Leg., ch. 24 (S.B. 812), § 1, effective May 7, 2019; am. Acts 2021, 87th Leg., 2nd C.S., ch. 12 (S.B. 8), § 3, effective January 1, 2022.

### **Sec. 23.24. Furniture, Fixtures, and Equipment.**

(a) If real property is appraised by a method that takes into account the value of furniture, fixtures, and equipment in or on the real property, the furniture, fixtures, and equipment shall not be subject to additional appraisal or taxation as personal property.

(b) In determining the market value of the real property appraised on the basis of rental income, the chief appraiser may not separately appraise or take into account any personal property valued as a portion of the income of the real property, and the market value of the real property must include the combined value of the real property and the personal property.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 479 (S.B. 1464), § 1, effective September 1, 1999; am. Acts 2009, 81st Leg., ch. 1211 (S.B. 771), § 2, effective January 1, 2010.

### **Sec. 23.25. Appraisal of Land Used for Single-Family Residential Purposes That Is Contiguous to Agricultural or Open-Space Land with Common Ownership.**

(a) This section applies only to the appraisal of a parcel of land that:

(1) is used for single-family residential purposes; and

(2) is contiguous to a parcel of land that is:

(A) appraised under Subchapter C or D; and

(B) owned by:

(i) the same person;

(ii) the person’s spouse;

(iii) an individual related within the first degree of consanguinity to the person; or

(iv) a legal entity that is affiliated with the person.

(b) In appraising the parcel of land, the chief appraiser shall:

(1) determine the price for which the parcel of land being appraised and the contiguous parcel of land described by Subsection (a)(2) would sell if both parcels were sold as a single combined parcel of land; and

(2) attribute a portion of the amount determined under Subdivision (1) to the parcel of land being appraised based on the proportion that the size of the parcel of land being appraised bears to the size of the single combined parcel of land described by Subdivision (1).

(c) If the chief appraiser uses the market data comparison method of appraisal to appraise the parcel of land, the chief appraiser may not use comparable sales data pertaining to the sale of land located in the corporate limits of a municipality.

**HISTORY:** Enacted by Acts 2007, 80th Leg., ch. 1112 (H.B. 3630), § 1, effective January 1, 2008.

### **Sec. 23.26. Solar Energy Property.**

(a) In this section, “solar energy property” means a “solar energy device” as defined by Section 11.27(c)(1) that is used for a commercial purpose, including a commercial storage device, power conditioning equipment, transfer equipment, and necessary parts for the device and equipment.

(b) This section applies only to solar energy property that is constructed or installed on or after January 1, 2014.

(c) The chief appraiser shall use the cost method of appraisal to determine the market value of solar energy property.

(d) To determine the market value of solar energy property using the cost method of appraisal, the chief appraiser shall:

- (1) use cost data obtained from generally accepted sources;
- (2) make any appropriate adjustment for physical, functional, or economic obsolescence and any other justifiable factor; and
- (3) calculate the depreciated value of the property by using a useful life that does not exceed 10 years.

(e) The chief appraiser may not in any tax year determine the depreciated value under Subsection (d)(3) to be less than 20 percent of the value computed after making appropriate adjustments under Subsection (d)(2) to the value determined under Subsection (d)(1).

**HISTORY:** Enacted by Acts 2013, 83rd Leg., ch. 687 (H.B. 2500), § 1, effective January 1, 2014.

**Secs. 23.27 to 23.40. [Reserved for expansion].**

### *Subchapter C*

#### *Land Designated for Agricultural Use*

**Sec. 23.41. Appraisal.**

(a) Land designated for agricultural use is appraised at its value based on the land's capacity to produce agricultural products. The value of land based on its capacity to produce agricultural products is determined by capitalizing the average net income the land would have yielded under prudent management from production of agricultural products during the five years preceding the current year. However, if the value of land as determined by capitalization of average net income exceeds the market value of the land as determined by other generally accepted appraisal methods, the land shall be appraised by application of the other appraisal methods.

(b) The comptroller shall promulgate rules specifying the methods to apply and the procedures to use in appraising land designated for agricultural use.

(c), (d) [Repealed by Acts 1999, 76th Leg., ch. 574 (S.B. 521), § 2(2), effective June 18, 1999.]

(e) Improvements other than appurtenances to the land, the mineral estate, and all land used for residential purposes and for processing harvested agricultural products are appraised separately at market value. Riparian water rights, private roads, dams, reservoirs, water wells, and canals, ditches, terraces, and similar reshaping of or additions to the soil for agricultural purposes are appurtenances to the land, and the effect of each on the value of the land for agricultural use shall be considered in appraising the land. However, the comptroller shall provide that in calculating average net income from land a deduction from income be allowed for an appurtenance subject to depreciation or depletion.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 60, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 21, effective September 1, 1991; am. Acts 1999, 76th Leg., ch. 574 (S.B. 521), § 2(2), effective June 18, 1999.

**Sec. 23.42. Eligibility.**

(a) An individual is entitled to have land he owns designated for agricultural use if, on January 1:

- (1) the land has been devoted exclusively to or developed continuously for agriculture for the three years preceding the current year;
- (2) the individual is using and intends to use the land for agriculture as an occupation or a business venture for profit during the current year; and
- (3) agriculture is the individual's primary occupation and primary source of income.

(a-1) [Repealed.]

(b) Use of land for nonagricultural purposes does not deprive an owner of his right to an agricultural designation if the nonagricultural use is secondary to and compatible with the agricultural use of the land.

(c) Agriculture is an individual's primary occupation and primary source of income if as of January 1 he devotes a greater portion of his time to and derives a greater portion of his gross income from agriculture than any other occupation. The time an individual devotes to each occupation and the gross income he derives from each is determined by averaging the time he devoted to each and the gross income he derived from each for any number of consecutive years not exceeding five years immediately preceding January 1 of the current year, that he has engaged in agriculture as an occupation. However, if he has not been engaged in agriculture as an occupation for the entire year preceding January 1, the time he has devoted to and the income he has derived from each occupation since the date he began engaging in agriculture as an occupation determine whether agriculture is his primary occupation and primary source of income.

(d) For purposes of this section:

(1) "Agriculture" means the use of land to produce plant or animal products, including fish or poultry products, under natural conditions but does not include the processing of plant or animal products after harvesting or the production of timber or forest products.

(2) "Occupation" includes employment and a business venture that requires continual supervision or management.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 2007, 80th Leg., ch. 1112 (H.B. 3630), § 2, effective January 1, 2008; am. Acts 2019, 86th Leg., ch. 12 (H.B. 1254), §§ 1, 2, effective January 1, 2020.

**Sec. 23.425. Eligibility of Land Used for Growing Florist Items in Certain Counties.**

(a) This section applies only to land:

- (1) that is located in a county with a population of 35,000 or less; and
- (2) on which a greenhouse for growing florist items solely for wholesale purposes is located.

(b) A person who owns land described by Subsection (a) is entitled to have the land designated for agricultural use under this subchapter if the land otherwise qualifies for the designation under Section 23.42 and the person who owns the land is not using it in conjunction with or contiguous to land being used to conduct retail sales of florist items. For purposes of Section 23.41, a greenhouse described by Subsection (a)(2) is an appurtenance to the land.

(c) In this section:

(1) "Florist item" has the meaning assigned by Section 71.041, Agriculture Code.

(2) "Greenhouse" means a building or permanent structure that is enclosed with a nonporous covering and is designed or constructed for growing plants in a protected or climate-controlled environment.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 365 (S.B. 1272), § 1, effective January 1, 2002.

**Sec. 23.426. Temporary Cessation of Agricultural Use Due to Quarantine for Ticks.**

(a) The entitlement of an individual to have land the individual owns designated for agricultural use under this subchapter does not end because the individual ceases exclusively or continuously using the land for agriculture as an occupation or a business venture for profit for the period prescribed by Subsection (b) if the land:

- (1) is subject to a temporary quarantine established at any time during the tax year by the Texas Animal Health Commission for the purpose of regulating the handling of livestock and eradicating ticks or exposure to ticks under Chapter 167, Agriculture Code; and
- (2) otherwise continues to qualify for the designation under Section 23.42.

(b) Subsection (a) applies to land eligible for appraisal under this subchapter only during the period that begins on the date the land is designated as a tick eradication area and that ends on the date the land is released from quarantine by the Texas Animal Health Commission.

(c) The owner of land to which this section applies must, not later than the 30th day after the date the land is designated as a tick eradication area, notify in writing the chief appraiser for each appraisal district in which the land is located that the land is located in a tick eradication area.

(d) The owner of land to which this section applies must, not later than the 30th day after the date the land is released from quarantine by the Texas Animal Health Commission, notify in writing the chief appraiser for each appraisal district in which the land is located that the land has been released from quarantine by the Texas Animal Health Commission.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 101 (H.B. 3348), § 1, effective May 21, 2019.

**Sec. 23.43. Application.**

(a) An individual claiming the right to have his land designated for agricultural use must apply for the designation each year he claims it. Application for the designation is made by filing a sworn application form with the chief appraiser for the appraisal district in which the land is located.

(b) A claimant must deliver a completed application form to the chief appraiser before May 1 and must furnish the information required by the form. For good cause shown the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days.

(c) If a claimant fails to timely file a completed application form in a given year, he may not receive the agricultural designation for that year.

(d) The comptroller in prescribing the contents of the application forms shall ensure that each form requires a claimant to furnish the information necessary to determine the validity of the claim. The comptroller shall require that the form permit a claimant who has previously been allowed an agricultural designation to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported. The form must include a space for the claimant to state the claimant's date of birth. Failure to provide the date of birth does not affect a claimant's right to an agricultural designation under this subchapter.

(e) Before February 1 the chief appraiser shall deliver an application form to each individual whose land was designated for agricultural use during the preceding year. He shall include with the application a brief explanation of the requirements for obtaining agricultural designation.

(f) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), §§ 61, 62, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 22, effective September 1, 1991; am. Acts 2015, 84th Leg., ch. 352 (H.B. 1464), § 2, effective September 1, 2015.

**Sec. 23.431. Late Application for Agricultural Designation.**

(a) The chief appraiser shall accept and approve or deny an application for an agricultural designation after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If an application for agricultural designation is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed without the agricultural designation.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person's liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit to which an agricultural designation allowed after a late application applies shall add the amount of the penalty to the owner's tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 63, effective January 1, 1982.

**Sec. 23.44. Action on Application.**

(a) The chief appraiser shall determine individually each claimant's right to the agricultural designation. After considering the application and all relevant information, the chief appraiser shall, as soon as practicable but not later than the 90th day after the later of the date the claimant is first eligible for the agricultural designation or the date the claimant provides to the chief appraiser the information necessary for the chief appraiser to determine the claimant's right to the agricultural designation, as the law and facts warrant:

- (1) approve the application and designate the land for agricultural use;
- (2) disapprove the application and request additional information from the claimant in support of the claim; or
- (3) deny the application.

(b) If the chief appraiser requires additional information from a claimant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a written notice to the claimant specifying the additional information the claimant must provide to the chief appraiser before the chief appraiser can determine the applicant's right to the agricultural designation. The claimant must furnish the information not later than the 30th day after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing additional information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for agricultural designation filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, the chief appraiser shall deliver a written notice of the denial to the claimant not later than the fifth day after the date of denial. The notice must state and fully explain each reason the chief appraiser denied the application. The notice must include a brief explanation of the procedures for protesting the denial.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 64, effective January 1, 1982; am. Acts 2021, 87th Leg., ch. 533 (S.B. 63), § 8, effective September 1, 2021.

**Sec. 23.45. Application Confidential.**

(a) An application for agricultural designation filed with a chief appraiser is confidential and not open to public inspection. The application and the information it contains about specific property or a specific owner may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

(b) Information made confidential by this section may be disclosed:

- (1) in a judicial or administrative proceeding pursuant to a lawful subpoena;
- (2) to the person who filed the application or to his representative authorized in writing to receive the information;
- (3) to the comptroller and his employees authorized by him in writing to receive the information or to an assessor or a chief appraiser if requested in writing;
- (4) in a judicial or administrative proceeding relating to property taxation to which the person who filed the application is a party;
- (5) for statistical purposes if in a form that does not identify specific property or a specific property owner; or
- (6) if and to the extent the information is required to be included in a public document or record that the appraisal office is required to prepare or maintain.

(c) A person who legally has access to an application for agricultural designation or who legally obtains the confidential information the application contains commits a Class B misdemeanor if he knowingly:

- (1) permits inspection of the application by a person not authorized to inspect it by Subsection (b) of this section;
- or

(2) discloses confidential information contained in the report to a person not authorized to receive the information by Subsection (b) of this section.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 65, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 23, effective September 1, 1991.

### Sec. 23.46. Additional Taxation.

(a) When appraising land designated for agricultural use, the chief appraiser also shall appraise the land at its market value and shall record both the market value and the value based on its capacity to produce agricultural products in the appraisal records.

(b) Property taxes imposed on land designated for agricultural use are based on the land's agricultural use value determined as provided by Section 23.41 of this code after the appropriate assessment ratio has been applied to that value. When an assessor calculates the amount of tax due on the land, however, he shall also calculate the amount of tax that would have been imposed had the land not been designated for agricultural use. The difference in the amount of tax imposed and the amount that would have been imposed is the amount of additional tax for that year, and the assessor shall enter that amount in his tax records relating to the property.

(c) If land that has been designated for agricultural use in any year is sold or diverted to a nonagricultural use, the total amount of additional taxes for the three years preceding the year in which the land is sold or diverted plus interest at the rate provided for delinquent taxes becomes due. Subject to Subsection (f), a determination that the land has been diverted to a nonagricultural use is made by the chief appraiser. For purposes of this subsection, the chief appraiser may not consider any period during which land is owned by the state in determining whether the land has been diverted to a nonagricultural use. The chief appraiser shall deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes plus interest as soon as practicable after the change of use occurs. If the additional taxes are due because of a sale of the land, the assessor for each taxing unit shall prepare and deliver the bill as soon as practicable after the sale occurs. The taxes and interest are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

(d) A tax lien attaches to the land on the date the sale or change of use occurs to secure payment of the additional tax and interest imposed by Subsection (c) of this section and any penalties incurred. The lien exists in favor of all taxing units for which the additional tax is imposed.

(e) Land is not diverted to nonagricultural use for purposes of Subsection (c) of this section solely because the owner of the land claims it as part of his residence homestead for purposes of Section 11.13 of this code.

(e-1) A portion of a parcel of land is not diverted to nonagricultural use for purposes of Subsection (c) because the portion is subject to a right-of-way that is less than 200 feet wide and that was taken by condemnation if the remainder of the parcel of land qualifies for appraisal under this subchapter.

(f) If land designated for agricultural use under this subchapter is owned by an individual 65 years of age or older, before making a determination that the land has been diverted to a nonagricultural use, the chief appraiser shall deliver a written notice to the owner stating that the chief appraiser believes the land may have been diverted to a nonagricultural use. The notice must include a form on which the owner may indicate that the owner remains entitled to have the land designated for agricultural use and a self-addressed postage prepaid envelope with instructions for returning the form to the chief appraiser. The chief appraiser shall consider the owner's response on the form in determining whether the land has been diverted to a nonagricultural use. If the chief appraiser does not receive a response on or before the 60th day after the date the notice is mailed, the chief appraiser must make a reasonable effort to locate the owner and determine whether the owner remains entitled to have the land designated for agricultural use before determining that the land has been diverted to a nonagricultural use. For purposes of this subsection, sending an additional notice to the owner immediately after the expiration of the 60-day period by first class mail in an envelope on which is written, in all capital letters, "RETURN SERVICE REQUESTED," or another appropriate statement directing the United States Postal Service to return the notice if it is not deliverable as addressed, or providing the additional notice in another manner that the chief appraiser determines is appropriate, constitutes a reasonable effort on the part of the chief appraiser.

(g) If the additional taxes are due because the land has been diverted to a nonagricultural use as a result of a condemnation, the additional taxes and interest imposed by this section are the personal obligation of the condemning entity and not the property owner from whom the property was taken.

### Sec. 23.47. Loan Secured by Lien on Agricultural-Use Land.

(a) A lender may not require as a condition to granting or amending the terms of a loan secured by a lien in favor of

the lender on land appraised according to this subchapter that the borrower waive the right to the appraisal or agree not to apply for or receive the appraisal.

(b) A provision in an instrument pertaining to a loan secured by a lien in favor of the lender on land appraised according to this subchapter is void to the extent that the provision attempts to require the borrower to waive the right to the appraisal or to prohibit the borrower from applying for or receiving the appraisal.

(c) A provision in an instrument pertaining to a loan secured by a lien in favor of the lender on land appraised according to this subchapter that requires the borrower to make a payment to protect the lender from loss because of the imposition of additional taxes and interest under Section 23.46 is void unless the provision:

(1) requires the borrower to pay into an escrow account established by the lender an amount equal to the additional taxes and interest that would be due under Section 23.46 if a sale or change of use occurred on January 1 of the year in which the loan is granted or amended;

(2) requires the escrow account to bear interest to be credited to the account monthly;

(3) permits the lender to apply money in the escrow account to the payment of a bill for additional taxes and interest under Section 23.46 before the loan is paid and requires the lender to refund the balance remaining in the escrow account after the bill is paid to the borrower; and

(4) requires the lender to refund the money in the escrow account to the borrower on the payment of the loan.

(d) On the request of the borrower or the borrower's representative, the assessor for each taxing unit shall compute the additional taxes and interest that would be due that taxing unit under Section 23.46 if a sale or change of use occurred on January 1 of the year in which the loan is granted or amended. The assessor may charge a reasonable fee not to exceed the actual cost of making the computation.

(e) In this section, "lender" means a lending institution, including a bank, trust company, banking association, savings and loan association, mortgage company, investment bank, credit union, life insurance company, or governmental agency that customarily provides financing or an affiliate of any of those entities. The term does not include an agency of the United States.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 82 (H.B. 947), § 1, effective May 11, 1995.

#### **Sec. 23.48. Reappraisal of Land Subject to Temporary Quarantine for Ticks.**

(a) An owner of land designated for agricultural use on which the Texas Animal Health Commission has established a temporary quarantine of at least 90 days in length in the current tax year for the purpose of regulating the handling of livestock and eradicating ticks or exposure to ticks at any time during a tax year is entitled to a reappraisal of the owner's land for that year on written request delivered to the chief appraiser.

(b) As soon as practicable after receiving a request for reappraisal, the chief appraiser shall complete the reappraisal. In determining the appraised value of the land under Section 23.41, the effect on the value of the land caused by the infestation of ticks is an additional factor that must be taken into account. The appraised value of land reappraised under this section may not exceed the lesser of:

(1) the market value of the land as determined by other appraisal methods; or

(2) one-half of the original appraised value of the land for the current tax year.

(c) A property owner may not be required to pay the appraisal district for the costs of making the reappraisal. Each taxing unit that participates in the appraisal district and imposes taxes on the land shall share the costs of the reappraisal in the proportion the total dollar amount of taxes imposed by that taxing unit on that land in the preceding year bears to the total dollar amount of taxes all taxing units participating in the appraisal district imposed on the land in the preceding year.

(d) If land is reappraised as provided by this section, the governing body of each taxing unit that participates in the appraisal district and imposes taxes on the land shall provide for prorating the taxes on the land for the tax year in which the reappraisal is conducted. If the taxes are prorated, taxes due on the land are determined as follows: the taxes on the land based on its value on January 1 of that year are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days in that year before the date the reappraisal was conducted; the taxes on the land based on its reappraised value are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days, including the date the reappraisal was conducted, remaining in the year; and the total of the two amounts is the amount of taxes imposed on the land for that year. Notwithstanding Section 26.15, the assessor for each applicable taxing unit shall enter the reappraised value on the appropriate tax roll together with the original appraised value and the calculation of the taxes imposed on the land under this section. If for any tax year the reappraisal results in a decrease in the tax liability of the landowner, the assessor for the taxing unit shall prepare and mail a new tax bill in the manner provided by Chapter 31. If the owner has paid the tax, each taxing unit that imposed taxes on the land in that year shall promptly refund the difference between the tax paid and the tax due on the lower appraised value.

(e) In appraising the land for any subsequent tax year in which the Texas Animal Health Commission quarantine remains in place, the chief appraiser shall continue to take into account the effect on the value of the land caused by the infestation of ticks.

(f) If the owner of the land is informed by the Texas Animal Health Commission that the quarantine is no longer in place, not later than the 30th day after the date on which the owner received that information the owner of the land

shall so notify the chief appraiser in writing. If the owner fails to notify the chief appraiser as required by this subsection, a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this section and the taxes that would otherwise have been imposed.

(g) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this section shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 2007, 80th Leg., ch. 1011 (H.B. 967), § 2, effective June 15, 2007.

**Secs. 23.49 to 23.50. [Reserved for expansion].**

#### *Subchapter D*

#### *Appraisal of Agricultural Land*

#### **Sec. 23.51. Definitions.**

In this subchapter:

(1) "Qualified open-space land" means land that is currently devoted principally to agricultural use to the degree of intensity generally accepted in the area and that has been devoted principally to agricultural use or to production of timber or forest products for five of the preceding seven years or land that is used principally as an ecological laboratory by a public or private college or university and that has been used principally in that manner by a college or university for five of the preceding seven years. Qualified open-space land includes all appurtenances to the land. For the purposes of this subdivision, appurtenances to the land means private roads, dams, reservoirs, water wells, canals, ditches, terraces, and other reshaping of the soil, fences, and riparian water rights. Notwithstanding the other provisions of this subdivision, land that is currently devoted principally to wildlife management as defined by Subdivision (7)(B) or (C) to the degree of intensity generally accepted in the area qualifies for appraisal as qualified open-space land under this subchapter regardless of the manner in which the land was used in any preceding year.

(2) "Agricultural use" includes but is not limited to the following activities: cultivating the soil, producing crops for human food, animal feed, or planting seed or for the production of fibers; floriculture, viticulture, and horticulture; raising or keeping livestock; raising or keeping exotic animals for the production of human food or of fiber, leather, pelts, or other tangible products having a commercial value; planting cover crops or leaving land idle for the purpose of participating in a governmental program, provided the land is not used for residential purposes or a purpose inconsistent with agricultural use; and planting cover crops or leaving land idle in conjunction with normal crop or livestock rotation procedure. The term also includes the use of land to produce or harvest logs and posts for the use in constructing or repairing fences, pens, barns, or other agricultural improvements on adjacent qualified open-space land having the same owner and devoted to a different agricultural use. The term also includes the use of land for wildlife management. The term also includes the use of land to raise or keep bees for pollination or for the production of human food or other tangible products having a commercial value, provided that the land used is not less than 5 or more than 20 acres.

(3) "Category" means the value classification of land considering the agricultural use to which the land is principally devoted. The chief appraiser shall determine the categories into which land in the appraisal district is classified. In classifying land according to categories, the chief appraiser shall distinguish between irrigated cropland, dry cropland, improved pasture, native pasture, orchard, and waste. The chief appraiser may establish additional categories. The chief appraiser shall further divide each category according to soil type, soil capability, irrigation, general topography, geographical factors, and other factors that influence the productive capacity of the category. The chief appraiser shall obtain information from the Texas Agricultural Extension Service, the Natural Resources Conservation Service of the United States Department of Agriculture, and other recognized agricultural sources for the purposes of determining the categories of land existing in the appraisal district.

(4) "Net to land" means the average annual net income derived from the use of open-space land that would have been earned from the land during the five-year period preceding the year before the appraisal by an owner using ordinary prudence in the management of the land and the farm crops or livestock produced or supported on the land and, in addition, any income received from hunting or recreational leases. The chief appraiser shall calculate net to land by considering the income that would be due to the owner of the land under cash lease, share lease, or whatever lease arrangement is typical in that area for that category of land, and all expenses directly attributable to the agricultural use of the land by the owner shall be subtracted from this owner income and the results shall be used in income capitalization. In calculating net to land, a reasonable deduction shall be made for any depletion that occurs of underground water used in the agricultural operation. For land that qualifies under Subdivision (7) for appraisal

under this subchapter, the chief appraiser may not consider in the calculation of net to land the income that would be due to the owner under a hunting or recreational lease of the land.

(5) "Income capitalization" means the process of dividing net to land by the capitalization rate to determine the appraised value.

(6) "Exotic animal" means a species of game not indigenous to this state, including axis deer, nilga antelope, red sheep, other cloven-hoofed ruminant mammals, or exotic fowl as defined by Section 142.001, Agriculture Code.

(7) "Wildlife management" means:

(A) actively using land that at the time the wildlife-management use began was appraised as qualified open-space land under this subchapter or as qualified timber land under Subchapter E in at least three of the following ways to propagate a sustaining breeding, migrating, or wintering population of indigenous wild animals for human use, including food, medicine, or recreation:

- (i) habitat control;
- (ii) erosion control;
- (iii) predator control;
- (iv) providing supplemental supplies of water;
- (v) providing supplemental supplies of food;
- (vi) providing shelters; and
- (vii) making of census counts to determine population;

(B) actively using land to protect federally listed endangered species under a federal permit if the land is:

(i) included in a habitat preserve and is subject to a conservation easement created under Chapter 183, Natural Resources Code; or

(ii) part of a conservation development under a federally approved habitat conservation plan that restricts the use of the land to protect federally listed endangered species; or

(C) actively using land for a conservation or restoration project to provide compensation for natural resource damages pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. Section 9601 et seq.), the Oil Pollution Act of 1990 (33 U.S.C. Section 2701 et seq.), the Federal Water Pollution Control Act (33 U.S.C. Section 1251 et seq.), or Chapter 40, Natural Resources Code.

(8) "Endangered species," "federal permit," and "habitat preserve" have the meanings assigned by Section 83.011, Parks and Wildlife Code.

### Sec. 23.52. Appraisal of Qualified Agricultural Land.

(a) The appraised value of qualified open-space land is determined on the basis of the category of the land, using accepted income capitalization methods applied to average net to land. The appraised value so determined may not exceed the market value as determined by other appraisal methods.

(b) The chief appraiser shall determine the appraised value according to this subchapter and, when requested by a landowner, the appraised value according to Subchapter C of this chapter of each category of open-space land owned by that landowner and shall make each value and the market value according to the preceding year's appraisal roll available to a person seeking to apply for appraisal as provided by this subchapter or as provided by Subchapter C of this chapter.

(c) The chief appraiser may not change the appraised value of a parcel of open-space land unless the owner has applied for and the land has qualified for appraisal as provided by this subchapter or by Subchapter C of this chapter or unless the change is made as a result of a reappraisal.

(d) The comptroller by rule shall develop and distribute to each appraisal office appraisal manuals setting forth this method of appraising qualified open-space land, and each appraisal office shall use the appraisal manuals in appraising qualified open-space land. The comptroller by rule shall develop and the appraisal office shall enforce procedures to verify that land meets the conditions contained in Subdivision (1) of Section 23.51. The rules, before taking effect, must be approved by the comptroller with the review and counsel of the Department of Agriculture.

(e) For the purposes of Section 23.55 of this code, the chief appraiser also shall determine the market value of qualified open-space land and shall record both the market value and the appraised value in the appraisal records.

(f) The appraisal of minerals or subsurface rights to minerals is not within the provisions of this subchapter.

(g) The category of land that qualifies under Section 23.51(7) is the category of the land under this subchapter or Subchapter E, as applicable, before the wildlife-management use began.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 68, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 24, effective September 1, 1991; am. Acts 1995, 74th Leg., ch. 911 (H.B. 1358), § 2, effective January 1, 1996; am. Acts 2001, 77th Leg., ch. 1172 (H.B. 3123), § 2, effective September 1, 2001; am. Acts 2009, 81st Leg., ch. 495 (S.B. 801), § 2, effective January 1, 2010; am. Acts 2017, 85th Leg., ch. 533 (S.B. 526), § 10(b), effective September 1, 2017; am. Acts 2017, 85th Leg., ch. 23 (S.B. 594), § 1, effective January 1, 2018.

#### **Sec. 23.521. Standards for Qualification of Land for Appraisal Based on Wildlife Management Use.**

(a) The Parks and Wildlife Department, with the assistance of the comptroller, shall develop standards for determining whether land qualifies under Section 23.51(7) for appraisal under this subchapter. The comptroller by rule shall adopt the standards developed by the Parks and Wildlife Department and distribute those rules to each appraisal district. On request of the Parks and Wildlife Department, the Texas Agricultural Extension Service shall assist the department in developing the standards.

(b) The standards adopted under Subsection (a) may require that a tract of land be a specified minimum size to qualify under Section 23.51(7)(A) for appraisal under this subchapter, taking into consideration one or more of the following factors:

- (1) the activities listed in Section 23.51(7)(A);
- (2) the type of indigenous wild animal population the land is being used to propagate;
- (3) the region in this state in which the land is located; and
- (4) any other factor the Parks and Wildlife Department determines is relevant.

(c) The standards adopted under Subsection (a) may include specifications for a written management plan to be developed by a landowner if the landowner receives a request for a written management plan from a chief appraiser as part of a request for additional information under Section 23.57.

(d) In determining whether land qualifies under Section 23.51(7) for appraisal under this subchapter, the chief appraiser and the appraisal review board shall apply the standards adopted under Subsection (a) and, to the extent they do not conflict with those standards, the appraisal manuals developed and distributed under Section 23.52(d).

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1172 (H.B. 3123), § 1, effective September 1, 2001; am. Acts 2007, 80th Leg., ch. 454 (H.B. 604), § 2, effective January 1, 2008.

#### **Sec. 23.522. Temporary Cessation of Agricultural Use During Drought.**

The eligibility of land for appraisal under this subchapter does not end because the land ceases to be devoted principally to agricultural use to the degree of intensity generally accepted in the area if:

- (1) a drought declared by the governor creates an agricultural necessity to extend the normal time the land remains out of agricultural production; and
- (2) the owner of the land intends that the use of the land in that manner and to that degree of intensity be resumed when the declared drought ceases.

**HISTORY:** Enacted by Acts 2009, 81st Leg., ch. 1211 (S.B. 771), § 3, effective January 1, 2010.

#### **Sec. 23.523. Temporary Cessation of Agricultural Use When Property Owner Deployed or Stationed Outside State As Member of Armed Services.**

(a) The eligibility of land for appraisal under this subchapter does not end because the land ceases to be devoted principally to agricultural use to the degree of intensity generally accepted in the area if the owner of the land:

- (1) is a member of the armed services of the United States who is deployed or stationed outside this state; and
- (2) intends that the use of the land in that manner and to that degree of intensity be resumed not later than the 180th day after the date the owner ceases to be deployed or stationed outside this state.

(b) The owner of land to which this section applies must notify the appraisal office in writing not later than the 30th day after the date the owner is deployed or stationed outside this state that the owner:

- (1) will be or has been deployed or stationed outside this state; and
- (2) intends to use the land in the manner, to the degree, and within the time described by Subsection (a)(2).

**HISTORY:** Enacted by Acts 2017, 85th Leg., ch. 83 (H.B. 777), § 1, effective May 23, 2017.

#### **Sec. 23.524. Temporary Cessation of Agricultural Use to Manage the Spread of Certain Pests.**

(a) In this section, “commissioner,” “corporation,” “infested,” “pest,” and “pest management zone” have the meanings assigned by Section 80.003, Agriculture Code.

(b) The eligibility of land for appraisal under this subchapter does not end because the land ceases to be devoted principally to agricultural use to the degree of intensity generally accepted in the area for the period prescribed by Subsection (c) if:

- (1) the land is:
  - (A) located in a pest management zone; and
  - (B) appraised under this subchapter primarily on the basis of the production of citrus in the tax year in which the agreement described by this subsection is executed;

(2) the owner of the land:

(A) has executed an agreement to destroy, remove, or treat all the citrus trees located on the land that are or could become infested with pests with:

- (i) the corporation;
- (ii) the commissioner; or
- (iii) the United States Department of Agriculture; and

(B) complies with the requirements of Subsection (d); and

(3) the cessation of use is caused by the destruction, removal, or treatment of the citrus trees located on the land under the terms of the agreement described by this subsection.

(c) Subsection (b) applies to land eligible for appraisal under this subchapter only during the period that begins on the date the agreement described by that subsection regarding the land is executed and that ends on the fifth anniversary of that date.

(d) The owner of land to which this section applies must, not later than the 30th day after the date the owner executes an agreement described by Subsection (b):

(1) notify in writing the chief appraiser for each appraisal district in which the land is located that:

(A) the agreement has been executed; and

(B) the owner intends to destroy, remove, or treat the citrus trees located on the land under the terms of the agreement; and

(2) submit a copy of the agreement to each chief appraiser with the notification.

(e) For the purposes of this subchapter, a change of use of the land subject to this section is considered to have occurred on the day the period prescribed by Subsection (c) begins if the owner has not fully complied with the terms of the agreement described by Subsection (b) on the date the agreement ends.

**HISTORY:** Enacted by Acts 2017, 85th Leg., ch. 44 (S.B. 1459), § 1, effective May 19, 2017.

#### **Sec. 23.525. Oil and Gas Operations on Land.**

The eligibility of land for appraisal under this subchapter does not end because a lessee under an oil and gas lease begins conducting oil and gas operations over which the Railroad Commission of Texas has jurisdiction on the land if the portion of the land on which oil and gas operations are not being conducted otherwise continues to qualify for appraisal under this subchapter.

**HISTORY:** Enacted by Acts 2017, 85th Leg., ch. 365 (H.B. 3198), § 1, effective September 1, 2017; renumbered from Tex. Tax Code § 23.524 by Acts 2019, 86th Leg., ch. 467 (H.B. 4170), § 21.001(43), effective September 1, 2019.

#### **Sec. 23.526. Temporary Cessation of Agricultural Use Due to Quarantine for Ticks.**

(a) The eligibility of land for appraisal under this subchapter does not end because the land ceases to be devoted principally to agricultural use to the degree of intensity generally accepted in the area for the period prescribed by Subsection (b) if the land:

(1) is subject to a temporary quarantine established at any time during the tax year by the Texas Animal Health Commission for the purpose of regulating the handling of livestock and eradicating ticks or exposure to ticks under Chapter 167, Agriculture Code;

(2) is appraised under this subchapter primarily on the basis of the livestock located in the area subject to quarantine in the tax year; and

(3) otherwise continues to qualify for appraisal under this subchapter.

(b) Subsection (a) applies to land eligible for appraisal under this subchapter only during the period that begins on the date the land is designated as a tick eradication area and that ends on the date the land is released from quarantine by the Texas Animal Health Commission.

(c) The owner of land to which this section applies must, not later than the 30th day after the date the land is designated as a tick eradication area, notify in writing the chief appraiser for each appraisal district in which the land is located that the land is located in a tick eradication area.

(d) The owner of land to which this section applies must, not later than the 30th day after the date the land is released from quarantine by the Texas Animal Health Commission, notify in writing the chief appraiser for each appraisal district in which the land is located that the land has been released from quarantine by the Texas Animal Health Commission.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 101 (H.B. 3348), § 2, effective May 21, 2019.

#### **Sec. 23.53. Capitalization Rate.**

The capitalization rate to be used in determining the appraised value of qualified open-space land as provided by this subchapter is 10 percent or the interest rate specified by the Farm Credit Bank of Texas or its successor on December 31 of the preceding year plus 2-½ percentage points, whichever percentage is greater.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1995, 74th Leg., ch. 579 (S.B. 642), § 4, effective January 1, 1996.

### Sec. 23.54. Application.

(a) A person claiming that his land is eligible for appraisal under this subchapter must file a valid application with the chief appraiser.

(b) To be valid, the application must:

- (1) be on a form provided by the appraisal office and prescribed by the comptroller; and
- (2) contain the information necessary to determine the validity of the claim.

(c) The comptroller shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The comptroller, in prescribing the contents of the application form, shall require that the form permit a claimant who has previously been allowed appraisal under this subchapter to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported. The form must include a space for the claimant to state the claimant's date of birth. Failure to provide the date of birth does not affect a claimant's eligibility to have the claimant's land appraised under this subchapter.

(d) The form must be filed before May 1. However, for good cause the chief appraiser may extend the filing deadline for not more than 60 days.

(e) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter in subsequent years without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, subject to Section 23.551, if the chief appraiser has good cause to believe that land is no longer eligible for appraisal under this subchapter, the chief appraiser may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible for appraisal under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(f) The appraisal office shall make a sufficient number of printed application forms readily available at no charge.

(g) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

(h) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends or after a change in the category of agricultural use. If a person fails to notify the appraisal office as required by this subsection a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this subchapter and the taxes that would otherwise have been imposed.

(i) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

(j) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the five preceding years because of failure of the person whose land was allowed appraisal under this subchapter to give notice that its eligibility has ended, he shall add the difference between the appraised value of the land under this subchapter and the market value of the land to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 69, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 25, effective September 1, 1991; am. Acts 1993, 73rd Leg., ch. 1031 (S.B. 893), § 14, effective September 1, 1993; am. Acts 2015, 84th Leg., ch. 352 (H.B. 1464), § 4, effective September 1, 2015.

### Sec. 23.541. Late Application for Appraisal As Agricultural Land.

(a) The chief appraiser shall accept and approve or deny an application for appraisal under this subchapter after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If appraisal under this subchapter is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed if the property were taxed at market value.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person's liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit that taxes land based on an appraisal under this subchapter after a late application shall add the amount of the penalty to the owner's tax bill, and the tax collector for the unit shall collect the

penalty at the time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 70, effective January 1, 1982.

### Sec. 23.55. Change of Use of Land.

(a) If the use of land that has been appraised as provided by this subchapter changes, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the three years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land been taxed on the basis of market value in each of those years. For purposes of this subsection, the chief appraiser may not consider any period during which land is owned by the state in determining whether a change in the use of the land has occurred.

(b) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax imposed by this section and any penalties and interest incurred if the tax becomes delinquent. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) The additional tax imposed by this section does not apply to a year for which the tax has already been imposed.

(d) If the change of use applies to only part of a parcel that has been appraised as provided by this subchapter, the additional tax applies only to that part of the parcel and equals the difference between the taxes imposed on that part of the parcel and the taxes that would have been imposed had that part been taxed on the basis of market value.

(e) Subject to Section 23.551, a determination that a change in use of the land has occurred is made by the chief appraiser. The chief appraiser shall deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes as soon as practicable. The taxes are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

(f) The sanctions provided by Subsection (a) do not apply if the change of use occurs as a result of:

(1) a sale for right-of-way;

(2) a condemnation;

(3) a transfer of the property to the state or a political subdivision of the state to be used for a public purpose; or

(4) a transfer of the property from the state, a political subdivision of the state, or a nonprofit corporation created by a municipality with a population of more than one million under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code) to an individual or a business entity for purposes of economic development if the comptroller determines that the economic development is likely to generate for deposit in the general revenue fund during the next two fiscal bienniums an amount of taxes and other revenues that equals or exceeds 20 times the amount of additional taxes that would have been imposed under Subsection (a) had the sanctions provided by that subsection applied to the transfer.

(g) If the use of the land changes to a use that qualifies under Subchapter E of this chapter, the sanctions provided by Subsection (a) of this section do not apply.

(h) Additional taxes, if any, for a year in which land was designated for agricultural use as provided by Subchapter C of this chapter (or Article VIII, Section 1-d, of the constitution) are determined as provided by that subchapter, and the additional taxes imposed by this section do not apply for that year.

(i) The use of land does not change for purposes of Subsection (a) of this section solely because the owner of the land claims it as part of his residence homestead for purposes of Section 11.13 of this code.

(j) The sanctions provided by Subsection (a) do not apply to a change in the use of land if:

(1) the land is located in an unincorporated area of a county with a population of less than 100,000;

(2) the land does not exceed five acres;

(3) the land is owned by a not-for-profit cemetery organization;

(4) the cemetery organization dedicates the land for a cemetery purpose;

(5) the cemetery organization has not dedicated more than five acres of land in the county for a cemetery purpose in the five years preceding the date the cemetery organization dedicates the land for a cemetery purpose; and

(6) the land is adjacent to a cemetery that has been in existence for more than 100 years.

(k) In Subsection (j), "cemetery," "cemetery organization," and "cemetery purpose" have the meanings assigned those terms by Section 711.001, Health and Safety Code.

(l) The sanctions provided by Subsection (a) of this section do not apply to land owned by an organization that qualifies as a religious organization under Section 11.20(c) of this code if the organization converts the land to a use for which the land is eligible for an exemption under Section 11.20 of this code within five years.

(m) For purposes of determining whether a transfer of land qualifies for the exemption from additional taxes provided by Subsection (f)(4), on an application of the entity transferring or proposing to transfer the land or of the individual or entity to which the land is transferred or proposed to be transferred, the comptroller shall determine the

amount of taxes and other revenues likely to be generated as a result of the economic development for deposit in the general revenue fund during the next two fiscal bienniums. If the comptroller determines that the amount of those revenues is likely to equal or exceed 20 times the amount of additional taxes that would be imposed under Subsection (a) if the sanctions provided by that subsection applied to the transfer, the comptroller shall issue a letter to the applicant stating the comptroller's determination and shall send a copy of the letter by regular mail to the chief appraiser.

(n) Within one year of the conclusion of the two fiscal bienniums for which the comptroller issued a letter as provided under Subsection (m), the board of directors of the appraisal district, by official board action, may direct the chief appraiser to request the comptroller to determine if the amount of revenues was equal to or exceeded 20 times the amount of taxes that would have been imposed under Subsection (a). The comptroller shall issue a finding as to whether the amount of revenue met the projected increases. The chief appraiser shall review the results of the comptroller's finding and shall make a determination as to whether sanctions under Subsection (a) should be imposed. If the chief appraiser determines that the sanctions provided by Subsection (a) shall be imposed, the sanctions shall be based on the date of the transfer of the property under Subsection (f)(4).

(o) The sanctions provided by Subsection (a) do not apply to land owned by an organization that qualifies as a charitable organization under Section 11.18(c), is organized exclusively to perform religious or charitable purposes, and engages in performing the charitable functions described by Section 11.18(d)(19), if the organization converts the land to a use for which the land is eligible for an exemption under Section 11.18(d)(19) within five years.

(p) The sanctions provided by Subsection (a) do not apply to real property transferred to an organization described by Section 11.181(a) if the organization converts the real property to a use for which the real property is eligible for an exemption under Section 11.181(a). This subsection does not apply to the sanctions provided by Subsection (a) in connection with a change in use described by this subsection that are due to a county or school district unless the governing body of the county or school district, as applicable, waives the sanctions in the manner required by law for official action by the body.

(q) The sanctions provided by Subsection (a) do not apply to land owned by an organization that qualifies as a school under Section 11.21(d) if the organization converts the land to a use for which the land is eligible for an exemption under Section 11.21 within five years.

### **Sec. 23.551. Additional Notice to Certain Landowners.**

(a) If land appraised as provided by this subchapter is owned by an individual 65 years of age or older, before making a determination that a change in use of the land has occurred, the chief appraiser shall deliver a written notice to the owner stating that the chief appraiser believes a change in use of the land may have occurred.

(b) The notice must include a form on which the owner may indicate that the land remains eligible to be appraised as provided by this subchapter and a self-addressed postage prepaid envelope with instructions for returning the form to the chief appraiser.

(c) The chief appraiser shall consider the owner's response on the form in determining whether the land remains eligible for appraisal under this subchapter.

(d) If the chief appraiser does not receive a response on or before the 60th day after the date the notice is mailed, the chief appraiser must make a reasonable effort to locate the owner and determine whether the land remains eligible to be appraised as provided by this subchapter before determining that a change in use of the land has occurred.

(e) For purposes of this section, sending an additional notice to the owner immediately after the expiration of the 60-day period prescribed by Subsection (d) by first class mail in an envelope on which is written, in all capital letters, "RETURN SERVICE REQUESTED," or another appropriate statement directing the United States Postal Service to return the notice if it is not deliverable as addressed, or providing the additional notice in another manner that the chief appraiser determines is appropriate, constitutes a reasonable effort on the part of the chief appraiser.

**HISTORY:** Enacted by Acts 2015, 84th Leg., ch. 352 (H.B. 1464), § 6, effective September 1, 2015.

### **Sec. 23.56. Land Ineligible for Appraisal As Open-Space Land.**

Land is not eligible for appraisal as provided by this subchapter if:

- (1) the land is located inside the corporate limits of an incorporated city or town, unless:

(A) the city or town is not providing the land with governmental and proprietary services substantially equivalent in standard and scope to those services it provides in other parts of the city or town with similar topography, land utilization, and population density;

(B) the land has been devoted principally to agricultural use continuously for the preceding five years; or

(C) the land:

(i) has been devoted principally to agricultural use or to production of timber or forest products continuously for the preceding five years; and

(ii) is used for wildlife management;

(2) the land is owned by an individual who is a nonresident alien or by a foreign government if that individual or government is required by federal law or by rule adopted pursuant to federal law to register his ownership or acquisition of that property; or

(3) the land is owned by a corporation, partnership, trust, or other legal entity if the entity is required by federal law or by rule adopted pursuant to federal law to register its ownership or acquisition of that land and a nonresident alien or a foreign government or any combination of nonresident aliens and foreign governments own a majority interest in the entity.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 2009, 81st Leg., ch. 495 (S.B. 801), § 3, effective January 1, 2010.

### **Sec. 23.57. Action on Applications.**

(a) The chief appraiser shall determine separately each applicant's right to have the applicant's land appraised under this subchapter. After considering the application and all relevant information, the chief appraiser shall, as soon as practicable but not later than the 90th day after the later of the date the applicant's land is first eligible for appraisal under this subchapter or the date the applicant provides to the chief appraiser the information necessary for the chief appraiser to determine the applicant's right to have the applicant's land appraised under this subchapter, as the law and facts warrant:

(1) approve the application and allow appraisal under this subchapter;

(2) disapprove the application and request additional information from the applicant in support of the claim; or

(3) deny the application.

(b) If the chief appraiser requires additional information from an applicant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a written notice to the applicant specifying the additional information the applicant must provide to the chief appraiser before the chief appraiser can determine the applicant's right to have the applicant's land appraised under this subchapter. The applicant must furnish the information not later than the 30th day after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, the chief appraiser shall deliver a written notice of the denial to the applicant not later than the fifth day after the date the chief appraiser makes the determination. The notice must state and fully explain each reason the chief appraiser denied the application. The notice must include a brief explanation of the procedures for protesting the denial.

### **Sec. 23.58. Loan Secured by Lien on Open-Space Land.**

(a) A lender may not require as a condition to granting or amending the terms of a loan secured by a lien in favor of the lender on land appraised according to this subchapter that the borrower waive the right to the appraisal or agree not to apply for or receive the appraisal.

(b) A provision in an instrument pertaining to a loan secured by a lien in favor of the lender on land appraised according to this subchapter is void to the extent that the provision attempts to require the borrower to waive the right to the appraisal or to prohibit the borrower from applying for or receiving the appraisal.

(c) A provision in an instrument pertaining to a loan secured by a lien in favor of the lender on land appraised according to this subchapter that requires the borrower to make a payment to protect the lender from loss because of the imposition of additional taxes under Section 23.55 is void unless the provision:

(1) requires the borrower to pay into an escrow account established by the lender an amount equal to the additional taxes that would be due under Section 23.55 if a change of use occurred on January 1 of the year in which the loan is granted or amended;

(2) requires the escrow account to bear interest to be credited to the account monthly;

(3) permits the lender to apply money in the escrow account to the payment of a bill for additional taxes under Section 23.55 before the loan is paid and requires the lender to refund the balance remaining in the escrow account after the bill is paid to the borrower; and

(4) requires the lender to refund the money in the escrow account to the borrower on the payment of the loan.

(d) On the request of the borrower or the borrower's representative, the assessor for each taxing unit shall compute the additional taxes that would be due that taxing unit under Section 23.55 if a change of use occurred on January 1 of the year in which the loan is granted or amended. The assessor may charge a reasonable fee not to exceed the actual cost of making the computation.

(e) In this section, "lender" has the meaning assigned by Section 23.47(e).

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 82 (H.B. 947), § 2, effective May 11, 1995; am. Acts 2021, 87th Leg., ch. 726 (H.B. 3833), § 3, effective June 15, 2021.

### **Sec. 23.59. Appraisal of Open-Space Land That Is Converted to Timber Production.**

(a) If land that has been appraised under this subchapter for at least five preceding years is converted to production of timber after September 1, 1997, the owner may elect to have the land continue to be appraised under this subchapter for 15 years after the date of the conversion, so long as the land qualifies for appraisal as timber land under Subchapter E. In that event, the land is deemed to be the same category of land under this subchapter as it was immediately before conversion to timber production.

(b) The election must be made by a new application filed as provided by Section 23.54 and remains in effect for 15 years or until a change in use of the land occurs.

(c) This section applies to the appraisal of land converted to timber production only until the end of the tax year in which the 15th anniversary of the date of the conversion occurs. In the 16th and subsequent years, the land shall be appraised as timber land as provided by Subchapter E, so long as it qualifies as timber land under Subchapter E.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 765 (H.B. 1723), § 1, effective September 1, 1997.

### **Sec. 23.60. Reappraisal of Land Subject to Temporary Quarantine for Ticks.**

(a) An owner of qualified open-space land, other than land used for wildlife management, on which the Texas Animal Health Commission has established a temporary quarantine of at least 90 days in length in the current tax year for the purpose of regulating the handling of livestock and eradicating ticks or exposure to ticks at any time during a tax year is entitled to a reappraisal of the owner's land for that year on written request delivered to the chief appraiser.

(b) As soon as practicable after receiving a request for reappraisal, the chief appraiser shall complete the reappraisal. In determining the appraised value of the land under Section 23.52, the effect on the value of the land caused by the infestation of ticks is an additional factor that must be taken into account. The appraised value of land reappraised under this section may not exceed the lesser of:

- (1) the market value of the land as determined by other appraisal methods; or
- (2) one-half of the original appraised value of the land for the current tax year.

(c) A property owner may not be required to pay the appraisal district for the costs of making the reappraisal. Each taxing unit that participates in the appraisal district and imposes taxes on the land shall share the costs of the reappraisal in the proportion the total dollar amount of taxes imposed by that taxing unit on that land in the preceding year bears to the total dollar amount of taxes all taxing units participating in the appraisal district imposed on that land in the preceding year.

(d) If land is reappraised as provided by this section, the governing body of each taxing unit that participates in the appraisal district and imposes taxes on the land shall provide for prorating the taxes on the land for the tax year in which the reappraisal is conducted. If the taxes are prorated, taxes due on the land are determined as follows: the taxes on the land based on its value on January 1 of that year are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days in that year before the date the reappraisal was conducted; the taxes on the land based on its reappraised value are multiplied by a fraction, the denominator of which is 365 and the numerator of which is the number of days, including the date the reappraisal was conducted, remaining in the year; and the total of the two amounts is the amount of taxes imposed on the land for that year. Notwithstanding Section 26.15, the assessor for each applicable taxing unit shall enter the reappraised value on the appropriate tax roll together with the original appraised value and the calculation of the taxes imposed on the land under this section. If for any tax year the reappraisal results in a decrease in the tax liability of the landowner, the assessor for the taxing unit shall prepare and mail a new tax bill in the manner provided by Chapter 31. If the owner has paid the tax, each taxing unit that imposed taxes on the land in that year shall promptly refund the difference between the tax paid and the tax due on the lower appraised value.

(e) In appraising the land for any subsequent tax year in which the Texas Animal Health Commission quarantine remains in place, the chief appraiser shall continue to take into account the effect on the value of the land caused by the infestation of ticks.

(f) If the owner of the land is informed by the Texas Animal Health Commission that the quarantine is no longer in place, not later than the 30th day after the date on which the owner received that information the owner of the land shall so notify the chief appraiser. If the owner fails to notify the chief appraiser as required by this subsection, a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this section and the taxes that would otherwise have been imposed.

(g) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this section shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 2007, 80th Leg., ch. 1011 (H.B. 967), § 3, effective June 15, 2007.

**Secs. 23.61 to 23.70. [Reserved for expansion].**

*Subchapter E*

*Appraisal of Timber Land*

**Sec. 23.71. Definitions.**

In this subchapter:

(1) "Category of the land" means the value classification of land for timber production, based on soil type, soil capability, general topography, weather, location, and other pertinent factors, as determined by competent governmental sources.

(2) "Net to land" means the average net income that would have been earned by a category of land over the preceding five years by a person using ordinary prudence in the management of the land and the timber produced on the land. The net income for each year is determined by multiplying the land's potential average annual growth, expressed in tons, by the stumpage value, expressed in price per ton, of large pine sawtimber, small pine sawtimber, pine pulpwood, hardwood sawtimber, hardwood pulpwood, and any other significant timber product, taking into consideration the three forest types and the four different soil types, as determined by using information for the East Texas timber-growing region as a whole from the U.S. Forest Service, the Natural Resources Conservation Service of the United States Department of Agriculture, the Texas Forest Service, and colleges and universities within this state, and by subtracting from the product reasonable management costs and other reasonable expenses directly attributable to the production of the timber that a prudent manager of the land and timber, seeking to maximize return, would incur in the management of the land and timber. Stumpage prices shall be determined by using information collected for all types of timber sales, including cutting contract and gatewood sales.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 2003, 78th Leg., ch. 968 (S.B. 1646), § 1, effective January 1, 2004.

**Sec. 23.72. Qualification for Productivity Appraisal.**

(a) Land qualifies for appraisal as provided by this subchapter if it is currently and actively devoted principally to production of timber or forest products to the degree of intensity generally accepted in the area with intent to produce income and has been devoted principally to production of timber or forest products or to agricultural use that would qualify the land for appraisal under Subchapter C or D for five of the preceding seven years.

(b) In determining whether land is currently and actively devoted principally to the production of timber or forest products to the degree of intensity generally accepted in an area, a chief appraiser may not consider the purpose for which a portion of a parcel of land is used if the portion is:

- (1) used for the production of timber or forest products, including a road, right-of-way, buffer area, or firebreak; or
- (2) subject to a right-of-way that was taken through the exercise of the power of eminent domain.

(c) For the purpose of the appraisal of land under this subchapter, a portion of a parcel of land described by Subsection (b) is considered land that qualifies for appraisal under this subchapter if the remainder of the parcel of land qualifies for appraisal under this subchapter.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1987, 70th Leg., ch. 780 (H.B. 1867), § 3, effective January 1, 1988; am. Acts 2019, 86th Leg., ch. 43 (H.B. 1409), § 1, effective September 1, 2019.

**Sec. 23.73. Appraisal of Qualified Timber Land.**

(a) The appraised value of qualified timber land is determined on the basis of the category of the land, using accepted income capitalization methods applied to average net to land. The appraised value so determined may not exceed the market value of the land as determined by other appraisal methods.

(b) The comptroller by rule shall develop and distribute to each appraisal office appraisal manuals setting forth this method of appraising qualified timber land, and each appraisal office shall use the appraisal manuals in appraising qualified timber land. The comptroller by rule shall develop and the appraisal office shall enforce procedures to verify that land meets the conditions contained in Section 23.72. The rules, before taking effect, must be approved by the comptroller with the review and counsel of the Texas A&M Forest Service.

(c) For the purposes of Section 23.76 of this code, the chief appraiser also shall determine the market value of qualified timber land and shall record both the market value and the appraised value in the appraisal records.

(d) The appraisal of minerals or subsurface rights to minerals is not within the provisions of this subchapter.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 73, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 26, effective September 1, 1991; am. Acts 2017, 85th Leg., ch. 533 (S.B. 526), § 10(c), effective September 1, 2017; am. Acts 2017, 85th Leg., ch. 23 (S.B. 594), § 2, effective January 1, 2018.

### Sec. 23.74. Capitalization Rate.

(a) The capitalization rate to be used in determining the appraised value of qualified timber land as provided by this subchapter is the greater of:

(1) the interest rate specified by the Farm Credit Bank of Texas or its successor on December 31 of the preceding year plus 2-½ percentage points; or

(2) the capitalization rate used in determining the appraised value of qualified timber land as provided by this subchapter for the preceding tax year.

(b) Notwithstanding Subsection (a):

(1) in the first tax year in which the capitalization rate determined under that subsection equals or exceeds 10 percent, the capitalization rate for that tax year is the rate determined under Subsection (a)(1); and

(2) for each tax year following the tax year described by Subdivision (1), the capitalization rate is the average of the rate determined under Subsection (a)(1) for the current tax year and the capitalization rate used for each of the four tax years preceding the current tax year other than a tax year preceding the tax year described by Subdivision (1).

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1995, 74th Leg., ch. 579 (S.B. 642), § 5, effective January 1, 1996; am. Acts 2003, 78th Leg., ch. 968 (S.B. 1646), § 2, effective January 1, 2004.

### Sec. 23.75. Application.

(a) A person claiming that his land is eligible for appraisal as provided by this subchapter must file a valid application with the chief appraiser.

(b) To be valid, the application must:

(1) be on a form provided by the appraisal office and prescribed by the comptroller; and

(2) contain the information necessary to determine the validity of the claim.

(c) The comptroller shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The comptroller, in prescribing the contents of the application form, shall require that the form permit a claimant who has previously been allowed appraisal under this subchapter to indicate that previously reported information has not changed and to supply only the eligibility information not previously reported.

(d) The form must be filed before May 1. However, for good cause the chief appraiser may extend the filing deadline for not more than 60 days.

(e) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter in subsequent years without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(f) The appraisal office shall make a sufficient number of printed application forms readily available at no charge.

(g) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

(h) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends. If a person fails to notify the appraisal office as required by this subsection a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this subchapter and the taxes that would otherwise have been imposed.

(i) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against

which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

(j) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the five preceding years because of failure of the person whose land was allowed appraisal under this subchapter to give notice that its eligibility had ended, the chief appraiser shall add the difference between the appraised value of the land under this subchapter and the market value of the land to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 74, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 27, effective September 1, 1991; am. Acts 1995, 74th Leg., ch. 579 (S.B. 642), § 6, effective January 1, 1996.

#### **Sec. 23.751. Late Application for Appraisal As Timber Land.**

(a) The chief appraiser shall accept and approve or deny an application for appraisal under this subchapter after the deadline for filing it has passed if it is filed before approval of the appraisal records by the appraisal review board.

(b) If appraisal under this subchapter is approved when the application is filed late, the owner is liable for a penalty of 10 percent of the difference between the amount of tax imposed on the property and the amount that would be imposed if the property were taxed at market value.

(c) The chief appraiser shall make an entry on the appraisal records indicating the person's liability for the penalty and shall deliver written notice of imposition of the penalty, explaining the reason for its imposition, to the person.

(d) The tax assessor for a taxing unit that taxes land based on an appraisal under this subchapter after a late application shall add the amount of the penalty to the owner's tax bill, and the tax collector for the unit shall collect the penalty at the time and in the manner he collects the tax. The amount of the penalty constitutes a lien against the property against which the penalty is imposed, as if it were a tax, and accrues penalty and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 75, effective January 1, 1982.

#### **Sec. 23.76. Change of Use of Land.**

(a) If the use of land that has been appraised as provided by this subchapter changes, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the three years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land been taxed on the basis of market value in each of those years.

(b) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax imposed by this section and any penalties and interest incurred if the tax becomes delinquent. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) The additional tax imposed by this section does not apply to a year for which the tax has already been imposed.

(d) If the change of use applies to only part of a parcel that has been appraised as provided by this subchapter, the additional tax applies only to that part of the parcel and equals the difference between the taxes imposed on that part of the parcel and the taxes that would have been imposed had that part been taxed on the basis of market value.

(e) A determination that a change in use of the land has occurred is made by the chief appraiser. The chief appraiser shall deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes as soon as practicable after the change of use occurs. The taxes are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

(f) The sanctions provided by Subsection (a) do not apply if the change of use occurs as a result of:

- (1) a sale for right-of-way;
- (2) a condemnation; or
- (3) a transfer of the land to this state or a political subdivision of this state to be used for a public purpose.

(g) If the use of the land changes to a use that qualifies under Subchapter C, D, or H of this chapter, the sanctions provided by Subsection (a) of this section do not apply.

(i) The sanctions provided by Subsection (a) do not apply to land owned by an organization that qualifies as a religious organization under Section 11.20(c) if the organization converts the land to a use for which the land is eligible for an exemption under Section 11.20 within five years.

### **Sec. 23.765. Oil and Gas Operations on Land.**

The eligibility of land for appraisal under this subchapter does not end because a lessee under an oil and gas lease begins conducting oil and gas operations over which the Railroad Commission of Texas has jurisdiction on the land if the portion of the land on which oil and gas operations are not being conducted otherwise continues to qualify for appraisal under this subchapter.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 43 (H.B. 1409), § 2, effective September 1, 2019.

### **Sec. 23.77. Land Ineligible for Appraisal As Timber Land.**

Land is not eligible for appraisal as provided by this subchapter if:

- (1) the land is located inside the corporate limits of an incorporated city or town, unless:
  - (A) the city or town is not providing the land with governmental and proprietary services substantially equivalent in standard and scope to those services it provides in other parts of the city or town with similar topography, land utilization, and population density; or
  - (B) the land has been devoted principally to production of timber or forest products continuously for the preceding five years;

### **Sec. 23.78. Minimum Taxable Value of Timber Land.**

The taxable value of qualified timber land appraised as provided by this subchapter may not be less than the appraised value of that land for the taxing unit in the 1978 tax year, except that the taxable value used for any tax year may not exceed the market value of the land as determined by other generally accepted appraisal methods. If the appraised value of timber land determined as provided by this subchapter is less than a taxing unit's appraised value of that land in 1978, the assessor for the unit shall substitute the 1978 appraised value for that land on the unit's appraisal roll.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 77, effective January 1, 1982.

### **Sec. 23.79. Action on Applications.**

(a) The chief appraiser shall determine separately each applicant's right to have the applicant's land appraised under this subchapter. After considering the application and all relevant information, the chief appraiser shall, as soon as practicable but not later than the 90th day after the later of the date the applicant's land is first eligible for appraisal under this subchapter or the date the applicant provides to the chief appraiser the information necessary for the chief appraiser to determine the applicant's right to have the applicant's land appraised under this subchapter, as the law and facts warrant:

- (1) approve the application and allow appraisal under this subchapter;
- (2) disapprove the application and request additional information from the applicant in support of the claim; or
- (3) deny the application.

(b) If the chief appraiser requires additional information from an applicant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a

written notice to the applicant specifying the additional information the applicant must provide to the chief appraiser before the chief appraiser can determine the applicant's right to have the applicant's land appraised under this subchapter. The applicant must furnish the information not later than the 30th day after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, the chief appraiser shall deliver a written notice of the denial to the applicant not later than the fifth day after the date the chief appraiser makes the determination. **Sec. 23.80. [Reserved for expansion].**

*Subchapter F*

*Appraisal of Recreational, Park, and Scenic Land*

**Sec. 23.81. Definitions.**

In this subchapter:

(1) "Recreational, park, or scenic use" means use for individual or group sporting activities, for park or camping activities, for development of historical, archaeological, or scientific sites, or for the conservation and preservation of scenic areas.

(2) "Deed restriction" means a valid and enforceable provision that limits the use of land and that is included in a written instrument filed and recorded in the deed records of the county in which the land is located.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982.

**Sec. 23.82. Voluntary Restrictions.**

(a) The owner of a fee simple estate in land of at least five acres may limit the use of the land to recreational, park, or scenic use by filing with the county clerk of the county in which the land is located a written instrument executed in the form and manner of a deed.

(b) The instrument must describe the land, name each owner of the land, and provide that the restricted land may be used only for recreational, park, or scenic uses during the term of the deed restriction. The term of the deed restriction must be for at least 10 years, and the length of the term must be stated in the instrument.

(c) The county attorney of the county in which the restricted land is located or any person owning or having an interest in the restricted land may enforce a deed restriction that complies with the requirements of this section.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982.

**Sec. 23.83. Appraisal of Restricted Land.**

(a) A person is entitled to have land he owns appraised under this subchapter if, on January 1:

(1) the land is restricted as provided by this subchapter;

(2) the land is used in a way that does not result in accrual of distributable profits, realization of private gain resulting from payment of compensation in excess of a reasonable allowance for salary or other compensation for services rendered, or realization of any other form of private gain;

(3) the land has been devoted exclusively to recreational, park, or scenic uses for the preceding year; and

(4) he is using and intends to use the land exclusively for those purposes in the current year.

(b) The chief appraiser may not consider any factor other than one relating to the value of the land as restricted. Sales of comparable land not restricted as provided by this subchapter may not be used to determine the value of restricted land.

(c) Improvements other than appurtenances to the land and the mineral estate are appraised separately at market value. Riparian water rights, private roads, dams, reservoirs, water wells, and canals, ditches, terraces, and similar reshaping of or additions to the soil are appurtenances to the land and the effect of each on the value of the land for recreational, park, or scenic uses shall be considered in appraising the land.

(d) If land is appraised under this subchapter for a year, the chief appraiser shall determine at the end of that year whether the land was used exclusively for recreational, park, or scenic uses. If the land was not used exclusively for recreational, park, or scenic uses, the assessor for each taxing unit shall impose an additional tax equal to the difference in the amount of tax imposed and the amount that would have been imposed for that year if the land had not been

restricted to recreational, park, or scenic uses. The assessor shall include the amount of additional tax plus interest on the next bill for taxes on the land.

(e) The comptroller shall promulgate rules specifying the methods to apply and the procedures to use in appraising land under this subchapter.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 28, effective September 1, 1991.

#### **Sec. 23.84. Application.**

(a) A person claiming the right to have his land appraised under this subchapter must apply for the right the first year he claims it. Application for appraisal under this chapter is made by filing a sworn application form with the chief appraiser for the appraisal district in which the land is located.

(b) A claimant must deliver a completed application form to the chief appraiser before May 1 and must furnish the information required by the form. For good cause shown the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days.

(c) If a claimant fails to timely file a completed application form, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under this subchapter during the term of the deed restriction without a new application unless the ownership of the land changes or its eligibility under this subchapter ends. However, the chief appraiser, if he has good cause to believe the land's eligibility under this subchapter has ended, may require a person allowed appraisal under this subchapter in a prior year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(d) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends.

(e) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any one of the five preceding years, the chief appraiser shall add the difference between the appraised value of the land under this subchapter and the market value of the land if it had not been restricted to recreational, park, or scenic uses to the appraisal roll as provided by Section 25.21 of this code for other property that escapes taxation.

(f) The comptroller in prescribing the contents of the application forms shall ensure that each form requires a claimant to furnish the information necessary to determine the validity of the claim and that the form requires the claimant to state that the land for which he claims appraisal under this subchapter will be used exclusively for recreational, park, or scenic uses in the current year.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 29, effective September 1, 1991; am. Acts 1995, 74th Leg., ch. 579 (S.B. 642), § 7, effective January 1, 1996.

#### **Sec. 23.85. Action on Application.**

(a) The chief appraiser shall determine individually each claimant's right to appraisal under this subchapter. After considering the application and all relevant information, the chief appraiser shall, as soon as practicable but not later than the 90th day after the later of the date the claimant is first eligible for appraisal under this subchapter or the date the claimant provides to the chief appraiser the information necessary for the chief appraiser to determine the claimant's right to appraisal under this subchapter, as the law and facts warrant:

- (1) approve the application and allow appraisal under this subchapter;
- (2) disapprove the application and request additional information from the claimant in support of the claim; or
- (3) deny the application.

(b) If the chief appraiser requires additional information from a claimant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a written notice to the claimant specifying the additional information the claimant must provide to the chief appraiser before the chief appraiser can determine the claimant's right to appraisal under this subchapter. The claimant must furnish the information not later than the 30th day after the date of the request or the application is denied. However, for good cause shown the chief appraiser may extend the deadline for furnishing additional information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with him before he submits the appraisal records for review and determination of protests as provided by Chapter 41 of this code.

(d) If the chief appraiser denies an application, the chief appraiser shall deliver a written notice of the denial to the claimant not later than the fifth day after the date of denial. The notice must state and fully explain each reason the chief appraiser denied the application. The notice must include a brief explanation of the procedures for protesting the denial.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982; am. Acts 2021, 87th Leg., ch. 533 (S.B. 63), § 11, effective September 1, 2021.

**Sec. 23.86. Additional Taxation for Preceding Years.**

(a) If land that has been appraised under this subchapter is no longer subject to a deed restriction or is diverted to a use other than recreational, park, or scenic uses, an additional tax is imposed on the land equal to the difference between the taxes imposed on the land for each of the three years preceding the year in which the change of use occurs or the deed restriction expires that the land was appraised as provided by this subchapter and the tax that would have been imposed had the land not been restricted to recreational, park, or scenic uses in each of those years.

(b) A tax lien attaches to the land on the date the change of use occurs or the deed restriction expires to secure payment of the additional tax imposed by this section and any penalties and interest incurred if the tax becomes delinquent. The lien exists in favor of all taxing units for which the additional tax is imposed.

(c) The assessor shall prepare and deliver a statement for the additional taxes as soon as practicable after the change of use occurs or the deed restriction expires. The taxes become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next date on which the unit's taxes become delinquent that is more than 10 days after the date the statement is delivered.

(d) The sanctions provided by Subsection (a) of this section do not apply if the change of use occurs as a result of a sale for right-of-way or a condemnation.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 851 (H.B. 1203), § 14, effective August 29, 1983; am. Acts 2021, 87th Leg., ch. 726 (H.B. 3833), § 5, effective June 15, 2021.

**Sec. 23.87. Penalty for Violating Deed Restriction.**

(a) If land appraised under this subchapter is used for other than recreational, park, or scenic uses before the term of the deed restriction expires, a penalty is imposed on the land equal to the difference between the taxes imposed on the land for the year in which the violation occurs and the amount that would have been imposed for that year had the land not been restricted to recreational, park, or scenic uses.

(b) The chief appraiser shall make an entry in the appraisal records for the land against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who filed the application for appraisal under this subchapter. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty.

(c) The assessor for each taxing unit that imposed taxes on the land on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit's tax bill for taxes on the land against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the land against which the penalty is imposed. The amount of the penalty constitutes a lien on the land against which the penalty is imposed and accrues penalties and interest in the same manner as a delinquent tax.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 79, effective January 1, 1982.

#### **Sec. 23.97. Penalty for Violating Deed Restriction.**

(a) If airport property appraised under this subchapter is used as other than public access airport property before the term of the deed restriction expires, a penalty is imposed on the property equal to the difference between the taxes imposed on the property on the basis of appraisal under this subchapter for the year in which the violation occurs and the amount that would have been imposed for that year had the property not been restricted to use as public access airport property.

(b) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who filed the application for appraisal under this subchapter. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty.

(c) The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The county assessor-collector shall add the amount of the penalty to the county's tax bill for taxes on the property. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and accrues penalty and interest in the same manner as a delinquent tax.

*Subchapter H**Appraisal of Restricted-use Timber Land***Sec. 23.9801. Definitions.**

In this subchapter:

(1) "Aesthetic management zone" means timber land on which timber harvesting is restricted for aesthetic or conservation purposes, including:

(A) maintaining standing timber adjacent to public rights-of-way, including highways and roads; and

(B) preserving an area in a forest, as defined by Section 152.003, Natural Resources Code, that is designated by the director of the Texas Forest Service as special or unique because of the area's natural beauty, topography, or historical significance.

(2) "Critical wildlife habitat zone" means timber land on which the timber harvesting is restricted so as to provide at least three of the following benefits for the protection of an animal or plant that is listed as endangered or threatened under the Endangered Species Act of 1973 (16 U.S.C. Section 1531 et seq.) and its subsequent amendments or as endangered under Section 68.002, Parks and Wildlife Code:

(A) habitat control;

(B) erosion control;

(C) predator control;

(D) providing supplemental supplies of water;

(E) providing supplemental supplies of food;

(F) providing shelters; and

(G) making of census counts to determine population.

(3) "Management plan" means a plan that uses forestry best management practices consistent with the agricultural and silvicultural nonpoint source pollution management program administered by the State Soil and Water Conservation Board under Section 201.026, Agriculture Code.

(4) "Regenerate" means to replant or manage natural regeneration.

(5) "Streamside management zone" means timber land on which timber harvesting is restricted in accordance with a management plan to:

(A) protect water quality; or

(B) preserve a waterway, including a lake, river, stream, or creek.

(6) "Qualified restricted-use timber land" means land that qualifies for appraisal as provided by this subchapter.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000.

**Sec. 23.9802. Qualification for Appraisal As Restricted-Use Timber Land.**

(a) Land qualifies for appraisal as provided by this subchapter if the land is in an aesthetic management zone, critical wildlife habitat zone, or streamside management zone.

(b) Land qualifies for appraisal as provided by this subchapter if:

(1) timber was harvested from the land in a year in which the land was appraised under Subchapter E; and

(2) the land has been regenerated for timber production to the degree of intensity generally accepted in the area for commercial timber land and with intent to produce income.

(c) Land ceases to qualify for appraisal under Subsection (b) on the 10th anniversary of the date the timber was harvested under Subsection (b)(1). This subsection does not disqualify the land from qualifying for appraisal under this section in a tax year following that anniversary based on the circumstances existing in that subsequent tax year.

(d) In determining whether land qualifies for appraisal as provided by this subchapter, a chief appraiser may not consider the purpose for which a portion of a parcel of land is used if the portion is:

(1) used for the production of timber or forest products, including a road, right-of-way, buffer area, or firebreak; or

(2) subject to a right-of-way that was taken through the exercise of the power of eminent domain.

(e) For the purpose of the appraisal of land under this subchapter, a portion of a parcel of land described by Subsection (d) is considered land that qualifies for appraisal under this subchapter if the remainder of the parcel of land qualifies for appraisal under this subchapter.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000; am. Acts 2019, 86th Leg., ch. 43 (H.B. 1409), § 3, effective September 1, 2019.

**Sec. 23.9803. Appraisal of Qualified Restricted-Use Timber Land.**

(a) Except as provided by Subsection (b), the appraised value of qualified restricted-use timber land is one-half of the appraised value of the land as determined under Section 23.73(a).

(b) The appraised value determined under Subsection (a) may not exceed the lesser of:

(1) the market value of the land as determined by other appraisal methods; or

(2) the appraised value of the land for the year preceding the first year of appraisal under this subchapter.

(c) The chief appraiser shall determine the market value of qualified restricted-use timber land and shall record both the market value and the appraised value in the appraisal records.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000.

#### **Sec. 23.9804. Application.**

(a) A person claiming that the person's land is eligible for appraisal as provided by this subchapter must file a valid application with the chief appraiser.

(b) To be valid, an application for appraisal under Section 23.9802(a) must:

- (1) be on a form provided by the appraisal office and prescribed by the comptroller;
- (2) provide evidence that the land qualifies for designation as an aesthetic management zone, critical wildlife habitat zone, or streamside management zone;
- (3) specify the location of the proposed zone and the quantity of land, in acres, in the proposed zone; and
- (4) contain other information necessary to determine the validity of the claim.

(c) To be valid, an application for appraisal under Section 23.9802(b) must:

- (1) be on a form provided by the appraisal office and prescribed by the comptroller;
- (2) provide evidence that the land on which the timber was harvested was appraised under Subchapter E in the year in which the timber was harvested;
- (3) provide evidence that all of the land has been regenerated in compliance with Section 23.9802(b)(2); and
- (4) contain other information necessary to determine the validity of the claim.

(d) The comptroller shall include on the form a notice of the penalties prescribed by Section 37.10, Penal Code, for making or filing an application containing a false statement. The comptroller, in prescribing the contents of the application form, shall require that the form permit a claimant who has previously been allowed appraisal under this subchapter to indicate that the previously reported information has not changed and to supply only the eligibility information not previously reported.

(e) The form must be filed before May 1. However, for good cause shown, the chief appraiser may extend the filing deadline for not more than 15 days.

(f) If a person fails to file a valid application on time, the land is ineligible for appraisal as provided by this subchapter for that year. Once an application is filed and appraisal under this subchapter is allowed, the land is eligible for appraisal under the applicable provision of this subchapter in subsequent years without a new application unless the ownership of the land changes, the standing timber is harvested, or the land's eligibility under this subchapter ends. However, if the chief appraiser has good cause to believe the land's eligibility under this subchapter has ended, the chief appraiser may require a person allowed appraisal under this subchapter in a previous year to file a new application to confirm that the land is currently eligible under this subchapter by delivering a written notice that a new application is required, accompanied by the application form, to the person who filed the application that was previously allowed.

(g) The appraisal office shall make a sufficient number of printed application forms readily available at no charge.

(h) Each year the chief appraiser for each appraisal district shall publicize, in a manner reasonably designed to notify all residents of the district, the requirements of this section and the availability of application forms.

(i) A person whose land is allowed appraisal under this subchapter shall notify the appraisal office in writing before May 1 after eligibility of the land under this subchapter ends. If a person fails to notify the appraisal office as required by this subsection, a penalty is imposed on the property equal to 10 percent of the difference between the taxes imposed on the property in each year it is erroneously allowed appraisal under this subchapter and the taxes that would otherwise have been imposed.

(j) The chief appraiser shall make an entry in the appraisal records for the property against which the penalty is imposed indicating liability for the penalty and shall deliver a written notice of imposition of the penalty to the person who owns the property. The notice shall include a brief explanation of the procedures for protesting the imposition of the penalty. The assessor for each taxing unit that imposed taxes on the property on the basis of appraisal under this subchapter shall add the amount of the penalty to the unit's tax bill for taxes on the property against which the penalty is imposed. The penalty shall be collected at the same time and in the same manner as the taxes on the property against which the penalty is imposed. The amount of the penalty constitutes a lien on the property against which the penalty is imposed and on delinquency accrues penalty and interest in the same manner as a delinquent tax.

(k) If the chief appraiser discovers that appraisal under this subchapter has been erroneously allowed in any of the 10 preceding years because of failure of the person whose land was allowed appraisal under this subchapter to give notice that the land's eligibility had ended, the chief appraiser shall add the difference between the appraised value of the land under this subchapter and the market value of the land for any year in which the land was ineligible for appraisal under this subchapter to the appraisal records as provided by Section 25.21 for other property that escapes taxation.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000.

#### **Sec. 23.9805. Action on Application.**

(a) The chief appraiser shall determine separately each applicant's right to have the applicant's land appraised under this subchapter. After considering the application and all relevant information, the chief appraiser shall, as soon as

practicable but not later than the 90th day after the later of the date the applicant's land is first eligible for appraisal under this subchapter or the date the applicant provides to the chief appraiser the information necessary for the chief appraiser to determine the applicant's right to have the applicant's land appraised under this subchapter, based on the law and facts:

- (1) approve the application and allow appraisal under this subchapter;
- (2) disapprove the application and request additional information from the applicant in support of the claim; or
- (3) deny the application.

(b) If the chief appraiser requires additional information from an applicant, the chief appraiser shall, as soon as practicable but not later than the 30th day after the date the application is filed with the chief appraiser, deliver a written notice to the applicant specifying the additional information the applicant must provide to the chief appraiser before the chief appraiser can determine the applicant's right to have the applicant's land appraised under this subchapter. The applicant must furnish the information not later than the 30th day after the date of the request or the chief appraiser shall deny the application. However, for good cause shown, the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days.

(c) The chief appraiser shall determine the validity of each application for appraisal under this subchapter filed with the chief appraiser before the chief appraiser submits the appraisal records for review and determination of protests as provided by Chapter 41.

(d) If the chief appraiser denies an application, the chief appraiser shall deliver a written notice of the denial to the applicant not later than the fifth day after the date the chief appraiser makes the determination. The notice must state and fully explain each reason the chief appraiser denied the application. The chief appraiser shall include with the notice a brief explanation of the procedures for protesting the denial.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000; am. Acts 2021, 87th Leg., ch. 533 (S.B. 63), § 13, effective September 1, 2021.

#### **Sec. 23.9806. Application Denial Based on Zone Location.**

(a) Before a chief appraiser may deny an application under Section 23.9805 on the ground that the land is not located in an aesthetic management zone, critical wildlife habitat zone, or streamside management zone, the chief appraiser must first request a determination letter from the director of the Texas Forest Service as to the type, location, and size of the zone, if any, in which the land is located.

(b) The chief appraiser shall notify the landowner and each taxing unit in which the land is located that a determination letter has been requested.

(c) The director's letter is conclusive as to the type, size, and location of the zone for purposes of appraisal of the land under this subchapter.

(d) If the land is located in a zone described in the determination letter, the chief appraiser shall approve the application and allow appraisal under this subchapter if the applicant is otherwise entitled to have the applicant's land appraised under this subchapter.

(e) The director of the Texas Forest Service by rule shall adopt procedures under this section. The procedures must allow the chief appraiser, the landowner, and a representative of each taxing unit in which the land is located to present information to the director before the director issues the determination letter.

(f) Chapters 41 and 42 do not apply to a determination under this section by the director of the Texas Forest Service of the type, size, and location of a zone.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000.

#### **Sec. 23.9807. Change of Use of Land.**

(a) If the use of land that has been appraised as provided by this subchapter changes to a use that qualifies the land for appraisal under Subchapter E, an additional tax is imposed on the land equal to the difference between:

- (1) the taxes imposed on the land for each of the three years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter; and
- (2) the taxes that would have been imposed had the land been appraised under Subchapter E in each of those years.

(b) If the use of land that has been appraised as provided by this subchapter changes to a use that does not qualify the land for appraisal under Subchapter E or under this subchapter, an additional tax is imposed on the land equal to the difference between:

- (1) the taxes imposed on the land for each of the three years preceding the year in which the change of use occurs that the land was appraised as provided by this subchapter; and
- (2) the taxes that would have been imposed had the land been taxed on the basis of market value in each of those years.

(c) A tax lien attaches to the land on the date the change of use occurs to secure payment of the additional tax imposed by this section and any penalties and interest incurred if the tax becomes delinquent. The lien exists in favor of all taxing units for which the additional tax is imposed.

(d) The additional tax imposed by this section does not apply to a year for which the tax has already been imposed.

(e) If the change of use applies to only part of a parcel that has been appraised as provided by this subchapter, the additional tax applies only to that part of the parcel.

(f) A determination that a change in use of the land has occurred is made by the chief appraiser. The chief appraiser shall deliver a notice of the determination to the owner of the land as soon as possible after making the determination and shall include in the notice an explanation of the owner's right to protest the determination. If the owner does not file a timely protest or if the final determination of the protest is that the additional taxes are due, the assessor for each taxing unit shall prepare and deliver a bill for the additional taxes as soon as practicable after the change of use occurs. The taxes are due and become delinquent and incur penalties and interest as provided by law for ad valorem taxes imposed by the taxing unit if not paid before the next February 1 that is at least 20 days after the date the bill is delivered to the owner of the land.

(g) The harvesting of timber from the land before the expiration of the period provided by Section 23.9802(c) constitutes a change of use of the land for purposes of this section.

(h) The sanction provided by Subsection (a) or (b) does not apply if the change of use occurs as a result of a:

- (1) sale for right-of-way;
- (2) condemnation; or
- (3) change in law.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 631 (S.B. 977), § 5, effective January 1, 2000; am. Acts 2021, 87th Leg., ch. 726 (H.B. 3833), § 7, effective June 15, 2021.

### Sec. 23.9808. Oil and Gas Operations on Land.

The eligibility of land for appraisal under this subchapter does not end because a lessee under an oil and gas lease begins conducting oil and gas operations over which the Railroad Commission of Texas has jurisdiction on the land if the portion of the land on which oil and gas operations are not being conducted otherwise continues to qualify for appraisal under this subchapter.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 43 (H.B. 1409), § 4, effective September 1, 2019.

*Subchapter B*

*Railroad Rolling Stock*

**Sec. 24.31. Appraisal at Headquarters.**

The chief appraiser for the county in which the owner of rolling stock used by a railroad resides or maintains a principal place of business in this state shall appraise for taxation the rolling stock owned on January 1. However, if the owner does not reside or maintain a place of business in this state, the chief appraiser for the county in which a railroad that leases the rolling stock maintains its principal place of business in this state shall appraise it.

(d) The report must contain all the information required by the form and must be signed by the individual required to file the report by Subsection (a) of this section. When a corporation is required to file the report, an officer of the corporation or an employee or agent who has been designated in writing by the board of directors or by an authorized officer to sign in behalf of the corporation must sign the report.

(e) A report must be filed before May 1. For good cause shown the chief appraiser may extend the filing deadline by written order for a single period not to exceed 15 days.

#### **Sec. 24.36. Certification to Comptroller.**

On approval of the appraised value of the rolling stock as provided by Chapter 41 of this code, the chief appraiser shall certify to the comptroller the amount of market value allocated to this state for each owner whose rolling stock is appraised in the county and the name and business address of each owner.

(b) As soon as practicable after the comptroller receives the correct certification from the chief appraiser, the comptroller shall certify to the county assessor-collector for each affected county the information required by Section 24.38 as corrected.

He shall calculate the county tax due on the rolling stock as provided by Section 26.09 of this code.

(a) By May 15 or as soon thereafter as practicable, the chief appraiser shall prepare appraisal records listing all property that is taxable in the district and stating the appraised value of each.

(b) The chief appraiser with the approval of the board of directors of the district may contract with a private appraisal firm to perform appraisal services for the district, subject to his approval. A contract for private appraisal services is void if the amount of compensation to be paid the private appraisal firm is contingent on the amount of or increase in appraised, assessed, or taxable value of property appraised by the appraisal firm.

(c) A contract for appraisal services for an appraisal district is invalid if it does not provide that copies of the appraisal, together with supporting data, must be made available to the appraisal district and such appraisals and supporting data shall be public records. "Supporting data" shall not be construed to include personal notes, correspondence, working papers, thought processes, or any other matters of a privileged or proprietary nature.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 96, effective January 1, 1982.

**Sec. 25.011. Special Appraisal Records.**

(a) The chief appraiser for each appraisal district shall prepare and maintain a record of property specially appraised under Chapter 23 of this code and subject, in the future, to additional taxation for change in use or status.

(b) The record for each type of specially appraised property must be maintained in a separate document for each 12-month period beginning June 1. The document must include the name of at least one owner of the property, the acreage of the property, and other information sufficient to identify the property as required by the comptroller. All entries in each document must be kept in alphabetical order according to the last name of each owner whose name is part of the record.

**HISTORY:** Enacted by Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 97, effective January 1, 1982; am. Acts 1991, 72nd Leg., 2nd C.S., ch. 6 (S.B. 45), § 40, effective September 1, 1991.

**Sec. 25.02. Form and Content.**

(a) The appraisal records shall be in the form prescribed by the comptroller and shall include:

- (1) the name and address of the owner or, if the name or address is unknown, a statement that it is unknown;
- (2) real property;
- (3) separately taxable estates or interests in real property, including taxable possessory interests in exempt real property;
- (4) personal property;
- (5) the appraised value of land and, if the land is appraised as provided by Subchapter C, D, E, or H, Chapter 23, the market value of the land;

- (6) the appraised value of improvements to land;
  - (7) the appraised value of a separately taxable estate or interest in land;
  - (8) the appraised value of personal property;
  - (9) the kind of any partial exemption the owner is entitled to receive, whether the exemption applies to appraised or assessed value, and, in the case of an exemption authorized by Section 11.23, the amount of the exemption;
  - (10) the tax year to which the appraisal applies; and
  - (11) an identification of each taxing unit in which the property is taxable.
- (b) A mistake in the name or address of an owner does not affect the validity of the appraisal records, of any appraisal or tax roll based on them, or of the tax imposed. The mistake may be corrected as provided by this code.
- (c) **[Effective January 1, 2022]** Each appraisal record must have a unique account number. If an appraisal district changes the account number of an appraisal record, the appraisal district must provide written notice of the change to the property owner as soon as practicable after the change and provide notice of the change in the next notice of appraised value of the property included in the record that is delivered to the property owner under Section 25.19.
- (d) **[Effective January 1, 2022]** This subsection does not apply to an appraisal record for a residential property, for an improvement only, or for a property on which a delinquent tax is due. On the written request of a property owner, the chief appraiser shall combine contiguous parcels or tracts of the owner's real property into a single appraisal record. On the written request of a property owner, the chief appraiser shall separate identifiable segments of the owner's parcel or tract of real property into individual appraisal records.
- (e) **[Effective January 1, 2022]** A property owner must make a request under Subsection (d) before January 1 of the tax year for which the requested change to the appraisal records is to be made. The request must contain a legal description as contained in a deed sufficient to describe the property subject to the request.
- (f) **[Effective January 1, 2022]** If a chief appraiser refuses to combine parcels or tracts, or separate a parcel or tract, on request of a property owner under Subsection (d), the appraisal review board may order the requested change on a motion filed by the property owner under Section 25.25 or a protest filed under Chapter 41.
- (g) **[Effective January 1, 2022]** The combination of contiguous parcels or tracts of real property into a single appraisal record or the separation of identifiable segments of a parcel or tract of real property into individual appraisal records under this section does not affect the application of generally accepted appraisal methods and techniques to the appraisal of real property associated with those appraisal records, including real property that is part of the same economic unit as real property contained in the same or another appraisal record.

#### **Sec. 25.24. Appraisal Roll.**

The appraisal records, as changed by order of the appraisal review board and approved by that board, constitute the appraisal roll for the district.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 112, effective January 1, 1982.

#### **Sec. 25.25. Correction of Appraisal Roll.**

(a) Except as provided by Chapters 41 and 42 of this code and by this section, the appraisal roll may not be changed.

(b) The chief appraiser may change the appraisal roll at any time to correct a name or address, a determination of ownership, a description of property, multiple appraisals of a property, an erroneous denial or cancellation of any exemption authorized by Section 11.13 if the applicant or recipient is disabled or is 65 or older or an exemption authorized by Section 11.13(q), 11.131, or 11.22, or a clerical error or other inaccuracy as prescribed by board rule that does not increase the amount of tax liability. Before the 10th day after the end of each calendar quarter, the chief appraiser shall submit to the appraisal review board and to the board of directors of the appraisal district a written report of each change made under this subsection that decreases the tax liability of the owner of the property. The report must include:

- (1) a description of each property; and
- (2) the name of the owner of that property.

(c) The appraisal review board, on motion of the chief appraiser or of a property owner, may direct by written order changes in the appraisal roll for any of the five preceding years to correct:

- (1) clerical errors that affect a property owner's liability for a tax imposed in that tax year;
- (2) multiple appraisals of a property in that tax year;
- (3) the inclusion of property that does not exist in the form or at the location described in the appraisal roll; or
- (4) an error in which property is shown as owned by a person who did not own the property on January 1 of that tax year.

(c-1) The appraisal review board, on motion of the chief appraiser or of a property owner, may direct by written order changes in the appraisal roll or related appraisal records for the current tax year and for either of the two preceding tax years to correct an inaccuracy in the appraised value of the owner's tangible personal property that is the result of an error or omission in a rendition statement or property report filed under Chapter 22 for the applicable tax year. The roll may not be changed under this subsection for any tax year in which:

- (1) the property owner failed to timely file the rendition statement or property report in accordance with Section 22.23 and was assessed a penalty under Section 22.28;
- (2) the property was the subject of a protest brought by the property owner under Chapter 41, a hearing on the protest was conducted in which the owner offered evidence or argument, and the appraisal review board made a determination of the protest on the merits;
- (3) the property was the subject of a previous motion filed by the property owner under this section and the chief appraiser and the owner agreed to the correction, the appraisal review board determined the motion, or the appraisal review board determined that the owner forfeited the right to a final determination of the motion for failing to comply with the prepayment requirements of Section 25.26; or
- (4) the appraised value of the property was established as a result of a written agreement between the property owner or the owner's agent and the appraisal district.

(d) At any time prior to the date the taxes become delinquent, a property owner or the chief appraiser may file a motion with the appraisal review board to change the appraisal roll to correct an error that resulted in an incorrect appraised value for the owner's property. However, the error may not be corrected unless it resulted in an appraised value that exceeds by more than:

- (1) one-fourth the correct appraised value, in the case of property that qualifies as the owner's residence homestead under Section 11.13; or
- (2) one-third the correct appraised value, in the case of property that does not qualify as the owner's residence homestead under Section 11.13.

(d-1) If the appraisal roll is changed under Subsection (d), the property owner must pay to each affected taxing unit a late-correction penalty equal to 10 percent of the amount of taxes as calculated on the basis of the corrected appraised value. Payment of the late-correction penalty is secured by the lien that attaches to the property under Section 32.01 and is subject to enforced collection under Chapter 33. The roll may not be changed under Subsection (d) if:

- (1) the property was the subject of a protest brought by the property owner under Chapter 41, a hearing on the protest was conducted in which the property owner offered evidence or argument, and the appraisal review board made a determination of the protest on the merits; or
- (2) the appraised value of the property was established as a result of a written agreement between the property owner or the owner's agent and the appraisal district.

(e) **[2 Versions: As added by Acts 2021, 87th Leg., ch. 614 (SB 1421)]** If the chief appraiser and the property owner do not agree to the correction before the 15th day after the date the motion is filed, a party bringing a motion under Subsection (c), (c-1), or (d) is entitled on request to a hearing on and a determination of the motion by the appraisal review board. A party bringing a motion under this section must describe the error or errors that the motion is seeking to correct. Not later than 15 days before the date of the hearing, the board shall deliver written notice of the date, time, and place of the hearing to the chief appraiser, the property owner, and the presiding officer of the governing body of each taxing unit in which the property is located. The chief appraiser, the property owner, and each taxing unit are entitled to present evidence and argument at the hearing and to receive written notice of the board's determination of the motion. The property owner is entitled to elect to present the owner's evidence and argument before, after, or between the cases presented by the chief appraiser and each taxing unit. A property owner who files the motion must comply with the payment requirements of Section 25.26 or forfeit the right to a final determination of the motion.

(e) **[2 Versions: As added by Acts 2021, 87th Leg., ch. 533 (SB 63)]** If the chief appraiser and the property owner do not agree to the correction before the 15th day after the date the motion is filed, a party bringing a motion under

Subsection (c) or (d) is entitled on request to a hearing on and a determination of the motion by the appraisal review board. A party bringing a motion under this section must describe the error or errors that the motion is seeking to correct. If a request for hearing is made on or after January 1 but before September 1, the appraisal review board shall schedule the hearing to be held as soon as practicable but not later than the 90th day after the date the board approves the appraisal records as provided by Section 41.12. If a request for hearing is made on or after September 1 but before January 1 of the following tax year, the appraisal review board shall schedule the hearing to be held as soon as practicable but not later than the 90th day after the date the request for the hearing is made. Not later than 15 days before the date of the hearing, the board shall deliver written notice of the date, time, and place of the hearing to the chief appraiser, the property owner, and the presiding officer of the governing body of each taxing unit in which the property is located. The chief appraiser, the property owner, and each taxing unit are entitled to present evidence and argument at the hearing and to receive written notice of the board's determination of the motion. The property owner is entitled to elect to present the owner's evidence and argument before, after, or between the cases presented by the chief appraiser and each taxing unit. A property owner who files the motion must comply with the payment requirements of Section 25.26 or forfeit the right to a final determination of the motion.

(f) The chief appraiser shall certify each change made as provided by this section to the assessor for each unit affected by the change within five days after the date the change is entered.

(g) Within 60 days after receiving notice of the appraisal review board's determination of a motion under this section or of a determination of the appraisal review board that the property owner has forfeited the right to a final determination of a motion under this section for failing to comply with the prepayment requirements of Section 25.26, the property owner or the chief appraiser may file suit to compel the board to order a change in the appraisal roll as required by this section. A taxing unit may not be made a party to a suit filed by a property owner or chief appraiser under this subsection.

(g-1) In a suit filed under Subsection (g), if a hearing to review and determine compliance with Section 25.26 is requested, the movant must mail notice of the hearing by certified mail, return receipt requested, to the collector for each taxing unit that imposes taxes on the property not later than the 45th day before the date of the hearing.

(g-2) Regardless of whether the collector for the taxing unit receives a notice under Subsection (g-1), a taxing unit that imposes taxes on the property may intervene in a suit filed under Subsection (g) and participate in the proceedings for the limited purpose of determining whether the property owner has complied with Section 25.26. The taxing unit is entitled to process for witnesses and evidence and to be heard by the court.

(h) The appraisal review board, on the joint motion of the property owner and the chief appraiser filed at any time prior to the date the taxes become delinquent, shall by written order correct an error that resulted in an incorrect appraised value for the owner's property.

(i) A person who acquires property after January 1 of the tax year at issue is entitled to file any motion that this section authorizes the person who owned the property on January 1 of that year to file, if the deadline for filing the motion has not passed.

(j) If during the pendency of a motion under this section the ownership of property subject to the motion changes, the new owner of the property is entitled to proceed with the motion in the same manner as the property owner who filed the motion.

(k) The chief appraiser shall change the appraisal records and school district appraisal rolls promptly to reflect the detachment and annexation of property among school districts under Subchapter C or G, Chapter 49, Education Code.

(l) A motion may be filed under Subsection (c) regardless of whether, for a tax year to which the motion relates, the owner of the property protested under Chapter 41 an action relating to the value of the property that is the subject of the motion.

(m) The hearing on a motion under Subsection (c), (c-1), or (d) shall be conducted in the manner provided by Subchapter C, Chapter 41.

(n) After a chief appraiser certifies a change under Subsection (b) that corrects multiple appraisals of a property, the liability of a taxing unit for a refund of taxes under Section 26.15(f), and any penalty or interest on those taxes, is limited to taxes paid for the tax year in which the appraisal roll is changed and the four tax years preceding that year.

(o) The failure or refusal of a chief appraiser to change an appraisal roll under Subsection (b) is not:

- (1) an action that the appraisal review board is authorized to determine under this section;
- (2) an action that may be the subject of a suit to compel filed under Subsection (g);
- (3) an action that a property owner is entitled to protest under Section 41.41; or
- (4) an action that may be appealed under Chapter 42.

(p) Not later than the 45th day after the date a dispute or error described by Section 72.010(c), Local Government Code, is resolved by an agreement between the taxing units under Section 31.112(c) of this code or by a final order of the supreme court entered under Section 72.010, Local Government Code, the chief appraiser of each applicable appraisal district shall correct the appraisal roll and other appropriate records as necessary to reflect the agreement or order.

**Sec. 25.26. Forfeiture of Remedy for Nonpayment of Taxes.**

(a) The pendency of a motion filed under Section 25.25 does not affect the delinquency date for the taxes on the property that is the subject of the motion. However, that delinquency date applies only to the amount of taxes required to be paid under Subsection (b). If the property owner complies with Subsection (b), the delinquency date for any additional amount of taxes due on the property is determined in the manner provided by Section 42.42(c) for the determination of the delinquency date for additional taxes finally determined to be due in an appeal under Chapter 42, and that additional amount is not delinquent before that date.

(b) Except as provided by Subsection (d), a property owner who files a motion under Section 25.25 must pay the amount of taxes due on the portion of the taxable value of the property that is the subject of the motion that is not in dispute before the delinquency date or the property owner forfeits the right to proceed to a final determination of the motion.

(c) A property owner who pays an amount of taxes greater than that required by Subsection (b) does not forfeit the property owner’s right to a final determination of the motion by making the payment. If the property owner files a timely motion under Section 25.25, taxes paid on the property are considered paid under protest, even if paid before the motion is filed.

(d) After filing an oath of inability to pay the taxes at issue, a property owner may be excused from the requirement of prepayment of tax as a prerequisite to the determination of a motion if the appraisal review board, after notice and hearing, finds that such prepayment would constitute an unreasonable restraint on the property owner’s right of access to the board. On the motion of a party, the board shall determine compliance with this section in the same manner and by the same procedure as provided by Section 41.4115(d) and may set such terms and conditions on any grant of relief as may be reasonably required by the circumstances.

### Sec. 26.01. Submission of Rolls to Taxing Units.

(a) By July 25, the chief appraiser shall prepare and certify to the assessor for each taxing unit participating in the district that part of the appraisal roll for the district that lists the property taxable by the unit. The part certified to the assessor is the appraisal roll for the unit. The chief appraiser shall consult with the assessor for each taxing unit and notify each unit in writing by April 1 of the form in which the roll will be provided to each unit.

(a-1) If by July 20 the appraisal review board for an appraisal district has not approved the appraisal records for the district as required under Section 41.12, the chief appraiser shall not later than July 25 prepare and certify to the assessor for each taxing unit participating in the district an estimate of the taxable value of property in that taxing unit.

(b) When a chief appraiser submits an appraisal roll for county taxes to a county assessor-collector, the chief appraiser also shall certify the appraisal district appraisal roll to the comptroller. However, the comptroller by rule may provide for submission of only a summary of the appraisal roll. The chief appraiser shall certify the district appraisal roll or the summary of that roll in the form and manner prescribed by the comptroller's rule.

(c) The chief appraiser shall prepare and certify to the assessor for each taxing unit a listing of those properties which are taxable by that unit but which are under protest and therefore not included on the appraisal roll approved by the appraisal review board and certified by the chief appraiser. This listing shall include the appraised market value, productivity value (if applicable), and taxable value as determined by the appraisal district and shall also include the market value, taxable value, and productivity value (if applicable) as claimed by the property owner filing the protest if available. If the property owner does not claim a value and the appraised value of the property in the current year is equal to or less than its value in the preceding year, the listing shall include a reasonable estimate of the market value, taxable value, and productivity value (if applicable) that would be assigned to the property if the taxpayer's claim is upheld. If the property owner does not claim a value and the appraised value of the property is higher than its appraised value in the preceding year, the listing shall include the appraised market value, productivity value (if applicable) and taxable value of the property in the preceding year, except that if there is a reasonable likelihood that the appraisal review board will approve a lower appraised value for the property than its appraised value in the preceding year, the chief appraiser shall make a reasonable estimate of the taxable value that would be assigned to the property if the property owner's claim is upheld. The taxing unit shall use the lower value for calculations as prescribed in Sections 26.04 and 26.041 of this code.

(d) The chief appraiser shall prepare and certify to the assessor for each taxing unit a list of those properties of which the chief appraiser has knowledge that are reasonably likely to be taxable by that unit but that are not included on the appraisal roll certified to the assessor under Subsection (a) or included on the listing certified to the assessor under Subsection (c). The chief appraiser shall include on the list for each property the market value, appraised value, and kind and amount of any partial exemptions as determined by the appraisal district for the preceding year and a reasonable estimate of the market value, appraised value, and kind and amount of any partial exemptions for the current year. Until the property is added to the appraisal roll, the assessor for the taxing unit shall include each property on the list in the calculations prescribed by Sections 26.04 and 26.041, and for that purpose shall use the lower market value, appraised value, or taxable value, as appropriate, included on or computed using the information included on the list for the property.

(e) Except as provided by Subsection (f), not later than April 30, the chief appraiser shall prepare and certify to the assessor for each county, municipality, and school district participating in the appraisal district an estimate of the taxable value of property in that taxing unit. The chief appraiser shall assist each county, municipality, and school district in determining values of property in that taxing unit for the taxing unit's budgetary purposes.

(f) Subsection (e) does not apply to a county or municipality that notifies the chief appraiser that the county or municipality elects not to receive the estimate or assistance described by that subsection.

(c) [Expires December 31, 2022] Notwithstanding Subsection (b)(2), for each tax year before the 2020 tax year, the difference between the taxing unit's voter-approval tax rate and actual tax rate is considered to be zero. This subsection expires December 31, 2022.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 503 (H.B. 1468), § 1, effective September 1, 2001; am. Acts 2003, 78th Leg., ch. 150 (S.B. 657), § 1, effective January 1, 2004; am. Acts 2003, 78th Leg., ch. 426 (H.B. 390), § 1, effective January 1, 2004.

### Sec. 26.04. Submission of Roll to Governing Body; No-New-Revenue and Voter-Approval Tax Rates.

(a) On receipt of the appraisal roll, the assessor for a taxing unit shall determine the total appraised value, the total assessed value, and the total taxable value of property taxable by the unit. He shall also determine, using information provided by the appraisal office, the appraised, assessed, and taxable value of new property.

(a-1) [Expired December 31, 2016]

(b) The assessor shall submit the appraisal roll for the taxing unit showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property to the governing body of the taxing unit by August 1 or as soon thereafter as practicable. By August 1 or as soon thereafter as practicable, the taxing unit's collector shall certify the anticipated collection rate as calculated under Subsections (h), (h-1), and (h-2) for the current year to the governing body. If the collector certified an anticipated collection rate in the preceding year and the actual collection rate in that year exceeded the anticipated rate, the collector shall also certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year.

(c) After the assessor for the taxing unit submits the appraisal roll for the taxing unit to the governing body of the taxing unit as required by Subsection (b), an officer or employee designated by the governing body shall calculate the no-new-revenue tax rate and the voter-approval tax rate for the taxing unit, where:

(1) "No-new-revenue tax rate" means a rate expressed in dollars per \$100 of taxable value calculated according to the following formula:

NO-NEW-REVENUE TAX RATE = (LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)

; and

(2) "Voter-approval tax rate" means a rate expressed in dollars per \$100 of taxable value calculated according to the following applicable formula:

(A) for a special taxing unit:

VOTER-APPROVAL TAX RATE = (NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE x 1.08) + CURRENT DEBT RATE

; or

(B) for a taxing unit other than a special taxing unit:

VOTER-APPROVAL TAX RATE = (NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE x 1.035) + (CURRENT DEBT RATE + UNUSED INCREMENT RATE)

(c-1) [Repealed by Acts 2021, 87th Leg., ch. 884 (S.B. 1438) § 10(2), effective September 1, 2021.]

(c-2) Notwithstanding any other provision of this section, if the assessor for a taxing unit receives a certified estimate of the taxable value of property in the taxing unit under Section 26.01(a-1), the officer or employee designated by the governing body of the taxing unit shall calculate the no-new-revenue tax rate and voter-approval tax rate using the certified estimate of taxable value.

(d) The no-new-revenue tax rate for a county is the sum of the no-new-revenue tax rates calculated for each type of tax the county levies and the voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies.

(d-1) The designated officer or employee shall use the tax rate calculation forms prescribed by the comptroller under Section 5.07 in calculating the no-new-revenue tax rate and the voter-approval tax rate.

(d-2) The designated officer or employee may not submit the no-new-revenue tax rate and the voter-approval tax rate to the governing body of the taxing unit and the taxing unit may not adopt a tax rate until the designated officer or employee certifies on the tax rate calculation forms that the designated officer or employee has accurately calculated the tax rates and has used values that are the same as the values shown in the taxing unit's certified appraisal roll in performing the calculations.

(d-3) As soon as practicable after the designated officer or employee calculates the no-new-revenue tax rate and the voter-approval tax rate of the taxing unit, the designated officer or employee shall submit the tax rate calculation forms used in calculating the rates to the county assessor-collector for each county in which all or part of the territory of the taxing unit is located.

(e) By August 7 or as soon thereafter as practicable, the designated officer or employee shall submit the rates to the governing body. The designated officer or employee shall post prominently on the home page of the taxing unit's Internet website in the form prescribed by the comptroller:

(1) the no-new-revenue tax rate, the voter-approval tax rate, and an explanation of how they were calculated;

(2) the estimated amount of interest and sinking fund balances and the estimated amount of maintenance and operation or general fund balances remaining at the end of the current fiscal year that are not encumbered with or by corresponding existing debt obligation; and

(3) a schedule of the taxing unit's debt obligations showing:

(A) the amount of principal and interest that will be paid to service the taxing unit's debts in the next year from property tax revenue, including payments of lawfully incurred contractual obligations providing security for the payment of the principal of and interest on bonds and other evidences of indebtedness issued on behalf of the taxing unit by another political subdivision and, if the taxing unit is created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution, payments on debts that the taxing unit anticipates to incur in the next calendar year;

(B) the amount by which taxes imposed for debt are to be increased because of the taxing unit's anticipated collection rate; and

(C) the total of the amounts listed in Paragraphs (A)—(B), less any amount collected in excess of the previous year's anticipated collections certified as provided in Subsection (b).

(e-1) The tax rate certification requirements imposed by Subsection (d-2) and the notice requirements imposed by Subsections (e)(1)-(3) do not apply to a school district.

(e-2) By August 7 or as soon thereafter as practicable, the chief appraiser of each appraisal district shall deliver by regular mail or e-mail to each owner of property located in the appraisal district a notice that the estimated amount of taxes to be imposed on the owner's property by each taxing unit in which the property is located may be found in the property tax database maintained by the appraisal district under Section 26.17. The notice must include:

(1) the following statement: "Visit [Texas.gov/PropertyTaxes](http://Texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.";

(2) a statement that the property owner may request from the county assessor-collector for the county in which the property is located or, if the county assessor-collector does not assess taxes for the county, the person who assesses taxes for the county under Section 6.24(b), contact information for the assessor for each taxing unit in which the property is located, who must provide the information described by this subsection to the owner on request; and

(3) the name, address, and telephone number of the county assessor-collector for the county in which the property is located or, if the county assessor-collector does not assess taxes for the county, the person who assesses taxes for the county under Section 6.24(b).

(e-3) The statement described by Subsection (e-2)(1) must include a heading that is in bold, capital letters in type larger than that used in the other provisions of the notice.

(e-4) The comptroller:

(1) with the advice of the property tax administration advisory board, shall adopt rules prescribing the form of the notice required by Subsection (e-2); and

(2) may adopt rules regarding the format and delivery of the notice.

(e-5) The governing body of a taxing unit shall include as an appendix to the taxing unit's budget for a fiscal year the tax rate calculation forms used by the designated officer or employee of the taxing unit to calculate the no-new-revenue tax rate and the voter-approval tax rate of the taxing unit for the tax year in which the fiscal year begins.

(f) If as a result of consolidation of taxing units a taxing unit includes territory that was in two or more taxing units in the preceding year, the amount of taxes imposed in each in the preceding year is combined for purposes of calculating the no-new-revenue and voter-approval tax rates under this section.

(g) A person who owns taxable property is entitled to an injunction prohibiting the taxing unit in which the property is taxable from adopting a tax rate if the assessor or designated officer or employee of the taxing unit, the chief appraiser of the applicable appraisal district, or the taxing unit, as applicable, has not complied with the computation, publication, or posting requirements of this section or Section 26.16, 26.17, or 26.18. It is a defense in an action for an injunction under this subsection that the failure to comply was in good faith.

(h) For purposes of this section, the anticipated collection rate of a taxing unit is the percentage relationship that the total amount of estimated tax collections for the current year bears to the total amount of taxes imposed for the current year. The total amount of estimated tax collections for the current year is the sum of the collector's estimate of:

(1) the total amount of property taxes imposed in the current year that will be collected before July 1 of the following year, including any penalties and interest on those taxes that will be collected during that period; and

(2) the total amount of delinquent property taxes imposed in previous years that will be collected on or after July 1 of the current year and before July 1 of the following year, including any penalties and interest on those taxes that will be collected during that period.

(h-1) Notwithstanding Subsection (h), if the anticipated collection rate of a taxing unit as calculated under that subsection is lower than the lowest actual collection rate of the taxing unit for any of the preceding three years, the anticipated collection rate of the taxing unit for purposes of this section is equal to the lowest actual collection rate of the taxing unit for any of the preceding three years.

(h-2) The anticipated collection rate of a taxing unit for purposes of this section is the rate calculated under Subsection (h) as modified by Subsection (h-1), if applicable, regardless of whether that rate exceeds 100 percent.

(i) This subsection applies to a taxing unit that has agreed by written contract to transfer a distinct department, function, or activity to another taxing unit and discontinues operating that distinct department, function, or activity if the operation of that department, function, or activity in all or a majority of the territory of the taxing unit is continued by another existing taxing unit or by a new taxing unit. The voter-approval tax rate of a taxing unit to which this subsection applies in the first tax year in which a budget is adopted that does not allocate revenue to the discontinued department, function, or activity is calculated as otherwise provided by this section, except that last year's levy used to calculate the no-new-revenue maintenance and operations rate of the taxing unit is reduced by the amount of maintenance and operations tax revenue spent by the taxing unit to operate the department, function, or activity for the 12 months preceding the month in which the calculations required by this chapter are made and in which the taxing unit operated the discontinued department, function, or activity. If the taxing unit did not operate that department, function, or activity for the full 12 months preceding the month in which the calculations required by this chapter are made, the taxing unit shall reduce last year's levy used for calculating the no-new-revenue maintenance and operations rate of the taxing unit by the amount of the revenue spent in the last full fiscal year in which the taxing unit operated the discontinued department, function, or activity.

(j) This subsection applies to a taxing unit that had agreed by written contract to accept the transfer of a distinct department, function, or activity from another taxing unit and operates a distinct department, function, or activity if the operation of a substantially similar department, function, or activity in all or a majority of the territory of the taxing unit has been discontinued by another taxing unit, including a dissolved taxing unit. The voter-approval tax rate of a taxing unit to which this subsection applies in the first tax year after the other taxing unit discontinued the substantially similar department, function, or activity in which a budget is adopted that allocates revenue to the department, function, or activity is calculated as otherwise provided by this section, except that last year's levy used to calculate the no-new-revenue maintenance and operations rate of the taxing unit is increased by the amount of maintenance and operations tax revenue spent by the taxing unit that discontinued operating the substantially similar department, function, or activity to operate that department, function, or activity for the 12 months preceding the month in which the calculations required by this chapter are made and in which the taxing unit operated the discontinued department, function, or activity. If the taxing unit did not operate the discontinued department, function, or activity for the full 12 months preceding the month in which the calculations required by this chapter are made, the taxing unit may increase last year's levy used to calculate the no-new-revenue maintenance and operations rate by an amount not to exceed the amount of property tax revenue spent by the discontinuing taxing unit to operate the discontinued department, function, or activity in the last full fiscal year in which the discontinuing taxing unit operated the department, function, or activity.

### Sec. 26.041. Tax Rate of Unit Imposing Additional Sales and Use Tax.

(a) In the first year in which an additional sales and use tax is required to be collected, the no-new-revenue tax rate and voter-approval tax rate for the taxing unit are calculated according to the following formulas:

NO-NEW-REVENUE TAX RATE = [(LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] - SALES TAX GAIN RATE

and

VOTER-APPROVAL TAX RATE FOR SPECIAL TAXING UNIT = (NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE x 1.08) + (CURRENT DEBT RATE - SALES TAX GAIN RATE)

or

VOTER-APPROVAL TAX RATE FOR TAXING UNIT OTHER THAN SPECIAL TAXING UNIT = (NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE x 1.035) + (CURRENT DEBT RATE + UNUSED INCREMENT RATE - SALES TAX GAIN RATE)

where "sales tax gain rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the following year as calculated under Subsection (d) by the current total value.

(b) Except as provided by Subsections (a) and (c), in a year in which a taxing unit imposes an additional sales and use tax, the voter-approval tax rate for the taxing unit is calculated according to the following formula, regardless of whether the taxing unit levied a property tax in the preceding year:

VOTER-APPROVAL TAX RATE FOR SPECIAL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.08) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE - SALES TAX REVENUE RATE)

or

VOTER-APPROVAL TAX RATE FOR TAXING UNIT OTHER THAN SPECIAL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.035) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE + UNUSED INCREMENT RATE - SALES TAX REVENUE RATE)

where "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year, and "sales tax revenue rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the revenue that will be generated by the additional sales and use tax in the current year as calculated under Subsection (d) by the current total value.

(c) In a year in which a taxing unit that has been imposing an additional sales and use tax ceases to impose an additional sales and use tax, the no-new-revenue tax rate and voter-approval tax rate for the taxing unit are calculated according to the following formulas:

NO-NEW-REVENUE TAX RATE = [(LAST YEAR'S LEVY - LOST PROPERTY LEVY) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + SALES TAX LOSS RATE and

VOTER-APPROVAL TAX RATE FOR SPECIAL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.08) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + CURRENT DEBT RATE

or

VOTER-APPROVAL TAX RATE FOR TAXING UNIT OTHER THAN SPECIAL TAXING UNIT = [(LAST YEAR'S MAINTENANCE AND OPERATIONS EXPENSE x 1.035) / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)] + (CURRENT DEBT RATE + UNUSED INCREMENT RATE)

where "sales tax loss rate" means a number expressed in dollars per \$100 of taxable value, calculated by dividing the amount of sales and use tax revenue generated in the last four quarters for which the information is available by the current total value and "last year's maintenance and operations expense" means the amount spent for maintenance and operations from property tax and additional sales and use tax revenues in the preceding year.

(c-1) [Repealed by Acts 2021, 87th Leg., ch. 884 (S.B. 1438) § 10(3), effective September 1, 2021.]

(d) In order to determine the amount of additional sales and use tax revenue for purposes of this section, the designated officer or employee shall use the sales and use tax revenue for the last preceding four quarters for which the information is available as the basis for projecting the additional sales and use tax revenue for the current tax year. If the rate of the additional sales and use tax is increased or reduced, the projection to be used for the first tax year after the effective date of the sales and use tax change shall be adjusted to exclude any revenue gained or lost because of the sales and use tax rate change. If the unit did not impose an additional sales and use tax for the last preceding four quarters, the designated officer or employee shall request the comptroller of public accounts to provide to the officer or employee a report showing the estimated amount of taxable sales and uses within the unit for the previous four quarters as compiled by the comptroller, and the comptroller shall comply with the request. The officer or employee shall prepare the estimate of the additional sales and use tax revenue for the first year of the imposition of the tax by multiplying the

amount reported by the comptroller by the appropriate additional sales and use tax rate and by multiplying that product by .95.

(e) If a city that imposes an additional sales and use tax receives payments under the terms of a contract executed before January 1, 1986, in which the city agrees not to annex certain property or a certain area and the owners or lessees of the property or of property in the area agree to pay at least annually to the city an amount determined by reference to all or a percentage of the property tax rate of the city and all or a part of the value of the property subject to the agreement or included in the area subject to the agreement, the governing body, by order adopted by a majority vote of the governing body, may direct the designated officer or employee to add to the no-new-revenue and voter-approval tax rates the amount that, when applied to the total taxable value submitted to the governing body, would produce an amount of taxes equal to the difference between the total amount of payments for the tax year under contracts described by this subsection under the voter-approval tax rate calculated under this section and the total amount of payments for the tax year that would have been obligated to the city if the city had not adopted an additional sales and use tax.

(f) An estimate made by the comptroller under Subsection (d) of this section need not be adjusted to take into account any projection of additional revenue attributable to increases in the total value of items taxable under the state sales and use tax because of amendments of Chapter 151, Tax Code.

(g) If the rate of the additional sales and use tax is increased, the designated officer or employee shall make two projections, in the manner provided by Subsection (d), of the revenue generated by the additional sales and use tax in the following year. The first projection must take into account the increase and the second projection must not take into account the increase. The designated officer or employee shall then subtract the amount of the result of the second projection from the amount of the result of the first projection to determine the revenue generated as a result of the increase in the additional sales and use tax. In the first year in which an additional sales and use tax is increased, the no-new-revenue tax rate for the taxing unit is the no-new-revenue tax rate before the increase minus a number the numerator of which is the revenue generated as a result of the increase in the additional sales and use tax, as determined under this subsection, and the denominator of which is the current total value minus the new property value.

(h) If the rate of the additional sales and use tax is decreased, the designated officer or employee shall make two projections, in the manner provided by Subsection (d), of the revenue generated by the additional sales and use tax in the following year. The first projection must take into account the decrease and the second projection must not take into account the decrease. The designated officer or employee shall then subtract the amount of the result of the first projection from the amount of the result of the second projection to determine the revenue lost as a result of the decrease in the additional sales and use tax. In the first year in which an additional sales and use tax is decreased, the no-new-revenue tax rate for the taxing unit is the no-new-revenue tax rate before the decrease plus a number the numerator of which is the revenue lost as a result of the decrease in the additional sales and use tax, as determined under this subsection, and the denominator of which is the current total value minus the new property value.

(i) Any amount derived from the sales and use tax that is or will be distributed by a county to the recipient of an economic development grant made under Chapter 381, Local Government Code, is not considered to be sales and use tax revenue for purposes of this section.

(j) Any amount derived from the sales and use tax that is retained by the comptroller under Chapters 476 or 477, Government Code, is not considered to be sales and use tax revenue for purposes of this section.

#### **Sec. 26.042. Effective Tax Rate in County Imposing Sales and Use Tax [Repealed].**

Repealed by Acts 1987, 70th Leg., ch. 947 (H.B. 1866), § 5, effective January 1, 1988 and by Acts 1997, 75th Leg., ch. 165 (S.B. 898), § 29.09, effective September 1, 1997.

**HISTORY:** Enacted by Acts 1986, 69th Leg., 3rd C.S., ch. 10 (H.B. 79), Art. 1, § 33, effective January 1, 1987; am. Acts 1987, 70th Leg., ch. 11 (S.B. 299), § 12, effective April 2, 1987.

#### **Sec. 26.042. Calculation and Adoption of Certain Tax Rates in Disaster Area.**

(a) Notwithstanding Sections 26.04 and 26.041, the governing body of a taxing unit other than a school district or a special taxing unit may direct the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit if any part of the taxing unit is located in an area declared a disaster area during the current tax year by the governor or by the president of the United States and at least one person is granted an exemption under Section 11.35 for property located in the taxing unit. The designated officer or employee shall continue calculating the voter-approval tax rate in the manner provided by this subsection until the earlier of:

(1) the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred; or

(2) the third tax year after the tax year in which the disaster occurred.

(b) In the first tax year following the last tax year for which the designated officer or employee calculates a taxing unit's voter-approval tax rate in the manner provided by Subsection (a), the taxing unit's voter-approval tax rate is reduced by the taxing unit's emergency revenue rate. For purposes of this subsection, a taxing unit's emergency revenue rate means a rate expressed in dollars per \$100 of taxable value calculated according to the following formula:

EMERGENCY REVENUE RATE = [(LAST YEAR'S ADOPTED TAX RATE - ADJUSTED VOTER-APPROVAL TAX RATE) x LAST YEAR'S TOTAL VALUE] / (CURRENT TOTAL VALUE - NEW PROPERTY VALUE)

(c) For purposes of Subsection (b), "adjusted voter-approval tax rate" means the voter-approval tax rate a taxing unit would have calculated in the last year for which Subsection (a) applied to the taxing unit if in each tax year Subsection (a) applied to the taxing unit the taxing unit adopted a tax rate equal to the greater of:

(1) the tax rate actually adopted by the taxing unit for that tax year, if that tax rate was approved by the voters at an election held under Section 26.07; or

(2) the taxing unit's voter-approval tax rate for that tax year, calculated in the manner provided for a taxing unit other than a special taxing unit.

(d) When increased expenditure of money by a taxing unit other than a school district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, epidemic, or pandemic, that has impacted the taxing unit and the governor has declared any part of the area in which the taxing unit is located as a disaster area, an election is not required under Section 26.07 to approve the tax rate adopted by the governing body for the year following the year in which the disaster occurs.

(e) When increased expenditure of money by a school district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, epidemic, or pandemic, that has impacted the school district and the governor has requested federal disaster assistance for the area in which the school district is located, an election is not required under Section 26.08 to approve the tax rate adopted by the governing body of the school district for the year following the year in which the disaster occurs. A tax rate adopted under this subsection applies only in the year for which the rate is adopted.

(f) If a taxing unit adopts a tax rate under Subsection (d) or (e), the amount by which that rate exceeds the taxing unit's voter-approval tax rate for that tax year may not be considered when calculating the taxing unit's voter-approval tax rate for the tax year following the year in which the taxing unit adopts the rate.

(g) A taxing unit that in a tax year elects to calculate the taxing unit's voter-approval tax rate under Subsection (a) or adopt a tax rate that exceeds the taxing unit's voter-approval tax rate for that tax year without holding an election under Subsection (d) or (e) must specify the disaster declaration that provides the basis for authorizing the taxing unit to calculate or adopt a tax rate under the applicable subsection. A taxing unit that in a tax year specifies a disaster declaration as providing the basis for authorizing the taxing unit to calculate or adopt a tax rate under Subsection (a), (d), or (e) may not in a subsequent tax year specify the same disaster declaration as providing the basis for authorizing the taxing unit to calculate or adopt a tax rate under one of those subsections if in an intervening tax year the taxing unit specifies a different disaster declaration as the basis for authorizing the taxing unit to calculate or adopt a tax rate under one of those subsections.

**HISTORY:** Enacted by Acts 2021, 87th Leg., ch. 884 (S.B. 1438), § 6, effective June 16, 2021.

#### **Sec. 26.043. Voter-Approval and No-New-Revenue Tax Rates in City Imposing Mass Transit Sales and Use Tax.**

(a) In the tax year in which a city has set an election on the question of whether to impose a local sales and use tax under Subchapter H, Chapter 453, Transportation Code, the officer or employee designated to make the calculations provided by Section 26.04 may not make those calculations until the outcome of the election is determined. If the election is determined in favor of the imposition of the tax, the designated officer or employee shall subtract from the city's voter-approval and no-new-revenue tax rates the amount that, if applied to the city's current total value, would impose an amount equal to the amount of property taxes budgeted in the current tax year to pay for expenses related to mass transit services.

(b) In a tax year to which this section applies, a reference in this chapter to the city's no-new-revenue or voter-approval tax rate refers to that rate as adjusted under this section.

(c) For the purposes of this section, "mass transit services" does not include the construction, reconstruction, or general maintenance of municipal streets.

**HISTORY:** Enacted by Acts 1986, 69th Leg., 3rd C.S., ch. 10 (H.B. 79), art. 1, § 35, effective January 1, 1987; am. Acts 1987, 70th Leg., ch. 947 (H.B. 1866), § 6, effective January 1, 1988; am. Acts 1991, 72nd Leg., ch. 736 (S.B. 788), § 1, effective June 15, 1991; am. Acts 1997, 75th Leg., ch. 165 (S.B. 898), § 29.05, effective September 1, 1997; am. Acts 2019, 86th Leg., ch. 944 (S.B. 2), §§ 38, 39, effective January 1, 2020.

#### **Sec. 26.044. No-New-Revenue Tax Rate to Pay for State Criminal Justice Mandate.**

(a) The first time that a county adopts a tax rate after September 1, 1991, in which the state criminal justice mandate

applies to the county, the no-new-revenue maintenance and operation rate for the county is increased by the rate calculated according to the following formula:

(State Criminal Justice Mandate) / (Current Total Value - New Property Value)

(b) In the second and subsequent years that a county adopts a tax rate, if the amount spent by the county for the state criminal justice mandate increased over the previous year, the no-new-revenue maintenance and operation rate for the county is increased by the rate calculated according to the following formula:

(This Year's State Criminal Justice Mandate - Previous Year's State Criminal Justice Mandate) / (Current Total Value - New Property Value)

(c) The county shall include a notice of the increase in the no-new-revenue maintenance and operation rate provided by this section, including a description and amount of the state criminal justice mandate, in the information published under Section 26.04(e) and, as applicable, in the notice prescribed by Section 26.06 or 26.061.

(d) In this section, "state criminal justice mandate" means the amount spent by the county in the previous 12 months providing for the maintenance and operation cost of keeping inmates in county-paid facilities after they have been sentenced to the Texas Department of Criminal Justice as certified by the county auditor based on information provided by the county sheriff, minus the amount received from state revenue for reimbursement of such costs.

**HISTORY:** Enacted by Acts 1991, 72nd Leg., 2nd C.S., ch. 10 (H.B. 93), § 11.10, effective August 29, 1991; am. Acts 2009, 81st Leg., ch. 87 (S.B. 1969), § 25.153, effective September 1, 2009; am. Acts 2019, 86th Leg., ch. 944 (S.B. 2), §§ 40, 41, effective January 1, 2020.

#### **Sec. 26.0441. Tax Rate Adjustment for Indigent Health Care.**

(a) In the first tax year in which a taxing unit adopts a tax rate after January 1, 2000, and in which the enhanced minimum eligibility standards for indigent health care established under Section 61.006, Health and Safety Code, apply to the taxing unit, the no-new-revenue maintenance and operations rate for the taxing unit is increased by the rate computed according to the following formula:

Amount of Increase = Enhanced Indigent Health Care Expenditures / (Current Total Value - New Property Value)

(b) In each subsequent tax year, if the taxing unit's enhanced indigent health care expenses exceed the amount of those expenses for the preceding year, the no-new-revenue maintenance and operations rate for the taxing unit is increased by the rate computed according to the following formula:

Amount of Increase = (Current Tax Year's Enhanced Indigent Health Care Expenditures - Preceding Tax Year's Indigent Health Care Expenditures) / (Current Total Value - New Property Value)

(c) The taxing unit shall include a notice of the increase in its no-new-revenue maintenance and operations rate provided by this section, including a brief description and the amount of the enhanced indigent health care expenditures, in the information published under Section 26.04(e) and, as applicable, in the notice prescribed by Section 26.06 or 26.061.

(d) In this section, "enhanced indigent health care expenditures" for a tax year means the amount spent by the taxing unit for the maintenance and operation costs of providing indigent health care at the increased minimum eligibility standards established under Section 61.006, Health and Safety Code, effective on or after January 1, 2000, in the period beginning on July 1 of the year preceding the tax year for which the tax is adopted and ending on June 30 of the tax year for which the tax is adopted, less the amount of state assistance received by the taxing unit in accordance with Chapter 61, Health and Safety Code, that is attributable to those costs.

(e) [Expired pursuant to Acts 1999, 76th Leg., ch. 1377 (H.B. 1398), § 1.27, effective January 1, 2002.]

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 1377 (H.B. 1398), § 1.27, effective September 1, 1999; am. Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 42, effective January 1, 2020.

#### **Sec. 26.0442. Tax Rate Adjustment for County Indigent Defense Compensation Expenditures.**

(a) In this section, "indigent defense compensation expenditures" for a tax year means the difference between:

(1) the amount paid by a county in the period beginning on July 1 of the tax year preceding the tax year for which the tax is adopted and ending on June 30 of the tax year for which the tax is adopted to:

(A) provide appointed counsel for indigent individuals in criminal or civil proceedings in accordance with the schedule of fees adopted under Article 26.05, Code of Criminal Procedure; and

(B) fund the operations of a public defender's office under Article 26.044, Code of Criminal Procedure; and

(2) the amount of any state grants received by the county during that period for those purposes.

(b) If a county's indigent defense compensation expenditures exceed the amount of those expenditures for the preceding tax year, the no-new-revenue maintenance and operations rate for the county is increased by the lesser of the rates computed according to the following formulas:

(Current Tax Year's Indigent Defense Compensation Expenditures - Preceding Tax Year's Indigent Defense Compensation Expenditures) / (Current Total Value - New Property Value)

or

(Preceding Tax Year's Indigent Defense Compensation Expenditures x 0.05) / (Current Total Value - New Property Value)

(c) The county shall include a notice of the increase in the no-new-revenue maintenance and operations rate provided by this section, including a description and the amount of indigent defense compensation expenditures, in the information published under Section 26.04(e) and, as applicable, in the notice prescribed by Section 26.06 or 26.061.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 43, effective January 1, 2020; am. Acts 2021, 87th Leg., ch. 477 (H.B. 295), § 4, effective September 1, 2021.

**Sec. 26.0443. Tax Rate Adjustment for Eligible County Hospital Expenditures.**

(a) In this section:

(1) "Eligible county hospital" means a hospital that:

(A) is:

- (i) owned or leased by a county and operated in accordance with Chapter 263, Health and Safety Code; or
- (ii) owned or leased jointly by a municipality and a county and operated in accordance with Chapter 265, Health and Safety Code; and

(B) is located in an area not served by a hospital district created under Sections 4 through 11, Article IX, Texas Constitution.

(2) "Eligible county hospital expenditures" for a tax year means the amount paid by a county or municipality in the period beginning on July 1 of the tax year preceding the tax year for which the tax is adopted and ending on June 30 of the tax year for which the tax is adopted to maintain and operate an eligible county hospital.

(b) If a county's or municipality's eligible county hospital expenditures exceed the amount of those expenditures for the preceding tax year, the no-new-revenue maintenance and operations rate for the county or municipality, as applicable, is increased by the lesser of the rates computed according to the following formulas:

$(\text{Current Tax Year's Eligible County Hospital Expenditures} - \text{Preceding Tax Year's Eligible County Hospital Expenditures}) / (\text{Current Total Value} - \text{New Property Value})$

or

$(\text{Preceding Tax Year's Eligible County Hospital Expenditures} \times 0.08) / (\text{Current Total Value} - \text{New Property Value})$

(c) The county or municipality shall include a notice of the increase in the no-new-revenue maintenance and operations rate provided by this section, including a description and amount of eligible county hospital expenditures, in the information published under Section 26.04(e) and, as applicable, in the notice prescribed by Section 26.06 or 26.061.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 43, effective January 1, 2020.

**Sec. 26.0444. Tax Rate Adjustment for Defunding Municipality.**

(a) In this section:

(1) "Defunding municipality" means a municipality that is considered to be a defunding municipality for the current tax year under Chapter 109, Local Government Code.

(2) "Municipal public safety expenditure adjustment" means an amount equal to the positive difference, if any, between:

(A) the amount of money appropriated for public safety in the budget adopted by the municipality for the preceding fiscal year; and

(B) the amount of money spent by the municipality for public safety during the period for which the budget described by Paragraph (A) is in effect.

(b) The no-new-revenue maintenance and operations rate for a defunding municipality is decreased by the rate computed according to the following formula:

$\text{Municipal Public Safety Expenditure Adjustment} / (\text{Current Total Value} - \text{New Property Value})$

(c) A defunding municipality shall provide a notice of the decrease in the no-new-revenue maintenance and operations rate provided by this section in the information published under Section 26.04(e) and, as applicable, in the notice prescribed by Section 26.06 or 26.061.

(d) For purposes of Subsection (a)(2), the amount of money appropriated for public safety and the amount of money spent by the municipality for public safety does not include:

(1) any grant money received by the municipality during any fiscal year; or

(2) any sales and use tax revenue received by the municipality for the purpose of financing a crime control and prevention district under Chapter 363, Local Government Code, during any fiscal year.

**HISTORY:** Enacted by Acts 2021, 87th Leg., ch. 199 (H.B. 1900), § 3.01, effective September 1, 2021.

**Sec. 26.045. Voter-Approval Tax Rate Relief for Pollution Control Requirements.**

(a) The voter-approval tax rate for a political subdivision of this state is increased by the rate that, if applied to the current total value, would impose an amount of taxes equal to the amount the political subdivision will spend out of its maintenance and operation funds under Section 26.012(16) to pay for a facility, device, or method for the control of air, water, or land pollution that is necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality.

(b) In this section, "facility, device, or method for control of air, water, or land pollution" means any land, structure, building, installation, excavation, machinery, equipment, or device, and any attachment or addition to or reconstruction, replacement, or improvement of that property, that is used, constructed, acquired, or installed wholly or partly to

meet or exceed rules or regulations adopted by any environmental protection agency of the United States or this state for the prevention, monitoring, control, or reduction of air, water, or land pollution.

(c) To receive an adjustment to the voter-approval tax rate under this section, a political subdivision shall present information to the executive director of the Texas Commission on Environmental Quality in a permit application or in a request for any exemption from a permit that would otherwise be required detailing:

- (1) the anticipated environmental benefits from the installation of the facility, device, or method for the control of air, water, or land pollution;
- (2) the estimated cost of the pollution control facility, device, or method; and
- (3) the purpose of the installation of the facility, device, or method, and the proportion of the installation that is pollution control property.

(d) Following submission of the information required by Subsection (c), the executive director of the Texas Commission on Environmental Quality shall determine whether the facility, device, or method is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution. If the executive director determines that the facility, device, or method is used wholly or partly to control pollution, the director shall issue a letter to the political subdivision stating that determination and the portion of the cost of the installation that is pollution control property.

(e) The Texas Commission on Environmental Quality may charge a political subdivision seeking a determination that property is pollution control property an additional fee not to exceed its administrative costs for processing the information, making the determination, and issuing the letter required by this section. The commission may adopt rules to implement this section.

(f) The Texas Commission on Environmental Quality shall adopt rules establishing a nonexclusive list of facilities, devices, or methods for the control of air, water, or land pollution, which must include:

- (1) coal cleaning or refining facilities;
- (2) atmospheric or pressurized and bubbling or circulating fluidized bed combustion systems and gasification fluidized bed combustion combined cycle systems;
- (3) ultra-supercritical pulverized coal boilers;
- (4) flue gas recirculation components;
- (5) syngas purification systems and gas-cleanup units;
- (6) enhanced heat recovery systems;
- (7) exhaust heat recovery boilers;
- (8) heat recovery steam generators;
- (9) superheaters and evaporators;
- (10) enhanced steam turbine systems;
- (11) methanation;
- (12) coal combustion or gasification byproduct and coproduct handling, storage, or treatment facilities;
- (13) biomass cofiring storage, distribution, and firing systems;
- (14) coal cleaning or drying processes such as coal drying/moisture reduction, air jigging, precombustion decarbonization, and coal flow balancing technology;
- (15) oxy-fuel combustion technology, amine or chilled ammonia scrubbing, fuel or emission conversion through the use of catalysts, enhanced scrubbing technology, modified combustion technology such as chemical looping, and cryogenic technology;
- (16) if the United States Environmental Protection Agency adopts a final rule or regulation regulating carbon dioxide as a pollutant, property that is used, constructed, acquired, or installed wholly or partly to capture carbon dioxide from an anthropogenic source in this state that is geologically sequestered in this state;
- (17) fuel cells generating electricity using hydrogen derived from coal, biomass, petroleum coke, or solid waste; and
- (18) any other equipment designed to prevent, capture, abate, or monitor nitrogen oxides, volatile organic compounds, particulate matter, mercury, carbon monoxide, or any criteria pollutant.

(g) The Texas Commission on Environmental Quality by rule shall update the list adopted under Subsection (f) at least once every three years. An item may be removed from the list if the commission finds compelling evidence to support the conclusion that the item does not render pollution control benefits.

(h) Notwithstanding the other provisions of this section, if the facility, device, or method for the control of air, water, or land pollution described in a permit application or in a request for any exemption from a permit that would otherwise be required is a facility, device, or method included on the list adopted under Subsection (f), the executive director of the Texas Commission on Environmental Quality, not later than the 30th day after the date of receipt of the information required by Subsections (c)(2) and (3) and without regard to whether the information required by Subsection (c)(1) has been submitted, shall determine that the facility, device, or method described in the permit application or in the request for an exemption from a permit that would otherwise be required is used wholly or partly as a facility, device, or method for the control of air, water, or land pollution and shall take the action that is required by Subsection (d) in the event such a determination is made.

(i) A political subdivision of the state seeking an adjustment in its voter-approval tax rate under this section shall provide to its tax assessor a copy of the letter issued by the executive director of the Texas Commission on Environmental Quality under Subsection (d). The tax assessor shall accept the copy of the letter from the executive director as conclusive evidence that the facility, device, or method is used wholly or partly as pollution control property and shall adjust the voter-approval tax rate for the political subdivision as provided for by Subsection (a).

### Sec. 26.05. Tax Rate.

(a) The governing body of each taxing unit shall adopt a tax rate for the current tax year and shall notify the assessor for the taxing unit of the rate adopted. The governing body must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the taxing unit, except that the governing body must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date prescribed by Section 41.001, Election Code, that occurs in November of that year. The tax rate consists of two components, each of which must be approved separately. The components are:

(1) for a taxing unit other than a school district, the rate that, if applied to the total taxable value, will impose the total amount described by Section 26.04(e)(3)(C), less any amount of additional sales and use tax revenue that will be used to pay debt service, or, for a school district, the rate calculated under Section 44.004(c)(5)(A)(ii)(b), Education Code; and

(2) the rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the taxing unit for the next year.

(b) A taxing unit may not impose property taxes in any year until the governing body has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order, depending on the method prescribed by law for adoption of a law by the governing body. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. For a taxing unit other than a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. For a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the no-new-revenue maintenance and operations tax rate of the district as determined under Section 26.08(i) and the district's current debt rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate." If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, the taxing unit must:

(1) include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:

(A) the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE."; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and

(2) include on the home page of the Internet website of the taxing unit:

(A) the following statement: "(Insert name of taxing unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

(c) If the governing body of a taxing unit does not adopt a tax rate before the date required by Subsection (a), the tax rate for the taxing unit for that tax year is the lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the taxing unit for the preceding tax year. A tax rate established by this subsection is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this subsection, the governing body of the taxing unit must ratify the applicable tax rate in the manner required by Subsection (b).

(d) The governing body of a taxing unit other than a school district may not adopt a tax rate that exceeds the lower of the voter-approval tax rate or the no-new-revenue tax rate calculated as provided by this chapter until the governing body has held a public hearing on the proposed tax rate and has otherwise complied with Section 26.06 and Section 26.065. The governing body of a taxing unit shall reduce a tax rate set by law or by vote of the electorate to the lower of the voter-approval tax rate or the no-new-revenue tax rate and may not adopt a higher rate unless it first complies with Section 26.06.

(d-1) The governing body of a taxing unit other than a school district may not hold a public hearing on a proposed tax rate or a public meeting to adopt a tax rate until the fifth day after the date the chief appraiser of each appraisal district in which the taxing unit participates has:

- (1) delivered the notice required by Section 26.04(e-2); and
- (2) complied with Section 26.17(f).

(d-2) Notwithstanding Subsection (a), the governing body of a taxing unit other than a school district may not adopt a tax rate until the chief appraiser of each appraisal district in which the taxing unit participates has complied with Subsection (d-1).

(e) A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a taxing unit in which the property is taxable if the taxing unit has not complied with the requirements of this section or Section 26.04. It is a defense in an action for an injunction under this subsection that the failure to comply was in good faith. An action to enjoin the collection of taxes must be filed not later than the 15th day after the date the taxing unit adopts a tax rate. A property owner is not required to pay the taxes imposed by a taxing unit on the owner's property while an action filed by the property owner to enjoin the collection of taxes imposed by the taxing unit on the owner's property is pending. If the property owner pays the taxes and subsequently prevails in the action, the property owner is entitled to a refund of the taxes paid, together with reasonable attorney's fees and court costs. The property owner is not required to apply to the collector for the taxing unit to receive the refund.

(e-1) The governing body of a taxing unit that imposes an additional sales and use tax may not adopt the component of the tax rate of the taxing unit described by Subsection (a)(1) of this section until the chief financial officer or the auditor for the taxing unit submits to the governing body of the taxing unit a written certification that the amount of additional sales and use tax revenue that will be used to pay debt service has been deducted from the total amount described by Section 26.04(e)(3)(C) as required by Subsection (a)(1) of this section. The comptroller shall prescribe the form of the certification required by this subsection and the manner in which it is required to be submitted.

(f) Except as required by the law under which an obligation was created, the governing body may not apply any tax revenues generated by the rate described in Subsection (a)(1) of this section for any purpose other than the retirement of debt.

(g) Notwithstanding Subsection (a), the governing body of a school district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the school district if the chief appraiser of the appraisal district in which the school district participates has certified to the assessor for the school district an estimate of the taxable value of property in the school district as provided by Section 26.01(e). If a school district adopts a tax rate under this subsection, the no-new-revenue tax rate and the voter-approval tax rate of the district shall be calculated based on the certified estimate of taxable value.

### **Sec. 26.0501. Limitation on Tax Rate of Defunding Municipality.**

(a) In this section, "defunding municipality" means a municipality that is considered to be a defunding municipality for the current tax year under Chapter 109, Local Government Code.

(b) Notwithstanding any other provision of this chapter or other law, the governing body of a defunding municipality may not adopt a tax rate for the current tax year that exceeds the lesser of the defunding municipality's no-new-revenue tax rate or voter-approval tax rate for that tax year.

(b-1) **[Expires September 1, 2023]** Notwithstanding Subsection (b), if a municipality is determined to be a defunding municipality according to the budget adopted by the municipality for the first fiscal year beginning on or after September 1, 2021, the governing body of the defunding municipality may not adopt a tax rate for the current year that exceeds the least of the defunding municipality's no-new-revenue tax rate or voter-approval tax rate for that tax year, the preceding tax year, or the second preceding tax year. This subsection expires September 1, 2023.

(c) For purposes of making the calculation required under Section 26.013, in a tax year in which a municipality is a defunding municipality, the difference between the municipality's actual tax rate and voter-approval tax rate is considered to be zero.

**HISTORY:** Enacted by Acts 2021, 87th Leg., ch. 199 (H.B. 1900), § 3.01, effective September 1, 2021.

### **Sec. 26.051. Evidence of Unrecorded Tax Rate Adoption.**

(a) If a taxing unit does not make a proper record of the adoption of a tax rate for a year but the tax rate can be determined by examining the tax rolls for that year, the governing body of the taxing unit may take testimony or make

other inquiry to determine whether a tax rate was properly adopted for that year. If the governing body determines that a tax rate was properly adopted, it may order that its official records for that year be amended nunc pro tunc to reflect the adoption of the rate.

(b) An amendment of the official records made under Subsection (a) of this section is prima facie evidence that the tax rate entered into the records was properly and regularly adopted for that year.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 2 (S.B. 221), § 14.01(a), effective August 28, 1989.

**Sec. 26.052. Simplified Tax Rate Notice for Taxing Units with Low Tax Levies.**

(a) This section applies only to a taxing unit for which the total tax rate proposed for the current tax year:

- (1) is 50 cents or less per \$100 of taxable value; and
- (2) would impose taxes of \$500,000 or less when applied to the current total value for the taxing unit.

(b) A taxing unit to which this section applies is exempt from the notice and publication requirements of Section 26.04(e) and is not subject to an injunction under Section 26.04(g) for failure to comply with those requirements.

(c) A taxing unit to which this section applies may provide public notice of its proposed tax rate in either of the following methods not later than the seventh day before the date on which the tax rate is adopted:

- (1) mailing a notice of the proposed tax rate to each owner of taxable property in the taxing unit; or
- (2) publishing notice of the proposed tax rate in the legal notices section of a newspaper having general circulation in the taxing unit.

(d) A taxing unit that provides public notice of a proposed tax rate under Subsection (c) is exempt from Sections 26.05(d) and 26.06 and is not subject to an injunction under Section 26.05(e) for failure to comply with Section 26.05(d). A taxing unit that provides public notice of a proposed tax rate under Subsection (c) may not adopt a tax rate that exceeds the rate set out in the notice unless the taxing unit provides additional public notice under Subsection (c) of the higher rate or complies with Sections 26.05(d) and 26.06, as applicable, in adopting the higher rate.

(e) Public notice provided under Subsection (c) must specify:

- (1) the tax rate that the governing body proposes to adopt;
- (2) the date, time, and location of the meeting of the governing body of the taxing unit at which the governing body will consider adopting the proposed tax rate; and
- (3) if the proposed tax rate for the taxing unit exceeds the taxing unit’s no-new-revenue tax rate calculated as provided by Section 26.04, a statement substantially identical to the following: “The proposed tax rate would increase total taxes in (name of taxing unit) by (percentage by which the proposed tax rate exceeds the no-new-revenue tax rate).”

(e-1) Public notice provided under Subsection (c) must include the following statement: “Visit [Texas.gov/Property-Taxes](http://Texas.gov/Property-Taxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.”

(f) A taxing unit to which this section applies that elects to provide public notice of its proposed tax rate under Subsection (c)(2) must also provide public notice of its proposed tax rate by posting notice of the proposed tax rate, including the information prescribed by Subsection (e), prominently on the home page of the Internet website of the taxing unit.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 255 (H.B. 1520), § 1, effective May 28, 1999; am. Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 47, effective January 1, 2020; am. Acts 2021, 87th Leg., ch. 209 (H.B. 2723), § 4, effective June 3, 2021.

**Sec. 26.06. Notice, Hearing, and Vote on Tax Increase.**

(a) A public hearing required by Section 26.05 may not be held before the fifth day after the date the notice of the public hearing is given. The hearing must be on a weekday that is not a public holiday. The hearing must be held inside the boundaries of the unit in a publicly owned building or, if a suitable publicly owned building is not available, in a suitable building to which the public normally has access. At the hearing, the governing body must afford adequate opportunity for proponents and opponents of the tax increase to present their views.

(b) The notice of a public hearing may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 24-point or larger type.

(b-1) If the proposed tax rate exceeds the no-new-revenue tax rate and the voter-approval tax rate of the taxing unit, the notice must contain a statement in the following form:

NOTICE OF PUBLIC HEARING ON TAX INCREASE	
PROPOSED TAX RATE	\$ _____ per \$100
NO-NEW-REVENUE TAX RATE	\$ _____ per \$100
VOTER-APPROVAL TAX RATE	\$ _____ per \$100

The no-new-revenue tax rate is the tax rate for the (current tax year) tax year that will raise the same amount of property tax revenue for (name of taxing unit) from the same properties in both the (preceding tax year) tax year and the (current tax year) tax year.

The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that (name of taxing unit) is proposing to increase property taxes for the (current tax year) tax year.

A public hearing on the proposed tax rate will be held on (date and time) at (meeting place).

The proposed tax rate is also greater than the voter-approval tax rate. If (name of taxing unit) adopts the proposed tax rate, (name of taxing unit) is required to hold an election so that the voters may accept or reject the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the (name of taxing unit) will be the voter-approval tax rate. The election will be held on (date of election). You may contact the (name of office responsible for administering the election) for information about voting locations. The hours of voting on election day are (voting hours).

Your taxes owed under any of the tax rates mentioned above can be calculated as follows:

Property tax amount = tax rate x taxable value of your property / 100

(Names of all members of the governing body, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating the absences.)

“Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

“The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.”

(b-2) If the proposed tax rate exceeds the no-new-revenue tax rate but does not exceed the voter-approval tax rate of the taxing unit, the notice must contain a statement in the following form:

NOTICE OF PUBLIC HEARING ON TAX INCREASE	
PROPOSED TAX RATE	\$ _____ per \$100
NO-NEW-REVENUE TAX RATE	\$ _____ per \$100
VOTER-APPROVAL TAX RATE	\$ _____ per \$100

The no-new-revenue tax rate is the tax rate for the (current tax year) tax year that will raise the same amount of property tax revenue for (name of taxing unit) from the same properties in both the (preceding tax year) tax year and the (current tax year) tax year.

The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that (name of taxing unit) is proposing to increase property taxes for the (current tax year) tax year.

A public hearing on the proposed tax rate will be held on (date and time) at (meeting place).

The proposed tax rate is not greater than the voter-approval tax rate. As a result, (name of taxing unit) is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the (name of governing body) of (name of taxing unit) at their offices or by attending the public hearing mentioned above.

Your taxes owed under any of the tax rates mentioned above can be calculated as follows:

Property tax amount = tax rate x taxable value of your property / 100

(Names of all members of the governing body, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating the absences.)

“Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

“The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.”

(b-3) If the proposed tax rate does not exceed the no-new-revenue tax rate but exceeds the voter-approval tax rate of the taxing unit, the notice must contain a statement in the following form:

NOTICE OF PUBLIC HEARING ON TAX RATE	
PROPOSED TAX RATE	\$ _____ per \$100
NO-NEW-REVENUE TAX RATE	\$ _____ per \$100
VOTER-APPROVAL TAX RATE	\$ _____ per \$100

The no-new-revenue tax rate is the tax rate for the (current tax year) tax year that will raise the same amount of property tax revenue for (name of taxing unit) from the same properties in both the (preceding tax year) tax year and the (current tax year) tax year.

The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that (name of taxing unit) is not proposing to increase property taxes for the (current tax year) tax year.

A public hearing on the proposed tax rate will be held on (date and time) at (meeting place).

The proposed tax rate is greater than the voter-approval tax rate. If (name of taxing unit) adopts the proposed tax rate, (name of taxing unit) is required to hold an election so that the voters may accept or reject the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the (name of taxing unit) will be the voter-approval tax rate. The election will be held on (date of election). You may contact the (name of office responsible for administering the election) for information about voting locations. The hours of voting on election day are (voting hours).

Your taxes owed under any of the tax rates mentioned above can be calculated as follows:

Property tax amount = tax rate x taxable value of your property / 100

(Names of all members of the governing body, showing how each voted on the proposal to consider the tax rate or, if one or more were absent, indicating the absences.)

**Sec. 26.061. Notice of Meeting to Vote on Proposed Tax Rate That Does Not Exceed Lower of No-New-Revenue or Voter-Approval Tax Rate.**

(a) This section applies only to the governing body of a taxing unit other than a school district that proposes to adopt a tax rate that does not exceed the lower of the no-new-revenue tax rate or the voter-approval tax rate calculated as provided by this chapter.

(b) The notice of the meeting at which the governing body of the taxing unit will vote on the proposed tax rate must contain a statement in the following form:

NOTICE OF MEETING TO VOTE ON TAX RATE

PROPOSED TAX RATE	\$ _____	per \$100
NO-NEW-REVENUE TAX RATE	\$ _____	per \$100
VOTER-APPROVAL TAX RATE	\$ _____	per \$100

The no-new-revenue tax rate is the tax rate for the (current tax year) tax year that will raise the same amount of property tax revenue for (name of taxing unit) from the same properties in both the (preceding tax year) tax year and the (current tax year) tax year.

The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that (name of taxing unit) is not proposing to increase property taxes for the (current tax year) tax year.

A public meeting to vote on the proposed tax rate will be held on (date and time) at (meeting place).

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, (name of taxing unit) is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the (name of governing body) of (name of taxing unit) at their offices or by attending the public meeting mentioned above.

Your taxes owed under any of the above rates can be calculated as follows:

Property tax amount = tax rate x taxable value of your property / 100

(Names of all members of the governing body, showing how each voted on the proposed tax rate or, if one or more were absent, indicating the absences.)

“Visit [Texas.gov/PropertyTaxes](http://Texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

“The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.”

(c) In addition to including the information described by Subsection (b), the notice must include the information described by Section 26.062.

(d) The notice required under this section must be provided in the manner required under Section 26.06(c).

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 49, effective January 1, 2020; am. Acts 2021, 87th Leg., ch. 209 (H.B. 2723), § 6, effective June 3, 2021.

(1) the first column of the fourth row must be entitled “Tax on average homestead”;

(2) the second column of the fourth row must state the amount of taxes imposed by the taxing unit in the preceding tax year on a residence homestead with a taxable value equal to the average taxable value of a residence homestead in the taxing unit in the preceding tax year;

(3) the third column of the fourth row must state the amount of taxes that would be imposed by the taxing unit in the current tax year on a residence homestead with a taxable value equal to the average taxable value of a residence homestead in the taxing unit in the current tax year if the taxing unit adopted the proposed tax rate; and

(4) the fourth column of the fourth row must state the nominal and percentage difference between the amount of taxes imposed by the taxing unit in the preceding tax year on a residence homestead with a taxable value equal to the average taxable value of a residence homestead in the taxing unit in the preceding tax year and the amount of taxes that would be imposed by the taxing unit in the current tax year on a residence homestead with a taxable value equal to the average taxable value of a residence homestead in the taxing unit in the current tax year if the taxing unit adopted the proposed tax rate, as follows: “(increase or decrease, as applicable) of (nominal difference between amount stated in second column of fourth row and amount stated in third column of fourth row), or (percentage difference between amount stated in second column of fourth row and amount stated in third column of fourth row)%”.

**Sec. 26.063. Alternate Provisions for Tax Rate Notice When De Minimis Rate Exceeds Voter-Approval Tax Rate.**

(a) This section applies only to a taxing unit:

(1) that is:

(A) a taxing unit other than a special taxing unit; or

(B) a municipality with a population of less than 30,000, regardless of whether it is a special taxing unit;

(2) that is required to provide notice under Section 26.06(b-1) or (b-3); and

(3) for which the de minimis rate exceeds the voter-approval tax rate.

(b) This subsection applies only to a taxing unit that is required to hold an election under Section 26.07. In the notice required to be provided by the taxing unit under Section 26.06(b-1) or (b-3), as applicable, the taxing unit shall:

(1) add the following to the end of the list of rates included in the notice:

DE MINIMIS RATE \$ \_\_\_\_\_ per \$100;

(2) substitute the following for the definition of “voter-approval tax rate”: “The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for (name of taxing unit) exceeds the voter-approval tax rate for (name of taxing unit).”;

(3) add the following definition of “de minimis rate”: “The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for (name of taxing unit), the rate that will raise \$500,000, and the current debt rate for (name of taxing unit).”; and

(4) substitute the following for the provision that provides notice that an election is required: “The proposed tax rate is greater than the voter-approval tax rate and the de minimis rate. If (name of taxing unit) adopts the proposed tax rate, (name of taxing unit) is required to hold an election so that the voters may accept or reject the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the (name of taxing unit) will be the voter-approval tax rate of the (name of taxing unit). The election will be held on (date of election). You may contact the (name of office responsible for administering the election) for information about voting locations. The hours of voting on election day are (voting hours).”.

(c) This subsection applies only to a taxing unit for which the qualified voters of the taxing unit may petition to hold an election under Section 26.075. In the notice required to be provided by the taxing unit under Section 26.06(b-1) or (b-3), as applicable, the taxing unit shall:

(1) add the following to the end of the list of rates included in the notice:

DE MINIMIS RATE \$ \_\_\_\_\_ per \$100;

(2) substitute the following for the definition of “voter-approval tax rate”: “The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for (name of taxing unit) exceeds the voter-approval tax rate for (name of taxing unit).”;

(3) add the following definition of “de minimis rate”: “The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for (name of taxing unit), the rate that will raise \$500,000, and the current debt rate for (name of taxing unit).”; and

(4) substitute the following for the provision that provides notice that an election is required: “The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate. However, the proposed tax rate exceeds the rate that allows voters to petition for an election under Section 26.075, Tax Code. If (name of taxing unit) adopts the proposed tax rate, the qualified voters of the (name of taxing unit) may petition the (name of taxing unit) to require an election to be held to determine whether to reduce the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the (name of taxing unit) will be the voter-approval tax rate of the (name of taxing unit).”.

(d) This subsection applies only to a taxing unit that is not required to hold an election under Section 26.07 and for which the qualified voters of the taxing unit may not petition to hold an election under Section 26.075. In the notice required to be provided by the taxing unit under Section 26.06(b-1) or (b-3), as applicable, the taxing unit shall:

(1) add the following to the end of the list of rates included in the notice:

“DE MINIMIS RATE \$\_\_\_\_\_ per \$100”;

(2) substitute the following for the definition of “voter-approval tax rate”: “The voter-approval tax rate is the highest tax rate that (name of taxing unit) may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for (name of taxing unit) exceeds the voter-approval tax rate for (name of taxing unit).”;

(3) add the following definition of “de minimis rate”: “The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for (name of taxing unit), the rate that will raise \$500,000, and the current debt rate for (name of taxing unit).”; and

(4) substitute the following for the provision that provides notice that an election is required: “The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate and does not exceed the rate that allows voters to petition for an election under Section 26.075, Tax Code. If (name of taxing unit) adopts the proposed tax rate, (name of taxing unit) is not required to hold an election so that the voters may accept or reject the proposed tax rate and the qualified voters of the (name of taxing unit) may not petition the (name of taxing unit) to require an election to be held to determine whether to reduce the proposed tax rate.”.

(d) The notice of the public hearing required by Subsection (b) must contain a statement that is substantially the same as the statement required by Section 26.06(b).

(e) This section does not apply to a taxing unit if the taxing unit:

(1) is unable to comply with the requirements of this section because of the failure of an electronic or mechanical device, including a computer or server; or

(2) is unable to comply with the requirements of this section due to other circumstances beyond its control.

(f) A person who owns taxable property is not entitled to an injunction restraining the collection of taxes by a taxing unit in which the property is taxable if the taxing unit has, in good faith, attempted to comply with the requirements of this section.

#### **Sec. 26.07. Automatic Election to Approve Tax Rate of Taxing Unit Other Than School District.**

(a) This section applies to a taxing unit other than a school district.

(b) If the governing body of a special taxing unit or a municipality with a population of 30,000 or more adopts a tax rate that exceeds the taxing unit’s voter-approval tax rate, or the governing body of a taxing unit other than a special taxing unit or a municipality with a population of less than 30,000 regardless of whether it is a special taxing unit adopts a tax rate that exceeds the greater of the taxing unit’s voter-approval tax rate or de minimis rate, the registered voters of the taxing unit at an election held for that purpose must determine whether to approve the adopted tax rate.

(c) The governing body shall order that the election be held in the taxing unit on the uniform election date prescribed by Section 41.001, Election Code, that occurs in November of the applicable tax year. The order calling the election may

not be issued later than the 71st day before the date of the election. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Approving the ad valorem tax rate of \$\_\_\_\_\_ per \$100 valuation in (name of taxing unit) for the current year, a rate that is \$\_\_\_\_\_ higher per \$100 valuation than the voter-approval tax rate of (name of taxing unit), for the purpose of (description of purpose of increase). Last year, the ad valorem tax rate in (name of taxing unit) was \$\_\_\_\_\_ per \$100 valuation". The ballot proposition must include the adopted tax rate, the difference between the adopted tax rate and the voter-approval tax rate, and the taxing unit's tax rate for the preceding tax year in the appropriate places.

(d) If a majority of the votes cast in the election favor the proposition, the tax rate for the current year is the rate that was adopted by the governing body.

(e) If the proposition is not approved as provided by Subsection (d), the taxing unit's tax rate for the current tax year is the taxing unit's voter-approval tax rate.

(f) If, after tax bills for the taxing unit have been mailed, a proposition to approve the taxing unit's adopted tax rate is not approved by the voters of the taxing unit at an election held under this section, the assessor for the taxing unit shall prepare and mail corrected tax bills. The assessor shall include with the bill a brief explanation of the reason for and effect of the corrected bill.

(g) If a property owner pays taxes calculated using the originally adopted tax rate of the taxing unit and the proposition to approve the adopted tax rate is not approved by voters, the taxing unit shall refund the difference between the amount of taxes paid and the amount due under the voter-approval tax rate if the difference between the amount of taxes paid and the amount due under the voter-approval tax rate is \$1 or more. If the difference between the amount of taxes paid and the amount due under the voter-approval tax rate is less than \$1, the taxing unit shall refund the difference on request of the taxpayer. An application for a refund of less than \$1 must be made within 90 days after the date the refund becomes due or the taxpayer forfeits the right to the refund.

(a) This section applies only to a taxing unit other than:

- (1) a special taxing unit;
- (2) a school district; or
- (3) a municipality with a population of 30,000 or more.

(b) This section applies to a taxing unit only in a tax year in which the taxing unit's:

- (1) de minimis rate exceeds the taxing unit's voter-approval tax rate; and
- (2) adopted tax rate is:
  - (A) equal to or lower than the taxing unit's de minimis rate; and
  - (B) greater than the greater of the taxing unit's:
    - (i) voter-approval tax rate calculated as if the taxing unit were a special taxing unit; or
    - (ii) voter-approval tax rate.

(c) The qualified voters of a taxing unit by petition may require that an election be held to determine whether to reduce the tax rate adopted by the governing body of the taxing unit for the current tax year to the voter-approval tax rate.

(d) A petition is valid only if the petition:

- (1) states that it is intended to require an election in the taxing unit on the question of reducing the taxing unit's adopted tax rate for the current tax year;
- (2) is signed by a number of registered voters of the taxing unit equal to at least three percent of the registered voters of the taxing unit determined according to the most recent list of those voters; and
- (3) is submitted to the governing body of the taxing unit not later than the 90th day after the date on which the governing body adopts the tax rate for the current tax year.

(e) Not later than the 20th day after the date on which a petition is submitted, the governing body shall determine whether the petition is valid and must by resolution state the governing body's determination. If the governing body fails to make the determination in the time and manner required by this subsection, the petition is considered to be valid for the purposes of this section.

(f) If the governing body determines that the petition is valid or fails to make the determination in the time and manner required by Subsection (e), the governing body shall order that an election be held in the taxing unit on the next uniform election date that allows sufficient time to comply with the requirements of other law.

(g) At the election, the ballots shall be prepared to permit voting for or against the proposition: "Reducing the tax rate in (name of taxing unit) for the current year from (insert tax rate adopted for current year) to (insert voter-approval tax rate)."

(h) If a majority of the votes cast in the election favor the proposition, the tax rate for the current tax year is the voter-approval tax rate.

(i) If the proposition is not approved as provided by Subsection (h), the tax rate for the taxing unit for the current tax year is the tax rate adopted by the governing body of the taxing unit for the current tax year.

(j) If the tax rate is reduced by an election held under this section after tax bills for the taxing unit have been mailed, the assessor for the taxing unit shall prepare and mail corrected tax bills. The assessor shall include with the bill a brief explanation of the reason for and effect of the corrected bill. The date on which the taxes become delinquent for the tax year is extended by a number of days equal to the number of days between the date the first tax bills were sent and the date the corrected tax bills were sent.

(k) If a property owner pays taxes calculated using the higher tax rate when the tax rate is reduced by an election held under this section, the taxing unit shall refund the difference between the amount of taxes paid and the amount due under the reduced tax rate if the difference between the amount of taxes paid and the amount due under the reduced tax rate is \$1 or more. If the difference between the amount of taxes paid and the amount due under the reduced rate is less than \$1, the taxing unit shall refund the difference on request of the taxpayer. An application for a refund of less than \$1 must be made within 90 days after the date the refund becomes due or the taxpayer forfeits the right to the refund.

(l) Except as otherwise expressly provided by law, this section does not apply to a tax imposed by a taxing unit if a provision of an uncodified local or special law enacted by the 86th Legislature, Regular Session, 2019, or by an earlier legislature provides that Section 26.07 does not apply to a tax imposed by the taxing unit.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 52, effective January 1, 2020.

### **Sec. 26.08. Automatic Election to Approve Tax Rate of School District.**

(a) If the governing body of a school district adopts a tax rate that exceeds the district's voter-approval tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate.

(a-1) [Repealed by Acts, 2021, 87th Leg., ch. 884 (S.B. 1438) § 10(4), effective September 1, 2021.]

(b) The governing body shall order that the election be held in the school district on the next uniform election date prescribed by Section 41.001, Election Code, that occurs after the date of the election order and that allows sufficient time to comply with the requirements of other law. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Ratifying the ad valorem tax rate of \_\_\_ (insert adopted tax rate) in (name of school district) for the current year, a rate that will result in an increase of \_\_\_ (insert percentage increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year) percent in maintenance and operations tax revenue for the district for the current year as compared to the preceding year, which is an additional \$\_\_\_ (insert dollar amount of increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year)."

(c) If a majority of the votes cast in the election favor the proposition, the tax rate for the current year is the rate that was adopted by the governing body.

(d) If the proposition is not approved as provided by Subsection (c), the governing body may not adopt a tax rate for the school district for the current year that exceeds the school district's voter-approval tax rate.

(d-1) If, after tax bills for the school district have been mailed, a proposition to approve the school district's adopted tax rate is not approved by the voters of the district at an election held under this section, on subsequent adoption of a new tax rate by the governing body of the district, the assessor for the school shall prepare and mail corrected tax bills. The assessor shall include with each bill a brief explanation of the reason for and effect of the corrected bill. The date on which the taxes become delinquent for the year is extended by a number of days equal to the number of days between the date the first tax bills were sent and the date the corrected tax bills were sent.

(d-2) If a property owner pays taxes calculated using the originally adopted tax rate of the school district and the proposition to approve the adopted tax rate is not approved by voters, the school district shall refund the difference between the amount of taxes paid and the amount due under the subsequently adopted rate if the difference between the amount of taxes paid and the amount due under the subsequent rate is \$1 or more. If the difference between the amount of taxes paid and the amount due under the subsequent rate is less than \$1, the school district shall refund the difference on request of the taxpayer. An application for a refund of less than \$1 must be made within 90 days after the date the refund becomes due or the taxpayer forfeits the right to the refund.

(e) For purposes of this section, local tax funds dedicated to a junior college district under Section 45.105(e), Education Code, shall be eliminated from the calculation of the tax rate adopted by the governing body of the school district. However, the funds dedicated to the junior college district are subject to Section 26.085.

(f) [Repealed by Acts 1999, 76th Leg., ch. 396 (S.B. 4), § 3.01(c), effective September 1, 1999.]

(g) In a school district that received distributions from an equalization tax imposed under former Chapter 18, Education Code, the no-new-revenue rate of that tax as of the date of the county unit system's abolition is added to the district's voter-approval tax rate.

(h) For purposes of this section, increases in taxable values and tax levies occurring within a reinvestment zone under Chapter 311 (Tax Increment Financing Act), in which the district is a participant, shall be eliminated from the calculation of the tax rate adopted by the governing body of the school district.

- (i) For purposes of this section, “enrichment tax rate” has the meaning assigned by Section 45.0032, Education Code.

- (j) [Repealed September 1, 2017]
- (k) to (m) [Expired pursuant to Acts 2001, 77th Leg., ch. 1187 (H.B. 3343), § 2.11, effective January 1, 2009.]
- (n) For purposes of this section, the voter-approval tax rate of a school district is the sum of the following:
  - (1) the rate per \$100 of taxable value that is equal to the district’s maximum compressed tax rate, as determined under Section 48.2551, Education Code, for the current year;
  - (2) the greater of:
    - (A) the district’s enrichment tax rate for the preceding tax year, less any amount by which the district is required to reduce the district’s enrichment tax rate under Section 48.202(f), Education Code, in the current tax year; or
    - (B) the rate of \$0.05 per \$100 of taxable value; and
  - (3) the district’s current debt rate.

### Sec. 26.081. Petition Signatures.

- (a) A voter’s signature on a petition filed in connection with an election under this chapter is not required to appear exactly as the voter’s name appears on the most recent official list of registered voters for the signature to be valid.
- (b) If the governing body reviewing the petition is unable to verify the validity of a particular voter’s signature, and the petition does not contain any reasonable means by which they might otherwise do so, such as the voter’s registration number, home address, or telephone number, the governing body may then require the organizer of the petition to provide such information for that particular voter if the organizer wishes for the signature to be counted.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 319 (H.B. 2423), § 1, effective September 1, 1989.

### Sec. 26.085. Election to Limit Dedication of School Funds to Junior College.

- (a) If the percentage of the total tax levy of a school district dedicated by the governing body of the school district to a junior college district under Section 45.105(e), Education Code, exceeds the percentage of the total tax levy of the school district for the preceding year dedicated to the junior college district under that section, the qualified voters of the school district by petition may require that an election be held to determine whether to limit the percentage of the total tax levy dedicated to the junior college district to the same percentage as the percentage of the preceding year’s total tax levy dedicated to the junior college district.
  - (b) A petition is valid only if:
    - (1) it states that it is intended to require an election on the question of limiting the amount of school district tax funds to be dedicated to the junior college district for the current year;
    - (2) it is signed by a number of registered voters of the school district equal to at least 10 percent of the number of registered voters of the school district according to the most recent official list of registered voters; and
    - (3) it is submitted to the governing body on or before the 90th day after the date on which the governing body made the dedication to the junior college district.
  - (c) Not later than the 20th day after the day a petition is submitted, the governing body shall determine whether the petition is valid and pass a resolution stating its finding. If the governing body fails to act within the time allowed, the petition is treated as if it had been found valid.
  - (d) If the governing body finds that the petition is valid (or fails to act within the time allowed), it shall order that an election be held in the school district on a date not less than 30 or more than 90 days after the last day on which it

could have acted to approve or disapprove the petition. A state law requiring local elections to be held on a specified date does not apply to the election unless a specified date falls within the time permitted by this section. At the election, the ballots shall be prepared to permit voting for or against the proposition: "Limiting the portion of the (name of school district) tax levy dedicated to the (name of junior college district) for the current year to the same portion that was dedicated last year."

(e) If a majority of the qualified voters voting on the question in the election favor the proposition, the percentage of the total tax levy of the school district for the year to which the election applies dedicated to the junior college district is reduced to the same percentage of the total tax levy that was dedicated to the junior college district by the school district in the preceding year. If the proposition is approved by a majority of the qualified voters voting in an election to limit the dedication to the junior college district in a year following a year in which there was no dedication of local tax funds to the junior college district under Section 45.105(e), Education Code, the school district may not dedicate any local tax funds to the junior college district in the year to which the election applies. If the proposition is not approved by a majority of the qualified voters voting in the election, the percentage of the total tax levy dedicated to the junior college district is the percentage adopted by the governing body.

**HISTORY:** Enacted by Acts 1983, 68th Leg., ch. 987 (H.B. 2076), § 2, effective June 19, 1983; am. Acts 1993, 73rd Leg., ch. 728 (H.B. 75), § 86, effective September 1, 1993; am. Acts 1997, 75th Leg., ch. 165 (S.B. 898), § 6.78, effective September 1, 1997.

### Sec. 26.09. Calculation of Tax.

(a) On receipt of notice of the tax rate for the current tax year, the assessor for a taxing unit other than a county shall calculate the tax imposed on each property included on the appraisal roll for the unit.

(b) The county assessor-collector shall add the properties and their values certified to him as provided by Chapter 24 of this code to the appraisal roll for county tax purposes. The county assessor-collector shall use the appraisal roll certified to him as provided by Section 26.01 with the added properties and values to calculate county taxes.

(c) The tax is calculated by:

(1) subtracting from the appraised value of a property as shown on the appraisal roll for the unit the amount of any partial exemption allowed the property owner that applies to appraised value to determine net appraised value;

(2) multiplying the net appraised value by the assessment ratio to determine assessed value;

(3) subtracting from the assessed value the amount of any partial exemption allowed the property owner to determine taxable value; and

(4) multiplying the taxable value by the tax rate.

(c-1) **[Expired December 31, 2016]**

(d) If a property is subject to taxation for a prior year in which it escaped taxation, the assessor shall calculate the tax for each year separately. In calculating the tax, the assessor shall use the assessment ratio and tax rate in effect in the unit for the year for which back taxes are being imposed. Except as provided by Subsection (d-1), the amount of back taxes due incurs interest calculated at the rate provided by Section 33.01(c) from the date the tax would have become delinquent had the tax been imposed in the proper tax year.

(d-1) For purposes of this subsection, an appraisal district has constructive notice of the presence of an improvement if a building permit for the improvement has been issued by an appropriate governmental entity. Back taxes assessed under Subsection (d) on an improvement to real property do not incur interest if:

(1) the land on which the improvement is located did not escape taxation in the year in which the improvement escaped taxation;

(2) the appraisal district had actual or constructive notice of the presence of the improvement in the year in which the improvement escaped taxation; and

(3) the property owner pays all back taxes due on the improvement not later than the 120th day after the date the tax bill for the back taxes on the improvement is sent.

(d-2) For purposes of Subsection (d-1)(3), if an appeal under Chapter 41A or 42 relating to the taxes imposed on the omitted improvement is pending on the date prescribed by that subdivision, the property owner is considered to have paid the back taxes due by that date if the property owner pays the amount of taxes required by Section 41A.10 or 42.08, as applicable.

(e) The assessor shall enter the amount of tax determined as provided by this section in the appraisal roll and submit it to the governing body of the unit for approval. The appraisal roll with amounts of tax entered as approved by the governing body constitutes the unit's tax roll.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 121, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 851 (H.B. 1203), § 19, effective August 29, 1983; am. Acts 2011, 82nd Leg., ch. 138 (S.B. 551), § 1, effective September 1, 2011; am. Acts 2015, 84th Leg., ch. 465 (S.B. 1), § 6, effective June 15, 2015.

### Sec. 26.10. Prorating Taxes—Loss of Exemption.

(a) If the appraisal roll shows that a property is eligible for taxation for only part of a year because an exemption, other than a residence homestead exemption or an exemption described by Subsection (d), applicable on January 1 of that year terminated during the year, the tax due against the property is calculated by multiplying the tax due for the

entire year as determined as provided by Section 26.09 by a fraction, the denominator of which is 365 and the numerator of which is the number of days the exemption is not applicable.

(b) If the appraisal roll shows that a residence homestead exemption under Section 11.13(c) or (d), 11.132, 11.133, or 11.134 applicable to a property on January 1 of a year terminated during the year and if the owner of the property qualifies a different property for one of those residence homestead exemptions during the same year, the tax due against the former residence homestead is calculated by:

(1) subtracting:

(A) the amount of the taxes that otherwise would be imposed on the former residence homestead for the entire year had the owner qualified for the residence homestead exemption for the entire year; from

(B) the amount of the taxes that otherwise would be imposed on the former residence homestead for the entire year had the owner not qualified for the residence homestead exemption during the year;

(2) multiplying the remainder determined under Subdivision (1) by a fraction, the denominator of which is 365 and the numerator of which is the number of days that elapsed after the date the exemption terminated; and

(3) adding the product determined under Subdivision (2) and the amount described by Subdivision (1)(A).

(c) If the appraisal roll shows that a residence homestead exemption under Section 11.131 applicable to a property on January 1 of a year terminated during the year, the tax due against the residence homestead is calculated by multiplying the amount of the taxes that otherwise would be imposed on the residence homestead for the entire year had the individual not qualified for the exemption under Section 11.131 during the year by a fraction, the denominator of which is 365 and the numerator of which is the number of days that elapsed after the date the exemption terminated.

(d) Subsection (a) does not apply to an exemption for land received by an organization under Section 11.181, 11.182, or 11.1825 that terminated during the year because of the sale by the organization of a housing unit located on the land if:

(1) the housing unit is sold to a family meeting the income-eligibility standards established by Section 373B.006, Local Government Code;

(2) the organization retains title to the land on which the housing unit is located; and

(3) before the date on which the housing unit is sold, the organization is designated a community land trust by the governing body of a municipality or county as provided by Section 373B.002, Local Government Code.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 896 (H.B. 1502), § 1, effective January 1, 1984; am. Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 30, effective January 1, 1998; am. Acts 1997, 75th Leg., ch. 1059 (S.B. 1437), § 5, effective January 1, 1998; am. Acts 1999, 76th Leg., ch. 62 (S.B. 1368), § 16.06, effective September 1, 1999; am. Acts 2001, 77th Leg., ch. 1061 (H.B. 1940), § 1, effective January 1, 2002; am. Acts 2003, 78th Leg., ch. 411 (H.B. 217), § 5, effective January 1, 2004; am. Acts 2011, 82nd Leg., ch. 597 (S.B. 201), § 2, effective January 1, 2012; am. Acts 2013, 83rd Leg., ch. 122 (H.B. 97), § 5, effective January 1, 2014; am. Acts 2013, 83rd Leg., ch. 138 (S.B. 163), § 5, effective January 1, 2014; am. Acts 2015, 84th Leg., ch. 1236 (S.B. 1296), § 21.002(28), effective September 1, 2015; am. Acts 2017, 85th Leg., ch. 511 (S.B. 15), § 5, effective January 1, 2018; am. Acts 2021, 87th Leg., ch. 1020 (S.B. 113), § 3, effective September 1, 2021.

### **Sec. 26.11. Prorating Taxes—Acquisition by Government.**

(a) If the federal government, the state, or a political subdivision of the state acquires the right to possession of taxable property under a court order issued in condemnation proceedings, takes possession of taxable property under a possession and use agreement or under Section 21.021, Property Code, or acquires title to taxable property, the amount of the tax due on the property is calculated by multiplying the amount of taxes imposed on the property for the entire year as determined as provided by Section 26.09 of this code by a fraction, the denominator of which is 365 and the numerator of which is the number of days that elapsed prior to the date of the conveyance, the effective date of the possession and use agreement, the date the entity took possession under Section 21.021, Property Code, or the date of the order granting the right of possession, as applicable.

(b) If the amount of taxes to be imposed on the property for the year of transfer has not been determined at the time of transfer, the assessor for each taxing unit in which the property is taxable may use the taxes imposed on the property for the preceding tax year as the basis for determining the amount of taxes to be imposed for the current tax year.

(c) If the amount of prorated taxes determined to be due as provided by this section is tendered to the collector for the unit, the collector shall accept the tender. The payment absolves:

(1) the transferor of liability for taxes by the unit on the property for the year of the transfer; and

(2) the taxing unit of liability for a refund in connection with taxes on the property for the year of the transfer.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 8, effective September 1, 2005; am. Acts 2019, 86th Leg., ch. 674 (S.B. 2083), § 1, effective June 10, 2019.

### **Sec. 26.111. Prorating Taxes—Acquisition by Charitable Organization.**

(a) If an organization acquires taxable property that qualifies for and is granted an exemption under Section 11.181(a) or 11.182(a) for the year in which the property was acquired, the amount of tax due on the property for that year is calculated by multiplying the amount of taxes imposed on the property for the entire year as provided by Section 26.09 by a fraction, the denominator of which is 365 and the numerator of which is the number of days in that year before the date the charitable organization acquired the property.

(b) If the exemption terminates during the year of acquisition, the tax due is calculated by multiplying the taxes imposed for the entire year as provided by Section 26.09 by a fraction, the denominator of which is 365 and the numerator of which is the number of days the property does not qualify for the exemption.

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 345 (H.B. 1096), § 4, effective January 1, 1994; am. Acts 1997, 75th Leg., ch. 715 (H.B. 137), § 4, effective January 1, 1998.

**Sec. 26.1115. Calculation of Taxes on Residence Homestead Generally. [Effective January 1, 2022]**

(a) If an individual receives one or more exemptions under Section 11.13 for a portion of a tax year as provided by Section 11.42(f), except as provided by Subsection (b) of this section, the amount of tax due on the property for that year is calculated by:

(1) subtracting:

(A) the amount of the taxes that otherwise would be imposed on the property for the entire year had the individual qualified for the exemptions for the entire year; from

(B) the amount of the taxes that otherwise would be imposed on the property for the entire year had the individual not qualified for the exemptions during the year;

(2) multiplying the remainder determined under Subdivision (1) by a fraction, the denominator of which is 365 and the numerator of which is the number of days in that year that elapsed before the date the individual first qualified the property for the exemptions; and

(3) adding the product determined under Subdivision (2) and the amount described by Subdivision (1)(A).

(b) If an individual receives one or more exemptions to which Subsection (a) of this section applies for a portion of a tax year as provided by Section 11.42(f) and the exemptions terminate during the year in which the individual acquired the property, the amount of tax due on the property for that year is calculated by:

(1) subtracting:

(A) the amount of the taxes that otherwise would be imposed on the property for the entire year had the individual qualified for the exemptions for the entire year; from

(B) the amount of the taxes that otherwise would be imposed on the property for the entire year had the individual not qualified for the exemptions during the year;

(2) multiplying the remainder determined under Subdivision (1) by a fraction, the denominator of which is 365 and the numerator of which is the sum of:

(A) the number of days in that year that elapsed before the date the individual first qualified the property for the exemptions; and

(B) the number of days in that year that elapsed after the date the exemptions terminated; and

(3) adding the product determined under Subdivision (2) and the amount described by Subdivision (1)(A).

(c) If an individual qualifies to receive an exemption as described by Subsection (a) with respect to a property after the amount of tax due on the property is calculated and if the effect of the qualification is to reduce the amount of tax due on the property, the assessor for each taxing unit shall recalculate the amount of the tax due on the property and correct the tax roll. If the tax bill has been mailed and the tax on the property has not been paid, the assessor shall mail a corrected tax bill to the individual in whose name the property is listed on the tax roll or to the individual's authorized agent. If the tax on the property has been paid, the collector for the taxing unit shall refund to the individual who paid the tax the amount by which the payment exceeded the tax due.

(b) If an individual qualifies for an exemption under Section 11.13(c) or (d), 11.133, or 11.134 with respect to the property after the amount of the tax due on the property is calculated and the effect of the qualification is to reduce the amount of the tax due on the property, the assessor for each taxing unit shall recalculate the amount of the tax due on the property and correct the tax roll. If the tax bill has been mailed and the tax on the property has not been paid, the assessor shall mail a corrected tax bill to the person in whose name the property is listed on the tax roll or to the person's authorized agent. If the tax on the property has been paid, the tax collector for the taxing unit shall refund to the person who was the owner of the property on the date the tax was paid the amount by which the payment exceeded the tax due.

**Sec. 26.1125. Calculation of Taxes on Residence Homestead of 100 Percent or Totally Disabled Veteran.**

(a) If a person qualifies for an exemption under Section 11.131 after the beginning of a tax year, the amount of the taxes on the residence homestead of the person for the tax year is calculated by multiplying the amount of the taxes that otherwise would be imposed on the residence homestead for the entire year had the person not qualified for the exemption under Section 11.131 by a fraction, the denominator of which is 365 and the numerator of which is the number of days that elapsed before the date the person qualified for the exemption under Section 11.131.

(b) If a person qualifies for an exemption under Section 11.131 with respect to the property after the amount of the tax due on the property is calculated and the effect of the qualification is to reduce the amount of the tax due on the property, the assessor for each taxing unit shall recalculate the amount of the tax due on the property and correct the tax roll. If the tax bill has been mailed and the tax on the property has not been paid, the assessor shall mail a corrected tax bill to the person in whose name the property is listed on the tax roll or to the person's authorized agent. If the tax on the property has been paid, the tax collector for the taxing unit shall refund to the person who was the owner of the property on the date the tax was paid the amount by which the payment exceeded the tax due.

(a) Except as provided by Section 26.10(b), if at any time during a tax year property is owned by an individual who qualifies for an exemption under Section 11.132, the amount of the tax due on the property for the tax year is calculated as if the individual qualified for the exemption on January 1 and continued to qualify for the exemption for the remainder of the tax year.

(b) If an individual qualifies for an exemption under Section 11.132 with respect to the property after the amount of the tax due on the property is calculated and the effect of the qualification is to reduce the amount of the tax due on the property, the assessor for each taxing unit shall recalculate the amount of the tax due on the property and correct the tax roll. If the tax bill has been mailed and the tax on the property has not been paid, the assessor shall mail a corrected tax bill to the individual in whose name the property is listed on the tax roll or to the individual's authorized agent. If the tax on the property has been paid, the tax collector for the taxing unit shall refund to the individual who was the owner of the property on the date the tax was paid the amount by which the payment exceeded the tax due.

(a) If a person acquires taxable property that qualifies for and is granted an exemption covered by Section 11.42(d) for a portion of the year in which the property was acquired, the amount of tax due on the property for that year is computed by multiplying the amount of taxes imposed on the property for the entire year as provided by Section 26.09 by a fraction, the denominator of which is 365 and the numerator of which is the number of days in that year before the date the property qualified for the exemption.

(b) If the exemption terminates during the year of acquisition, the tax due is computed by multiplying the taxes imposed for the entire year as provided by Section 26.09 by a fraction, the denominator of which is 365 and the numerator of which is the number of days the property does not qualify for the exemption.

The chief appraiser shall prepare and deliver an appraisal roll for each unit in accordance with the requirements of this subsection.

(c) For purposes of this section, "taxing units of like kind" are taxing units that are authorized by the laws by or pursuant to which they are created to perform essentially the same services.

(f) If a correction that decreases the tax liability of a property owner is made after the owner has paid the tax, the taxing unit shall refund to the property owner who paid the tax the difference between the tax paid and the tax legally due, except as provided by Section 25.25(n). A property owner is not required to apply for a refund under this subsection to receive the refund.

(g) A taxing unit that determines a taxpayer is delinquent in ad valorem tax payments on property other than the property for which liability for a refund arises or for a tax year other than the tax year for which liability for a refund arises may apply the amount of an overpayment to the payment of the delinquent taxes if the taxpayer was the sole owner of the property:

- (1) for which the refund is sought on January 1 of the tax year in which the taxes that were overpaid were assessed; and
- (2) on which the taxes are delinquent on January 1 of the tax year for which the delinquent taxes were assessed.

operations rate in the preceding tax year from property that is taxable in both the current tax year and the preceding tax year.

“The voter-approval tax rate is the highest tax rate a taxing unit may adopt before requiring voter approval at an election. An election will automatically be held if a taxing unit wishes to adopt a tax rate in excess of the taxing unit’s voter-approval tax rate.”

  - (8) explain the payment option and discounts provided by Sections 31.03 and 31.05, if available to the unit's taxpayers, and state the date on which each of the discount periods provided by Section 31.05 concludes, if the discounts are available;
  - (9) state the rates of penalty and interest imposed for delinquent payment of the tax;
  - (10) include the name and telephone number of the assessor for the unit and, if different, of the collector for the unit;

  - (12) for real property, state the differences, expressed as a percent increase or decrease, as applicable, in the following for the current tax year as compared to the fifth tax year before that tax year:
    - (A) the appraised value and taxable value of the property;
    - (B) the total tax rate for the unit; and
    - (C) the amount of taxes imposed on the property by the unit.
- (c-1) If for any of the preceding six tax years any information required by Subsection (c)(11) or (12) to be included in a tax bill or separate statement is unavailable, the tax bill or statement must state that the information is not available for that year.
- (c-2) For a tax bill that includes back taxes on an improvement that escaped taxation in a prior year, the tax bill or separate statement described by Subsection (c) must state that no interest is due on the back taxes if those back taxes are paid not later than the 120th day after the date the tax bill is sent.
- (d) Each tax bill shall also state the amount of penalty, if any, imposed pursuant to Sections 23.431, 23.54, 23.541, 23.75, 23.751, 23.87, 23.97, and 23.9804.
- (d-1) This subsection applies only to a school district. In addition to stating the total tax rate for the school district, the tax bill or the separate statement shall separately state:

A collector may not send a tax bill for an amount of taxes less than \$15 if before the tax bill is prepared the property owner files a written request with the collector that a tax bill not be sent until the total amount of unpaid taxes the collector collects on the property is \$15 or more. The request applies to all subsequent taxes the collector collects on the property until the property owner in writing revokes the request or the person no longer owns the property.
- (g) Except as provided by Subsection (f), failure to send or receive the tax bill required by this section, including a tax bill that has been requested to be sent by electronic means under Subsection (k), does not affect the validity of the tax, penalty, or interest, the due date, the existence of a tax lien, or any procedure instituted to collect a tax.

(i-1) If an assessor mails a tax bill under Subsection (a) or delivers a tax bill by electronic means under Subsection (k) to a mortgagee of a property, the assessor is not required to mail or deliver by electronic means a copy of the bill to any mortgagor under the mortgage or to the mortgagor's authorized agent.

(j) If a tax bill is mailed under Subsection (a) or delivered by electronic means under Subsection (k) to a mortgagee of a property, the mortgagee shall mail a copy of the bill to the owner of the property not more than 30 days following the mortgagee's receipt of the bill.

(k) The assessor for a taxing unit shall deliver a tax bill as required by this section by electronic means if on or before September 15 the individual or entity entitled to receive a tax bill under this section and the assessor enter into an agreement for delivery of a tax bill by electronic means. ### Sec. 31.02. Delinquency Date.

(a) Except as provided by Subsection (b) of this section and by Sections 31.03 and 31.04 of this code, taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed.

(a-1) [Expired December 31, 2016]

(b) An eligible person serving on active duty in any branch of the United States armed forces may pay delinquent property taxes on property in which the person owns any interest without penalty or interest no later than the 60th day after the date on which the earliest of the following occurs:

- (1) the person is discharged from active military service;
- (2) the person returns to the state for more than 10 days; or
- (3) the person returns to non-active duty status in the reserves.

(c) "Eligible person" means a person on active military duty in this state who was transferred out of this state or a person in the reserve forces who was placed on active military duty and transferred out of this state.

(d) A person eligible under Subsection (b) or any co-owner of property that is owned by an eligible person may notify the county tax assessor or collector or central appraisal district for the county in which the property is located of the person's eligibility for exemption under Subsection (b). The county tax assessor or collector or central appraisal district

shall provide the forms necessary for those individuals giving notice under this subsection. If the notice is timely given, a taxing unit in the county may not bring suit for delinquent taxes for the tax year in which the notice is given. Failure to file a notice does not affect eligibility for the waiver of penalties and interest.

(e) On verification that notice was properly filed under Subsection (d), a suit for delinquent taxes must be abated without cost to the defendant. The exemptions provided for under this section shall immediately stop all actions against eligible persons until the person's eligibility expires as provided in Subsection (b).

(a) The governing body of a taxing unit that collects its own taxes may provide, in the manner required by law for official action by the body, that a person who pays one-half of the unit's taxes before December 1 may pay the remaining one-half of the taxes without penalty or interest before July 1 of the following year.

(b) Except as provided by Subsection (d), the split-payment option, if adopted, applies to taxes for all units for which the adopting taxing unit collects taxes.

(c) If one or more taxing units contract with the appraisal district for collection of taxes, the split-payment option provided by Subsection (a) of this section does not apply to taxes collected by the district unless approved by resolution adopted by a majority of the governing bodies of the taxing units whose taxes the district collects and filed with the secretary of the appraisal district board of directors. After an appraisal district provides for the split-payment option, the option applies to all taxes collected by the district until revoked. It may be revoked in the same manner as provided for adoption.

(d) This subsection applies only to a taxing unit located in a county having a population of not less than 285,000 and not more than 300,000 that borders a county having a population of 3.3 million or more and the Gulf of Mexico. The governing body of a taxing unit that has its taxes collected by another taxing unit that has adopted the split-payment option under Subsection (a) may provide, in the manner required by law for official action by the body, that the split-payment option does not apply to the taxing unit's taxes collected by the other taxing unit.

(A) disabled or at least 65 years of age; and

(B) qualified for an exemption under Section 11.13(c); or

(2) an individual who is:

(b) If the individual fails to make a payment, including the first payment, before the applicable date provided by Subsection (a-1), the unpaid installment is delinquent and incurs a penalty of six percent and interest as provided by Section 33.01(c). The penalty provided by Section 33.01(a) does not apply to the unpaid installment.

(c) An individual may pay more than the amount due for each installment and the amount in excess of the amount due shall be credited to the next installment. An individual may not pay less than the total amount due for each installment unless the collector provides for the acceptance of partial payments under this section. If the collector accepts a partial payment, penalties and interest are incurred only by the amount of each installment that remains unpaid on the applicable date provided by Subsection (a-1).

**Sec. 31.033. Installment Payments of Taxes on Property in Disaster Area or Emergency Area That Has Not Been Damaged As a Result of Disaster or Emergency.**

(a) In this section, “disaster,” “disaster area,” “emergency,” and “emergency area” have the meanings assigned by Section 31.032(g).

(b) This section applies only to:

(1) real property that:

(A) is owned or leased by a business entity that had not more than the amount calculated as provided by Section 31.032(h) in gross receipts in the entity’s most recent federal tax year or state franchise tax annual period, according to the applicable federal income tax return or state franchise tax report of the entity;

(B) is located in a disaster area or emergency area; and

(C) has not been damaged as a direct result of the disaster or emergency;

(2) tangible personal property that is owned or leased by a business entity described by Subdivision (1)(A); and

(3) taxes that are imposed on the property by a taxing unit before the first anniversary of the disaster or emergency.

(c) The governing body of a taxing unit may authorize a person to pay the taxing unit’s taxes imposed on property that the person owns in installments. If the governing body of a taxing unit adopts the installment-payment option under this subsection, Sections 31.032(b), (b-1), (c), and (d) apply to the payment by a person of the taxing unit’s taxes imposed on property that the person owns in the same manner as those subsections apply to the payment of taxes imposed on property to which Section 31.032 applies.

(d) The comptroller shall adopt rules to implement this section.

**HISTORY:** Enacted by Acts 2021, 87th Leg., ch. 371 (S.B. 742), § 4, effective June 7, 2021.

**Sec. 31.035. Performance of Service in Lieu of Payment of Taxes on Homestead of Elderly Person.**

(a) The governing body of a taxing unit by order or resolution may permit an individual who is at least 65 years of age to perform service for the taxing unit in lieu of paying taxes imposed by the taxing unit on property owned by the individual and occupied as the individual’s residence homestead.

(b) The governing body of the taxing unit shall determine:

(1) the number of property owners who will be permitted to perform service for the taxing unit under this section; and

(2) the maximum number of hours of service that a property owner may perform for the taxing unit under this section.

(c) The governing body shall require that each property owner permitted to perform service for the taxing unit under this section execute a contract with the taxing unit. The contract must be executed before the delinquency date and must:

(1) specify:

(A) the nature of the service that the property owner will perform for the taxing unit;

(B) the facility or location where the service will be performed;

(C) the number of hours of service the property owner will perform; and

(D) when the property owner will perform the service; and

(2) set out or describe the provisions of Subsections (d), (e), and (f).

(d) For each hour of service performed for the taxing unit, the property owner receives a credit against the taxes owed in an amount equal to the amount that would be earned by working one hour at the federal hourly minimum wage rate. The contract must require the property owner to perform the service not later than one year after the delinquency date for the taxes against which the property owner receives credit.

(e) Taxes for which the property owner is to receive credit under the contract do not become delinquent on the delinquency date otherwise provided by this chapter as long as the contract is in effect and are considered paid when the service is performed. If the property owner fails to perform the service, or if the taxing unit determines that the service of the property owner is unsatisfactory, the taxing unit shall terminate the contract and notify the property owner of the termination. The unpaid taxes for which the property owner was to receive credit under the contract for service not yet performed become delinquent and incur penalty and interest provided by Section 33.01 on the later of:

(1) the delinquency date otherwise provided by this chapter for the unpaid taxes; or

(2) the first day of the next calendar month that begins at least 21 days after the date the taxing unit delivers notice to the property owner that the contract has been terminated.

(f) While performing service for a taxing unit, the property owner:

(1) is not an employee of the taxing unit; and

(2) is not entitled to any benefit, including workers’ compensation coverage, that the taxing unit provides to an employee of the taxing unit.

(g) Property owners performing services for a taxing unit under this section may only supplement or complement the regular personnel of the taxing unit. A taxing unit may not reduce the number of persons the taxing unit employs or

reduce the number of hours to be worked by employees of the taxing unit because the taxing unit permits property owners to perform services for the taxing unit under this section.

(h) A person performing service for a taxing unit under this section is not entitled to indemnification from the taxing unit for injury or property damage the person sustains or liability the person incurs in performing service under this section. The taxing unit is not liable for any damages arising from an act or omission of the person in performing service under this section.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 637 (H.B. 51), § 1, effective August 30, 1999.

**Sec. 31.036. Performance of Teaching Services in Lieu of Payment of School Taxes on Homestead.**

(a) The governing body of a school district by resolution may permit qualified individuals to perform teaching services for the school district at a junior high school or high school of the district in lieu of paying taxes imposed by the district on property owned and occupied by the individual as a residence homestead.

(b) The governing body of the school district shall determine:

- (1) the number of qualified individuals who will be permitted to perform teaching services for the district under this section;
- (2) the courses that a qualified individual may teach for the district under this section; and
- (3) the amount of the tax credit that a qualified individual may earn.

(c) The governing body shall require that each qualified individual permitted to perform teaching services for the district under this section execute a contract with the district. The contract must be executed before the delinquency date and must:

(1) specify:

- (A) the course or courses that the qualified individual will teach for the district;
- (B) the high school or junior high school of the district where the qualified individual will perform the teaching services;
- (C) the semester in which the qualified individual will perform the teaching services; and
- (D) the amount of the tax credit that the qualified individual will receive on successful completion of the individual's contractual obligations; and

(2) set out or describe the provisions of Subsections (d)—(g).

(d) A qualified individual who teaches a course for an entire school semester is entitled to a maximum credit of \$500 against the taxes imposed, except that if the qualified individual teaches a course for which a student receives a full year's credit for one semester, the qualified individual is entitled to a maximum credit of \$1,000 for each such course taught for one semester by the qualified individual. A qualified individual may not receive credits for teaching more than two courses in any school year.

(e) The district shall terminate the contract if:

- (1) the qualified individual fails to perform the teaching services; or
- (2) the district determines that the teaching services of the qualified individual are unsatisfactory.

(f) If the contract is terminated under Subsection (e), on the termination date the district may grant the individual a portion of the tax credit based on the portion of the teaching services performed.

(g) While performing teaching services for a school district, the qualified individual:

- (1) is not an employee of the district; and
- (2) is not entitled to any benefit, including workers' compensation coverage, that the district provides to an employee of the district.

(h) An individual is qualified to perform teaching services for a school district under this section only if the individual holds a baccalaureate or more advanced degree in a field related to each course to be taught and:

- (1) is certified as a classroom teacher under Subchapter B, Chapter 21, Education Code; or
- (2) obtains a school district teaching permit under Section 21.055, Education Code.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 637 (H.B. 51), § 2, effective August 30, 1999.

**Sec. 31.037. Performance of Teaching Services by Employee in Lieu of Payment of School Taxes on Property of Business Entity.**

(a) The governing body of a school district by resolution may authorize a corporation or other business entity to permit a qualified individual employed by the business entity to perform teaching services in a high school or a junior high school for the school district in lieu of paying taxes imposed by the district on property owned by the business entity.

(b) The governing body of the school district shall determine:

- (1) the number of business entities that will be eligible for a tax credit under this section;
- (2) the courses that an employee of the business entity may teach for the district under this section; and
- (3) the amount of the tax credit that a business entity may earn.

(c) The governing body shall require that each business entity permitted to provide an employee to perform teaching services for the district under this section execute a contract with the district. The contract must be executed before the delinquency date and must:

(1) specify:

- (A) the course or courses that the employee will teach for the district;
- (B) the high school or junior high school of the district where the employee will perform the teaching services;
- (C) the semester in which the employee will perform the teaching services; and
- (D) the amount of the tax credit that the business entity will receive on successful completion of the contractual obligations of the business entity and its employee; and

(2) set out or describe the provisions of Subsections (d)—(h).

(d) For each course taught for the entire school semester by an employee of the business entity for the school district, the business entity is entitled to a maximum credit of \$500 against the taxes imposed, except that if the employee teaches a course for which a student receives a full year's credit for one semester, the business entity is entitled to a maximum credit of \$1,000 for each such course taught for one semester by the employee.

(e) The district shall terminate the contract if:

- (1) the employee fails to perform the teaching services; or
- (2) the district determines that the teaching services of the employee of the business entity are unsatisfactory.

(f) If the contract is terminated under Subsection (e), on the termination date the district may grant the business entity a portion of the tax credit based on the portion of the teaching services performed.

(g) While performing teaching services for a school district, the employee of the business entity:

- (1) is not an employee of the district; and
- (2) is not entitled to any benefit, including workers' compensation coverage, that the district provides to an employee of the district.

(h) An individual may not perform teaching services for which a business entity receives a tax credit under this section if the individual enters into a contract with the same school district to provide teaching services for a tax credit for the same tax year under Section 31.036.

(i) An individual is qualified to perform teaching services for a school district under this section only if the individual holds a baccalaureate or more advanced degree in a field related to the course to be taught and:

- (1) is certified as a classroom teacher under Subchapter B, Chapter 21, Education Code; or
- (2) obtains a school district teaching permit under Section 21.055, Education Code.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 637 (H.B. 51), § 2, effective August 30, 1999.

#### Sec. 31.04. Postponement of Delinquency Date.

(a) If a tax bill is mailed after January 10, the delinquency date provided by Section 31.02 of this code is postponed to the first day of the next month that will provide a period of at least 21 days after the date of mailing for payment of taxes before delinquent unless the taxing unit has adopted the discounts provided by Section 31.05(c) of this code, in which case the delinquency date is determined by Subsection (d) of this section.

(a-1) If a tax bill is mailed that includes taxes for one or more preceding tax years because the property was erroneously omitted from the tax roll in those tax years, the delinquency date provided by Section 31.02 is postponed to February 1 of the first year that will provide a period of at least 180 days after the date the tax bill is mailed in which to pay the taxes before they become delinquent.

(b) If the delinquency date is postponed as provided by this section, the assessor who mails the bills shall notify the governing body of each taxing unit whose taxes are included in the bills of the postponement.

(c) A payment option provided by Section 31.03 of this code or a discount adopted under Section 31.05(b) of this code does not apply to taxes that are calculated too late for it to be available.

(d) If a taxing unit mails its tax bills after September 30 and adopts the discounts provided by Section 31.05(c) of this code, the delinquency date is postponed to the first day of the next month following the fourth full calendar month following the date the tax bills were mailed.

(e) If the delinquency date for a tax is postponed under Subsection (a) or (a-1), that postponed delinquency date is the date on which penalties and interest begin to be incurred on the tax as provided by Section 33.01.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 5 (H.B. 426), § 2, effective March 14, 1983; am. Acts 1985, 69th Leg., ch. 753 (H.B. 2043), § 1, effective June 14, 1985; am. Acts 2003, 78th Leg., ch. 151 (S.B. 725), § 1, effective September 1, 2003.

#### Sec. 31.05. Discounts.

(a) The governing body of a taxing unit may adopt the discounts provided by Subsection (b) or Subsection (c), or both, in the manner required by law for official action by the body. The discounts, if adopted, apply only to that taxing unit's taxes. If a taxing unit adopts both discounts under Subsections (b) and (c), the discounts adopted under Subsection (b) apply unless the tax bills for the unit are mailed after September 30, in which case only the discounts under Subsection (c) apply. A taxing unit that collects taxes for another taxing unit that adopts the discounts may prepare and mail separate tax bills on behalf of the adopting taxing unit and may charge an additional fee for preparing and mailing the separate tax bills and for collecting the taxes imposed by the adopting taxing unit. If under an intergovernmental contract a county assessor-collector collects taxes for a taxing unit that adopts the discounts, the county assessor-

collector may terminate the contract if the county has adopted a discount policy that is different from the discount policy adopted by the adopting taxing unit.

- (b) A taxing unit may adopt the following discounts to apply regardless of the date on which it mails its tax bills:
  - (1) three percent if the tax is paid in October or earlier;
  - (2) two percent if the tax is paid in November; and
  - (3) one percent if the tax is paid in December.
- (c) A taxing unit may adopt the following discounts to apply when it mails its tax bills after September 30:
  - (1) three percent if the tax is paid before or during the next full calendar month following the date on which the tax bills were mailed;
  - (2) two percent if the tax is paid during the second full calendar month following the date on which the tax bills were mailed; and
  - (3) one percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.
- (d) The governing body of a taxing unit may rescind a discount adopted by the governing body in the manner required by law for official action by the body. The rescission of a discount takes effect in the tax year following the year in which the discount is rescinded.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 124, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 5 (H.B. 426), § 2, effective March 14, 1983; am. Acts 1983, 68th Leg., ch. 862 (H.B. 1282), §§ 2, 3, effective September 1, 1983; am. Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 9, effective September 1, 2005; am. Acts 2011, 82nd Leg., ch. 999 (H.B. 2169), § 1, effective June 17, 2011.

### Sec. 31.06. Medium of Payment.

(a) Except as provided by Section 31.061, taxes are payable only as provided by this section. Except as provided by Subsection (e), a collector shall accept United States currency or a check or money order in payment of taxes and shall accept payment by credit card or electronic funds transfer.

(b) Acceptance by a collector of a check or money order or of payment by credit card constitutes payment of a tax as of the date of acceptance if the check, money order, or credit card invoice is duly paid or honored. If the check, money order, or credit card invoice is not duly paid or honored, the collector shall deliver written notice of nonpayment to the person who attempted payment by check, money order, or credit card. Until payment is made in full by cash or by a check, money order, or credit card that is duly paid or honored, the lien securing payment of the tax remains in effect, whether or not the person receives notice of nonpayment.

(c) If a tax is paid by credit card, the collector may collect a fee for processing the payment. The collector shall set the fee in an amount that is reasonably related to the expense incurred by the collector or taxing unit in processing the payment by credit card, not to exceed five percent of the amount of taxes and any penalties or interest being paid. The fee is in addition to the amount of taxes, penalties, or interest.

(d) If a check or money order accepted in payment of taxes or the invoice for a payment of taxes by credit card is not duly paid or honored, the amount of any charge against the taxing unit for processing the check, order, or credit card invoice is added to the amount of tax due in the same manner as penalties and interest are added for taxes that are delinquent. The tax lien on the property also secures payment of the amount of the charge.

(e) A collector may adopt a written policy that requires payment of delinquent taxes, penalties, interest, and costs and expenses recoverable under Section 33.48 only with United States currency, a cashier's check, a certified check, or an electronic funds transfer if the payment relates to:

- (1) personal property seized under Subchapter B, Chapter 33;
- (2) property subject to an order of sale under Subchapter C, Chapter 33; or
- (3) real property seized under Subchapter E, Chapter 33.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 125, effective January 1, 1982; am. Acts 1989, 71st Leg., ch. 737 (H.B. 1225), § 1, effective August 28, 1989; am. Acts 1993, 73rd Leg., ch. 697 (H.B. 737), § 1, effective September 1, 1993; am. Acts 1999, 76th Leg., ch. 606 (S.B. 779), § 1, effective June 18, 1999; am. Acts 2001, 77th Leg., ch. 529 (H.B. 2185), § 2, effective June 11, 2001; am. Acts 2009, 81st Leg., ch. 1328 (H.B. 3646), § 88, effective September 1, 2009; am. Acts 2021, 87th Leg., ch. 888 (S.B. 1764), § 1, effective June 16, 2021.

### Sec. 31.061. Payment of Taxes Assessed Against Real Property by Conveyance to Taxing Unit of Property.

(a) An owner of real property may, subject to the approval of the governing body of all of the taxing units, by deed convey the property to the taxing unit that is owed the largest amount of the taxes, penalties, and interest assessed against the property in payment of the taxes, including delinquent taxes, penalties, and interest assessed against the property by each taxing unit. The taxing unit acquiring the property holds title to the property on behalf of each taxing unit. The lien of each taxing unit on the property conveyed is extinguished at the time of the conveyance. The taxing unit acquiring the property may, subject to the approval of the governing body of another taxing unit, by deed convey the property to that taxing unit. The taxing unit acquiring the property holds title to the property on behalf of each taxing unit.

(b) A taxing unit acquiring property under this section may sell the property. The sale may be conducted in a manner provided by Section 34.05. If the taxing unit sells the property within six months after the date the owner conveys the

property, the taxing unit shall pay to each taxing unit its proportionate share of the sale proceeds according to each taxing unit's share of the total amount of the taxes, penalties, and interest owed at the time of the acquisition.

(c) A taxing unit that does not sell property acquired under this section within six months after the date the owner conveys the property shall pay to each taxing unit its proportionate share, as determined under Subsection (b), of the appraised market value of the property as shown on the most recent tax roll, less the value of all encumbrances burdening the property. On making the payment provided by this subsection, the taxing unit owns the property outright and not on behalf of each taxing unit. The period during which a taxing unit may hold title to the property on behalf of each taxing unit may be extended subject to the approval of the governing body of each taxing unit.

(d) The collector shall credit against the taxes, penalties, and interest owed each taxing unit:

(1) the taxing unit's share, as determined under Subsection (b), of the sale price if the property is sold within six months after the date the owner conveys the property; or

(2) the taxing unit's share, as determined under Subsection (b), of the appraised market value of the property as shown on the most recent tax roll, less the value of all encumbrances burdening the property, if the property is not sold within six months after the date the owner conveys the property.

(e) The owner remains personally liable to each taxing unit to the extent the amount of the taxes, penalties, and interest owed each taxing unit exceeds the amount credited under Subsection (d). The owner is entitled to a refund from each taxing unit to the extent the amount credited under Subsection (d) exceeds the amount of the taxes, penalties, and interest owed the taxing unit.

(f) A conveyance of property to a taxing unit under this section is voidable by the taxing unit at any time that the taxing unit owns the property and determines that the condition of the property on the date the owner conveyed it was or may have been in violation of a federal or state law, regulation, rule, or order. If the taxing unit voids the conveyance:

(1) the taxing unit shall execute a quitclaim deed of the property to the owner, file the deed in the county records, and give notice of the deed and its filing to the owner;

(2) the collector shall remove the credit against the taxes, penalties, and interest owed each taxing unit made under this section;

(3) a taxing unit that does not acquire the property shall refund the payment made to it by the taxing unit that acquires the property and reinstate the taxes, penalties, and interest owed the taxing unit; and

(4) the lien of each taxing unit is reinstated as of the date it originally attached.

(g) [Repealed by Acts 1997, 75th Leg., ch. 1111 (H.B. 2587), § 8, effective September 1, 1997.]

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 697 (H.B. 737), § 2, effective September 1, 1993; am. Acts 1997, 75th Leg., ch. 1111 (H.B. 2587), §§ 1, 8, effective September 1, 1997.

### Sec. 31.07. Certain Payments Accepted.

(a) A person may pay the tax imposed on any one property without simultaneously paying taxes imposed on other property he owns.

(b) A collector shall accept payment of the tax imposed on a property by a taxing unit that has adopted the discounts under Section 31.05 of this code separately from taxes imposed on that property by other taxing units using the same collector, even if the taxes are included in the same bill. The collector may adopt a policy of accepting separate payments in other circumstances. If the tax paid is included in the same bill as other taxes that are not paid, the collector shall send a revised bill or receipt to reflect the tax payment, if a discount applies to the payment, and may send a revised bill or receipt to reflect the tax payment in other circumstances. The sending of a revised bill does not affect the date on which the unpaid taxes become delinquent.

(c) A collector may adopt a policy of accepting partial payments of property taxes. A payment option provided by Section 31.03 of this code or a discount adopted under Section 31.05 of this code does not apply to any portion of a partial payment. If a collector accepts a partial payment on a tax bill that includes taxes for more than one taxing unit, the collector shall allocate the partial payment among all the taxing units included in the bill in proportion to the amount of tax included in the bill for each taxing unit, unless the collector under Subsection (b) has adopted a policy of accepting payments of a taxing unit's taxes separate from the taxes of other taxing units included in the same bill and the taxpayer directs that the partial payment be allocated in specific amounts to one or more specific taxing units. Acceptance of a partial payment does not affect the date that the tax becomes delinquent, but the penalties and interest provided by Section 33.01 of this code are incurred only by the portion of a tax that remains unpaid on the date the tax becomes delinquent.

(d) Notwithstanding Subsection (c), a collector shall accept a partial payment of property taxes on a tax bill that includes taxes for more than one taxing unit if one or more of the taxing units has adopted the discounts under Section 31.05 of this code, the taxpayer directs that the partial payment be allocated first to the payment of the taxes owed one or more of the taxing units that have adopted the discounts, and the amount of the payment is equal to or greater than the amount of the taxes owed the taxing units designated by the taxpayer.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 851 (H.B. 1203), § 21, effective August 29, 1983; am. Acts 1985, 69th Leg., ch. 493 (S.B. 607), § 1, effective June 12, 1985; am. Acts 1989, 71st Leg., ch. 745 (H.B. 1269), § 2, effective September 1, 1989; am. Acts 1993, 73rd Leg., ch. 539 (H.B. 1374), § 1, effective September 1, 1993.

**Sec. 31.071. Conditional Payments.**

(a) The collector of a taxing unit shall accept conditional payments of taxes before the delinquency date for property taxes that are subject to a pending challenge or protest.

(b) A property owner whose property is subject to a pending protest or challenge may pay the tax due on the amount of value of the property involved in the pending action that is not in dispute or the amount of tax paid on the property in the preceding year, whichever is greater, but not to exceed the amount of tax that would be due on the appraised value that is subject to protest or challenge. The collector of the taxing unit shall provide the property owner with a temporary receipt of taxes paid under this section.

(c) If the property is no longer subject to a challenge, protest, or appeal at any time before the delinquency date, the collector shall apply the amount paid by the property owner under this section to the tax imposed on the property and shall refund the remainder, if any, to the property owner. If the property is still subject to an appeal on the last working day before the delinquency date, or at an earlier date if so requested by the property owner, the collector shall apply the amount paid under this section to the payment required by Section 42.08(b) of this code and shall retain the remainder, if any, until the appeal is completed. When the appeal is completed, the collector shall apply any amount retained under this section to the tax ultimately imposed on the property that is not covered by the payment under Section 42.08(b) and shall refund the remainder, if any, to the property owner.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 999 (H.B. 2151), § 1, effective August 31, 1987.

**Sec. 31.072. Escrow Accounts.**

(a) The collector for a taxing unit may enter a contract with a property owner under which the property owner deposits money in an escrow account maintained by the collector to provide for the payment of property taxes collected by the collector on any property the person owns.

(b) A contract may not be made before October 1 of the year preceding the tax year for which the account is established. The collector may agree to establish a combined account for more than one item of property having the same owner on the property owner's request. If a collector collects taxes for more than one taxing unit, an account must apply to taxes on the affected property for each of the taxing units.

(c) A contract under this section must require the property owner to make monthly deposits to the escrow account until the amount set in the contract under Subsection (d) of this section accrues in the account or until the tax bill for the property is prepared, whichever occurs earlier.

(d) On request by a property owner to establish an escrow account under this section, the collector shall estimate the amount of taxes to be imposed on the property by the affected taxing units in that year. A contract to establish an escrow account must provide for deposits that would provide, as of the date the collector estimates the tax bill for the property will be prepared, a total deposit that is not less than the amount of taxes estimated by the collector or the amount of taxes imposed on the property by the affected taxing units in the preceding year, whichever is less. The collector may agree to a deposit of a greater amount on the property owner's request.

(e) The county tax assessor-collector shall maintain the escrow account in the county depository. Any other collector shall maintain the escrow account in the depository of the taxing unit or other entity that employs the collector. The collector is not required to maintain a separate account in the depository for each escrow account but shall maintain separate records for each escrow account.

(f) The property owner may withdraw from the collector the money the owner deposited in an escrow account only if the withdrawal is made before the date the tax bill is prepared or October 1 of the tax year, whichever occurs earlier. On and after that date and until the taxes are paid, the collector must agree to a withdrawal by the taxpayer. The property owner may not withdraw less than the total amount deposited in the escrow account.

(g) When the tax bill is prepared for property for which an escrow account is established, the collector shall apply the money in the account to the taxes imposed and deliver a tax receipt to the taxpayer together with a refund of any amount in the account in excess of the amount of taxes paid. If the amount in the escrow account is not sufficient to pay the taxes in full, the collector shall apply the money to the taxes and deliver to the taxpayer a tax receipt for the partial payment and a tax bill for the unpaid amount. If the escrow account applies to more than one taxing unit or to more than one item of property, the collector shall apply the amount to each taxing unit or item of property in proportion to the amount of taxes imposed unless the contract provides otherwise.

(h) Notwithstanding Subsection (a), if the property owner requesting a collector to establish an escrow account under this section is a disabled veteran as defined by Section 11.22 or a recipient of the Purple Heart, the Congressional Medal of Honor, the Bronze Star Medal, the Silver Star, the Legion of Merit, or a service cross awarded by a branch of the United States armed forces and the escrow account is to be used solely to provide for the payment of property taxes collected by the collector on the property owner's residence homestead, the collector shall enter into a contract with the property owner under this section.

(i) Notwithstanding Subsection (a), if the property owner requesting a collector to establish an escrow account under this section is the owner of a manufactured home and the escrow account is to be used solely to provide for the payment of property taxes collected by the collector on the property owner's manufactured home, the collector shall enter into a contract with the property owner under this section.

**Sec. 31.073. Restricted or Conditional Payments Prohibited.**

A restriction or condition placed on a check in payment of taxes, penalties, or interest by the maker that limits the amount of taxes, penalties, or interest owed to an amount less than that stated in the tax bill or shown by the tax collector's records is void unless the restriction or condition is authorized by this code.

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 539 (H.B. 1374), § 2, effective September 1, 1993; am. Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 10, effective September 1, 2005.

**Sec. 31.075. Tax Receipt.**

(a) At the request of a property owner or a property owner's agent, the collector for a taxing unit shall issue a receipt showing the taxable value and the amount of tax imposed by the unit on the property in one or more tax years for which the information is requested, the tax rate for each of those tax years, and the amount of tax paid in each of those years. The receipt must describe the property in the manner prescribed by the comptroller. If the amount of the tax for the current year has not been calculated when the request is made, the collector shall on request issue to the property owner or agent a statement indicating that taxes for the current year have not been calculated.

(b) In any judicial proceeding, including a suit to collect delinquent taxes under Chapter 33 of this code, a tax receipt issued under this section that states that a tax has been paid constitutes prima facie evidence that the tax has been paid as stated by the receipt.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 52 (S.B. 83), § 1, effective May 6, 1987; am. Acts 1991, 72nd Leg., ch. 836 (S.B. 772), § 5.5, effective August 26, 1991; am. **Sec. 31.08. Tax Certificate.**

(a) At the request of any person, a collector for a taxing unit shall issue a certificate showing the amount of delinquent taxes, penalties, interest, and any known costs and expenses under Section 33.48 due the unit on a property according to the unit's current tax records. If the collector collects taxes for more than one taxing unit, the certificate must show the amount of delinquent taxes, penalties, interest, and any known costs and expenses under Section 33.48 due on the property to each taxing unit for which the collector collects the taxes. The collector shall charge a fee not to exceed \$10 for each certificate issued. The collector shall pay all fees collected under this section into the treasury of the taxing unit that employs the collector.

(b) Except as provided by Subsection (c) of this section, if a person transfers property accompanied by a tax certificate that erroneously indicates that no delinquent taxes, penalties, or interest are due a taxing unit on the property or that fails to include property because of its omission from an appraisal roll as described under Section 25.21, the unit's tax lien on the property is extinguished and the purchaser of the property is absolved of liability to the unit for delinquent taxes, penalties, or interest on the property or for taxes based on omitted property. The person who was liable for the tax for the year the tax was imposed or the property was omitted remains personally liable for the tax and for any penalties or interest.

(c) A tax certificate issued through fraud or collusion is void.

**Sec. 31.081. Property Tax Withholding on Purchase of Business or Inventory.**

(a) This section applies only to a person who purchases a business, an interest in a business, or the inventory of a business from a person who is liable under this title for the payment of taxes imposed on personal property used in the operation of that business.

(b) The purchaser shall withhold from the purchase price an amount sufficient to pay all of the taxes imposed on the personal property of the business, plus any penalties and interest incurred, until the seller provides the purchaser with:

(1) a receipt issued by each appropriate collector showing that the taxes due the applicable taxing unit, plus any penalties and interest, have been paid; or

(2) a tax certificate issued under Section 31.08 stating that no taxes, penalties, or interest is due the applicable taxing unit.

(c) A purchaser who fails to withhold the amount required by this section is liable for that amount to the applicable taxing units to the extent of the value of the purchase price, including the value of a promissory note given in consideration of the sale to the extent of the note's market value on the effective date of the purchase, regardless of whether the purchaser has been required to make any payments on that note.

(d) The purchaser may request each appropriate collector to issue a tax certificate under Section 31.08 or a statement of the amount of the taxes, penalties, and interest that are due to each taxing unit for which the collector collects taxes. The collector shall issue the certificate or statement before the 10th day after the date the request is made. If a collector does not timely provide or mail the certificate or statement to the purchaser, the purchaser is released from the duties and liabilities imposed by Subsections (b) and (c) in connection with taxes, penalties, and interest due the applicable taxing unit.

(e) An action to enforce a duty or liability imposed on a purchaser by Subsection (b) or (c) must be brought before the fourth anniversary of the effective date of the purchase. An action to enforce the purchaser's duty or liability is subject to a limitation plea by the purchaser as to any taxes that have been delinquent at least four years as of the date the collector issues the statement under Subsection (d).

(f) This section does not release a person who sells a business or the inventory of a business from any personal liability imposed on the person for the payment of taxes imposed on the personal property of the business or for penalties or interest on those taxes.

(g) For purposes of this section:

(1) a person is considered to have purchased a business if the person purchases the name of the business or the goodwill associated with the business; and

(2) a person is considered to have purchased the inventory of a business if the person purchases inventory of a business, the value of which is at least 50 percent of the value of the total inventory of the business on the date of the purchase.

(a) Each month the collector of taxes for a taxing unit shall prepare and submit to the governing body of the unit a written report made under oath accounting for all taxes collected for the unit during the preceding month. Reports of collections made in the months of October through January are due on the 25th day of the month following the month that is the subject of the report. Reports of collections made in all other months are due on the 15th day of the month following the month that is the subject of the report. A collector for more than one taxing unit may prepare one report accounting for taxes collected for all units, and he may submit a certified copy of the report as his monthly report to the governing body of each unit.

(b) The collector for a taxing unit shall prepare and submit to the governing body of the unit an annual report made under oath accounting for all taxes of the unit collected or delinquent on property taxed by the unit during the preceding 12-month period. Annual reports are due on the 60th day following the last day of the fiscal year.

(c) Except as otherwise provided by Subsection (d) of this section, at least monthly the collector for a taxing unit shall deposit in the unit's depository all taxes collected for the unit. The governing body of a unit may require deposits to be made more frequently.

(d) If the taxes of a taxing unit are collected by the collector or other officer or employee of another taxing unit or by an appraisal district as provided by the law creating or authorizing creation of the unit or as the result of an election held under Section 6.26 of this code, the entity that collects the taxes shall deposit the taxes in the unit's depository daily, unless the governing body of that unit by official action provides that those deposits may be made less often than daily.

#### **Sec. 31.11. Refunds of Overpayments or Erroneous Payments.**

(a) If a taxpayer applies to the tax collector of a taxing unit for a refund of an overpayment or erroneous payment of taxes, the collector for the unit determines that the payment was erroneous or excessive, and the auditor for the unit agrees with the collector's determination, the collector shall refund the amount of the excessive or erroneous payment from available current tax collections or from funds appropriated by the unit for making refunds. However, the collector may not make the refund unless:

(1) in the case of a collector who collects taxes for one taxing unit, the governing body of the taxing unit also determines that the payment was erroneous or excessive and approves the refund if the amount of the refund exceeds:

(A) \$5,000 for a refund to be paid by a county with a population of two million or more; or

(B) \$500 for a refund to be paid by any other taxing unit; or

(2) in the case of a collector who collects taxes for more than one taxing unit, the governing body of the taxing unit that employs the collector also determines that the payment was erroneous or excessive and approves the refund if the amount of the refund exceeds:

- (A) \$5,000 for a refund to be paid by a county with a population of two million or more; or
- (B) \$2,500 for a refund to be paid by any other taxing unit.

(b) A taxing unit that determines a taxpayer is delinquent in ad valorem tax payments on property other than the property for which liability for a refund arises or for a tax year other than the tax year for which liability for a refund arises may apply the amount of an overpayment or erroneous payment to the payment of the delinquent taxes if the taxpayer was the sole owner of the property:

- (1) for which the refund is sought on January 1 of the tax year in which the taxes that were overpaid or erroneously paid were assessed; and
- (2) on which the taxes are delinquent on January 1 of the tax year for which the delinquent taxes were assessed.

(c) Except as provided by Subsection (c-1), an application for a refund must be made within three years after the date of the payment or the taxpayer waives the right to the refund. A taxpayer may apply for a refund by filing:

- (1) an application on a form prescribed by the comptroller by rule; or
- (2) a written request that includes information sufficient to enable the collector and the auditor for the taxing unit and, if applicable, the governing body of the taxing unit to determine whether the taxpayer is entitled to the refund.

(c-1) The governing body of the taxing unit may extend the deadline provided by Subsection (c) for a single period not to exceed two years on a showing of good cause by the taxpayer.

(d) The collector for a taxing unit shall provide a copy of the refund application form without charge on request of a taxpayer or a taxpayer's representative.

(e) An application for a refund must:

- (1) include an affirmation by the taxpayer that the information in the application is true and correct; and
- (2) be signed by the taxpayer.

(f) This subsection applies only to a refund that is required to be approved by the governing body of a taxing unit. The presiding officer of the governing body of the taxing unit is not required to sign the application for the refund or any document accompanying the application to indicate the governing body's approval or disapproval of the refund. The collector for the taxing unit shall indicate on the application whether the governing body approved or disapproved the refund and the date of the approval or disapproval.

(g) If a taxpayer submits a payment of taxes that exceeds by \$5 or more the amount of taxes owed for a tax year to a taxing unit, the collector for the taxing unit, without charge, shall mail to the taxpayer or the taxpayer's representative a written notice of the amount of the overpayment accompanied by a refund application form.

(h) **[Effective until January 1, 2022]** This section does not apply to an overpayment caused by a change of exemption status or correction of a tax roll. Such an overpayment is covered by Section 26.15 or 42.43, as applicable.

(h) **[Effective January 1, 2022]** This section does not apply to an overpayment caused by a change of exemption status or correction of a tax roll, including an overpayment received after a correction of a tax roll as a result of an appeal under Chapter 42. Such an overpayment is covered by Section 26.15 or 42.43, as applicable.

(i) Notwithstanding the other provisions of this section, in the case of an overpayment or erroneous payment of taxes submitted by a taxpayer to a collector who collects taxes for one or more taxing units one of which is a county with a population of two million or more:

- (1) a taxpayer is not required to apply to the collector for the refund to be entitled to receive the refund if the amount of the refund is at least \$5 but does not exceed \$5,000; and
- (2) the collector is not required to comply with Subsection (g) unless the amount of the payment exceeds by more than \$5,000 the amount of taxes owed for a tax year to a taxing unit for which the collector collects taxes.

(j) If the collector for a taxing unit does not respond to an application for a refund on or before the 90th day after the date the application is filed with the collector, the application is presumed to have been denied.

(k) Not later than the 60th day after the date the collector for a taxing unit denies an application for a refund, the taxpayer may file suit against the taxing unit in district court to compel the payment of the refund. If the collector collects taxes for more than one taxing unit, the taxpayer shall join in the suit each taxing unit on behalf of which the collector denied the refund. If the taxpayer prevails in the suit, the taxpayer may be awarded:

- (1) costs of court; and
- (2) reasonable attorney's fees in an amount not to exceed the greater of:
  - (A) \$1,500; or
  - (B) 30 percent of the total amount of the refund determined by the court to be due.

- (a) The collector of a taxing unit who determines that a person erred in making a payment of taxes because the

identical taxes were paid by another person shall refund the amount of the taxes to the person who erred in making the payment.

(b) A refund under Subsection (a) shall be made as soon as practicable after the collector discovers the erroneous payment. The refund shall be accompanied by a description of the property subject to the taxes sufficient to identify the property. If the property is assigned an account number, the collector shall include that number.

(c) Each month, the collector shall inform the auditor of each appropriate taxing unit of refunds of taxes made under Subsection (a) during the preceding month.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 673 (H.B. 2832), § 2, effective January 1, 2002; Enacted by Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 9, effective September 1, 2001.

(c) Like taxing units to which a property owner has made tax payments under protest as a result of a dispute or error described by Section 72.010(c), Local Government Code, may enter into an agreement to resolve the dispute or error. An agreement under this subsection:

- (1) must establish the correct geographic boundary between the taxing units;
- (2) may include an allocation between the taxing units of all or part of the taxes that were paid under protest before the dispute or error was resolved, less any amount that is required to be refunded to the property owner;
- (3) must require the taxing units to refund to the property owner any amount by which the amount paid by the owner to the taxing units exceeds the amount due; and
- (4) must be in writing.

(d) If a dispute or error described by Section 72.010(c), Local Government Code, is resolved by the agreement of the taxing units, a refund required by Subsection (c)(3) of this section must be made not later than the 90th day after the date on which the agreement is made.

(e) If a dispute or error described by Section 72.010(c), Local Government Code, is not resolved by the agreement of the taxing units and the supreme court enters a final order in a suit under Section 72.010, Local Government Code, determining the amount of taxes owed on the property and the taxing unit or units to which the taxes are owed, a refund required as a result of the order must be made not later than the 180th day after the date the order is entered.

(f) A refund under this section shall be accompanied by:

If not paid on or before that 60th day, the amount of the tax to be refunded accrues interest at a rate of one percent for each month or part of a month that the refund is unpaid, beginning with the date on which the liability for the refund arises.

(b) For purposes of this section, liability for a refund arises:

The lien exists in favor of each taxing unit having power to tax the property.
- (b) A tax lien on inventory, furniture, equipment, or other personal property is a lien in solido and attaches to all inventory, furniture, equipment, and other personal property that the property owner owns on January 1 of the year the lien attaches or that the property owner subsequently acquires.
- (c) If an owner’s real property is described with certainty by metes and bounds in one or more instruments of conveyance and part of that property is the owner’s residence homestead taxed separately and apart from the remainder of the property, each of the liens under this section that secures the taxes imposed on that homestead and on the remainder of that property extends in solido to all the real property described in the instrument or instruments of conveyance, unless the homestead is identified as a separate parcel and is separately described in the conveyance or another instrument recorded in the real property records.
- (d) The lien under this section is perfected on attachment and, except as provided by Section 32.03(b), perfection requires no further action by the taxing unit.

- (b) If the owner of a manufactured home does not elect to treat the home as real property with the land on which the manufactured home is located, the tax lien on the manufactured home does not attach to the land on which the home is located.
- (c) In this section, “manufactured home” has the meaning assigned by Section 1201.003, Occupations Code.
- (d) This section prevails over Chapter 1201, Occupations Code, to the extent of any conflict.

**Sec. 32.015. Tax Lien on Manufactured Home.**

- (a) On payment of the taxes, penalties, and interest for a year for which a valid tax lien has been recorded on the title records of the department, the collector for the taxing unit shall issue a tax certificate showing no taxes due or a tax paid receipt for such year to the person making payment. When the tax certificate showing no taxes due or tax paid receipt is filed with the department or when no suit to collect a personal property tax lien has been filed and the lien has been delinquent for more than four years, the tax lien is extinguished and canceled and shall be removed from the title records of the manufactured home. The collector for a taxing unit may not refuse to issue a tax paid receipt to the person

who offers to pay the taxes, penalties, and interest for a particular year or years, even though taxes may also be due for another year or other years.

(b) In this section, “department” and “manufactured home” have the meanings assigned by Section 1201.003, Occupations Code; however, the term “manufactured home” does not include a manufactured home that has been attached to real property and for which the document of title has been canceled under Section 1201.217 of that code.

### Sec. 32.02. Restrictions on a Mineral Interest Tax Lien.

(a) If a mineral estate is severed from a surface estate and if different persons own the mineral estate and surface estate, the lien resulting from taxes imposed against each interest in the mineral estate exists only for the duration of the interest it encumbers. After an interest in the mineral estate terminates, the lien encumbering it expires and is not enforceable:

- (1) against any part of the surface estate not owned by the owner of the interest encumbered by the lien;
- (2) against any part of the mineral estate not owned by the owner of the interest encumbered by the lien; or
- (3) against the owner of the surface estate as a personal obligation, unless he also owns the interest encumbered by the lien.

(b) Taxes imposed on a severed interest in a mineral estate that has terminated remain the personal liability of the person who owned the interest on January 1 of the year for which the tax was imposed.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

### Sec. 32.03. Restrictions on Personal Property Tax Lien.

(a) Except as provided by Subsection (a-1), a tax lien may not be enforced against personal property transferred to a buyer in ordinary course of business as defined by Section 1.201(9) of the Business & Commerce Code for value who does not have actual notice of the existence of the lien.

(a-1) With regard to a manufactured home, a tax lien may be recorded at any time not later than six months after the end of the year for which the tax was owed. A tax lien on a manufactured home may be enforced if it has been recorded in accordance with the laws in effect at the time of the recordation of the lien. A properly recorded tax lien may not be enforced against a new manufactured home that is owned by a person who acquired the manufactured home from a retailer as a buyer in the ordinary course of business.

(a-2) A person may not transfer ownership of a manufactured home until all tax liens perfected on the home that have been timely filed with the Texas Department of Housing and Community Affairs have been extinguished or satisfied and released and any personal property taxes on the manufactured home which accrued on each January 1 that falls within the 18 months preceding the date of the sale have been paid. This subsection does not apply to the sale of a manufactured home in inventory.

(b) A bona fide purchaser for value or the holder of a lien recorded on a manufactured home statement of ownership is not required to pay any taxes that have not been recorded with the Texas Department of Housing and Community Affairs. In this section, manufactured home has the meaning assigned by Section 32.015(b). Unless a tax lien has been filed timely with the Texas Department of Housing and Community Affairs, no taxing unit, nor anyone acting on its behalf, may use a tax warrant or any other method to attempt to execute or foreclose on the manufactured home.

(c) A taxpayer may designate in writing which tax year will be credited with a particular payment. If a taxpayer pays all the amounts owing for a given year, the taxing unit shall issue a receipt for the payment of the taxes for the designated year.

(d) Notwithstanding any other provision of this section, if a manufactured home was omitted from the tax roll for either or both of the two preceding tax years, the taxing unit may file a tax lien within the 150-day period following the date on which the tax becomes delinquent.

(e) If personal property taxes on a manufactured home have not been levied by the taxing unit, the taxing unit shall provide, upon request, an estimated amount of taxes computed by multiplying the taxable value of the manufactured home, according to the most recent certified appraisal roll for the taxing unit, by the taxing unit's adopted tax rate for the preceding tax year. In order to enable the transfer of the manufactured home, the tax collector shall accept the payment of the estimated personal property taxes and issue a certification to the Texas Department of Housing and Community Affairs that the estimated taxes are being held in escrow until the taxes are levied. Once the taxes are levied, the tax collector shall apply the escrowed sums to the levied taxes. At the time the tax collector accepts the payment of the taxes, the tax collector shall provide notice that the payment of the estimated taxes is an estimate that may be raised once the appraisal rolls for the year are certified and that the new owner may be liable for the payment of any difference between the tax established by the certified appraisal roll and the estimate actually paid.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1985, 69th Leg., ch. 846 (S.B. 1267), § 16, effective September 1, 1985; am. Acts 1995, 74th Leg., ch. 978 (H.B. 785), § 22, effective September 1, 1995; am. Acts 2001, 77th Leg., ch. 988 (H.B. 468), § 3, effective September 1, 2001; am. Acts 2003, 78th Leg., ch. 338 (S.B. 521), § 47, effective January 1, 2004; am. Acts 2005, 79th Leg., ch. 1284 (H.B. 2438), §§ 33, 34(2), effective June 18, 2005; am. Acts 2007, 80th Leg., ch. 863 (H.B. 1460), § 72, effective January 1, 2008; am. Acts 2017, 85th Leg., ch. 408 (H.B. 2019), § 84, effective September 1, 2017.

#### **Sec. 32.04. Priorities Among Tax Liens.**

(a) Whether or not a tax lien provided by this chapter takes priority over a tax lien of the United States is determined by federal law. In the absence of federal law, a tax lien provided by this chapter takes priority over a tax lien of the United States.

(b) Tax liens provided by this chapter have equal priority.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

#### **Sec. 32.05. Priority of Tax Liens over Other Property Interests.**

(a) A tax lien on real property takes priority over a homestead interest in the property.

(b) Except as provided by Subsection (c)(1), a tax lien provided by this chapter takes priority over:

(1) the claim of any creditor of a person whose property is encumbered by the lien;

(2) the claim of any holder of a lien on property encumbered by the tax lien, including any lien held by a property owners' association, homeowners' association, condominium unit owners' association, or council of owners of a condominium regime under a restrictive covenant, condominium declaration, master deed, or other similar instrument that secures regular or special maintenance assessments, fees, dues, interest, fines, costs, attorney's fees, or other monetary charges against the property; and

(3) any right of remainder, right or possibility of reverter, or other future interest in, or encumbrance against, the property, whether vested or contingent.

(b-1) The priority given to a tax lien by Subsection (b) prevails, regardless of whether the debt, lien, future interest, or other encumbrance existed before attachment of the tax lien.

(c) A tax lien provided by this chapter is inferior to:

(1) a claim for any survivor's allowance, funeral expenses, or expenses of the last illness of a decedent made against the estate of a decedent as provided by law;

(2) except as provided by Subsection (b)(2), a recorded restrictive covenant that runs with the land and was recorded before January 1 of the year the tax lien arose; or

(3) a valid easement of record recorded before January 1 of the year the tax lien arose.

(d) In an action brought under Chapter 33 for the enforced collection of a delinquent tax against property, a property owners' association, homeowners' association, condominium unit owners' association, or council of owners of a condominium regime that holds a lien for regular or special maintenance assessments, fees, dues, interest, fines, costs, attorney's fees, or other monetary charges against the property is not a necessary party to the action unless, at the time the action is commenced, notice of the lien in a liquidated amount is evidenced by a sworn instrument duly executed by an authorized person and recorded with the clerk of the county in which the property is located. A tax sale of the property extinguishes the lien held by a property owners' association, homeowners' association, condominium unit owners' association, or council of owners of a condominium regime for all amounts that accrued before the date of sale if:

(1) the holder of the lien is joined as a party to an action brought under Chapter 33 by virtue of a notice of the lien on record at the time the action is commenced; or

(2) the notice of lien is not of record at the time the action is commenced, regardless of whether the holder of the lien is made a party to the action.

(e) The existence of a recorded restrictive covenant, declaration, or master deed that generally provides for the lien held by a property owners' association, homeowners' association, condominium unit owners' association, or council of owners of a condominium regime does not, by itself, constitute actual or constructive notice to a taxing unit of a lien under Subsection (d).

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1991, 72nd Leg., ch. 854 (S.B. 1426), § 1, effective June 16, 1991; am. Acts 1999, 76th Leg., ch. 1481 (H.B. 3549), § 13, effective September 1, 1999; am. Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 12, effective September 1, 2005.

#### **Sec. 32.06. Property Tax Loans; Transfer of Tax Lien.**

(a) In this section:

(1) "Mortgage servicer" has the meaning assigned by Section 51.0001, Property Code.

(2) "Transferee" means a person who is licensed under Chapter 351, Finance Code, or is exempt from the application of that chapter under Section 351.051(c), Finance Code, and who is:

(A) authorized to pay the taxes of another; or

(B) a successor in interest to a tax lien that is transferred under this section.

(a-1) A property owner may authorize another person to pay the taxes imposed by a taxing unit on the owner's real property by executing and filing with the collector for the taxing unit:

(1) a sworn document stating:

(A) the authorization for payment of the taxes;

(B) the name and street address of the transferee authorized to pay the taxes of the property owner;

(C) a description of the property by street address, if applicable, and legal description; and

(D) notice has been given to the property owner that if the property owner is disabled, the property owner may be eligible for a tax deferral under Section 33.06; and

(2) the information required by Section 351.054, Finance Code.

(a-2) Except as provided by Subsection (a-8), a tax lien may be transferred to the person who pays the taxes on behalf of the property owner under the authorization described by Subsection (a-1) for:

(1) taxes that are delinquent at the time of payment; or

(2) taxes that are due but not delinquent at the time of payment if the property is not subject to a recorded mortgage lien.

(a-3) A person who is 65 years of age or older may not authorize a transfer of a tax lien on real property on which the person is eligible to claim an exemption from taxation under Section 11.13(c).

(a-4) The Finance Commission of Texas shall:

(1) prescribe the form and content of an appropriate disclosure statement to be provided to a property owner before the execution of a tax lien transfer;

(2) adopt rules relating to the reasonableness of closing costs, fees, and other charges permitted under this section;

(3) by rule prescribe the form and content of the sworn document under Subsection (a-1) and the certified statement under Subsection (b); and

(4) by rule prescribe the form and content of a request a lender with an existing recorded lien on the property must use to request a payoff statement and the transferee's response to the request, including the period within which the transferee must respond.

(a-5) At the time the transferee provides the disclosure statement required by Subsection (a-4)(1), the transferee must also describe the type and approximate cost range of each additional charge or fee that the property owner may incur in connection with the transfer.

(a-6) Notwithstanding Subsection (f-3), a lender described by Subsection (a-4)(4) may request a payoff statement before the tax loan becomes delinquent. The Finance Commission of Texas by rule shall require a transferee who receives a request for a payoff statement to deliver the requested payoff statement on the prescribed form within a period prescribed by finance commission rule. The prescribed period must allow the transferee at least seven business days after the date the request is received to deliver the payoff statement. The consumer credit commissioner may assess an administrative penalty under Subchapter F, Chapter 14, Finance Code, against a transferee who wilfully fails to provide the payoff statement as prescribed by finance commission rule.

(a-7) A contract between a transferee and a property owner that purports to authorize payment of taxes that are not delinquent or due at the time of the authorization, or that lacks the authorization described by Subsection (a-1), is void.

(a-8) A tax lien may not be transferred to the person who pays the taxes on behalf of the property owner under the authorization described by Subsection (a-1) if the real property:

(1) has been financed, wholly or partly, with a grant or below market rate loan provided by a governmental program or nonprofit organization and is subject to the covenants of the grant or loan; or

(2) is encumbered by a lien recorded under Subchapter A, Chapter 214, Local Government Code.

(a-9) The Finance Commission of Texas may adopt rules to implement Subsection (a-8).

(b) If a transferee authorized to pay a property owner's taxes under Subsection (a-1) pays the taxes and any penalties, interest, and collection costs imposed, the collector shall issue a tax receipt to that transferee. In addition, the collector or a person designated by the collector shall certify that the taxes and any penalties, interest, and collection costs on the subject property have been paid by the transferee on behalf of the property owner and that the taxing unit's tax lien is transferred to that transferee. The collector shall attach to the certified statement the collector's seal of office or sign the statement before a notary public and deliver a tax receipt and the certified statement attesting to the transfer of the tax lien to the transferee within 30 days. The tax receipt and certified statement may be combined into one document. The collector shall identify in a discrete field in the applicable property owner's account the date of the transfer of a tax lien transferred under this section. When a tax lien is released, the transferee shall file a release with the county clerk of each county in which the property encumbered by the lien is located for recordation by the clerk and send a copy to the collector. The transferee may charge the property owner a reasonable fee for filing the release.

(b-1) Not later than the 10th business day after the date the certified statement is received by the transferee, the transferee shall send by certified mail a copy of the sworn document described by Subsection (a-1) to any mortgage servicer and to each holder of a recorded first lien encumbering the property. The copy must be sent, as applicable, to the address shown on the most recent payment invoice, statement, or payment coupon provided by the mortgage servicer to the property owner, or the address of the holder of a recorded first lien as shown in the real property records.

(c) Except as otherwise provided by this section, the transferee of a tax lien is entitled to foreclose the lien in the manner provided by law for foreclosure of tax liens.

(c-1) [Repealed by Acts 2013, 83rd Leg., ch. 206 (S.B. 247), § 10, effective May 29, 2013.]

(d) A transferee shall record a tax lien transferred as provided by this section with the certified statement attesting to the transfer of the tax lien as described by Subsection (b) in the deed records of each county in which the property encumbered by the lien is located.

(d-1) A right of rescission described by 12 C.F.R. Section 226.23 applies to a transfer under this section of a tax lien on residential property owned and used by the property owner for personal, family, or household purposes.

(e) A transferee holding a tax lien transferred as provided by this section may not charge a greater rate of interest than 18 percent a year on the funds advanced. Funds advanced are limited to the taxes, penalties, interest, and collection costs paid as shown on the tax receipt, expenses paid to record the lien, plus reasonable closing costs.

(e-1) A transferee of a tax lien may not charge a fee for any expenses arising after the closing of a loan secured by a tax lien transferred under this section, including collection costs, except for:

(1) interest expressly authorized under this section;

(2) the fees for filing the release of the tax lien under Subsection (b);

(3) the fee for providing a payoff statement under Subsection (f-3);

(4) the fee for providing information regarding the current balance owed by the property owner under Subsection (g); and

(5) the fees expressly authorized under Section 351.0021, Finance Code.

(e-2) The contract between the property owner and the transferee may provide for interest for default, in addition to the interest permitted under Subsection (e), if any part of the installment remains unpaid after the 10th day after the date the installment is due, including Sundays and holidays. If the lien transferred is on residential property owned and used by the property owner for personal, family, or household purposes, the additional interest may not exceed five cents for each \$1 of a scheduled installment.

(f) The holder of a loan secured by a transferred tax lien that is delinquent for 90 consecutive days must send a notice of the delinquency by certified mail on or before the 120th day of delinquency or, if the 120th day is not a business day, on the next business day after the 120th day of delinquency, to any holder of a recorded preexisting lien on the property. The holder or mortgage servicer of a recorded preexisting lien on property encumbered by a tax lien transferred as provided by Subsection (b) is entitled, within six months after the date on which the notice is sent, to obtain a release of the transferred tax lien by paying the transferee of the tax lien the amount owed under the contract between the property owner and the transferee.

(f-1) If an obligation secured by a preexisting first lien on the property is delinquent for at least 90 consecutive days and the obligation has been referred to a collection specialist, the mortgage servicer or the holder of the first lien may send a notice of the delinquency to the transferee of a tax lien. The mortgage servicer or the first lienholder is entitled, within six months after the date on which that notice is sent, to obtain a release of the transferred tax lien by paying the transferee of the tax lien the amount owed under the contract between the property owner and the transferee. The Finance Commission of Texas by rule shall prescribe the form and content of the notice under this subsection.

(f-2) The rights granted by Subsections (f) and (f-1) do not affect a right of redemption in a foreclosure proceeding described by Subsection (k) or (k-1).

(f-3) Notwithstanding any contractual agreement with the property owner, the transferee of a tax lien must provide the payoff information required by this section to the greatest extent permitted by 15 U.S.C. Section 6802 and 12 C.F.R. Part 216. The payoff statement must meet the requirements of a payoff statement defined by Section 12.017, Property Code. A transferee may charge a reasonable fee for a payoff statement that is requested after an initial payoff statement is provided. However, a transferee is not required to release payoff information pursuant to a notice under Subsection (f-1) unless the notice contains the information prescribed by the Finance Commission of Texas.

(f-4) Failure to comply with Subsection (b-1), (f), or (f-1) does not invalidate a tax lien transferred under this section or a deed of trust.

(g) At any time after the end of the six-month period specified by Subsection (f) and before a notice of foreclosure of the transferred tax lien is sent, the transferee of the tax lien may require the property owner to provide written authorization and pay a reasonable fee before providing information regarding the current balance owed by the property owner to the transferee.

(h) A mortgage servicer who pays a property tax loan secured by a tax lien transferred under this section becomes subrogated to all rights in the lien.

(i) A judicial foreclosure of a tax lien transferred under this section may not be instituted within one year from the date on which the lien is recorded in all counties in which the property is located, unless the contract between the owner of the property and the transferee provides otherwise.

(j) After one year from the date on which a tax lien transferred under this section is recorded in all counties in which the property is located, the transferee of the lien may foreclose the lien in the manner provided by Subsection (c) unless the contract between the transferee and the owner of the property encumbered by the lien provides otherwise. The proceeds of a sale following a judicial foreclosure as provided by this subsection shall be applied first to the payment of court costs, then to payment of the judgment, including accrued interest, and then to the payment of any attorney's fees fixed in the judgment. Any remaining proceeds shall be paid to other holders of liens on the property in the order of their priority and then to the person whose property was sold at the tax sale.

(k) Beginning on the date the foreclosure deed is recorded, the person whose property is sold as provided by Subsection (c) or the mortgage servicer of a prior recorded lien against the property is entitled to redeem the foreclosed property from the purchaser or the purchaser's successor by paying the purchaser or successor:

(1) 125 percent of the purchase price during the first year of the redemption period or 150 percent of the purchase price during the second year of the redemption period with cash or cash equivalent funds; and

(2) the amount reasonably spent by the purchaser in connection with the property as costs within the meaning of Section 34.21(g) and the legal judgment rate of return on that amount.

(k-1) The right of redemption provided by Subsection (k) may be exercised on or before the second anniversary of the date on which the purchaser's deed is filed of record if the property sold was the residence homestead of the owner, was land designated for agricultural use, or was a mineral interest. For any other property, the right of redemption must be exercised not later than the 180th day after the date on which the purchaser's deed is filed of record. If a person redeems the property as provided by Subsection (k) and this subsection, the purchaser at the tax sale or the purchaser's successor shall deliver a deed without warranty to the property to the person redeeming the property. If the person who owned the property at the time of foreclosure redeems the property, all liens existing on the property at the time of the tax sale remain in effect to the extent not paid from the sale proceeds.

(l) Except as specifically provided by this section, a property owner cannot waive or limit any requirement imposed on a transferee by this section.

### Sec. 32.065. Contract for Foreclosure of Tax Lien.

(a) Section 32.06 does not abridge the right of an owner of real property to enter into a contract for the payment of taxes.

(b) Notwithstanding any agreement to the contrary, a contract entered into under Subsection (a) between a transferee and the property owner under Section 32.06 that is secured by a priority lien on the property shall provide for foreclosure in the manner provided by Section 32.06(c) and:

(1) an event of default;

(2) notice of acceleration; and

(3) recording of the deed of trust or other instrument securing the contract entered into under Subsection (a) in each county in which the property is located.

(b-1) On an event of default and notice of acceleration, the mortgage servicer of a recorded lien encumbering real property may obtain a release of a transferred tax lien on the property by paying the transferee of the tax lien or the holder of the tax lien the amount owed by the property owner to that transferee or holder.

(c) Notwithstanding any other provision of this code, a transferee of a tax lien or the transferee's assignee is subrogated to and is entitled to exercise any right or remedy possessed by the transferring taxing unit, including or related to foreclosure or judicial sale, but is prohibited from exercising a remedy of foreclosure or judicial sale where the transferring taxing unit would be prohibited from foreclosure or judicial sale.

(d) Chapters 342 and 346, Finance Code, and the provisions of Chapter 343, Finance Code, other than Sections 343.203 and 343.205, do not apply to a transaction covered by this section.

(e) If in a contract under this section a person contracts for, charges, or receives a rate or amount of interest that exceeds the rate or amount allowed by this section, the amount of the penalty for which the person is obligated is determined in the manner provided by Chapter 349, Finance Code.

### *Subchapter A*

#### *General Provisions*

#### **Sec. 33.01. Penalties and Interest.**

(a) A delinquent tax incurs a penalty of six percent of the amount of the tax for the first calendar month it is delinquent plus one percent for each additional month or portion of a month the tax remains unpaid prior to July 1 of the year in which it becomes delinquent. However, a tax delinquent on July 1 incurs a total penalty of twelve percent of the amount of the delinquent tax without regard to the number of months the tax has been delinquent. A delinquent tax continues to incur the penalty provided by this subsection as long as the tax remains unpaid, regardless of whether a judgment for the delinquent tax has been rendered.

(b) If a person who exercises the split-payment option provided by Section 31.03 of this code fails to make the second payment before July 1, the second payment is delinquent and incurs a penalty of twelve percent of the amount of unpaid tax.

(c) A delinquent tax accrues interest at a rate of one percent for each month or portion of a month the tax remains unpaid. Interest payable under this section is to compensate the taxing unit for revenue lost because of the delinquency. A delinquent tax continues to accrue interest under this subsection as long as the tax remains unpaid, regardless of whether a judgment for the delinquent tax has been rendered.

(d) In lieu of the penalty imposed under Subsection (a), a delinquent tax incurs a penalty of 50 percent of the amount of the tax without regard to the number of months the tax has been delinquent if the tax is delinquent because the property owner received an exemption under:

(1) Section 11.13 and the chief appraiser subsequently cancels the exemption because the residence was not the principal residence of the property owner and the property owner received an exemption for two or more additional residence homesteads for the tax year in which the tax was imposed;

(2) Section 11.13(c) or (d) for a person who is 65 years of age or older and the chief appraiser subsequently cancels the exemption because the property owner was younger than 65 years of age; or

(3) Section 11.13(q) and the chief appraiser subsequently cancels the exemption because the property owner was younger than 55 years of age when the property owner's spouse died.

(e) A penalty imposed under Subsection (d) does not apply if:

(1) the exemption was granted by the appraisal district or board and not at the request or application of the property owner or the property owner's agent; or

(2) at any time before the date the tax becomes delinquent, the property owner gives to the chief appraiser of the appraisal district in which the property is located written notice of circumstances that would disqualify the owner for the exemption.

(f) Notwithstanding the other provisions of this section, a delinquent tax for which a person defers payment under Section 31.02(b) that is not paid on or before the date the deferral period prescribed by that subsection expires:

(1) accrues interest at a rate of six percent for each year or portion of a year the tax remains unpaid; and

(2) does not incur a penalty.

#### **Sec. 33.011. Waiver of Penalties and Interest.**

(a) The governing body of a taxing unit:

- (1) shall waive penalties and may provide for the waiver of interest on a delinquent tax if an act or omission of an officer, employee, or agent of the taxing unit or the appraisal district in which the taxing unit participates caused or resulted in the taxpayer's failure to pay the tax before delinquency and if the tax is paid not later than the 21st day after the date the taxpayer knows or should know of the delinquency;
- (2) may waive penalties and provide for the waiver of interest on a delinquent tax if:
  - (A) the property for which the tax is owed is acquired by a religious organization; and
  - (B) before the first anniversary of the date the religious organization acquires the property, the organization pays the tax and qualifies the property for an exemption under Section 11.20 as evidenced by the approval of the exemption by the chief appraiser under Section 11.45; and
- (3) may waive penalties and provide for the waiver of interest on a delinquent tax if the taxpayer submits evidence showing that:
  - (A) the taxpayer attempted to pay the tax before the delinquency date by mail;
  - (B) the taxpayer mailed the tax payment to an incorrect address that in a prior tax year was the correct address for payment of the taxpayer's tax;
  - (C) the payment was mailed to the incorrect address within one year of the date that the former address ceased to be the correct address for payment of the tax; and
  - (D) the taxpayer paid the tax not later than the 21st day after the date the taxpayer knew or should have known of the delinquency.
- (b) If a tax bill is returned undelivered to the taxing unit by the United States Postal Service, the governing body of the taxing unit shall waive penalties and interest if:
  - (1) the taxing unit does not send another tax bill on the property in question at least 21 days before the delinquency date to the current mailing address furnished by the property owner and the property owner establishes that a current mailing address was furnished to the appraisal district by the property owner for the tax bill before September 1 of the year in which the tax is assessed; or
  - (2) the tax bill was returned because of an act or omission of an officer, employee, or agent of the taxing unit or the appraisal district in which the taxing unit participates and the taxing unit or appraisal district did not send another tax bill on the property in question at least 21 days before the delinquency date to the proper mailing address.
- (c) For the purposes of this section, a property owner is considered to have furnished a current mailing address to the taxing unit or to the appraisal district if the current address is expressly communicated to the appraisal district in writing or if the appraisal district received a copy of a recorded instrument transferring ownership of real property and the current mailing address of the new owner is included in the instrument or in accompanying communications or letters of transmittal.
- (d) A request for a waiver of penalties and interest under Subsection (a)(1) or (3), (b), (h), (j), or (k) must be made before the 181st day after the delinquency date. A request for a waiver of penalties and interest under Subsection (a)(2) must be made before the first anniversary of the date the religious organization acquires the property. A request for a waiver of penalties and interest under Subsection (i) must be made before the 181st day after the date the property owner making the request receives notice of the delinquent tax that satisfies the requirements of Section 33.04(c). To be valid, a waiver of penalties or interest under this section must be requested in writing. If a written request for a waiver is not timely made, the governing body of a taxing unit may not waive any penalties or interest under this section.
- (e) Penalties and interest do not accrue during the period that a bill is not sent under Section 31.01(f).
- (f) A property owner is not entitled to relief under Subsection (b) of this section if the property owner or the owner's agent furnished an incorrect mailing address to the appraisal district or the taxing unit or to an employee or agent of the district or unit.
- (g) Taxes for which penalties and interest have been waived under Subsection (b) of this section must be paid within 21 days of the property owner having received a bill for those taxes at the current mailing address.
- (h) The governing body of a taxing unit shall waive penalties and interest on a delinquent tax if:
  - (1) the tax is payable by electronic funds transfer under an agreement entered into under Section 31.06(a); and
  - (2) the taxpayer submits evidence sufficient to show that:
    - (A) the taxpayer attempted to pay the tax by electronic funds transfer in the proper manner before the delinquency date;
    - (B) the taxpayer's failure to pay the tax before the delinquency date was caused by an error in the transmission of the funds; and
    - (C) the tax was properly paid by electronic funds transfer or otherwise not later than the 21st day after the date the taxpayer knew or should have known of the delinquency.
- (i) The governing body of a taxing unit may waive penalties and interest on a delinquent tax that relates to a date preceding the date on which the property owner acquired the property if:
  - (1) the property owner or another person liable for the tax pays the tax not later than the 181st day after the date the property owner receives notice of the delinquent tax that satisfies the requirements of Section 33.04(c); and
  - (2) the delinquency is the result of taxes imposed on:
    - (A) omitted property entered in the appraisal records as provided by Section 25.21;
    - (B) erroneously exempted property or appraised value added to the appraisal roll as provided by Section 11.43(i);

or

(C) property added to the appraisal roll under a different account number or parcel when the property was owned by a prior owner.

(j) The governing body of a taxing unit may waive penalties and interest on a delinquent tax if the taxpayer submits evidence sufficient to show that the taxpayer delivered payment for the tax before the delinquency date to:

(1) the United States Postal Service for delivery by mail, but an act or omission of the postal service resulted in the taxpayer's payment being postmarked after the delinquency date; or

(2) a private delivery service for delivery, but an act or omission of the private carrier resulted in the taxpayer's payment being received by the taxing unit after the delinquency date.

(k) The governing body of a taxing unit may waive penalties and interest on a delinquent tax if:

(1) the property for which the tax is owed is subject to a mortgage that does not require the owner of the property to fund an escrow account for the payment of the taxes on the property;

(2) the tax bill was mailed or delivered by electronic means to the mortgagee of the property, but the mortgagee failed to mail a copy of the bill to the owner of the property as required by Section 31.01(j); and

(3) the taxpayer paid the tax not later than the 21st day after the date the taxpayer knew or should have known of the delinquency.

### Sec. 33.02. Installment Payment of Delinquent Taxes.

(a) The collector for a taxing unit may enter into an agreement with a person delinquent in the payment of the tax for payment of the tax, penalties, and interest in installments. The collector for a taxing unit shall, on request by a person delinquent in the payment of the tax on a residence homestead for which the property owner has been granted an exemption under Section 11.13, enter into an agreement with the person for payment of the tax, penalties, and interest in installments if the person has not entered into an installment agreement with the collector for the taxing unit under this section in the preceding 24 months.

(a-1) An installment agreement under this section:

(1) must be in writing;

(2) must provide for payments to be made in monthly installments;

(3) must extend for a period of at least 12 months if the property that is the subject of the agreement is a residence homestead for which the person entering into the agreement has been granted an exemption under Section 11.13; and

(4) may not extend for a period of more than 36 months.

(b) Except as provided by Subsection (b-1), interest and a penalty accrue as provided by Sections 33.01(a) and (c) on the unpaid balance during the period of the agreement.

(b-1) Except as otherwise provided by this subsection, a penalty does not accrue as provided by Section 33.01(a) on the unpaid balance during the period of the agreement if the property that is the subject of the agreement is a residence homestead for which the property owner has been granted an exemption under Section 11.13. If the property owner fails to make a payment as required by the agreement, a penalty accrues as provided by Section 33.01(a) on the unpaid balance as if the owner had not entered into the agreement.

(c) A property owner's execution of an installment agreement under this section is an irrevocable admission of liability for all taxes, penalties, and interest that are subject to the agreement.

(d) Property may not be seized and sold and a suit may not be filed to collect a delinquent tax subject to an installment agreement unless the property owner:

(1) fails to make a payment as required by the agreement;

(2) fails to pay other property taxes collected by the unit when due as required by the collector; or

(3) breaches any other condition of the agreement.

(e) Execution of an installment agreement tolls the limitation periods provided by Section 33.05 of this code for the period during which enforced collection is barred by Subsection (d) of this section.

(f) The collector for a taxing unit must deliver a notice of default to a person who is in breach of an installment agreement under this section and to any other owner of an interest in the property subject to the agreement whose name appears on the delinquent tax roll before the collector may seize and sell the property or file a suit to collect a delinquent tax subject to the agreement.

(a) At least once each year the collector for a taxing unit shall deliver a notice of delinquency to each person whose name appears on the current delinquent tax roll. However, the notice need not be delivered if:

(2) the collector does not know and by exercising reasonable diligence cannot determine the delinquent taxpayer's name and address.

(a) A tax bill mailed by an assessor or collector under Section 31.01 and any written communication delivered to a property owner by an assessor or collector for a taxing unit or an attorney or other agent of a taxing unit that specifically threatens a lawsuit to collect a delinquent tax assessed against property that may qualify as a residence homestead shall contain the following explanation in capital letters: "IF YOU ARE 65 YEARS OF AGE OR OLDER OR ARE DISABLED, AND YOU OCCUPY THE PROPERTY DESCRIBED IN THIS DOCUMENT AS YOUR RESIDENCE HOMESTEAD, YOU SHOULD CONTACT THE APPRAISAL DISTRICT REGARDING ANY ENTITLEMENT YOU MAY HAVE TO A POSTPONEMENT IN THE PAYMENT OF THESE TAXES."

(b) This section does not apply to a communication that relates to taxes that are the subject of pending litigation.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 1126 (H.B. 2491), § 18, effective September 1, 2005; am. Acts 2007, 80th Leg., ch. 31 (S.B. 456), § 1, effective September 1, 2007.

#### **Sec. 33.05. Limitation on Collection of Taxes.**

(a) Personal property may not be seized and a suit may not be filed:

(1) to collect a tax on personal property that has been delinquent more than four years; or

(2) to collect a tax on real property that has been delinquent more than 20 years.

(b) A tax delinquent for more than the limitation period prescribed by this section and any penalty and interest on the tax is presumed paid unless a suit to collect the tax is pending.

(c) If there is no pending litigation concerning the delinquent tax at the time of the cancellation and removal, the collector for a taxing unit shall cancel and remove from the delinquent tax roll:

(1) a tax on real property that has been delinquent for more than 20 years;

(2) a tax on personal property that has been delinquent for more than 10 years; and

(3) a tax on real property that has been delinquent for more than 10 years if the property has been owned for at least the preceding eight years by a home-rule municipality in a county with a population of more than 3.3 million.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1991, 72nd Leg., ch. 836 (S.B. 772), § 5.4, effective August 26, 1991; am. #### **Sec. 33.06. Deferred Collection of Taxes on Residence Homestead of Elderly or Disabled Person or Disabled Veteran.**

(a) An individual is entitled to defer collection of a tax, abate a suit to collect a delinquent tax, or abate a sale to foreclose a tax lien if:

(1) the individual:

(A) is 65 years of age or older;

(B) is disabled as defined by Section 11.13(m); or

(C) is qualified to receive an exemption under Section 11.22; and

(2) the tax was imposed against property that the individual owns and occupies as a residence homestead.

(b) To obtain a deferral, an individual must file with the chief appraiser for the appraisal district in which the property is located an affidavit stating the facts required to be established by Subsection (a). The chief appraiser shall notify each taxing unit participating in the district of the filing. After an affidavit is filed under this subsection, a taxing unit may not file suit to collect delinquent taxes on the property and the property may not be sold at a sale to foreclose the tax lien until the 181st day after the date the collector for the taxing unit delivers a notice of delinquency of the taxes following the date the individual no longer owns and occupies the property as a residence homestead.

(c) To obtain an abatement of a pending suit, the individual must file in the court in which suit is pending an affidavit stating the facts required to be established by Subsection (a). If no controverting affidavit is filed by the taxing unit filing suit or if, after a hearing, the court finds the individual is entitled to the deferral, the court shall abate the suit until the 181st day after the date the collector for the taxing unit delivers a notice of delinquency of the taxes following the date the individual no longer owns and occupies the property as a residence homestead. The clerk of the court shall deliver a copy of the judgment abating the suit to the chief appraiser of each appraisal district that appraises the property.

(c-1) To obtain an abatement of a pending sale to foreclose the tax lien, the individual must deliver an affidavit stating the facts required to be established by Subsection (a) to the chief appraiser of each appraisal district that appraises the property, the collector for the taxing unit that requested the order of sale or the attorney representing that taxing unit for the collection of delinquent taxes, and the officer charged with selling the property not later than the fifth day before the date of the sale. After an affidavit is delivered under this subsection, the property may not be sold at a tax sale until the 181st day after the date the collector for the taxing unit delivers a notice of delinquency of the taxes following the date the individual no longer owns and occupies the property as a residence homestead. If property is sold in violation of this section, the property owner may file a motion to set aside the sale under the same cause number and in the same court as a judgment reference in the order of sale. The motion must be filed during the applicable redemption period as set forth in Section 34.21(a) or, if the property is bid off to a taxing entity, on or before the 180th day following the date the taxing unit's deed is filed of record, whichever is later. This right is not transferable to a third party.

(d) A tax lien remains on the property and interest continues to accrue during the period collection of taxes is deferred or abated under this section. The annual interest rate during the deferral or abatement period is five percent instead of the rate provided by Section 33.01. Interest and penalties that accrued or that were incurred or imposed under Section 33.01 or 33.07 before the date the individual files the deferral affidavit under Subsection (b) or the date the judgment abating the suit is entered, as applicable, are preserved. A penalty under Section 33.01 is not incurred during a deferral or abatement period. The additional penalty under Section 33.07 may be imposed and collected only if the taxes for which collection is deferred or abated remain delinquent on or after the 181st day after the date the deferral or abatement period expires. A plea of limitation, laches, or want of prosecution does not apply against the taxing unit because of deferral or abatement of collection as provided by this section.

(e) Each year the chief appraiser for each appraisal district shall publicize in a manner reasonably designed to notify all residents of the district or county of the provisions of this section and, specifically, the method by which eligible persons may obtain a deferral or abatement.

(f) Notwithstanding the other provisions of this section, if an individual who qualifies for a deferral or abatement of collection of taxes on property as provided by this section dies, the deferral or abatement continues in effect until the 181st day after the date the collector for the taxing unit delivers a notice of delinquency of the taxes following the date the surviving spouse of the individual no longer owns and occupies the property as a residence homestead if:

- (1) the property was the residence homestead of the deceased spouse when the deceased spouse died;
- (2) the surviving spouse was 55 years of age or older when the deceased spouse died; and
- (3) the property was the residence homestead of the surviving spouse when the deceased spouse died.

(g) If the ownership interest of an individual entitled to a deferral under this section is a life estate, a lien for the deferred tax attaches to the estate of the life tenant, and not to the remainder interest, if the owner of the remainder is an institution of higher education that has not consented to the deferral. In this subsection, "institution of higher education" has the meaning assigned by Section 61.003, Education Code. This subsection does not apply to a deferral for which the individual entitled to the deferral filed the affidavit required by Subsection (b) before September 1, 2011.

(h) An heir property owner who qualifies heir property as the owner's residence homestead under Chapter 11 is considered the sole owner of the property for the purposes of this section.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 129, effective January 1, 1982; am. Acts 1989, 71st Leg., ch. 793 (H.B. 421), § 1, effective September 1, 1989; am. Acts 1997, 75th Leg., ch. 1039 (S.B. 841), §§ 34, 35, effective January 1, 1998; am. Acts 2001, 77th Leg., ch. 892 (H.B. 3364), §§ 1, 2, effective June 14, 2001; am. Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 12, effective September 1, 2001; am. Acts 2003, 78th Leg., ch. 754 (H.B. 3504), §§ 1, 2, effective September 1, 2003; am. Acts 2003, 78th Leg., ch. 1276 (H.B. 3507), § 15.002, effective September 1, 2003; am. Acts 2011, 82nd Leg., ch. 1049 (S.B. 5), § 4.05, effective June 17, 2011; am. Acts 2017, 85th Leg., ch. 18 (H.B. 217), §§ 1, 2, effective September 1, 2017; am. Acts 2017, 85th Leg., ch. 1131 (H.B. 150), § 2, effective January 1, 2018; am. Acts 2019, 86th Leg., ch. 663 (S.B. 1943), § 9, effective September 1, 2019; am. Acts 2021, 87th Leg., ch. 421 (H.B. 3629), § 1, effective September 1, 2021.

### **Sec. 33.065. Deferred Collection of Taxes on Appreciating Residence Homestead.**

(a) An individual is entitled to defer or abate a suit to collect a delinquent tax imposed on the portion of the appraised value of property the individual owns and occupies as the individual's residence homestead that exceeds the sum of:

- (1) 105 percent of the appraised value of the property for the preceding year; and
- (2) the market value of all new improvements to the property.

(b) An individual may not obtain a deferral or abatement under this section, and any deferral or abatement previously received expires, if the taxes on the portion of the appraised value of the property that does not exceed the amount provided by Subsection (a) are delinquent.

(c) To obtain a deferral, an individual must file with the chief appraiser for the appraisal district in which the property is located an affidavit stating the facts required to be established by Subsection (a). The chief appraiser shall notify each taxing unit participating in the district of the filing. After an affidavit is filed under this subsection, a taxing unit may not file suit to collect delinquent taxes on the property for which collection is deferred until the individual no longer owns and occupies the property as a residence homestead.

(d) To obtain an abatement, the individual must file in the court in which the delinquent tax suit is pending an affidavit stating the facts required to be established by Subsection (a). If the taxing unit that filed the suit does not file a controverting affidavit or if, after a hearing, the court finds the individual is entitled to the deferral, the court shall abate the suit until the individual no longer owns and occupies the property as the individual's residence homestead. The clerk of the court shall deliver a copy of the judgment abating the suit to the chief appraiser of each appraisal district that appraises the property.

(e) A deferral or abatement under this section applies only to ad valorem taxes imposed beginning with the tax year following the first tax year the individual entitled to the deferral or abatement qualifies the property for an exemption under Section 11.13. For purposes of this subsection, the owner of a residence homestead that is qualified for an exemption under Section 11.13 on January 1, 1998, is considered to have qualified the property for the first time in the 1997 tax year.

(f) If the collection of delinquent taxes on the property was deferred in a prior tax year and the sum of the amounts described by Subsections (a)(1) and (2) exceeds the appraised value of the property for the current tax year, the amount of taxes the collection of which may be deferred is reduced by the amount calculated by multiplying the taxing unit's tax rate for the current year by the amount by which that sum exceeds the appraised value of the property.

(g) A tax lien remains on the property and interest continues to accrue during the period collection of delinquent taxes is deferred or abated under this section. The annual interest rate during the deferral or abatement period is eight percent instead of the rate provided by Section 33.01. Interest and penalties that accrued or that were incurred or imposed under Section 33.01 or 33.07 before the date the individual files the deferral affidavit under Subsection (c) or the date the judgment abating the suit is entered, as applicable, are preserved. A penalty is not incurred on the delinquent taxes for which collection is deferred or abated during a deferral or abatement period. The additional penalty under Section 33.07 may be imposed and collected only if the delinquent taxes for which collection is deferred or abated remain delinquent on or after the 91st day after the date the deferral or abatement period expires. A plea of limitation, laches, or want of prosecution does not apply against the taxing unit because of deferral or abatement of collection as provided by this section.

(h) Each year the chief appraiser for each appraisal district shall publicize in a manner reasonably designed to notify all residents of the county for which the appraisal district is established of the provisions of this section and, specifically, the method by which an eligible person may obtain a deferral.

(i) In this section:

(1) "New improvement" means an improvement to a residence homestead that is made after the appraisal of the property for the preceding year and that increases the market value of the property. The term does not include ordinary maintenance of an existing structure or the grounds or another feature of the property.

(2) "Residence homestead" has the meaning assigned that term by Section 11.13.

(j) An heir property owner who qualifies heir property as the owner's residence homestead under Chapter 11 is considered the sole owner of the property for the purposes of this section.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1039 (S.B. 841), § 36, effective January 1, 1998; am. Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 13, effective September 1, 2001; am. Acts 2019, 86th Leg., ch. 663 (S.B. 1943), § 10, effective September 1, 2019.

### Sec. 33.07. Additional Penalty for Collection Costs for Taxes Due Before June 1.

(a) A taxing unit or appraisal district may provide, in the manner required by law for official action by the body, that taxes that become delinquent on or after February 1 of a year but not later than May 1 of that year and that remain delinquent on July 1 of the year in which they become delinquent incur an additional penalty to defray costs of collection, if the unit or district or another unit that collects taxes for the unit has contracted with an attorney pursuant to Section 6.30. The amount of the penalty may not exceed the amount of the compensation specified in the contract with the attorney to be paid in connection with the collection of the delinquent taxes.

(b) A tax lien attaches to the property on which the tax is imposed to secure payment of the penalty.

(c) If a penalty is imposed pursuant to this section, a taxing unit may not recover attorney's fees in a suit to collect delinquent taxes subject to the penalty.

(d) If a taxing unit or appraisal district provides for a penalty under this section, the collector shall deliver a notice of delinquency and of the penalty to the property owner at least 30 and not more than 60 days before July 1.

- (1) the governing body of the taxing unit or appraisal district has imposed the additional penalty for collection costs under Section 33.07; and
  - (2) the taxing unit or appraisal district, or another taxing unit that collects taxes for the unit, has entered into a contract with an attorney under Section 6.30 for the collection of the unit's delinquent taxes.

The amount of the penalty may not exceed the amount of the compensation specified in the applicable contract with an attorney under Section 6.30 to be paid in connection with the collection of the delinquent taxes.
- (c) After the taxes become delinquent, the collector for a taxing unit or appraisal district that has provided for the additional penalty under this section shall send a notice of the delinquency and the penalty to the property owner. The penalty is incurred on the first day of the first month that begins at least 21 days after the date the notice is sent.
- (d) A tax lien attaches to the property on which the tax is imposed to secure payment of the additional penalty.
- (e) A taxing unit or appraisal district that imposes the additional penalty under this section may not recover attorney's fees in a suit to collect delinquent taxes subject to the penalty.

- (a) In order to defray costs of collection, the governing body of a taxing unit or appraisal district in the manner required by law for official action may provide that taxes imposed on tangible personal property that become delinquent on or after February 1 of a year incur an additional penalty on a date that occurs before July 1 of the year in which the taxes become delinquent if:
- (1) the taxing unit or appraisal district or another unit that collects taxes for the unit has contracted with an attorney under Section 6.30; and

  - (2) impose an additional penalty under Section 33.07 on a delinquent personal property tax.
- (f) If the governing body of a taxing unit or appraisal district provides for a penalty under this section, the collector for the taxing unit or appraisal district shall send a notice of the penalty to the property owner. The notice shall state the date on which the penalty is incurred, and the tax collector shall deliver the notice at least 30 and not more than 60 days before that date. If the amount of personal property tax, penalty and interest owed to all taxing units for which the tax collector collects exceeds \$10,000 on a single account identified by a unique property identification number, the notice regarding that account must be delivered by certified mail, return receipt requested. A person may prevent seizure of property or sale of property seized by delivering to the collector a cash or surety bond conditioned on payment of the tax before delinquency. **HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

#### **Sec. 33.25. Tax Sale: Notice; Method; Disposition of Proceeds.**

(a) After a seizure of personal property, the collector shall make a reasonable inquiry to determine the identity and to ascertain the address of any person having an interest in the property other than the person against whom the tax warrant is issued. The collector shall provide in writing the name and address of each other person the collector identifies as having an interest in the property to the peace officer charged with executing the warrant. The peace officer shall deliver as soon as possible a written notice stating the time and place of the sale and briefly describing the property seized to the person against whom the warrant is issued and to any other person having an interest in the property whose name and address the collector provided to the peace officer. The posting of the notice and the sale of the property shall be conducted:

- (1) by the peace officer or collector, as specified in the warrant, in the manner required for the sale under execution of personal property; or
- (2) under an agreement authorized by Subsection (b).

(b) The commissioners court of a county by official action may authorize a peace officer or the collector for the county charged with selling property under this subchapter by public auction to enter into an agreement with a person who holds an auctioneer's license to advertise the auction sale of the property and to conduct the auction sale of the property. The agreement may provide for on-line bidding and sale.

(c) The commissioners court of a county that authorizes a peace officer or the collector for the county to enter into an agreement under Subsection (b) may by official action authorize the peace officer or collector to enter into an agreement with a service provider to advertise the auction and to conduct the auction sale of the property or to accept bids during the auction sale of the property under Subsection (b) using the Internet.

(d) The terms of an agreement entered into under Subsection (b) or (c) must be approved in writing by the collector for each taxing unit entitled to receive proceeds from the sale of the property. An agreement entered into under Subsection (b) or (c) is presumed to be commercially reasonable, and the presumption may not be rebutted by any person.

(e) Failure to send or receive a notice required by this section does not affect the validity of the sale or title to the seized property.

(f) The proceeds of a sale of property under this section shall be applied to:

- (1) any compensation owed to or any expense advanced by the licensed auctioneer under an agreement entered into under Subsection (b) or a service provider under an agreement entered into under Subsection (c);
- (2) all usual costs, expenses, and fees of the seizure and sale, payable to the peace officer conducting the sale;
- (3) all additional expenses incurred in advertising the sale or in removing, storing, preserving, or safeguarding the seized property pending its sale;
- (4) all usual court costs payable to the clerk of the court that issued the tax warrant; and
- (5) taxes, penalties, interest, and attorney's fees included in the application for warrant.

(g) The peace officer or licensed auctioneer conducting the sale shall pay all proceeds from the sale to the collector designated in the tax warrant for distribution as required by Subsection (f).

(h) After a seizure of personal property defined by Sections 33.21(d) (2)—(5), the collector shall apply the seized property toward the payment of the taxes, penalties, interest, and attorney's fees included in the application for warrant and all costs of the seizure as required by Subsection (f).

(i) After a tax warrant is issued, the seizure or sale of the property may be canceled and terminated at any time by the applicant or an authorized agent or attorney of the applicant.

(b) A suit to collect a delinquent tax takes precedence over all other suits pending in appellate courts.

(d) In a suit brought under this section, a court shall grant a taxing unit injunctive relief on a showing that the personal property on which the taxing unit seeks to foreclose a tax lien is about to be:

(2) transferred to another person and the other person is not a buyer in the ordinary course of business, as defined by Section 1.201, Business & Commerce Code.

(3) order any other relief to ensure the payment of the taxes owed.

(f) A taxing unit is not required to file a bond as a condition to the granting of injunctive relief under Subsection (d).

(g) In a petition for relief under Subsection (d), the taxing unit may also seek to secure the payment of taxes for a current tax year that are not delinquent and shall estimate the amount due if those taxes are not yet assessed.

(h) The tax lien attaches to any amounts paid into the court's registry with the same priority as for the property on which taxes are owed.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., ch. 707 (H.B. 646), § 4(33), effective August 31, 1981; am. (b) If a taxing unit's tax on real property becomes delinquent after the unit files suit to foreclose a tax lien on the property but before entry of judgment, the court shall include the amount of the tax and any penalty and interest in its judgment.

(c) If a tax required by this section to be included in a suit is omitted from the judgment in the suit, the taxing unit may not enforce collection of the tax at a later time except as provided by Section 34.04(c)(2).

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 21, effective September 1, 2001.

(1) the taxing unit is legally constituted and authorized to impose and collect ad valorem taxes on property;

(2) tax in a stated amount was legally imposed on each separately described property for each year specified and on each person named if known who owned the property on January 1 of the year for which the tax was imposed;

If the petition alleges that the person sued owned the property on January 1 of the year for which the taxes were imposed, the prayer shall be for personal judgment for all taxes, penalties, interest, and costs that are due or will become due on the property. If the petition contains the appropriate allegations, the prayer may be for both foreclosure of a lien on the property and personal judgment.
- (c) If the suit is for personal judgment against the person who owned personal property on January 1 of the year for which the tax was imposed on the property, the personal property may be described generally.
- (d) The petition need not be verified.
- (e) The comptroller shall prepare forms for petitions initiating suits to collect delinquent taxes. An attorney representing a taxing unit may use the forms or develop his own form.

- (b) For purposes of joining a county, citation may be served on the county tax assessor-collector. For purposes of joining any other taxing unit, citation may be served on the officer charged with collecting taxes for the unit or on the presiding officer or secretary of the governing body of the unit. Citation may be served by certified mail, return receipt requested. A person on whom service is authorized by this subsection may waive the issuance and service of citation in behalf of his taxing unit.
- (c) A taxing unit joined in a suit as provided by this section must file its claim for delinquent taxes against the property or its lien on the property is extinguished. The court's judgment in the suit shall reflect the extinguishment of a lien under this subsection.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 851 (H.B. 1203), § 25, effective August 29, 1983.

#### **Sec. 33.445. Joinder of Tax Lien Transferee.**

- (a) A taxing unit acting under Section 33.44(a) shall also join each transferee of a tax lien against the property that may appear of record under Section 32.06. After the joinder, the transferee of the tax lien may file its claim and seek foreclosure in the suit for all amounts owed the transferee that are secured by the transferred tax lien, regardless of when the original transfer of tax lien was recorded or whether the original loan secured by the transferred tax lien is delinquent. In the alternative, the transferee may pay all taxes, penalties, interest, court costs, and attorney's fees owing to the taxing unit that filed the foreclosure suit and each other taxing unit that is joined.
- (b) In consideration of the payment by the transferee of those taxes and charges, each joined taxing unit shall transfer its tax lien to the transferee in the form and manner provided by Section 32.06(b) and enter its disclaimer in the suit. The transfer of a tax lien under this subsection does not require authorization by the property owner.
- (c) On transfer of all applicable tax liens, the transferee may seek to foreclose the tax liens in the pending suit or in any other manner provided by Section 32.06, regardless of when the original transfer of tax lien was recorded or whether the original loan secured by the transferred tax lien is delinquent. The foreclosure may include all amounts owed to the transferee, including any amount secured by the original transfer of tax lien.
- (d) All liens held by a transferee who is joined under this section but fails to act in the manner provided by this section are extinguished, and the court's judgment shall reflect the extinguishment of those liens.

**HISTORY:** Enacted by Acts 2009, 81st Leg., ch. 104 (H.B. 1465), § 2, effective September 1, 2009; am. Acts 2011, 82nd Leg., ch. 622 (S.B. 762), § 2, effective September 1, 2011.

**Sec. 33.46. Partition of Real Property.**

(a) If suit is filed to foreclose a tax lien on real property owned in undivided interests by two or more persons, one or more of the owners may have the property partitioned in the manner prescribed by law for the partition of real property in district court.

(b) The court shall apportion the taxes, penalties, interest, and costs sued for to the owners of the property in proportion to the interest of each. If an owner pays the taxes, penalties, interest, and costs apportioned to him, the property partitioned to him is free from further claim or lien for the taxes involved in the suit. If an owner refuses to pay the amount apportioned to him, the suit shall proceed against him for that amount.

(c) The court shall allow reasonable attorney's fees and costs of partitioning for each property partitioned. The fee shall be taxed as costs against each owner in proportion to his interest and constitutes a lien against the property until paid.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 33.47. Tax Records As Evidence.**

(a) In a suit to collect a delinquent tax, the taxing unit's current tax roll and delinquent tax roll or certified copies of the entries showing the property and the amount of the tax and penalties imposed and interest accrued constitute prima facie evidence that each person charged with a duty relating to the imposition of the tax has complied with all requirements of law and that the amount of tax alleged to be delinquent against the property and the amount of penalties and interest due on that tax as listed are the correct amounts.

(b) If the description of a property in the tax roll or delinquent tax roll is insufficient to identify the property, the records of the appraisal office are admissible to identify the property.

(c) In a suit to collect a tax, a tax receipt issued under Section 31.075 of this code, or an electronic replica of the receipt, that states that a tax has been paid is prima facie evidence that the tax has been paid as stated by the receipt or electronic replica.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1987, 70th Leg., ch. 52 (S.B. 83), § 2, effective May 6, 1987; am. (a) In a suit to collect a delinquent tax, an attorney ad litem appointed by a court to represent the interests of a defendant served with process by means of citation by publication or posting shall submit to the court a report describing the actions taken by the attorney ad litem to locate and represent the interests of the defendant.

(b) The court may not approve the fees of the attorney ad litem until the attorney ad litem submits the report required by this section and the court determines that the actions taken by the attorney ad litem as described in the report were sufficient to discharge the attorney's duties to the defendant.

**HISTORY:** Enacted by Acts 2015, 84th Leg., ch. 1090 (H.B. 2710), § 1, effective September 1, 2015.

**Sec. 33.48. Recovery of Costs and Expenses.**

(a) In addition to other costs authorized by law, a taxing unit is entitled to recover the following costs and expenses in a suit to collect a delinquent tax:

(1) all usual court costs, including the cost of serving process and electronic filing fees;

(2) costs of filing for record a notice of lis pendens against property;

(3) expenses of foreclosure sale;

(4) reasonable expenses that are incurred by the taxing unit in determining the name, identity, and location of necessary parties and in procuring necessary legal descriptions of the property on which a delinquent tax is due;

(5) attorney's fees in the amount of 15 percent of the total amount of taxes, penalties, and interest due the unit; and

(6) reasonable attorney ad litem fees approved by the court that are incurred in a suit in which the court orders the appointment of an attorney to represent the interests of a defendant served with process by means of citation by publication or posting.

(b) Each item specified by Subsection (a) of this section is a charge against the property subject to foreclosure in the suit and shall be collected out of the proceeds of the sale of the property or, if the suit is for personal judgment, charged against the defendant.

(c) Fees collected for attorneys and other officials are fees of office, except that fees for contract attorneys representing a taxing unit that is joined or intervenes shall be applied toward the compensation due the attorney under the contract.

(d) A collector who accepts a payment of the court costs and other expenses described by this section shall disburse the amount of the payment as follows:

- (1) amounts owing under Subsections (a)(1), (2), (3), and (6) are payable to the clerk of the court in which the suit is pending; and
- (2) expenses described by Subsection (a)(4) are payable to the general fund of the taxing unit or to the person or entity who advanced the expense.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1981, 67th Leg., 1st C.S., ch. 13 (H.B. 30), § 131, effective January 1, 1982; am. #### **Sec. 33.49. Liability of Taxing Unit for Costs.**

(a) Except as provided by Subsection (b), a taxing unit is not liable in a suit to collect taxes for court costs, including any fees for service of process or electronic filing, an attorney ad litem, arbitration, or mediation, and may not be required to post security for costs.

(b) A taxing unit shall pay the cost of publishing citations, notices of sale, or other notices from the unit's general fund as soon as practicable after receipt of the publisher's claim for payment. The taxing unit is entitled to reimbursement from other taxing units that are parties to the suit for their proportionate share of the publication costs on satisfaction of any portion of the tax indebtedness before further distribution of the proceeds. A taxing unit may not pay a word or line rate for publication of citation or other required notice that exceeds the rate the newspaper publishing the notice charges private entities for similar classes of advertising.

#### **Sec. 33.50. Adjudged Value.**

(a) In a suit for foreclosure of a tax lien on property, the court shall determine the market value of the property on the date of trial. The appraised value of the property according to the most recent appraisal roll approved by the appraisal review board is presumed to be its market value on the date of trial, and the person being sued has the burden of establishing that the market value of the property differs from that appraised value. The court shall incorporate a finding of the market value of the property on the date of trial in the judgment.

(b) If the judgment in a suit to collect a delinquent tax is for the foreclosure of a tax lien on property, the order of sale shall specify that the property may be sold to a taxing unit that is a party to the suit or to any other person, other than a person owning an interest in the property or any party to the suit that is not a taxing unit, for the market value of the property stated in the judgment or the aggregate amount of the judgments against the property, whichever is less.

(c) The order of sale shall also specify that the property may not be sold to a person owning an interest in the property or to a person who is a party to the suit other than a taxing unit unless:

- (1) that person is the highest bidder at the tax sale; and
- (2) the amount bid by that person is equal to or greater than the aggregate amount of the judgments against the property, including all costs of suit and sale.

#### **Sec. 33.51. Writ of Possession.**

(a) If the court orders the foreclosure of a tax lien and the sale of real property, the judgment shall provide for the issuance by the clerk of said court of a writ of possession to the purchaser at the sale or to the purchaser's assigns no sooner than 20 days following the date on which the purchaser's deed from the sheriff or constable is filed of record.

(b) The officer charged with executing the writ shall place the purchaser or the purchaser's assigns in possession of the property described in the purchaser's deed without further order from any court and in the manner provided by the writ, subject to any notice to vacate that may be required to be given to a tenant under Section 24.005(b), Property Code.

(c) The writ of possession shall order the officer executing the writ to:

- (1) post a written warning that is at least 8-½ by 11 inches on the exterior of the front door of the premises notifying the occupant that the writ has been issued and that the writ will be executed on or after a specific date and time stated in the warning that is not sooner than the 10th day after the date the warning is posted; and
- (2) on execution of the writ:
  - (A) deliver possession of the premises to the purchaser or the purchaser's assigns;

(B) instruct the occupants to immediately leave the premises and, if the occupants fail or refuse to comply, physically remove them from the premises;

(C) instruct the occupants to remove, or to allow the purchaser or purchaser's assigns, representatives, or other persons acting under the officer's supervision to remove, all personal property from the premises; and

(D) place, or have an authorized person place, the removed personal property outside the premises at a nearby location, but not so as to block a public sidewalk, passageway, or street and not while it is raining, sleeting, or snowing.

(d) The writ of possession shall authorize the officer, at the officer's discretion, to engage the services of a bonded or insured warehouseman to remove and store, subject to applicable law, all or part of the personal property at no cost to the purchaser, the purchaser's assigns, or the officer executing the writ. The officer may not require the purchaser or the purchaser's assigns to store the personal property.

(e) The writ of possession shall contain notice to the officer that under Section 7.003, Civil Practice and Remedies Code, the officer is not liable for damages resulting from the execution of the writ if the officer executes the writ in good faith and with reasonable diligence.

(f) The warehouseman's lien on stored property, the officer's duties, and the occupants' rights of redemption as provided by Section 24.0062, Property Code, are all applicable with respect to any personal property that is removed under Subsection (d).

(g) A sheriff or constable may use reasonable force in executing a writ under this section.

(h) If a taxing unit is a purchaser and is entitled to a writ of possession in the taxing unit's name:

(1) a bond may not be required of the taxing unit for issuance or delivery of a writ of possession; and

(2) a fee or court cost may not be charged for issuance or delivery of a writ of possession.

### Sec. 33.52. Taxes Included in Judgment.

(a) Only taxes that are delinquent on the date of a judgment may be included in the amount recoverable under the judgment by the taxing units that are parties to the suit.

(b) In lieu of stating as a liquidated amount the aggregate total of taxes, penalties, and interest due, a judgment may:

(1) set out the tax due each taxing unit for each year; and

(2) provide that penalties and interest accrue on the unpaid taxes as provided by Subchapter A.

(c) For purposes of calculating penalties and interest due under the judgment, it is presumed that the delinquency date for a tax is February 1 of the year following the year in which the tax was imposed, unless the judgment provides otherwise.

(d) Except as provided by Section 34.05(k), a taxing unit's claim for taxes that become delinquent after the date of the judgment is not affected by the entry of the judgment or a tax sale conducted under that judgment. Those taxes may be collected by any remedy provided by this title.

### Sec. 33.53. Order of Sale; Payment Before Sale.

(a) If judgment in a suit to collect a delinquent tax is for foreclosure of a tax lien, the court shall order the property sold in satisfaction of the amount of the judgment.

(b) On application by a taxing unit that is a party to the judgment, the district clerk shall prepare an order to an officer authorized to conduct execution sales ordering the sale of the property. If more than one parcel of property is included in the judgment, the taxing unit may specify particular parcels to be sold. A taxing unit may request more than one order of sale as necessary to collect all amounts due under the judgment.

(c) An order of sale:

(1) shall be returned to the district clerk as unexecuted if not executed before the 181st day after the date the order is issued; and

(2) may be accompanied by a copy of the judgment and a bill of costs attached to the order and incorporate the terms of the judgment or bill of costs by reference.

(d) A judgment or a bill of costs attached to the order of sale is not required to be certified.

(e) If the owner pays the amount of the judgment before the property is sold, the taxing unit shall:

- (1) release the tax lien held by the taxing unit on the property; and
- (2) file for record with the clerk of the court in which the judgment was rendered a release of the lien.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1997, 75th Leg., ch. 537 (H.B. 1610), § 1, effective September 1, 1997; am. Acts 1999, 76th Leg., ch. 1481 (H.B. 3549), § 23, effective September 1, 1999.

**Sec. 33.54. Limitation on Actions Relating to Property Sold for Taxes.**

(a) Except as provided by Subsection (b), an action relating to the title to property may not be maintained against the purchaser of the property at a tax sale unless the action is commenced:

- (1) before the first anniversary of the date that the deed executed to the purchaser at the tax sale is filed of record;
- or

(2) before the second anniversary of the date that the deed executed to the purchaser is filed of record, if on the date that the suit to collect the delinquent tax was filed the property was:

- (A) the residence homestead of the owner; or
- (B) land appraised or eligible to be appraised under Subchapter C or D, Chapter 23.

(b) If a person other than the purchaser at the tax sale or the person's successor in interest pays taxes on the property during the applicable limitations period and until the commencement of an action challenging the validity of the tax sale and that person was not served citation in the suit to foreclose the tax lien, that limitations period does not apply to that person.

(c) When actions are barred by this section, the purchaser at the tax sale or the purchaser's successor in interest has full title to the property, precluding all other claims.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1997, 75th Leg., ch. 1136 (H.B. 3263), § 1, effective September 1, 1997; am. Acts 1997, 75th Leg., ch. 1192 (S.B. 1249), § 1, effective September 1, 1997.

**Sec. 33.55. Effect of Judgment on Accrual of Penalties and Interest.**

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1111 (H.B. 2587), § 4, effective September 1, 1997.

**Sec. 33.56. Vacation of Judgment.**

(a) If, in a suit to collect a delinquent tax, a court renders a judgment for foreclosure of a tax lien on behalf of a taxing unit, any taxing unit that was a party to the judgment may file a petition to vacate the judgment on one or more of the following grounds:

- (1) failure to join a person needed for just adjudication under the Texas Rules of Civil Procedure, including a taxing unit required to be joined under Section 33.44(a);
- (2) failure to serve a person needed for just adjudication under the Texas Rules of Civil Procedure, including a taxing unit required to be joined under Section 33.44(a);
- (3) failure of the judgment to adequately describe the property that is the subject of the suit; or
- (4) that the property described in the judgment was subject to multiple appraisals for the tax years included in the judgment.

(b) The taxing unit must file the petition under the same cause number as the delinquent tax suit and in the same court.

(c) The taxing unit may not file a petition if a tax sale of the property has occurred unless:

- (1) the tax sale has been vacated by an order of a court;
- (2) the property was bid off to a taxing unit under Section 34.01(j) and has not been resold; or
- (3) the tax sale or resale purchaser, or the purchaser's heirs, successors, or assigns, consents to the petition.

(d) Consent of the purchaser to a petition may be shown by:

- (1) a written memorandum signed by the purchaser and filed with the court;
- (2) the purchaser's joinder in the taxing unit's petition;
- (3) a statement of the purchaser made in open court on the record in a hearing on the petition; or
- (4) the purchaser's signature of approval to an agreed order to grant the petition.

(e) A copy of the petition must be served in a manner authorized by Rule 21a, Texas Rules of Civil Procedure, on each party to the delinquent tax suit.

(f) If the court grants the petition, the court shall enter an order providing that:

- (1) the judgment, any tax sale based on that judgment, and any subsequent resale are vacated;
- (2) any applicable tax deed or applicable resale deed is canceled;
- (3) the delinquent tax suit is revived; and

(4) except in a case in which judgment is vacated under Subsection (a)(4), the taxes, penalties, interest, and attorney's fees and costs, and the liens that secure each of those items, are reinstated.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 626 (S.B. 953), § 1, effective August 30, 1999; am. Acts 2001, 77th Leg., ch. 1430 (H.B.490), § 25, effective September 1, 2001.

**Sec. 33.57. Alternative Notice of Tax Foreclosure on Certain Parcels of Real Property.**

(a) In this section, “appraised value” means the appraised value according to the most recent appraisal roll approved by the appraisal review board.

(b) This section may be invoked and used by one or more taxing units if there are delinquent taxes, penalties, interest, and attorney’s fees owing to a taxing unit on a parcel of real property, and:

- (1) the total amount of delinquent taxes, penalties, interest, and attorney’s fees owed exceeds the appraised value of the parcel; or
- (2) there are 10 or more years for which delinquent taxes are owed on the parcel.

(c) One or more taxing units may file a single petition for foreclosure under this section that includes multiple parcels of property and multiple owners. Alternatively, separate petitions may be filed and docketed separately for each parcel of property. Another taxing unit with a tax claim against the same parcel may intervene in an action for the purpose of establishing and foreclosing its tax lien without further notice to a defendant. The petition must be filed in the county in which the tax was imposed and is sufficient if it is in substantially the form prescribed by Section 33.43 and further alleges that:

- (1) the amount owed in delinquent taxes, penalties, interest, and attorney’s fees exceeds the appraised value of the parcel; or
- (2) there are 10 or more years for which delinquent taxes are owed on the parcel.

(d) Simultaneously with the filing of the petition under this section, a taxing unit shall also file a motion with the court seeking an order approving notice of the petition to each defendant by certified mail in lieu of citation and, if the amount of delinquent taxes, penalties, interest, and attorney’s fees alleged to be owed exceeds the appraised value of the parcel, waiving the appointment of an attorney ad litem. The motion must be supported by certified copies of tax records that show the tax years for which delinquent taxes are owed, the amounts of delinquent taxes, penalties, interest, and attorney’s fees, and, if appropriate, the appraised value of the parcel.

(e) The court shall approve a motion under Subsection (d) if the documents in support of the motion show that:

- (1) the amount of delinquent taxes, penalties, interest, and attorney’s fees that are owed exceeds the appraised value of the parcel; or
- (2) there are 10 or more years for which delinquent taxes are owed on the parcel.

(f) Before filing a petition under this section, or as soon afterwards as practicable, the taxing unit or its attorney shall determine the address of each owner of a property interest in the parcel for the purpose of providing notice of the pending petition. If the title search, the taxing unit’s tax records, and the appraisal district records do not disclose an address of a person with a property interest, consulting the following sources of information is to be considered a reasonable effort by the taxing unit or its attorney to determine the address of a person with a property interest in the parcel subject to foreclosure:

- (1) telephone directories, electronic or otherwise, that cover:
  - (A) the area of any last known address for the person; and
  - (B) the county in which the parcel is located;
- (2) voter registration records in the county in which the parcel is located; and
- (3) where applicable, assumed name records maintained by the county clerk of the county in which the parcel is located and corporate records maintained by the secretary of state.

(g) Not later than the 45th day before the date on which a hearing on the merits on a taxing unit’s petition is scheduled, the taxing unit or its attorney shall send a copy of the petition and a notice by certified mail to each person whose address is determined under Subsection (f), informing the person of the pending foreclosure action and the scheduled hearing. A copy of each notice shall be filed with the clerk of the court together with an affidavit by the tax collector or by the taxing unit’s attorney attesting to the fact and date of mailing of the notice.

(h) In addition to the notice required by Subsection (g), the taxing unit shall provide notice by publication and by posting to all persons with a property interest in the parcel subject to foreclosure. The notice shall be published in the English language once a week for two weeks in a newspaper that is published in the county in which the parcel is located and that has been in general circulation for at least one year immediately before the date of the first publication, with the first publication to be not less than the 45th day before the date on which the taxing unit’s petition is scheduled to be heard. When returned and filed in the trial court, an affidavit of the editor or publisher of the newspaper attesting to the date of publication, together with a printed copy of the notice as published, is sufficient proof of publication under this subsection. If a newspaper is not published in the county in which the parcel is located, publication in an otherwise qualifying newspaper published in an adjoining county is sufficient. The maximum fee for publishing the citation shall be the lowest published word or line rate of that newspaper for classified advertising. The notice by posting shall be in the English language and given by posting a copy of the notice at the courthouse door of the county in which the foreclosure is pending not less than the 45th day before the date on which the taxing unit’s petition is scheduled to be heard. Proof of the posting of the notice shall be made by affidavit of the attorney for the taxing unit, or of the person posting it. If the publication of the notice cannot be had for the maximum fee established in this subsection, and that

fact is supported by the affidavit of the attorney for the taxing unit, the notice by posting under this subsection is sufficient.

(i) The notice required by Subsections (g) and (h) must include:

- (1) a statement that foreclosure proceedings have been commenced and the date the petition was filed;
- (2) a legal description, tax account number, and, if known, a street address for the parcel in which the addressee owns a property interest;
- (3) the name of the person to whom the notice is addressed and the name of each other person who, according to the title search, has an interest in the parcel in which the addressee owns a property interest;
- (4) the date, time, and place of the scheduled hearing on the petition;
- (5) a statement that the recipient of the notice may lose whatever property interest the recipient owns in the parcel as a result of the hearing and any subsequent tax sale;
- (6) a statement explaining how a person may contest the taxing unit's petition as provided by Subsection (j) and that a person's interest in the parcel may be preserved by paying all delinquent taxes, penalties, interest, attorney's fees, and court costs before the date of the scheduled hearing on the petition;
- (7) the name, address, and telephone number of the taxing unit and the taxing unit's attorney of record; and
- (8) the name of each other taxing unit that imposes taxes on the parcel, together with a notice that any taxing unit may intervene without further notice and set up its claims for delinquent taxes.

(j) A person claiming a property interest in a parcel subject to foreclosure may contest a taxing unit's petition by filing with the clerk of the court a written response to the petition not later than the seventh day before the date scheduled for hearing on the petition and specifying in the response any affirmative defense of the person. A copy of the response must be served on the taxing unit's attorney of record in the manner required by Rule 21a, Texas Rules of Civil Procedure. The taxing unit is entitled on request to a continuance of the hearing if a written response filed to a notice of the hearing contains an affirmative defense or requests affirmative relief against the taxing unit.

(k) Before entry of a judgment under this section, a taxing unit may remove a parcel erroneously included in the petition and may take a voluntary nonsuit as to one or more parcels of property without prejudicing its action against the remaining parcels.

(l) If before the hearing on a taxing unit's petition the taxing unit discovers a deficiency in the provision of notice under this section, the taxing unit shall take reasonable steps in good faith to correct the deficiency before the hearing. A notice provided by Subsections (g)—(i) is in lieu of citation issued and served under Rule 117a, Texas Rules of Civil Procedure. Regardless of the manner in which notice under this section is given, an attorney ad litem may not be appointed for a person with an interest in a parcel with delinquent taxes, penalties, interest, and attorney's fees against the parcel in an amount that exceeds the parcel's appraised value. To the extent of any additional conflict between this section and the Texas Rules of Civil Procedure, this section controls. Except as otherwise provided by this section, a suit brought under this section is governed generally by the Texas Rules of Civil Procedure and by Subchapters C and D of this chapter.

(m) A judgment in favor of a taxing unit under this section must be only for foreclosure of the tax lien against the parcel. The judgment may not include a personal judgment against any person.

(n) A person is considered to have been provided sufficient notice of foreclosure and opportunity to be heard for purposes of a proceeding under this section if the taxing unit follows the procedures required by this section for notice by certified mail or by publication and posting or if one or more of the following apply:

- (1) the person had constructive notice of the hearing on the merits by acquiring an interest in the parcel after the date of the filing of the taxing unit's petition;
- (2) the person appeared at the hearing on the taxing unit's petition or filed a responsive pleading or other communication with the clerk of the court before the date of the hearing; or
- (3) before the hearing on the taxing unit's petition, the person had actual notice of the hearing.

*Tax Masters*

**Sec. 33.71. Masters for Tax Suits.**

(a) The court may, in delinquent tax suits, for good cause appoint a master in chancery for each case as desired, who shall be a citizen of this state and not an attorney for either party to the action, nor related to either party, who shall perform all of the duties required by the court, be under orders of the court, and have the power the master of chancery has in a court of equity.

(b) The order of reference to the master may specify or limit the master's powers, and may direct the master to report only upon particular issues, or to do or perform particular acts, or to receive and report evidence only, and may fix the time and place for beginning and closing the hearings and for the filing of the master's report.

(d) When a party requests, the master shall make a record of the evidence offered and excluded in the same manner as provided for a court sitting in the trial of a case.

(e) The clerk of the court shall forthwith furnish the master with a copy of the order of reference.

(f) The parties may procure the attendance of witnesses before the master by the issuance and service of process as provided by law.

(g) A pretrial ruling of a tax master from which a mandamus is sought must be appealed to the referring court before the initiation of mandamus proceedings before the court of appeals.

(h) Notwithstanding any other law or requirement, an attorney appointed a master under this section may practice law in the referring court if otherwise qualified to do so.

(a) At the conclusion of any hearing conducted by a master that results in a recommendation of a final judgment or on the request of the referring court, the master shall transmit to the referring court all papers relating to the case, with the master's signed and dated report.

(b) After the master's report has been signed, the master shall give to the parties participating in the hearing notice of the substance of the report. The master's report may contain the master's findings, conclusions, or recommendations. The master's report must be in writing in a form as the referring court may direct. The form may be a notation on the referring court's docket sheet.

(c) If the master's report recommends a final judgment, notice of the right of appeal to the judge of the referring court shall be given to all parties.

**HISTORY:** Enacted by Acts 1991, 72nd Leg., ch. 525 (H.B. 2197), § 1, effective September 1, 1991.

#### **Sec. 33.73. Court Action on Master's Report; Master's Compensation.**

(a) After the master's report is filed, and unless a party has filed a written notice of appeal to the referring court, the court may confirm, modify, correct, reject, reverse, or recommit the report as the court may deem proper and necessary in the particular circumstances of the case.

(b) The court shall award reasonable compensation to the master to be taxed as costs of suit.

(c) The district clerk shall collect the fees taxed as costs of suit and award the fees to the master as required under Subsection (b) in each delinquent tax suit for which a master is appointed under Section 33.71, regardless of the disposition of the suit subject to this subsection. Fees may not be collected or awarded in a suit dismissed by the master unless the master:

(1) held at least one hearing on the suit; or

(2) prepared for the suit for at least a number of hours equivalent to the time typically required to conduct a hearing.

**HISTORY:** Enacted by Acts 1983, 68th Leg., ch. 916 (H.B. 1625), § 1, effective September 1, 1983; am. Acts 1991, 72nd Leg., ch. 525 (H.B. 2197), § 1, effective September 1, 1991 (renumbered from Sec. 1.13); am. Acts 2017, 85th Leg., ch. 368 (H.B. 3389), § 1, effective September 1, 2017.

The first day of the appeal time to the referring court begins on the day after the date on which the master gives the notice.

(b) The notice required by Section 33.72(c) may be given in open court or may be given by first class mail. If the notice is given by first class mail the notice is considered to have been given on the third day after the date of the mailing.

(c) All appeals to the referring court shall be in writing specifying the findings and conclusions of the master that are objected to and the appeal shall be limited to those findings and conclusions.

(d) On appeal to the referring court, the parties may present witnesses as in a hearing de novo only on the issues raised in the appeal.

(e) Notice of any appeal to the referring court shall be given to opposing counsel under Rule 72 of the Texas Rules of Civil Procedure.

(f) If an appeal to the referring court is filed by a party, any other party may file an appeal to the referring court not later than the seventh day after the date the initial appeal was filed.

(h) Before a hearing before a master, the parties may waive the right of appeal to the referring court in writing or on the record.

(i) The failure to appeal to the referring court, by waiver or otherwise, a master's report that is approved by the referring court does not deprive any party of the right to appeal to or request other relief from a court of appeals or the supreme court. The date of the signing of an order or judgment by the referring court is the controlling date for the purposes of appeal to or request for other relief from a court of appeals or the supreme court.

However, the master shall conduct all pretrial work necessary to prepare the case for a jury trial.

(b) The master may require all parties to submit a proposed jury charge or other pretrial order or sanction the parties for failure to present or prepare a proper pretrial order.

*Subchapter E**Seizure of Real Property***Sec. 33.91. Property Subject to Seizure by Municipality.**

(a) After notice has been provided to a person, the person's real property, whether improved or unimproved, is subject to seizure by a municipality for the payment of delinquent ad valorem taxes, penalties, and interest the person owes on the property and the amount secured by a municipal health or safety lien on the property if:

(1) the property:

- (A) is in a municipality;
- (B) is less than one acre; and
- (C) has been abandoned for at least one year;

(2) the taxes on the property are delinquent for:

- (A) each of the preceding five years; or
- (B) each of the preceding three years if a lien on the property has been created on the property in favor of the municipality for the cost of remedying a health or safety hazard on the property; and

(3) the tax collector of the municipality determines that seizure of the property under this subchapter for the payment of the delinquent taxes, penalties, and interest, and of a municipal health and safety lien on the property, would be in the best interest of the municipality and the other taxing units after determining that the sum of all outstanding tax and municipal claims against the property plus the estimated costs under Section 33.48 of a standard judicial foreclosure exceed the anticipated proceeds from a tax sale.

(b) The seizure and sale may not be set aside or voided because of any error in determination.

(c) For purposes of this section, a property is presumed to have been abandoned for at least one year if, during that period, the property has remained vacant and a lawful act of ownership of the property has not been exercised. The tax collector of a municipality may rely on the affidavit of any competent person with personal knowledge of the facts in determining whether a property has been abandoned or vacant. For purposes of this subsection:

(1) property is considered vacant if there is an absence of any activity by the owner, a tenant, or a licensee related to residency, work, trade, business, leisure, or recreation; and

(2) "lawful act of ownership" includes mowing or cutting grass or weeds, repairing or demolishing a structure or fence, removing debris, or other form of property upkeep or maintenance performed by or at the request of the owner of the property.

**Sec. 33.911. Property Subject to Seizure by County.**

(a) After notice has been provided to a person, the person's real property, whether improved or unimproved, is subject to seizure by a county for the payment of delinquent ad valorem taxes, penalties, and interest the person owes on the property if:

(1) the property:

- (A) is in the county;
- (B) is not in a municipality; and
- (C) has been abandoned for at least one year;

(2) the taxes on the property are delinquent for each of the preceding five years; and

(3) the county tax assessor-collector determines that seizure of the property under this subchapter for the payment of the delinquent taxes, penalties, and interest would be in the best interest of the county and the other taxing units after determining that the sum of all outstanding tax and county claims against the property plus the estimated costs under Section 33.48 of a standard judicial foreclosure exceed the anticipated proceeds from a tax sale.

(b) The seizure and sale may not be set aside or voided because of any error in determination.

(c) For purposes of this section, a property is presumed to have been abandoned for at least one year if, during that period, the property has remained vacant and a lawful act of ownership of the property has not been exercised. The tax collector of a county may rely on the affidavit of any competent person with personal knowledge of the facts in determining whether a property has been abandoned or vacant. For purposes of this subsection:

(1) property is considered vacant if there is an absence of any activity by the owner, a tenant, or a licensee related to residency, work, trade, business, leisure, or recreation; and

(2) "lawful act of ownership" includes mowing or cutting grass or weeds, repairing or demolishing a structure or fence, removing debris, or other form of property upkeep or maintenance performed by or at the request of the owner of the property.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997; am. Acts 2003, 78th Leg., ch. 319 (H.B. 3419), § 3, effective June 18, 2003.

**Sec. 33.912. Notice.**

(a) A person is considered to have been provided the notice required by Sections 33.91 and 33.911 if by affidavit or

otherwise the collector shows that the assessor or collector for the municipality or county mailed the person each bill for municipal or county taxes required to be sent the person by Section 31.01:

- (1) in each of the five preceding years, if the taxes on the property are delinquent for each of those years; or
- (2) in each of the three preceding years, if:
  - (A) the taxes on the property are delinquent for each of those years; and
  - (B) a lien on the property has been created on the property in favor of the municipality for the cost of remedying a health or safety hazard on the property.

(b) If notice under Subsection (a) is not provided, the notice required by Section 33.91 or 33.911 shall be given by the assessor or the collector for the municipality or county, as applicable, by:

- (1) serving, in the manner provided by Rule 21a, Texas Rules of Civil Procedure, a true and correct copy of the application for a tax warrant filed under Section 33.92 to each person known, or constructively known through reasonable inquiry, to own or have an interest in the property;
- (2) publishing in the English language a notice of the assessor's intent to seize the property in a newspaper published in the county in which the property is located if, after exercising reasonable diligence, the assessor or collector cannot determine ownership or the address of the known owners; or
- (3) if required under Subsection (g), posting in the English language a notice of the assessor's intent to seize the property if, after exercising reasonable diligence, the assessor or collector cannot determine ownership or the address of the known owners.

(c) A notice under Subsection (b)(1) shall be provided at the time of filing the application for a tax warrant and must be supported by a certificate of service appearing on the application in the same manner and form as provided by Rule 21a, Texas Rules of Civil Procedure. The notice is sufficient if sent to the person's last known address.

(d) A notice by publication or posting under Subsection (b) must substantially comply with this subsection. The notice must:

- (1) be published or posted at least 10 days but not more than 180 days before the date the application for tax warrant under Section 33.92 is filed;
- (2) be directed to the owners of the property by name, if known, or, if unknown, to "the unknown owners of the property described below";
- (3) state that the assessor or collector intends to seize the property as abandoned property and that the property will be sold at public auction without further notice unless all delinquent taxes, penalties, and interest are paid before the sale of the property; and
- (4) describe the property.

(e) A description of the property under Subsection (d)(4) is sufficient if it is the same as the property description appearing on the current tax roll for the county or municipality.

(f) A notice by publication or posting under Subsection (b) may relate to more than one property or to multiple owners of property.

(g) For publishing a notice under Subsection (b)(2), a newspaper may charge a rate that does not exceed the greater of two cents per word or an amount equal to the published word or line rate of that newspaper for the same class of advertising. If notice cannot be provided under Subsection (b)(1) and there is not a newspaper published in the county where the property is located, or a newspaper that will publish the notice for the rate authorized by this subsection, the assessor shall post the notice in writing in three public places in the county. One of the posted notices must be at the door of the county courthouse. Proof of the posting shall be made by affidavit of the person posting the notice or by the attorney for the assessor or collector.

(h) A person is considered to have been provided the notice under Section 33.91 or 33.911 in the manner provided by Subsection (b) if the application for the tax warrant under Section 33.92:

- (1) contains the certificate of service as required by Subsection (b)(1);
- (2) is accompanied by an affidavit on behalf of the applicable assessor or collector stating the fact of publication under Subsection (b)(2), with a copy of the published notice attached; or
- (3) is accompanied by an affidavit of posting on behalf of the applicable assessor or collector under Subsection (g) stating the fact of posting and facts supporting the necessity of posting.

(i) A failure to provide, give, or receive a notice provided under this section does not affect the validity of a sale of the seized property or title to the property.

(j) The costs of publishing notice under this section are chargeable as costs and payable from the proceeds of the sale of the property.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997; am. Acts 2003, 78th Leg., ch. 319 (H.B. 3419), § 4, effective June 18, 2003.

### **Sec. 33.92. Institution of Seizure.**

(a) After property becomes subject to seizure under Section 33.91 or 33.911, the collector for a municipality or a county, as appropriate, may apply for a tax warrant to a district court in the county in which the property is located.

(b) The court shall issue the tax warrant if by affidavit the collector shows that the property is subject to seizure under Section 33.91 or 33.911. The collector may show that the property has been abandoned or vacant for at least one

year, as required by Section 33.91(a)(1)(C) or 33.911(a)(1)(C) by affidavit of any competent person with personal knowledge of the relevant facts.

(c) The court issuing the tax warrant shall include a statement as to the appraised value of the property according to the most recent appraisal roll approved by the appraisal review board. That value is presumed to be the market value of the property on the date that the warrant is issued.

(d) The collector is entitled, on request in the application, to recover attorney’s fees in an amount equal to the compensation specified in the contract with the attorney for collection of the delinquent taxes, penalties, and interest on the property if:

(1) the taxing unit served by the collector contracts with an attorney under Section 6.30;

(2) the existence of the contract and the amount of attorney’s fees that equal the compensation specified in the contract are supported by the affidavit of the collector; and

(3) the delinquent tax sought to be recovered is not subject to an additional penalty under Section 33.07 or 33.08 at the time the application is filed.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 1017 (S.B. 1545), § 1, effective August 28, 1995; am. Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997; am. Acts 2003, 78th Leg., ch. 319 (H.B. 3419), § 5, effective June 18, 2003.

**Sec. 33.93. Tax Warrant.**

(a) A tax warrant shall direct the sheriff or a constable in the county and the collector for the municipality or the county to seize the property described in the warrant, subject to the right of redemption, for the payment of the ad valorem taxes, penalties, and interest owing on the property included in the application, any attorney’s fees included in the application as provided by Section 33.92(d), the amount secured by a municipal health or safety lien on the property included in the application, and the costs of seizure and sale. The warrant shall direct the person whose property is seized to disclose to a person executing the warrant the name and address if known of any other person having an interest in the property.

(b) A bond may not be required of a municipality or county for issuance or delivery of a tax warrant, and a fee or court cost may not be charged for issuance or delivery of the warrant.

(c) On issuance of a tax warrant, the collector shall take possession of the property pending its sale by the officer charged with selling the property.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 1017 (S.B. 1545), § 1, effective August 28, 1995; am. Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997; am. Acts 2003, 78th Leg., ch. 319 (H.B. 3419), § 6, effective June 18, 2003.

**Sec. 33.94. Notice of Tax Sale.**

(a) After a seizure of property, the collector for the municipality or county shall make a reasonable inquiry to determine the identity and address of any person, other than the person against whom the tax warrant is issued, having an interest in the property. The collector shall deliver as soon as possible a notice stating the time and place of the sale and briefly describing the property seized to:

(1) the person against whom the warrant is issued, including each person to whom notice was provided under Section 33.912(a);

(2) each person to whom notice was provided under Section 33.912(b)(1); and

(3) any other person the collector determines has an interest in the property if the collector can ascertain the address of the other person.

(b) Failure to send or receive a notice required by this section does not affect the validity of the sale of the seized property or title to the property.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 1017 (S.B. 1545), § 1, effective August 28, 1995; am. Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997; am. Acts 2003, 78th Leg., ch. 319 (H.B. 3419), § 7, effective June 18, 2003.

**Sec. 33.95. Purchaser.**

A purchaser for value at or subsequent to the tax sale may conclusively presume the validity of the sale and takes free of any claim of a party with a prior interest in the property subject to the provisions of Section 16.002(b), Civil Practice and Remedies Code, and subject to applicable rights of redemption.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 1017 (S.B. 1545), § 1, effective August 28, 1995; am. Acts 1997, 75th Leg., ch. 914 (S.B. 141), § 1, effective September 1, 1997.

*Subchapter A*

*Tax Sales*

**Sec. 34.01. Sale of Property.**

(a) Real property seized under a tax warrant issued under Subchapter E, Chapter 33, or ordered sold pursuant to foreclosure of a tax lien shall be sold by the officer charged with selling the property, unless otherwise directed by the taxing unit that requested the warrant or order of sale or by an authorized agent or attorney for that unit. The sale shall be conducted in the manner similar property is sold under execution except as otherwise provided by this subtitle.

(a-1) The commissioners court of a county by official action may authorize the officer charged with selling property under this section to conduct a public auction using online bidding and sale. The commissioners court may adopt rules governing online auctions authorized under this subsection. Rules adopted by the commissioners court under this subsection take effect on the 90th day after the date the rules are published in the real property records of the county.

(b) On receipt of an order of sale of real property, the officer charged with selling the property shall endorse on the order the date and exact time when the officer received the order. The endorsement is a levy on the property without necessity for going upon the ground. The officer shall calculate the total amount due under the judgment, including all taxes, penalties, and interest, plus any other amount awarded by the judgment, court costs, and the costs of the sale. The costs of a sale include the costs of advertising, an auctioneer's commission and fees, and deed recording fees anticipated to be paid in connection with the sale of the property. To assist the officer in making the calculation, the collector of any taxing unit that is party to the judgment may provide the officer with a certified tax statement showing the amount of the taxes included in the judgment that remain due that taxing unit and all penalties, interest, and attorney's fees provided by the judgment as of the date of the proposed sale. If a certified tax statement is provided to the officer, the officer shall rely on the amount included in the statement and is not responsible or liable for the accuracy of the applicable portion of the calculation. A certified tax statement is not required to be sworn to and is sufficient if the tax collector or the collector's deputy signs the statement.

(c) The officer charged with the sale shall give written notice of the sale in the manner prescribed by Rule 21a, Texas Rules of Civil Procedure, as amended, or that rule's successor to each person who was a defendant to the judgment or that person's attorney.

(d) An officer's failure to send the written notice of sale or a defendant's failure to receive that notice is insufficient by itself to invalidate:

- (1) the sale of the property; or
- (2) the title conveyed by that sale.

(e) A notice of sale under Subsection (c) must substantially comply with this subsection. The notice must include:

- (1) a statement of the authority under which the sale is to be made;
- (2) the date, time, and location of the sale; and
- (3) a brief description of the property to be sold.

(f) A notice of sale is not required to include field notes describing the property. A description of the property is sufficient if the notice:

- (1) states the number of acres and identifies the original survey;
- (2) as to property located in a platted subdivision or addition, regardless of whether the subdivision or addition is recorded, states the name by which the land is generally known with reference to that subdivision or addition; or
- (3) by reference adopts the description of the property contained in the judgment.

(g) For publishing a notice of sale, a newspaper may charge a rate that does not exceed the greater of:

- (1) two cents per word; or
- (2) an amount equal to the published word or line rate of that newspaper for the same class of advertising.

(h) If there is not a newspaper published in the county of the sale, or a newspaper that will publish the notice of sale for the rate authorized by Subsection (g), the officer shall post the notice in writing in three public places in the county not later than the 20th day before the date of the sale. One of the notices must be posted at the door of the county courthouse.

(i) The owner of real property subject to sale may file with the officer charged with the sale a written request that the property be divided and that only as many portions be sold as necessary to pay the amount due against the property, as calculated under Subsection (b). In the request the owner shall describe the desired portions and shall specify the order in which the portions should be sold. The owner may not specify more than four portions or a portion that divides a building or other contiguous improvement. The request must be delivered to the officer not later than the seventh day before the date of the sale.

(j) If a bid sufficient to pay the lesser of the amount calculated under Subsection (b) or the adjudged value is not received, the taxing unit that requested the order of sale may terminate the sale. If the taxing unit does not terminate the sale, the officer making the sale shall bid the property off to the taxing unit that requested the order of sale, unless otherwise agreed by each other taxing unit that is a party to the judgment, for the aggregate amount of the judgment against the property or for the market value of the property as specified in the judgment, whichever is less. The duty of the officer conducting the sale to bid off the property to a taxing unit under this subsection is self-executing. The actual attendance of a representative of the taxing unit at the sale is not a prerequisite to that duty.

(k) The taxing unit to which the property is bid off takes title to the property for the use and benefit of itself and all other taxing units that established tax liens in the suit. The taxing unit's title includes all the interest owned by the defendant, including the defendant's right to the use and possession of the property, subject only to the defendant's right of redemption. Payments in satisfaction of the judgment and any costs or expenses of the sale may not be required of the purchasing taxing unit until the property is redeemed or resold by the purchasing taxing unit.

(l) Notwithstanding that property is bid off to a taxing unit under this section, a taxing unit that established a tax lien in the suit may continue to enforce collection of any amount for which a former owner of the property is liable to the taxing unit, including any post-judgment taxes, penalties, and interest, in any other manner provided by law.

(m) The officer making the sale shall prepare a deed to the purchaser of real property at the sale, to any other person whom the purchaser may specify, or to the taxing unit to which the property was bid off. The taxing unit that requested the order of sale may elect to prepare a deed for execution by the officer. If the taxing unit prepares the deed, the officer shall execute that deed. An officer who executes a deed prepared by the taxing unit is not responsible or liable for any inconsistency, error, or other defect in the form of the deed. As soon as practicable after a deed is executed by the officer, the officer shall either file the deed for recording with the county clerk or deliver the executed deed to the taxing unit that requested the order of sale, which shall file the deed for recording with the county clerk. The county clerk shall file and record each deed filed under this subsection and after recording shall return the deed to the grantee.

(n) The deed vests good and perfect title in the purchaser or the purchaser's assigns to the interest owned by the defendant in the property subject to the foreclosure, including the defendant's right to the use and possession of the property, subject only to the defendant's right of redemption, the terms of a recorded restrictive covenant running with the land that was recorded before January 1 of the year in which the tax lien on the property arose, a recorded lien that arose under that restrictive covenant that was not extinguished in the judgment foreclosing the tax lien, and each valid easement of record as of the date of the sale that was recorded before January 1 of the year the tax lien arose. The deed may be impeached only for fraud.

(o) If a bid sufficient to pay the amount specified by Subsection (p) is not received, the officer making the sale, with the consent of the collector who applied for the tax warrant, may offer property seized under Subchapter E, Chapter 33, to a person described by Section 11.181 or 11.20 for less than that amount. If the property is offered to a person described by Section 11.181 or 11.20, the officer making the sale shall reopen the bidding at the amount of that person's bid and bid off the property to the highest bidder. Consent to the sale by the taxing units entitled to receive proceeds of the sale is not required. The acceptance of a bid by the officer under this subsection is conclusive and binding on the question of its sufficiency. An action to set aside the sale on the grounds that a bid is insufficient may not be sustained, except that a taxing unit that participates in distribution of proceeds of the sale may file an action before the first anniversary of the date of the sale to set aside the sale on the grounds of fraud or collusion between the officer making the sale and the purchaser.

(p) Except as provided by Subsection (o), property seized under Subchapter E, Chapter 33, may not be sold for an amount that is less than the lesser of the market value of the property as specified in the warrant or the total amount of taxes, penalties, interest, costs, auctioneer's commission and fees, and other claims for which the warrant was issued. If a sufficient bid is not received by the officer making the sale, the officer shall bid off the property to a taxing unit in the manner specified by Subsection (j) and subject to the other provisions of that subsection. A taxing unit that takes title to property under this subsection takes title for the use and benefit of that taxing unit and all other taxing units that established tax liens in the suit or that, on the date of the seizure, were owed delinquent taxes on the property.

(q) A sale of property under this section to a purchaser other than a taxing unit:

(1) extinguishes each lien securing payment of the delinquent taxes, penalties, and interest against that property and included in the judgment; and

(2) does not affect the personal liability of any person for those taxes, penalties, and interest included in the judgment that are not satisfied from the proceeds of the sale.

(r) Except as provided by Subsection (a-1) and this subsection, a sale of real property under this section must take place at the county courthouse in the county in which the land is located. The commissioners court of the county may designate an area other than an area at the county courthouse where sales under this section will take place that is in a public place within a reasonable proximity of the county courthouse as determined by the commissioners court and in a location as accessible to the public as the courthouse door. The commissioners court shall record that designation in the real property records of the county. A designation by a commissioners court under this section is not a ground for challenging or invalidating any sale. A sale must be held at an area designated under this subsection if the sale is held on or after the 90th day after the date the designation is recorded.

(r-1) A sale of real property under this section, other than a sale conducted by means of a public auction using online bidding and sale under Subsection (a-1), must take place between 10 a.m. and 4 p.m. on the first Tuesday of a month

or, if the first Tuesday of a month occurs on January 1 or July 4, between 10 a.m. and 4 p.m. on the first Wednesday of the month.

(r-2) A sale of real property conducted by means of a public auction using online bidding and sale under Subsection (a-1) may begin at any time and must conclude at 4 p.m. on the first Tuesday of a month or, if the first Tuesday of a month occurs on January 1 or July 4, at 4 p.m. on the first Wednesday of the month.

(s) To the extent of a conflict between this section and a provision of the Texas Rules of Civil Procedure that relates to an execution, this section controls.

### Sec. 34.011. Bidder Registration.

(a) This section applies only to a sale of real property under this chapter conducted in a county in which the commissioners court by order has adopted the provisions of this section.

(b) A commissioners court may require that, to be eligible to bid at a sale of real property under this chapter, a person must be registered as a bidder with the county assessor-collector before the sale begins. The county assessor-collector may adopt rules governing the registration of bidders under this section. The county assessor-collector may require a person registering as a bidder:

- (1) to designate the person's name and address;
- (2) to provide valid proof of identification;
- (3) to provide written proof of authority to bid on behalf of another person, if applicable;
- (4) to provide any additional information reasonably required by the county assessor-collector; and

(5) to at least annually execute a statement on a form provided by the county assessor-collector certifying that there are no delinquent ad valorem taxes owed by the person registering as a bidder to the county or to any taxing unit having territory in the county.

(c) The county assessor-collector shall issue a written registration statement to a person who has registered as a bidder under this section. A person is not eligible to bid at a sale of real property under this chapter unless the county assessor-collector has issued a written registration statement to the person before the sale begins.

**HISTORY:** Enacted by Acts 2015, 84th Leg., ch. 1126 (H.B. 3951), § 1, effective January 1, 2016.

### Sec. 34.015. Persons Eligible to Purchase Real Property.

(a) In this section, "person" does not include a taxing unit or an individual acting on behalf of a taxing unit.

(b) An officer conducting a sale of real property under Section 34.01 may not execute a deed in the name of or deliver a deed to any person other than the person who was the successful bidder. The officer may not execute or deliver a deed to the purchaser of the property unless the purchaser exhibits to the officer an unexpired written statement issued under this section to the person by the county assessor-collector of the county in which the sale is conducted showing that:

- (1) there are no delinquent taxes owed by the person to that county; and
- (2) for each school district or municipality having territory in the county there are no known or reported delinquent ad valorem taxes owed by the person to that school district or municipality.

(c) On the written request of any person, a county assessor-collector shall issue a written statement stating whether there are any delinquent taxes owed by the person to that county or to a school district or municipality having territory in that county. A request for the issuance of a statement by the county assessor-collector under this subsection must:

- (1) sufficiently identify any property subject to taxation by the county or by a school district or municipality having territory in the county, regardless of whether the property is located in the county, that the person owns or formerly owned so that the county assessor-collector and the collector for each school district or municipality having territory in the county may determine whether the property is included on a current or a cumulative delinquent tax roll for the county, the school district, or the municipality under Section 33.03;
- (2) specify the address to which the county assessor-collector should send the statement;
- (3) include any additional information reasonably required by the county assessor-collector; and
- (4) be sworn to and signed by the person requesting the statement.

(d) On receipt of a request under Subsection (c), the county assessor-collector shall send to the collector for each school district and municipality having territory in the county, other than a school district or municipality for which the county assessor-collector is the collector, a request for information as to whether there are any delinquent taxes owed by the person to that school district or municipality. The county assessor-collector shall specify the date by which the collector must respond to the request.

(e) If the county assessor-collector determines that there are delinquent taxes owed to the county, the county assessor-collector shall include in the statement issued under Subsection (c) the amount of delinquent taxes owed by the person to that county. If the county assessor-collector is the collector for a school district or municipality having territory in the county and the county assessor-collector determines that there are delinquent ad valorem taxes owed by the person to the school district or municipality, the assessor-collector shall include in the statement issued under Subsection (c) the amount of delinquent taxes owed by the person to that school district or municipality.

(f) If the county assessor-collector receives a response from the collector for a school district or municipality having territory in the county indicating that there are delinquent taxes owed to that school district or municipality on the person's current or former property for which the person is personally liable, the county assessor-collector shall include in the statement issued under Subsection (c):

- (1) the amount of delinquent taxes owed by the person to that school district or municipality; and
- (2) the name and address of the collector for that school district or municipality.

(g) If the county assessor-collector determines that there are no delinquent taxes owed by the person to the county or to a school district or municipality for which the county assessor-collector is the collector, the county assessor-collector shall indicate in the statement issued under Subsection (c) that there are no delinquent ad valorem taxes owed by the person to the county or to the school district or municipality.

(h) If the county assessor-collector receives a response from the collector for any school district or municipality having territory in that county indicating that there are no delinquent ad valorem taxes owed by the person to that school district or municipality, the county assessor-collector shall indicate in the statement issued under Subsection (c) that there are no delinquent ad valorem taxes owed by the person to that school district or municipality.

(i) If the county assessor-collector does not receive a response from the collector for any school district or municipality to whom the county assessor-collector sent a request under Subsection (d) as to whether there are delinquent taxes on the person's current or former property owed by the person to that school district or municipality, the county assessor-collector shall indicate in the statement issued under Subsection (c) that there are no reported delinquent taxes owed by the person to that school district or municipality.

(j) To cover the costs associated with the issuance of statements under Subsection (c), a county assessor-collector may charge the person requesting a statement a fee not to exceed \$10 for each statement requested.

(k) A statement under Subsection (c) must be issued in the name of the requestor, bear the requestor's name, include the dates of issuance and expiration, and be eligible for recording under Section 12.001(b), Property Code. A statement expires on the 90th day after the date of issuance.

(k-1) If within six months of the date of a sale of real property under Section 34.01, the successful bidder does not exhibit to the officer who conducted the sale an unexpired statement that complies with Subsection (k), the officer who conducted the sale shall provide a copy of the officer's return to the county assessor-collector for each county in which the real property is located. On receipt of the officer's return, the county assessor-collector shall file the copy with the county clerk of the county in which the county assessor-collector serves. The county clerk shall record the return in records kept for that purpose and shall index and cross-index the return in the name of the successful bidder at the auction and each former owner of the property. The chief appraiser of each appraisal district that appraises the real property for taxation may list the successful bidder in the appraisal records of that district as the owner of the property.

(l) The deed executed by the officer conducting the sale must name the successful bidder as the grantee and recite that the successful bidder exhibited to that officer an unexpired written statement issued to the person in the manner prescribed by this section, showing that the county assessor-collector of the county in which the sale was conducted determined that:

- (1) there are no delinquent ad valorem taxes owed by the person to that county; and
- (2) for each school district or municipality having territory in the county there are no known or reported delinquent ad valorem taxes owed by the person to that school district or municipality.

(m) If a deed contains the recital required by Subsection (l), it is conclusively presumed that this section was complied with.

(n) A person who knowingly violates this section commits an offense. An offense under this subsection is a Class B misdemeanor.

(o) To the extent of a conflict between this section and any other law, this section controls.

(p) This section applies only to a sale of real property under Section 34.01 that is conducted in:

- (1) a county with a population of 250,000 or more in which the commissioners court has not by order adopted the provisions of Section 34.011; or
- (2) a county with a population of less than 250,000 in which the commissioners court by order has adopted the provisions of this section.

(d) The officer conducting a sale under Section 33.94 or 34.01 shall pay any excess proceeds after payment of all amounts due all participants in the sale as specified by Subsection (b) to the clerk of the court issuing the warrant or order of sale.

- (A) states the amount of the excess proceeds;
- (B) informs the former owner of that owner's rights to claim the excess proceeds under Section 34.04; and
- (C) includes a copy or the complete text of this section and Section 34.04;

(2) regardless of the amount, keep the excess proceeds paid into court as provided by Section 34.02(d) for a period of two years after the date of the sale unless otherwise ordered by the court; and

(3) regardless of the amount, send to the attorney general notice of the deposit and amount of excess proceeds if the attorney general or a state agency represented by the attorney general is named as an in rem defendant in the underlying suit for seizure of the property or foreclosure of a tax lien on the property.

(b) If no claimant establishes entitlement to the proceeds within the period provided by Subsection (a), the clerk shall distribute the excess proceeds to each taxing unit participating in the sale in an amount equal to the proportion its taxes, penalties, and interests bear to the total amount of taxes, penalties, and interest due all participants in the sale.

(c) The clerk shall note on the execution docket in each case the amount of the excess proceeds, the date they were received, and the date they were transmitted to the taxing units participating in the sale. Acts 2015, 84th Leg., ch. 636 (S.B. 1725), § 1, effective September 1, 2015.

#### **Sec. 34.04. Claims for Excess Proceeds.**

(a) A person, including a taxing unit and the Title IV-D agency, may file a petition in the court that ordered the seizure or sale setting forth a claim to the excess proceeds. The petition must be filed before the second anniversary of the date of the sale of the property. The petition is not required to be filed as an original suit separate from the underlying suit for seizure of the property or foreclosure of a tax lien on the property but may be filed under the cause number of the underlying suit.

(b) A copy of the petition shall be served, in the manner prescribed by Rule 21a, Texas Rules of Civil Procedure, as amended, or that rule's successor, on all parties to the underlying action not later than the 20th day before the date set for a hearing on the petition.

(c) At the hearing the court shall order that the proceeds be paid according to the following priorities to each party that establishes its claim to the proceeds:

(1) to the tax sale purchaser if the tax sale has been adjudged to be void and the purchaser has prevailed in an action against the taxing units under Section 34.07(d) by final judgment;

(2) to a taxing unit for any taxes, penalties, or interest that have become due or delinquent on the subject property subsequent to the date of the judgment or that were omitted from the judgment by accident or mistake;

(3) to any other lienholder, consensual or otherwise, for the amount due under a lien, in accordance with the priorities established by applicable law;

(4) to a taxing unit for any unpaid taxes, penalties, interest, or other amounts adjudged due under the judgment that were not satisfied from the proceeds from the tax sale; and

(5) to each former owner of the property, as the interest of each may appear, provided that the former owner:

(A) was a defendant in the judgment;

(B) is related within the third degree by consanguinity or affinity to a former owner that was a defendant in the judgment; or

(C) acquired by will or intestate succession the interest in the property of a former owner that was a defendant in the judgment.

(c-1) Except as provided by Subsections (c)(5)(B) and (C), a former owner of the property that acquired an interest in the property after the date of the judgment may not establish a claim to the proceeds. For purposes of this subsection, a former owner of the property is considered to have acquired an interest in the property after the date of the judgment if the deed by which the former owner acquired the interest was recorded in the real property records of the county in which the property is located after the date of the judgment.

(d) Interest or costs may not be allowed under this section.

(e) An order under this section directing that all or part of the excess proceeds be paid to a party is appealable.

(f) A person may not take an assignment or other transfer of an owner's claim to excess proceeds unless:

(1) the assignment or transfer is taken on or after the 36th day after the date the excess proceeds are deposited in the registry of the court;

(2) the assignment or transfer is in writing and signed by the assignor or transferor;

(3) the assignment or transfer is not the result of an in-person or telephone solicitation;

(4) the assignee or transferee pays the assignor or transferor on the date of the assignment or transfer an amount equal to at least 80 percent of the amount of the assignor's or transferor's claim to the excess proceeds; and

(5) the assignment or transfer document contains a sworn statement by the assignor or transferor affirming:

(A) that the assignment or transfer was given voluntarily;

(B) the date on which the assignment or transfer was made and that the date was not earlier than the 36th day after the date the excess proceeds were deposited in the registry of the court;

(C) that the assignor or transferor has received the notice from the clerk required by Section 34.03;

(D) the nature and specific amount of consideration given for the assignment or transfer;

(E) the circumstances under which the excess proceeds are in the registry of the court;

(F) the amount of the claim to excess proceeds in the registry of the court;

(G) that the assignor or transferor has made no other assignments or transfers of the assignor's or transferor's claim to the excess proceeds;

(H) that the assignor or transferor knows that the assignor or transferor may retain counsel; and

(I) that the consideration was paid in full on the date of the assignment or transfer and that the consideration paid was an amount equal to at least 80 percent of the amount of the assignor's or transferor's claim to the excess proceeds.

(g) An assignee or transferee who obtains excess proceeds without complying with Subsection (f) is liable to the assignor or transferor for the amount of excess proceeds obtained plus attorney's fees and expenses. An assignee or transferee who attempts to obtain excess proceeds without complying with Subsection (f) is liable to the assignor or transferor for attorney's fees and expenses.

(h) An assignee or transferee who files a petition setting forth a claim to excess proceeds must attach a copy of the assignment or transfer document and produce the original of the assignment or transfer document in court at the hearing on the petition. If the original assignment or transfer document is lost, the assignee or transferee must obtain the presence of the assignor or transferor to testify at the hearing. In addition, the assignee or transferee must produce at the hearing the original of any evidence verifying the payment of the consideration given for the assignment or transfer. If the original of any evidence of the payment is lost or if the payment was in cash, the assignee or transferee must obtain the presence of the assignor or transferor to testify at the hearing.

(i) A fee charged by an attorney to obtain excess proceeds for an owner may not be greater than 25 percent of the amount obtained or \$1,000, whichever is less. A person who is not an attorney may not charge a fee to obtain excess proceeds for an owner.

(j) The amount of the excess proceeds the court may order be paid to an assignee or transferee may not exceed 125 percent of the amount the assignee or transferee paid the assignor or transferor on the date of the assignment or transfer.

### Sec. 34.05. Resale by Taxing Unit.

(a) If property is sold to a taxing unit that is a party to the judgment, the taxing unit may sell the property at any time by public or private sale. In selling the property, the taxing unit may, but is not required to, use the procedures provided by Section 263.001, Local Government Code, or Section 272.001, Local Government Code. The sale is subject to any right of redemption of the former owner. The redemption period begins on the date the deed to the taxing unit is filed for record.

(b) Property sold pursuant to Subsections (c) and (d) of this section may be sold for any amount. This subsection does not authorize a sale of property in violation of Section 52, Article III, Texas Constitution.

(c) The taxing unit purchasing the property by resolution of its governing body may request the sheriff or a constable to sell the property at a public sale. If the purchasing taxing unit has not sold the property within six months after the date on which the owner's right of redemption terminates, any taxing unit that is entitled to receive proceeds of the sale by resolution of its governing body may request the sheriff or a constable in writing to sell the property at a public sale. On receipt of a request made under this subsection, the sheriff or constable shall sell the property as provided by Subsection (d), unless the property is sold under Subsection (h) or (i) before the date set for the public sale.

(d) Except as provided by this subsection, all public sales requested as provided by Subsection (c) must be conducted in the manner prescribed by the Texas Rules of Civil Procedure for the sale of property under execution or, if directed by the commissioners court of the county, in accordance with Section 34.01(a-1) and the rules adopted under that section providing for public auction using online bidding and sale. The notice of the sale must contain a description of the property to be sold, the number and style of the suit under which the property was sold at the tax foreclosure sale, and the date of the tax foreclosure sale. The description of the property in the notice is sufficient if it is stated in the manner provided by Section 34.01(f). If the commissioners court of a county by order specifies the date or time at which or location in the county where a public sale requested under Subsection (c) shall be conducted, the sale shall be conducted on the date and at the time and location specified in the order. The acceptance of a bid by the officer conducting the sale is conclusive and binding on the question of its sufficiency. An action to set aside the sale on the grounds that the bid is insufficient may not be sustained in court, except that a taxing unit that participates in distribution of proceeds of the sale may file an action before the first anniversary of the date of the sale to set aside the sale on the grounds of fraud or collusion between the officer making the sale and the purchaser. On conclusion of the sale, the officer making the sale shall prepare a deed to the purchaser. The taxing unit that requested the sale may elect to prepare a deed for execution by the officer. If the taxing unit prepares the deed, the officer shall execute that deed. An officer who executes a deed prepared by the taxing unit is not responsible or liable for any inconsistency, error, or other defect in the form of the deed. As soon as practicable after a deed is executed by the officer, the officer shall either file the deed for recording with the county clerk or deliver the executed deed to the taxing unit that requested the sale, which shall file the deed for recording with the county clerk. The county clerk shall file and record each deed under this subsection and after recording shall return the deed to the grantee.

(e) The presiding officer of a taxing unit selling real property under Subsection (h) or (i), under Section 34.051, or under Section 253.010, Local Government Code, or the sheriff or constable selling real property under Subsections (c) and (d) shall execute a deed to the property conveying to the purchaser the right, title, and interest acquired or held by each taxing unit that was a party to the judgment foreclosing tax liens on the property. The conveyance shall be made subject to any remaining right of redemption at the time of the sale.

(f) An action attacking the validity of a resale of property pursuant to this section may not be instituted after the expiration of one year after the date of the resale.

(g) A taxing unit to which property is bid off may recover its costs of upkeep, maintenance, and environmental cleanup from the resale proceeds without further court order.

(h) In lieu of a sale pursuant to Subsections (c) and (d) of this section, the taxing unit that purchased the property may sell the property at a private sale. Consent of each taxing unit entitled to receive proceeds of the sale under the judgment is not required. Property sold under this subsection may not be sold for an amount that is less than the lesser of:

- (1) the market value specified in the judgment of foreclosure; or
- (2) the total amount of the judgments against the property.

(i) In lieu of a sale pursuant to Subsections (c) and (d) of this section, the taxing unit that purchased the property may sell the property at a private sale for an amount less than required under Subsection (h) of this section with the consent of each taxing unit entitled to receive proceeds of the sale under the judgment. This subsection does not authorize a sale of property in violation of Section 52, Article III, Texas Constitution.

(j) In lieu of a sale pursuant to Subsections (c) and (d), the taxing unit that purchased the property may sell the property at a private sale for an amount equal to or greater than its market value, as shown by the most recent certified appraisal roll, if:

(1) the sum of the amount of the judgment plus post-judgment taxes, penalties, and interest owing against the property exceeds the market value; and

(2) each taxing unit entitled to receive proceeds of the sale consents to the sale for that amount.

(k) A sale under Subsection (j) discharges and extinguishes all liens foreclosed by the judgment and, with the exception of the prorated tax for the current year that is assessed under Section 26.10, the liens for post-judgment taxes that accrued from the date of judgment until the date the taxing unit purchased the property. The presiding officer of a taxing unit selling real property under Subsection (j) shall execute a deed to the property conveying to the purchaser the right, title, and interest acquired or held by each taxing unit that was a party to the judgment foreclosing tax liens on the property. The conveyance is subject to any remaining right of redemption at the time of the sale and to the purchaser's obligation to pay the prorated taxes for the current year as provided by Section 26.10. The deed must recite that the liens foreclosed by the judgment and the post-judgment tax liens are discharged and extinguished by virtue of the conveyance.

(l) A taxing unit that does not consent to a sale under Subsection (j) is liable to the taxing unit that purchased the property for a pro rata share of the costs incurred by the purchasing unit in maintaining the property, including the costs of preventing the property from becoming a public nuisance, a danger to the public, or a threat to the public health. The nonconsenting unit's share of the costs described by this subsection is calculated from the date the unit fails to consent to the sale and is equal to the percentage of the proceeds from a sale of the property to which the nonconsenting unit would be entitled multiplied by the costs incurred by the purchasing unit to maintain the property.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 851 (H.B. 1203), § 27, effective August 29, 1983; am. #### **Sec. 34.051. Resale by Taxing Unit for the Purpose of Urban Redevelopment.**

(a) A municipality is authorized to resell tax foreclosed property for less than the market value specified in the judgment of foreclosure or less than the total amount of the judgments against the property if consent to the conveyance is evidenced by an interlocal agreement between the municipality and each taxing unit that is a party to the judgment, provided, however, that the interlocal agreement complies with the requirements of Subsection (b).

(b) Any taxing unit may enter into an interlocal agreement with the municipality for the resale of tax foreclosed properties to be used for a purpose consistent with the municipality's urban redevelopment plans or the municipality's affordable housing policy. If the tax foreclosed property is resold pursuant to this section to be used for a purpose consistent with the municipality's urban redevelopment plan or affordable housing policy, the deed of conveyance must refer to or set forth the applicable terms of the urban redevelopment plan or affordable housing policy. Any such interlocal agreement should include the following:

(1) a general statement and goals of the municipality's urban redevelopment plans or affordable housing policy, as applicable;

(2) a statement that the interlocal agreement concerns only tax foreclosed property that is either vacant or distressed and has a tax delinquency of six or more years;

(3) a statement that the properties will be used only for a purpose consistent with an urban redevelopment plan or affordable housing policy, as applicable, that is primarily aimed at providing housing for families of low or moderate income;

(4) a statement that the principal goal of the interlocal agreement is to provide an efficient mechanism for returning deteriorated or unproductive properties to the tax rolls, enhancing the value of ownership to the surrounding properties, and improving the safety and quality of life in deteriorating neighborhoods; and

(5) a provision that all properties are sold subject to any right of redemption.

(c) The deed of conveyance of property sold under this section conveys to the purchaser the right, title, and interest acquired or held by each taxing unit that was a party to the judgment of foreclosure, subject to any remaining right of redemption at the time of the sale.

(d) An action attacking the validity of a sale of property pursuant to this section may not be instituted after the expiration of one year after the date of the sale and then only after the unconditional tender into the registry of the court of an amount equal to all taxes, penalties, interest, costs, and post-judgment interest of all judgments on which the original foreclosure sale was based.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1136 (H.B. 3263), § 3, effective September 1, 1997; am. Acts 2001, 77th Leg., ch. 819 (H.B. 858), § 1, effective June 14, 2001; am. Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 29, effective September 1, 2001.

#### **Sec. 34.06. Distribution of Proceeds of Resale.**

(a) The proceeds of a resale of property purchased by a taxing unit at a tax foreclosure sale shall be paid to the purchasing taxing unit.

(b) The proceeds of the resale shall be distributed as required by Subsections (c)—(e).

(c) The purchasing taxing unit shall first retain an amount from the proceeds to reimburse the unit for reasonable costs, as defined by Section 34.21, incurred by the unit for:

- (1) maintaining, preserving, and safekeeping the property;
- (2) marketing the property for resale; and
- (3) costs described by Subsection (f).

(d) After retaining the amount authorized by Subsection (c), the purchasing taxing unit shall then pay all costs of the suit and the sale of the property in the same manner and in the same order of priority as provided by Sections 34.02(b)(1)—(5).

(e) After making the distribution under Subsection (d), any remaining balance of the proceeds shall be paid to each taxing unit participating in the sale in an amount equal to the proportion each participant's taxes, penalties, and interest bear to the total amount of taxes, penalties, and interest adjudged to be due all participants in the sale.

(f) The purchasing taxing unit is entitled to recover from the proceeds of a resale of the property any cost incurred by the taxing unit in inspecting the property to determine whether there is a release or threatened release of solid waste from the property in violation of Chapter 361, Health and Safety Code, or a rule adopted or permit or order issued by the Texas Natural Resource Conservation Commission under that chapter, or a discharge or threatened discharge of waste or a pollutant into or adjacent to water in this state from a point of discharge on the property in violation of Chapter 26, Water Code, or a rule adopted or permit or order issued by the commission under that chapter, and in taking action to remove or remediate the release or threatened release or discharge or threatened discharge regardless of whether the taxing unit:

- (1) was required by law to incur the cost; or
- (2) obtained the consent of each taxing unit entitled to receive proceeds of the sale under the judgment of foreclosure to incur the cost.

### Sec. 34.07. Subrogation of Purchaser at Void Sale.

(a) The purchaser at a void or defective tax sale or tax resale is subrogated to the rights of the taxing unit in whose behalf the property was sold or resold to the same extent a purchaser at a void or defective sale conducted in behalf of a judgment creditor is subrogated to the rights of the judgment creditor.

(b) Except as provided by Subsection (c), the purchaser at a void or defective tax sale or tax resale is subrogated to the tax lien of the taxing unit in whose behalf the property was sold or resold to the same extent a purchaser at a void or defective mortgage or other lien foreclosure sale is subrogated to the lien of the lienholder, and the purchaser is entitled to a reforeclosure of the lien to which the purchaser is subrogated.

(c) If the purchaser at a void or defective tax sale or tax resale paid less than the total amount of the judgment against the property, the purchaser is subrogated to the tax lien only in the amount the purchaser paid at the sale or resale.

(d) In lieu of pursuing the subrogation rights provided by this section to which a purchaser is subrogated, a purchaser at a void tax sale or tax resale may elect to file an action against the taxing units to which proceeds of the sale were distributed to recover an amount from each taxing unit equal to the distribution of taxes, penalties, interest, and attorney's fees the taxing unit received. In a suit filed under this subsection, the purchaser may include a claim for, and is entitled to recover, any excess proceeds of the sale that remain on deposit in the registry of the court or, in the alternative, is entitled to have judgment against any party to whom the excess proceeds have been distributed. A purchaser who files a suit authorized by this subsection waives all rights of subrogation otherwise provided by this section. This subsection applies only to an original purchaser at a tax sale or resale and only if that purchaser has not subsequently sold the property to another person.

(e) If the purchaser prevails in a suit filed under Subsection (d), the court shall expressly provide in its final judgment that:

- (1) the tax sale is vacated and set aside; and
- (2) any lien on the property extinguished by the tax sale is reinstated on the property effective as of the date on which the lien originally attached to the property.

(f) A suit filed against the taxing units under Subsection (d) may not be maintained unless the action is instituted before the first anniversary of the date of sale or resale. In this subsection:

- (1) "Date of sale" means the date on which the sheriff or constable conducted the sale of the property under Section 34.01.
- (2) "Date of resale" means the date on which the grantor's acknowledgment was taken or, in the case of multiple grantors, the latest date of acknowledgment by the grantors as shown in the deed.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1999, 76th Leg., ch. 1481 (H.B. 3549), § 31, effective September 1, 1999; am. Acts 2001, 77th Leg., ch. 1430 (H.B. 490), § 30, effective September 1, 2001; am. Acts 2017, 85th Leg., ch. 133 (H.B. 1128), § 5, effective September 1, 2017.

**Sec. 34.08. Challenge to Validity of Tax Sale.**

(a) A person may not commence an action that challenges the validity of a tax sale under this chapter unless the person:

- (1) deposits into the registry of the court an amount equal to the amount of the delinquent taxes, penalties, and interest specified in the judgment of foreclosure obtained against the property plus all costs of the tax sale; or
- (2) files an affidavit of inability to pay under Rule 145, Texas Rules of Civil Procedure.

(b) A person may not commence an action challenging the validity of a tax sale after the time set forth in Section 33.54(a)(1) or (2), as applicable to the property, against a subsequent purchaser for value who acquired the property in reliance on the tax sale. The purchaser may conclusively presume that the tax sale was valid and shall have full title to the property free and clear of the right, title, and interest of any person that arose before the tax sale, subject only to recorded restrictive covenants and valid easements of record set forth in Section 34.01(n) and subject to applicable rights of redemption.

(c) If a person is not barred from bringing an action challenging the validity of a tax sale under Subsection (b) or any other provision of this title or applicable law, the person must bring an action no later than two years after the cause of action accrues to recover real property claimed by another who:

- (1) pays applicable taxes on the real property before overdue; and
  - (2) claims the property under a registered deed executed pursuant to Section 34.01.
- (d) Subsection (c) does not apply to a claim based on a forged deed.

**HISTORY:** Enacted by Acts 1997, 75th Leg., ch. 1136 (H.B. 3263), § 4, effective September 1, 1997; enacted by Acts 1997, 75th Leg., ch. 1192 (S.B. 1249), § 3, effective September 1, 1997; am. Acts 1999, 76th Leg., ch. 1481 (H.B. 3549), § 32, effective September 1, 1999.

**Secs. 34.09 to 34.20. [Reserved for expansion].***Subchapter B**Redemption***Sec. 34.21. Right of Redemption.**

(a) The owner of real property sold at a tax sale to a purchaser other than a taxing unit that was used as the residence homestead of the owner or that was land designated for agricultural use when the suit or the application for the warrant was filed, or the owner of a mineral interest sold at a tax sale to a purchaser other than a taxing unit, may redeem the property on or before the second anniversary of the date on which the purchaser's deed is filed for record by paying the purchaser the amount the purchaser bid for the property, the amount of the deed recording fee, and the amount paid by the purchaser as taxes, penalties, interest, and costs on the property, plus a redemption premium of 25 percent of the aggregate total if the property is redeemed during the first year of the redemption period or 50 percent of the aggregate total if the property is redeemed during the second year of the redemption period.

(b) If property that was used as the owner's residence homestead or was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, is bid off to a taxing unit under Section 34.01(j) or (p) and has not been resold by the taxing unit, the owner having a right of redemption may redeem the property on or before the second anniversary of the date on which the deed of the taxing unit is filed for record by paying the taxing unit:

- (1) the lesser of the amount of the judgment against the property or the market value of the property as specified in that judgment, plus the amount of the fee for filing the taxing unit's deed and the amount spent by the taxing unit as costs on the property, if the property was judicially foreclosed and bid off to the taxing unit under Section 34.01(j);
- or

- (2) the lesser of the amount of taxes, penalties, interest, and costs for which the warrant was issued or the market value of the property as specified in the warrant, plus the amount of the fee for filing the taxing unit's deed and the amount spent by the taxing unit as costs on the property, if the property was seized under Subchapter E, Chapter 33, and bid off to the taxing unit under Section 34.01(p).

(c) If real property that was used as the owner's residence homestead or was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, has been resold by the taxing unit under Section 34.05, the owner of the property having a right of redemption may redeem the property on or before the second anniversary of the date on which the taxing unit files for record the deed from the sheriff or constable by paying the person who purchased the property from the taxing unit the amount the purchaser paid for the property, the amount of the fee for filing the purchaser's deed for record, the amount paid by the purchaser as taxes, penalties, interest, and costs on the property, plus a redemption premium of 25 percent of the aggregate total if the property is redeemed in the first year of the redemption period or 50 percent of the aggregate total if the property is redeemed in the second year of the redemption period.

(d) If the amount paid by the owner of the property under Subsection (c) is less than the amount of the judgment under which the property was sold, the owner shall pay to the taxing unit to which the property was bid off under Section 34.01 an amount equal to the difference between the amount paid under Subsection (c) and the amount of the judgment. The taxing unit shall issue a receipt for a payment received under this subsection and shall distribute the

amount received to each taxing unit that participated in the judgment and sale in an amount proportional to the unit's share of the total amount of the aggregate judgments of the participating taxing units. The owner of the property shall deliver the receipt received from the taxing unit to the person from whom the property is redeemed.

(e) The owner of real property sold at a tax sale other than property that was used as the residence homestead of the owner or that was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, may redeem the property in the same manner and by paying the same amounts as prescribed by Subsection (a), (b), (c), or (d), as applicable, except that:

(1) the owner's right of redemption may be exercised not later than the 180th day following the date on which the purchaser's or taxing unit's deed is filed for record; and

(2) the redemption premium payable by the owner to a purchaser other than a taxing unit may not exceed 25 percent.

(f) The owner of real property sold at a tax sale may redeem the real property by paying the required amount as prescribed by this section to the assessor-collector for the county in which the property was sold, if the owner of the real property makes an affidavit stating:

(1) that the period in which the owner's right of redemption must be exercised has not expired; and

(2) that the owner has made diligent search in the county in which the property is located for the purchaser at the tax sale or for the purchaser at resale, and has failed to find the purchaser, that the purchaser is not a resident of the county in which the property is located, that the owner and the purchaser cannot agree on the amount of redemption money due, or that the purchaser refuses to give the owner a quitclaim deed to the property.

(f-1) An assessor-collector who receives an affidavit and payment under Subsection (f) shall accept that the assertions set out in the affidavit are true and correct. The assessor-collector receiving the payment shall give the owner a signed receipt witnessed by two persons. The receipt, when recorded, is notice to all persons that the property described has been redeemed. The assessor-collector shall on demand pay the money received by the assessor-collector to the purchaser. An assessor-collector is not liable to any person for performing the assessor-collector's duties under this subsection in reliance on the assertions contained in an affidavit.

(g) In this section:

(1) "Land designated for agricultural use" means land for which an application for appraisal under Subchapter C or D, Chapter 23, has been finally approved.

(2) "Costs" includes:

(A) the amount reasonably spent by the purchaser for maintaining, preserving, and safekeeping the property, including the cost of:

(i) property insurance;

(ii) repairs or improvements required by a local ordinance or building code or by a lease of the property in effect on the date of the sale;

(iii) discharging a lien imposed by a municipality to secure expenses incurred by the municipality in remedying a health or safety hazard on the property;

(iv) dues or assessments for maintenance paid to a property owners' association under a recorded restrictive covenant to which the property is subject; and

(v) impact or standby fees imposed under the Local Government Code or Water Code and paid to a political subdivision; and

(B) if the purchaser is a taxing unit to which the property is bid off under Section 34.01, personnel and overhead costs reasonably incurred by the purchaser in connection with maintaining, preserving, safekeeping, managing, and reselling the property.

(3) "Purchaser" includes a taxing unit to which property is bid off under Section 34.01.

(4) "Residence homestead" has the meaning assigned by Section 11.13.

(h) The right of redemption does not grant or reserve in the former owner of the real property the right to the use or possession of the property, or to receive rents, income, or other benefits from the property while the right of redemption exists.

(i) The owner of property who is entitled to redeem the property under this section may request that the purchaser of the property, or the taxing unit to which the property was bid off, provide that owner a written itemization of all amounts spent by the purchaser or taxing unit in costs on the property. The owner must make the request in writing and send the request to the purchaser at the address shown for the purchaser in the purchaser's deed for the property, or to the business address of the collector for the taxing unit, as applicable. The purchaser or the collector shall itemize all amounts spent on the property in costs and deliver the itemization in writing to the owner not later than the 10th day after the date the written request is received. Delivery of the itemization to the owner may be made by depositing the document in the United States mail, postage prepaid, addressed to the owner at the address provided in the owner's written request. Only those amounts included in the itemization provided to the owner may be allowed as costs for purposes of redemption.

(j) A quitclaim deed to an owner redeeming property under this section is not notice of an unrecorded instrument. The grantee of a quitclaim deed and a successor or assign of the grantee may be a bona fide purchaser in good faith for value under recording laws.

(k) The inclusion of dues and assessments for maintenance paid to a property owners' association within the definition of "costs" under Subsection (g) may not be construed as:

- (1) a waiver of any immunity to which a taxing unit may be entitled from a suit or from liability for those dues or assessments; or
- (2) authority for a taxing unit to make an expenditure of public funds in violation of Section 50, 51, or 52(a), Article III, or Section 3, Article XI, Texas Constitution.

(l) An owner of real property who is entitled to redeem the property under this section may not transfer the owner’s right of redemption to another person. Any instrument purporting to transfer the owner’s right of redemption is void.

**Sec. 34.22. Evidence of Title to Redeem Real Property.**

(a) A person asserting ownership of real property sold for taxes is entitled to redeem the property if he had title to the property or he was in possession of the property in person or by tenant either at the time suit to foreclose the tax lien on the property was instituted or at the time the property was sold. A defect in the chain of title to the property does not defeat an offer to redeem.

(b) A person who establishes title to real property that is superior to the title of one who has previously redeemed the property is entitled to redeem the property during the redemption period by paying the amounts provided by law to the person who previously redeemed the property.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

(a) If the owner of property sold for taxes to a taxing unit redeems the property before the property is resold, the taxing unit shall distribute the redemption proceeds in the manner that proceeds of the resale of property are distributed.

(b) Except as provided by Section 34.21(e), the owner of property sold for taxes to a taxing unit may not redeem the property from the taxing unit after the property has been resold.

(b) The board may not review or reject an agreement between a property owner or the owner's agent and the chief appraiser under Section 1.111(e).

(c) The appraisal review board by rule shall adopt procedures for hearings the board conducts under this subchapter and Subchapter C. Before adopting the hearing procedures, the board shall hold a public hearing to consider the hearing procedures proposed for adoption by the board. Not later than May 15 of each year, the board shall hold the hearing, make any amendments to the proposed hearing procedures the board determines are necessary, and by resolution finally adopt the hearing procedures. The board must comply with Section 5.103(d) when adopting the hearing procedures. The chairman of the board is responsible for the administration of hearing procedures adopted by the board.

(c) Notwithstanding Subsection (a), a property owner is entitled to protest before the appraisal review board only the following actions of the chief appraiser in relation to an exemption under Section 11.35:

- (1) the modification or denial of an application for an exemption under that section; or
- (2) the determination of the appropriate damage assessment rating for an item of qualified property under that section.

#### **Sec. 41.411. Protest of Failure to Give Notice.**

(a) A property owner is entitled to protest before the appraisal review board the failure of the chief appraiser or the appraisal review board to provide or deliver any notice to which the property owner is entitled.

(b) If failure to provide or deliver the notice is established, the appraisal review board shall determine a protest made by the property owner on any other grounds of protest authorized by this title relating to the property to which the notice applies.

(c) A property owner who protests as provided by this section must comply with the payment requirements of Section 41.4115 or the property owner forfeits the property owner's right to a final determination of the protest.

**HISTORY:** Enacted by Acts 1985, 69th Leg., ch. 504 (S.B. 760), § 1, effective June 12, 1985; am. Acts 2007, 80th Leg., ch. 1106 (H.B. 3496), § 4(a), effective January 1, 2008; am. #### **Sec. 41.4115. Forfeiture of Remedy for Nonpayment of Taxes.**

(a) The pendency of a protest under Section 41.411 does not affect the delinquency date for the taxes on the property subject to the protest. However, that delinquency date applies only to the amount of taxes required to be paid under Subsection (b) and, for purposes of Subsection (b), that delinquency date is postponed to the 125th day after the date one or more taxing units first delivered written notice of the taxes due on the property, as determined by the appraisal review board at a hearing under Section 41.44(c-3). If the property owner complies with Subsection (b), the delinquency date for any additional amount of taxes due on the property is determined in the manner provided by Section 42.42(c) for the determination of the delinquency date for additional taxes finally determined to be due in an appeal under Chapter 42, and that additional amount is not delinquent before that date.

(b) Except as provided in Subsection (d), a property owner who files a protest under Section 41.411 must pay the amount of taxes due on the portion of the taxable value of the property subject to the protest that is not in dispute before the delinquency date or the property owner forfeits the right to proceed to a final determination of the protest.

(c) A property owner who pays an amount of taxes greater than that required by Subsection (b) does not forfeit the property owner's right to a final determination of the protest by making the payment. If the property owner files a timely protest under Section 41.411, taxes paid on the property are considered paid under protest, even if paid before the protest is filed.

(d) After filing an oath of inability to pay the taxes at issue, a property owner may be excused from the requirement of prepayment of tax as a prerequisite to the determination of a protest if the appraisal review board, after notice and hearing, finds that such prepayment would constitute an unreasonable restraint on the property owner's right of access to the board. On the motion of a party, the board shall hold a hearing to review and determine compliance with this section, and the reviewing board may set such terms and conditions on any grant of relief as may be reasonably required by the circumstances. If the board determines that the property owner has not substantially complied with this section, the board shall dismiss the pending protest. If the board determines that the property owner has substantially but not fully complied with this section, the board shall dismiss the pending protest unless the property owner fully complies with the board's determination within 30 days of the determination.

**HISTORY:** Enacted by Acts 2011, 82nd Leg., ch. 771 (H.B. 1887), § 9, effective September 1, 2011; Enacted by Acts 2011, 82nd Leg., ch. 793 (H.B. 2220), § 4, effective June 17, 2011.

#### **Sec. 41.412. Person Acquiring Property After January 1.**

(a) A person who acquires property after January 1 and before the deadline for filing notice of the protest may pursue a protest under this subchapter in the same manner as a property owner who owned the property on January 1.

(b) If during the pendency of a protest under this subchapter the ownership of the property subject to the protest changes, the new owner of the property on application to the appraisal review board may proceed with the protest in the same manner as the property owner who initiated the protest.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 451 (H.B. 190), § 1, effective August 31, 1987.

**Sec. 41.413. Protest by Person Leasing Property.**

(a) A person leasing tangible personal property who is contractually obligated to reimburse the property owner for taxes imposed on the property is entitled to protest before the appraisal review board a determination of the appraised value of the property if the property owner does not file a protest relating to the property.

(b) A person leasing real property who is contractually obligated to reimburse the property owner for taxes imposed on the property is entitled to protest before the appraisal review board a determination of the appraised value of the property if the property owner does not file a protest relating to the property. The protest provided by this subsection is limited to a single protest by either the property owner or the lessee.

(c) A person bringing a protest under this section is considered the owner of the property for purposes of the protest. The appraisal review board shall deliver a copy of any notice relating to the protest and of the order determining the protest to the owner of the property and the person bringing the protest.

(d) An owner of real property shall send to a person leasing property under a contract described by Subsection (b) a copy of any notice of appraised value of the property received by the property owner. The property owner must send the notice not later than the 10th day after the date the property owner receives the notice. Failure of the property owner to send a copy of the notice to the person leasing the property does not affect the time within which the person leasing the property may protest the appraised value. This subsection does not apply if the property owner and the person leasing the property have agreed in the contract to waive the requirements of this subsection or that the person leasing the property will not protest the appraised value of the property.

(e) A person leasing real property under a contract described by Subsection (b) may request that the chief appraiser of the appraisal district in which the property is located send the notice described by Subsection (d) to the person. Except as provided by Subsection (f), the chief appraiser shall send the notice to the person leasing the property not later than the fifth day after the date the notice is sent to the property owner if the person demonstrates that the person is contractually obligated to reimburse the property owner for the taxes imposed on the property.

(f) A chief appraiser who receives a request under Subsection (e) is not required to send the notice requested under that subsection if the appraisal district in which the property that is the subject of the notice is located posts the appraised value of the property on the district's Internet website not later than the fifth day after the date the notice is sent to the property owner.

(g) A person leasing property under a contract described by this section may designate another person to act as the agent of the lessee for any purpose under this title. The lessee must make the designation in the manner provided by Section 1.111. An agent designated under this subsection has the same authority and is subject to the same limitations as an agent designated by a property owner under Section 1.111.

(a-3) In a protest authorized by Section 41.41(a)(1) or (2), the appraisal district has the burden of establishing the value of the property by clear and convincing evidence presented at the hearing if:

- (1) the appraised value of the property was lowered under this subtitle in the preceding tax year;
- (2) the appraised value of the property in the preceding tax year was not established as a result of a written agreement between the property owner or the owner's agent and the appraisal district under Section 1.111(e); and
- (3) not later than the 14th day before the date of the first day of the hearing, the property owner files with the appraisal review board and delivers to the chief appraiser:

(A) information, such as income and expense statements or information regarding comparable sales, that is sufficient to allow for a determination of the appraised or market value of the property if the protest is authorized by Section 41.41(a)(1); or

(B) information that is sufficient to allow for a determination of whether the property was appraised unequally if the protest is authorized by Section 41.41(a)(2).

(a-4) If the appraisal district has the burden of establishing the value of property by clear and convincing evidence presented at the hearing on a protest as provided by Subsection (a-3) and the appraisal district fails to meet that standard, the protest shall be determined in favor of the property owner.

(a-5) Subsection (a-3)(3) does not impose a duty on a property owner to provide any information in a protest authorized by Section 41.41(a)(1) or (2). That subdivision is merely a condition to the applicability of the standard of evidence provided by Subsection (a-3).

(b) A protest on the ground of unequal appraisal of property shall be determined in favor of the protesting party unless the appraisal district establishes that:

- (1) the appraisal ratio of the property is equal to or less than the median level of appraisal of a reasonable and representative sample of other properties in the appraisal district;
- (2) the appraisal ratio of the property is equal to or less than the median level of appraisal of a sample of properties in the appraisal district consisting of a reasonable number of other properties similarly situated to, or of the same general kind or character as, the property subject to the protest; or
- (3) the appraised value of the property is equal to or less than the median appraised value of a reasonable number of comparable properties appropriately adjusted.

(c) For purposes of this section, evidence includes the data, schedules, formulas, or other information used to establish the matter at issue.

(d) If the property owner fails to deliver, before the date of the hearing, a rendition statement or property report required by Chapter 22 or a response to the chief appraiser's request for information under Section 22.07(c), the property owner has the burden of establishing the value of the property by a preponderance of the evidence presented at the hearing. If the property owner fails to meet that standard, the protest shall be determined in favor of the appraisal district.

#### Sec. 41.44. Notice of Protest.

- (a) Except as provided by Subsections (b), (c), (c-1), and (c-2), to be entitled to a hearing and determination of a

protest, the property owner initiating the protest must file a written notice of the protest with the appraisal review board having authority to hear the matter protested:

(1) not later than May 15 or the 30th day after the date that notice to the property owner was delivered to the property owner as provided by Section 25.19, whichever is later;

(2) in the case of a protest of a change in the appraisal records ordered as provided by Subchapter A of this chapter or by Chapter 25, not later than the 30th day after the date notice of the change is delivered to the property owner;

(3) in the case of a determination that a change in the use of land appraised under Subchapter C, D, E, or H, Chapter 23, has occurred, not later than the 30th day after the date the notice of the determination is delivered to the property owner;

(4) in the case of a determination of eligibility for a refund under Section 23.1243, not later than the 30th day after the date the notice of the determination is delivered to the property owner; or

(5) in the case of a protest of the modification or denial of an application for an exemption under Section 11.35, or the determination of an appropriate damage assessment rating for an item of qualified property under that section, not later than the 30th day after the date the property owner receives the notice required under Section 11.45(e).

(b) A property owner who files his notice of protest after the deadline prescribed by Subsection (a) of this section but before the appraisal review board approves the appraisal records is entitled to a hearing and determination of the protest if he shows good cause as determined by the board for failure to file the notice on time.

(b-1) [Repealed.]

(c) A property owner who files notice of a protest authorized by Section 41.411 is entitled to a hearing and determination of the protest if the property owner files the notice prior to the date the taxes on the property to which the notice applies become delinquent. An owner of land who files a notice of protest under Subsection (a)(3) is entitled to a hearing and determination of the protest without regard to whether the appraisal records are approved.

(c-1) A property owner who files a notice of protest after the deadline prescribed by Subsection (a) but before the taxes on the property to which the notice applies become delinquent is entitled to a hearing and determination of the protest if the property owner was continuously employed in the Gulf of Mexico, including employment on an offshore drilling or production facility or on a vessel, for a period of not less than 20 days during which the deadline prescribed by Subsection (a) passed, and the property owner provides the appraisal review board with evidence of that fact through submission of a letter from the property owner's employer or supervisor or, if the property owner is self-employed, a sworn affidavit.

(c-2) A property owner who files a notice of protest after the deadline prescribed by Subsection (a) but before the taxes on the property to which the notice applies become delinquent is entitled to a hearing and determination of the protest if the property owner was serving on full-time active duty in the United States armed forces outside the United States on the day on which the deadline prescribed by Subsection (a) passed and the property owner provides the appraisal review board with evidence of that fact through submission of a valid military identification card from the United States Department of Defense and a deployment order.

(c-3) Notwithstanding Subsection (c), a property owner who files a protest under Section 41.411 on or after the date the taxes on the property to which the notice applies become delinquent, but not later than the 125th day after the property owner, in the protest filed, claims to have first received written notice of the taxes in question, is entitled to a hearing solely on the issue of whether one or more taxing units timely delivered a tax bill. If at the hearing the appraisal review board determines that all of the taxing units failed to timely deliver a tax bill, the board shall determine the date on which at least one taxing unit first delivered written notice of the taxes in question, and for the purposes of this section the delinquency date is postponed to the 125th day after that date.

(d) **[2 Versions: As added by Acts 2021, 87th Leg., ch. 533 (SB 63)]** A notice of protest is sufficient if it identifies the protesting property owner, including a person claiming an ownership interest in the property even if that person is not listed on the appraisal records as an owner of the property, identifies the property that is the subject of the protest, and indicates apparent dissatisfaction with some determination of the appraisal office. The notice need not be on an official form, but the comptroller shall prescribe a form that provides for more detail about the nature of the protest. The form must permit a property owner to include each property in the appraisal district that is the subject of a protest. If the form includes boxes a property owner is required to select from to indicate the reason the owner is filing a protest, the form must permit a property owner who believes that the owner's property was appraised at a value that exceeds its appraised value, was appraised unequally, or both, to select a single box to indicate that the owner is filing a protest for either or both reasons. The form must permit a property owner to request that the protest be heard by a special panel established under Section 6.425 if the protest will be determined by an appraisal review board to which that section applies and the property is included in a classification described by Section 6.425(b). The comptroller, each appraisal office, and each appraisal review board shall make the forms readily available and deliver one to a property owner on request.

(d) **[Effective January 1, 2022] [2 Versions: As added by Acts 2021, 87th Leg., ch. 644 (HB 988)]** A notice of protest is sufficient if it identifies the protesting property owner, including a person claiming an ownership interest in the property even if that person is not listed on the appraisal records as an owner of the property, identifies the property that is the subject of the protest, and indicates apparent dissatisfaction with some determination of the appraisal office. The notice need not be on an official form, but the comptroller shall prescribe a form that provides for more detail about the nature of the protest. The form must permit a property owner to include each property in the appraisal district that

is the subject of a protest. The form must permit a property owner to request that the protest be heard by a special panel established under Section 6.425 if the protest will be determined by an appraisal review board to which that section applies and the property is included in a classification described by Section 6.425(b). The form must permit a property owner to request that the protest be heard by a single-member panel authorized by Section 41.45(b-4). The comptroller, each appraisal office, and each appraisal review board shall make the forms readily available and deliver one to a property owner on request.

(e) Notwithstanding any other provision of this section, a notice of protest may not be found to be untimely or insufficient based on a finding of incorrect ownership if the notice:

- (1) identifies as the property owner a person who is, for the tax year at issue:
  - (A) an owner of the property at any time during the tax year;
  - (B) the person shown on the appraisal records as the owner of the property, if that person filed the protest;
  - (C) a lessee authorized to file a protest; or
  - (D) an affiliate of or entity related to a person described by this subdivision; or
- (2) uses a misnomer of a person described by Subdivision (1).

#### **Sec. 41.445. Informal Conference Before Hearing on Protest. [Effective January 1, 2022]**

The appraisal office shall hold an informal conference with each property owner who files a notice of protest with the appraisal review board and requests an informal conference. An informal conference must be held before the hearing on the protest.

**HISTORY:** Enacted by Acts 2021, 87th Leg., ch. 644 (H.B. 988), § 16, effective January 1, 2022.

#### **Sec. 41.45. Hearing on Protest.**

(a) On the filing of a notice as required by Section 41.44, the appraisal review board shall schedule a hearing on the protest. The appraisal review board shall schedule the hearing to be held as soon as practicable but not later than the 90th day after the date the board approves the appraisal records as provided by Section 41.12. If more than one protest is filed relating to the same property, the appraisal review board shall schedule a single hearing on all timely filed protests relating to the property. A hearing for a property that is owned in undivided or fractional interests, including separate interests in a mineral in place, shall be scheduled to provide for participation by all owners who have timely filed a protest.

(b) A property owner initiating a protest is entitled to appear to offer evidence or argument. A property owner may offer evidence or argument by affidavit without personally appearing and may appear by telephone conference call or videoconference to offer argument. A property owner who appears by telephone conference call or videoconference must offer any evidence by affidavit. A property owner must submit an affidavit described by this subsection to the board hearing the protest before the board begins the hearing on the protest. On receipt of an affidavit, the board shall notify the chief appraiser. The chief appraiser may inspect the affidavit and is entitled to a copy on request.

(b-1) **[2 Versions: As added by Acts 2021, 87th Leg., ch. 965 (SB 1919)]** An appraisal review board shall conduct a hearing on a protest by telephone conference call or by videoconference, as specified by the property owner at the owner's election, if:

(1) the property owner notifies the board that the property owner intends to appear by telephone conference call or videoconference in the owner's notice of protest or by written notice filed with the board not later than the 10th day before the date of the hearing; or

(2) the board proposes that the hearing be conducted by telephone conference call or videoconference and the property owner agrees to the hearing being conducted in that manner.

(b-1) **[Effective January 1, 2022] [2 Versions: As added by Acts 2021, 87th Leg., ch. 644 (HB 988)]** An appraisal review board shall conduct a hearing on a protest by telephone conference call if the property owner notifies the board that the property owner intends to appear by telephone conference call in the owner's notice of protest or by written notice filed with the board not later than the 10th day before the date of the hearing.

(b-2) If a property owner elects to have a hearing on a protest conducted by telephone conference call or videoconference, the appraisal review board shall:

- (1) provide:

(A) a telephone number for the property owner to call to participate in the hearing, if the hearing is to be conducted by telephone conference call; or

(B) an Internet location or uniform resource locator (URL) address for the property owner to use to participate in the hearing, if the hearing is to be conducted by videoconference; and

(2) hold the hearing in a location equipped with equipment that allows each board member and the other parties to the protest who are present at the hearing to hear and, if applicable, see the property owner offer argument.

(b-3) A property owner is responsible for providing access to a hearing on a protest conducted by telephone conference call or videoconference to another person that the owner invites to participate in the hearing.

(b-4) **[2 Versions: As added by Acts 2021, 87th Leg., ch. 965 (SB 1919)]** Notwithstanding any other provision of this section, an appraisal review board is not required to conduct a hearing by videoconference if the board:

(1) is established for a county with a population of less than 100,000; and

(2) lacks the technological capability to conduct a videoconference.

(b-4) **[Effective January 1, 2022] [2 Versions: As added by Acts 2021, 87th Leg., ch. 644 (HB 988)]** An appraisal review board shall sit in a single-member panel to conduct a protest hearing under this section if the property owner requests that the hearing be conducted by a single-member panel:

(1) in the notice of protest; or

(2) in writing submitted to the board not later than the 10th day before the date of the hearing.

(b-5) **[Effective January 1, 2022]** If the recommendation of a single-member panel that conducts a hearing under Subsection (b-4) is not accepted by the appraisal review board, the board may refer the matter for rehearing to a single-member panel composed of a member who did not hear the original protest or the board may determine the protest.

(c) The chief appraiser shall appear at each protest hearing before the appraisal review board to represent the appraisal office.

(d) **[Effective until January 1, 2022]** This subsection does not apply to a special panel established under Section 6.425. An appraisal review board consisting of more than three members may sit in panels of not fewer than three members to conduct protest hearings. If the recommendation of a panel is not accepted by the board, the board may refer the matter for rehearing to a panel composed of members who did not hear the original protest or, if there are not at least three members who did not hear the original protest, the board may determine the protest.

(d) **[Effective January 1, 2022]** This subsection does not apply to a single-member panel established under Subsection (b-4) of this section or a special panel established under Section 6.425. An appraisal review board consisting of more than three members may sit in panels of not fewer than three members to conduct protest hearings. If the recommendation of a panel is not accepted by the board, the board may refer the matter for rehearing to a panel composed of members who did not hear the original protest or, if there are not at least three members who did not hear the original protest, the board may determine the protest.

(d-1) An appraisal review board to which Section 6.425 applies shall sit in special panels established under that section to conduct protest hearings. A special panel may conduct a protest hearing relating to property only if the property is described by Section 6.425(b) and the property owner has requested that a special panel conduct the hearing or if the protest is assigned to the special panel under Section 6.425(f). If the recommendation of a special panel is not accepted by the board, the board may refer the matter for rehearing to another special panel composed of members who did not hear the original protest or, if there are not at least three other special panel members who did not hear the original protest, the board may determine the protest.

(d-2) **[Effective until January 1, 2022]** The determination of a protest heard by a panel under Subsection (d) or (d-1) must be made by the board.

(d-2) **[Effective January 1, 2022]** The determination of a protest heard by a panel under Subsection (b-4), (d), or (d-1) must be made by the board.

(d-3) **[Effective until January 1, 2022]** The board must deliver notice of a hearing or meeting to determine a protest heard by a panel, or to rehear a protest, under Subsection (d) or (d-1) in accordance with the provisions of this subchapter.

(d-3) **[Effective January 1, 2022]** The board must deliver notice of a hearing or meeting to determine a protest heard by a panel, or to rehear a protest, under Subsection (b-4), (d), or (d-1) in accordance with the provisions of this subchapter.

(e) On request made to the appraisal review board before the date of the hearing, a property owner who has not designated an agent under Section 1.111 to represent the owner at the hearing is entitled to one postponement of the hearing to a later date without showing cause. In addition and without limitation as to the number of postponements, the board shall postpone the hearing to a later date if the property owner or the owner's agent at any time shows good cause for the postponement or if the chief appraiser consents to the postponement. The hearing may not be postponed to a date less than five or more than 30 days after the date scheduled for the hearing when the postponement is sought unless the date and time of the hearing as postponed are agreed to by the chairman of the appraisal review board or the chairman's representative, the property owner, and the chief appraiser. A request by a property owner for a postponement under this subsection may be made in writing, including by facsimile transmission or electronic mail, by telephone, or in person to the appraisal review board, a panel of the board, or the chairman of the board. The chairman or the chairman's representative may take action on a postponement under this subsection without the necessity of

action by the full board if the hearing for which the postponement is requested is scheduled to occur before the next regular meeting of the board. The granting by the appraisal review board, the chairman, or the chairman's representative of a postponement under this subsection does not require the delivery of additional written notice to the property owner.

(e-1) A property owner or a person designated by the property owner as the owner's agent to represent the owner at the hearing who fails to appear at the hearing is entitled to a new hearing if the property owner or the owner's agent files, not later than the fourth day after the date the hearing occurred, a written statement with the appraisal review board showing good cause for the failure to appear and requesting a new hearing.

(e-2) For purposes of Subsections (e) and (e-1), "good cause" means a reason that includes an error or mistake that:

(1) was not intentional or the result of conscious indifference; and

(2) will not cause undue delay or other injury to the person authorized to extend the deadline or grant a rescheduling.

(f) A property owner who has been denied a hearing to which the property owner is entitled under this chapter may bring suit against the appraisal review board by filing a petition or application in district court to compel the board to provide the hearing. If the property owner is entitled to the hearing, the court shall order the hearing to be held and may award court costs and reasonable attorney fees to the property owner.

(g) In addition to the grounds for a postponement under Subsection (e), the board shall postpone the hearing to a later date if:

(1) the owner of the property or the owner's agent is also scheduled to appear at a hearing on a protest filed with the appraisal review board of another appraisal district;

(2) the hearing before the other appraisal review board is scheduled to occur on the same date as the hearing set by the appraisal review board from which the postponement is sought;

(3) the notice of hearing delivered to the property owner or the owner's agent by the other appraisal review board bears an earlier postmark than the notice of hearing delivered by the board from which the postponement is sought or, if the date of the postmark is identical, the property owner or agent has not requested a postponement of the other hearing; and

(4) the property owner or the owner's agent includes with the request for a postponement a copy of the notice of hearing delivered to the property owner or the owner's agent by the other appraisal review board.

(h) Before the hearing on a protest or immediately after the hearing begins, the chief appraiser and the property owner or the owner's agent shall each provide the other with a copy of any written material or material preserved on a portable device designed to maintain a reproduction of a document or image that the person intends to offer or submit to the appraisal review board at the hearing. Each person must provide the copy of material in the manner and form prescribed by comptroller rule.

(i) To be valid, an affidavit offered under Subsection (b) must be attested to before an officer authorized to administer oaths and include:

(1) the name of the property owner initiating the protest;

(2) a description of the property that is the subject of the protest; and

(3) evidence or argument.

(j) A statement from the property owner that specifies the determination or other action of the chief appraiser, appraisal district, or appraisal review board relating to the subject property from which the property owner seeks relief constitutes sufficient argument under Subsection (i).

(k) The comptroller shall prescribe a standard form for an affidavit offered under Subsection (b). Each appraisal district shall make copies of the affidavit form available to property owners without charge.

(l) A property owner is not required to use the affidavit form prescribed by the comptroller when offering an affidavit under Subsection (b).

(m) If the protest relates to a taxable leasehold or other possessory interest in real property that is owned by this state or a political subdivision of this state, the attorney general or a representative of the state agency that owns the land, if the real property is owned by this state, or a person designated by the political subdivision that owns the real property, as applicable, is entitled to appear at the hearing and offer evidence and argument.

(n) A property owner does not waive the right to appear in person at a protest hearing by submitting an affidavit to the appraisal review board or by electing to appear by telephone conference call or videoconference. The board may consider an affidavit submitted under this section only if the property owner does not appear in person at the hearing. For purposes of scheduling the hearing, the property owner must state in the affidavit that the property owner does not intend to appear at the hearing or that the property owner intends to appear at the hearing in person or by telephone conference call or videoconference and that the affidavit may be used only if the property owner does not appear at the hearing in person. If the property owner does not state in the affidavit whether the owner intends to appear at the hearing and has not elected to appear by telephone conference call or videoconference, the board shall consider the submission of the affidavit as an indication that the property owner does not intend to appear at the hearing. If the property owner states in the affidavit that the owner does not intend to appear at the hearing or does not state in the affidavit whether the owner intends to appear at the hearing and has not elected to appear by telephone conference call or videoconference, the board is not required to consider the affidavit at the scheduled hearing and may consider the affidavit at a hearing designated for the specific purpose of processing affidavits.

(o) If the chief appraiser uses audiovisual equipment at a hearing on a protest, the appraisal office shall provide audiovisual equipment of the same general type, kind, and character, as prescribed by comptroller rule, for use during the hearing by the property owner or the property owner's agent.

(p) The comptroller by rule shall prescribe:

(1) the manner and form, including security requirements, in which a person must provide a copy of material under Subsection (h), which must allow the appraisal review board to retain the material as part of the board's hearing record; and

(2) specifications for the audiovisual equipment provided by an appraisal district for use by a property owner or the property owner's agent under Subsection (o).

(e) The notice of the issuance of the order must contain a prominently printed statement in upper-case bold lettering informing the property owner in clear and concise language of the property owner's right to appeal the order of the board to district court. The joint motion must contain the terms of the disposition of the protest. The chairman of the board shall issue the agreed order not later than the fifth day after the date on which the joint motion is filed with the board. (a) The appraisal review board shall conduct hearings in accordance with the hearing procedures adopted by the appraisal review board under Section 41.01(c). On request made by a property owner in the owner's notice of protest or in a separate writing delivered to the appraisal review board on or before the date the notice of protest is filed, the property owner is entitled to a copy of the hearing procedures. The copy of the hearing procedures shall be delivered to the property owner not later than the 10th day before the date the hearing on the protest begins and may be delivered with the notice of the protest hearing required under Section 41.46(a). The notice of protest form prescribed by the comptroller under Section 41.44(d) or any other notice of protest form made available to a property owner by the appraisal review board or the appraisal office shall provide the property owner an opportunity to make or decline to make a request under this subsection.

(b) Hearing procedures to the greatest extent practicable shall be informal. Each party to a hearing is entitled to offer evidence, examine or cross-examine witnesses or other parties, and present argument on the matters subject to the hearing. A property owner who is a party to a protest is entitled to elect to present the owner's case at a hearing on the protest either before or after the appraisal district presents the district's case.

(c) A property owner who is entitled as provided by this chapter to appear at a hearing may appear by himself or by his agent. A taxing unit may appear by a designated agent.

(d) Except as provided by Subsection (d-1), hearings conducted as provided by this chapter are open to the public.

(d-1) Notwithstanding Chapter 551, Government Code, the appraisal review board shall conduct a hearing that is closed to the public if the property owner or the chief appraiser intends to disclose proprietary or confidential information at the hearing that will assist the review board in determining the protest. The review board may hold a closed hearing under this subsection only on a joint motion by the property owner and the chief appraiser.

(d-2) Information described by Subsection (d-1) is considered information obtained under Section 22.27.

(e) The appraisal review board may not consider any appraisal district information on a protest that was not presented to the appraisal review board during the protest hearing.

(f) A member of the appraisal review board may not communicate with another person concerning:

(1) the evidence, argument, facts, merits, or any other matters related to an owner's protest, except during the hearing on the protest; or

(2) a property that is the subject of the protest, except during a hearing on another protest or other proceeding before the board at which the property is compared to other property or used in a sample of properties.

(g) At the beginning of a hearing on a protest, each member of the appraisal review board hearing the protest must sign an affidavit stating that the board member has not communicated with another person in violation of Subsection (f). If a board member has communicated with another person in violation of Subsection (f), the member must be recused from the proceeding and may not hear, deliberate on, or vote on the determination of the protest. The board of directors of the appraisal district shall adopt and implement a policy concerning the temporary replacement of an appraisal review board member who has communicated with another person in violation of Subsection (f).

(h) The appraisal review board shall postpone a hearing on a protest if the property owner or the designated agent of the owner requests additional time to prepare for the hearing and establishes to the board that the chief appraiser failed to comply with Section 41.461. The board is not required to postpone a hearing more than one time under this subsection.

(i) A hearing on a protest filed by a property owner or the designated agent of the owner shall be set for a time and date certain. If the hearing is not commenced within two hours of the time set for the hearing, the appraisal review board shall postpone the hearing on the request of the property owner or the designated agent of the owner.

(j) On the request of a property owner or the designated agent of the owner, an appraisal review board shall schedule hearings on protests concerning up to 20 designated properties to be held consecutively on the same day. The designated properties must be identified in the same notice of protest, and the notice must contain in boldfaced type the statement "request for same-day protest hearings." A property owner or the designated agent of the owner may file more than one request under this subsection with the appraisal review board in the same tax year. The appraisal review board may schedule hearings on protests concerning more than 20 properties filed by the same property owner or the designated agent of the owner and may use different panels to conduct the hearings based on the board's customary scheduling. The

appraisal review board may follow the practices customarily used by the board in the scheduling of hearings under this subsection.

(j-1) An appraisal review board may schedule the hearings on all protests filed by a property owner or the designated agent of the owner to be held consecutively. The notice of the hearings must state the date and time that the first hearing will begin, state the date the last hearing will end, and list the order in which the hearings will be held. The order of the hearings listed in the notice may not be changed without the agreement of the property owner or the designated agent of the owner, the chief appraiser, and the appraisal review board. The board may not reschedule a hearing for which notice is given under this subsection to a date earlier than the seventh day after the date the last hearing was scheduled to end unless agreed to by the property owner or the designated agent of the owner, the chief appraiser, and the appraisal review board. Unless agreed to by the parties, the board must provide written notice of the date and time of the rescheduled hearing to the property owner or the designated agent of the owner not later than the seventh day before the date of the hearing.

(j-2) An appraisal review board must schedule a hearing on a protest filed by a property owner who is 65 years of age or older, disabled, a military service member, a military veteran, or the spouse of a military service member or military veteran before scheduling a hearing on a protest filed by a designated agent of a property owner.

(k) This subsection does not apply to a special panel established under Section 6.425. If an appraisal review board sits in panels to conduct protest hearings, protests shall be randomly assigned to panels, except that the board may consider the type of property subject to the protest or the ground of the protest for the purpose of using the expertise of a particular panel in hearing protests regarding particular types of property or based on particular grounds. If a protest is scheduled to be heard by a particular panel, the protest may not be reassigned to another panel without the consent of the property owner or the designated agent of the owner. If the appraisal review board has cause to reassign a protest to another panel, a property owner or the designated agent of the owner may agree to reassignment of the protest or may request that the hearing on the protest be postponed. The board shall postpone the hearing on that request. A change of members of a panel because of a conflict of interest, illness, or inability to continue participating in hearings for the remainder of the day does not constitute reassignment of a protest to another panel.

(k-1) On the request of a property owner or the designated agent of the owner, an appraisal review board to which Section 6.425 applies shall assign a protest relating to property described by Section 6.425(b) to a special panel. In addition, the chairman of the appraisal review board may assign a protest relating to property not described by Section 6.425(b) to a special panel as authorized by Section 6.425(f), but only if the assignment is requested or consented to by the property owner or the designated agent of the owner. Protests assigned to special panels shall be randomly assigned to those panels. If a protest is scheduled to be heard by a particular special panel, the protest may not be reassigned to another special panel without the consent of the property owner or the designated agent of the owner. If the board has cause to reassign a protest to another special panel, a property owner or the designated agent of the owner may agree to reassignment of the protest or may request that the hearing on the protest be postponed. The board shall postpone the hearing on that request. A change of members of a special panel because of a conflict of interest, illness, or inability to continue participating in hearings for the remainder of the day does not constitute reassignment of a protest to another special panel.

(l) A property owner, attorney, or agent offering evidence or argument in support of a protest brought under Section 41.41(a)(1) or (2) of this code is not subject to Chapter 1103, Occupations Code, unless the person offering the evidence or argument states that the person is offering evidence or argument as a person holding a license or certificate under Chapter 1103, Occupations Code. A person holding a license or certificate under Chapter 1103, Occupations Code, shall state the capacity in which the person is appearing before the appraisal review board.

(m) An appraisal district or appraisal review board may not make decisions with regard to membership on a panel or chairmanship of a panel based on a member's voting record in previous protests.

(n) A request for postponement of a hearing must contain the mailing address and e-mail address of the person requesting the postponement. An appraisal review board shall respond in writing or by e-mail to a request for postponement of a hearing not later than the seventh day after the date of receipt of the request.

(o) The chairman of an appraisal review board or a member designated by the chairman may make decisions with regard to the scheduling or postponement of a hearing. The chief appraiser or a person designated by the chief appraiser may agree to a postponement of an appraisal review board hearing.

(p) At the end of a hearing on a protest, the appraisal review board shall provide the property owner or the designated agent of the owner one or more documents indicating that the members of the board hearing the protest signed the affidavit required by Subsection (g).

(q) A person who owns property in an appraisal district or the chief appraiser of an appraisal district may file a complaint with the taxpayer liaison officer for the appraisal district alleging that the appraisal review board established for the appraisal district has adopted or is implementing hearing procedures that are not in compliance with the model hearing procedures prepared by the comptroller under Section 5.103 or is not complying with procedural requirements under this chapter. The taxpayer liaison officer shall investigate the complaint and report the findings of the investigation to the board of directors of the appraisal district. The board of directors shall direct the chairman of the appraisal review board to take remedial action if, after reviewing the taxpayer liaison officer's report, the board of directors determines that the allegations contained in the complaint are true. The board of directors may remove the member of the appraisal review board serving as chairman of the appraisal review board from that member's position

as chairman if the board determines that the chairman has failed to take the actions necessary to bring the appraisal review board into compliance with Section 5.103(d) or this chapter, as applicable.

(c) Official notice may be taken of any fact judicially cognizable. A party is entitled to an opportunity to contest facts officially noticed.

(d) Information that was previously requested under Section 41.461 by the protesting party that was not delivered to the protesting party at least 14 days before the scheduled or postponed hearing may not be used or offered in any form as evidence in the hearing, including as a document or through argument or testimony. This subsection does not apply to information offered to rebut evidence or argument presented at the hearing by the protesting party or that party's designated agent.

(e) The chief appraiser may not offer evidence or argument at a hearing on a protest in support of a reason for modifying or denying an application other than a reason stated in a notice delivered to the applicant under Section 11.45(d) or (e), 23.44(d), 23.57(d), 23.79(d), 23.85(d), 23.95(d), or 23.9805(d) unless the chief appraiser:

(1) provides written notice to the property owner of the additional reason for modifying or denying the application not later than the 14th day before the date of the hearing; and

(2) establishes that the additional reason was not known to the chief appraiser at the time the chief appraiser delivered to the applicant the notice under Section 11.45(d) or (e), 23.44(d), 23.57(d), 23.79(d), 23.85(d), 23.95(d), or 23.9805(d).

The comptroller by rule shall adopt minimum standards for the form and content of the notice required by this section.

**Sec. 41A.01. Right of Appeal by Property Owner.**

- As an alternative to filing an appeal under Section 42.01, a property owner is entitled to appeal through binding arbitration under this chapter an appraisal review board order determining a protest filed under Section 41.41(a)(1) or (2) concerning the appraised or market value of property if:
- (1) the property qualifies as the owner’s residence homestead under Section 11.13; or
  - (2) the appraised or market value, as applicable, of the property as determined by the order is \$5 million or less.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 372 (S.B. 1351), § 1, effective September 1, 2005; enacted by Acts 2005, 79th Leg., ch. 912 (H.B. 182), § 1, effective September 1, 2005; am. **Sec. 41A.015. Limited Binding Arbitration to Compel Compliance with Certain Procedural Requirements Related to Protests.**

- (a) A property owner who has filed a notice of protest under Chapter 41 may file a request for limited binding arbitration under this section to compel the appraisal review board or chief appraiser, as appropriate, to:
  - (1) rescind procedural rules adopted by the appraisal review board that are not in compliance with the model hearing procedures prepared by the comptroller under Section 5.103;
  - (2) schedule a hearing on a protest as required by Section 41.45;
  - (3) deliver information to the property owner in the manner required by Section 41.461;
  - (4) allow the property owner to offer evidence, examine or cross-examine witnesses or other parties, and present arguments as required by Section 41.66(b);
  - (5) set a hearing for a time and date certain and postpone a hearing that does not begin within two hours of the scheduled time as required by Section 41.66(i);
  - (6) schedule hearings on protests concerning multiple properties identified in the same notice of protest on the same day at the request of the property owner or the property owner’s designated agent as required by Section 41.66(j); or
  - (7) refrain from using or offering as evidence information requested by the property owner under Section 41.461 that was not delivered to the property owner at least 14 days before the hearing as required by Section 41.67(d).
- (b) A property owner may not file a request for limited binding arbitration under this section unless:
  - (1) the property owner has delivered written notice to the chairman of the appraisal review board, the chief appraiser, and the taxpayer liaison officer for the applicable appraisal district by certified mail, return receipt requested, of the procedural requirement with which the property owner alleges the appraisal review board or chief appraiser failed to comply on or before the fifth business day after the date the appraisal review board or chief appraiser was required to comply with the requirement; and
  - (2) the chairman of the appraisal review board or chief appraiser, as applicable, fails to deliver to the property owner on or before the 10th day after the date the notice is delivered a written statement confirming that the

appraisal review board or chief appraiser, as applicable, will comply with the requirement or cure a failure to comply with the requirement.

(c) Except as otherwise provided by this subtitle, the failure to comply with a procedural requirement listed under Subsection (a) is not a ground for postponement of a hearing on a protest. An appraisal review board may cure an alleged failure to comply with a procedural requirement that occurred during a hearing by rescinding the order determining the protest for which the hearing was held and scheduling a new hearing on the protest.

(d) A property owner must request limited binding arbitration under this section by filing a request with the comptroller. The property owner may not file the request earlier than the 11th day or later than the 30th day after the date the property owner delivers the notice required by Subsection (b)(1) to the chairman of the appraisal review board, the chief appraiser, and the taxpayer liaison officer for the applicable appraisal district.

(e) A request for limited binding arbitration under this section must be in a form prescribed by the comptroller and be accompanied by an arbitration deposit payable to the comptroller in the amount of:

(1) \$450, if the property that is the subject of the protest to which the arbitration relates qualifies as the property owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is \$500,000 or less, as determined by the appraisal district for the most recent tax year; or

(2) \$550, for property other than property described by Subdivision (1).

(f) The comptroller shall prescribe the form to be used for submitting a request for limited binding arbitration under this section. The form must require the property owner to provide:

(1) a statement that the property owner has provided the written notice required by Subsection (b);

(2) a statement that the property owner has made the arbitration deposit required by this section;

(3) a brief statement identifying the procedural requirement with which the property owner alleges the appraisal review board or chief appraiser, as applicable, has failed to comply;

(4) a description of the action taken or not taken by the appraisal review board or chief appraiser regarding the procedural requirement identified under Subdivision (3);

(5) a description of the property to which the award will apply; and

(6) any other information reasonably necessary for the comptroller to appoint an arbitrator.

(g) On receipt of the request and deposit under this section, the comptroller shall appoint an arbitrator from the registry maintained under Section 41A.06 who is eligible to serve as an arbitrator under Subsection (p) of this section. Section 41A.07(h) does not apply to the appointment of an arbitrator under this section.

(h) The appraisal review board, the chief appraiser, and the property owner are parties to a limited binding arbitration conducted under this section. The appraisal review board may appear by counsel, by the chairman, or by a person designated by the chairman. The chief appraiser may appear by counsel, in person, or by a designated employee. The property owner may appear in the manner provided by Section 41A.08(b)(2), (3), (4), or (5).

(i) The arbitrator shall make an arbitration award and deliver an electronic copy of the award to:

(1) the property owner;

(2) the chairman of the appraisal review board;

(3) the chief appraiser; and

(4) the comptroller.

(j) An award under this section:

(1) shall include a determination of whether the appraisal review board or chief appraiser failed to comply with a procedural requirement as alleged in the request for limited binding arbitration;

(2) if the arbitrator determines that the appraisal review board or chief appraiser failed to comply with a procedural requirement as alleged in the request, shall direct the appraisal review board or chief appraiser, as applicable, to:

(A) comply with the procedural requirement; or

(B) if the hearing on the protest has been held and the appraisal review board has issued an order determining the protest, rescind the order and hold a new hearing on the protest that complies with the procedural requirement;

(3) shall specify the arbitrator's fee;

(4) is final and may not be appealed; and

(5) is enforceable as provided by Section 41A.09.

(k) If the arbitrator determines that the appraisal review board or chief appraiser failed to comply with the procedural requirement that was the subject of the limited binding arbitration:

(1) the comptroller, on receipt of a copy of the award, shall refund the property owner's arbitration deposit, less the amount retained by the comptroller under Section 41A.05(b); and

(2) the appraisal district shall pay the arbitrator's fee.

(l) If the arbitrator determines that the appraisal review board or chief appraiser complied with the procedural requirement that was the subject of the limited binding arbitration, the comptroller shall:

(1) pay the arbitrator's fee out of the owner's arbitration deposit; and

(2) refund to the owner the owner's arbitration deposit, less the arbitrator's fee and the amount retained by the comptroller under Section 41A.05(b).

(m) As soon as practicable after receiving notice of an award, the appraisal review board or the chief appraiser shall:

(1) take any action required to comply with the requirements of the award; and

(2) if the award requires the appraisal review board to conduct a new hearing under Chapter 41, schedule and conduct the hearing.

(n) An award under this section does not affect the property owner's right to:

- (1) appeal the final determination of a protest by the appraisal review board under Chapter 42; or
- (2) pursue any other legal or statutory remedy available to the property owner.

(o) A property owner may request a single limited binding arbitration under this section that covers more than one property, more than one protest hearing, or an allegation of the failure by the appraisal review board or chief appraiser to comply with more than one procedural requirement so long as the requirements of Subsection (b) are met with regard to each alleged failure to comply. The amount of the arbitration deposit and the amount of the arbitrator's fee are computed as if a single property were the subject of the arbitration. If the arbitration involves property described by Subsection (e)(1) and property described by Subsection (e)(2), the amount of the arbitration deposit and the amount of the arbitrator's fee are computed as if only the property described by Subsection (e)(2) were the subject of the arbitration. If the arbitration involves an allegation of the failure by the appraisal review board or chief appraiser to comply with more than one procedural requirement, Subsection (k) applies if the arbitrator determines that the appraisal review board or chief appraiser failed to comply with one or more of the procedural requirements that were the subject of the arbitration and Subsection (l) applies if the arbitrator determines that the appraisal review board or chief appraiser complied with all of the procedural requirements that were the subject of the arbitration.

(p) Section 41A.06 applies to the registration and qualification of an arbitrator under this section except that an arbitrator under this section must:

- (1) be a licensed attorney; and
- (2) agree to conduct an arbitration for a fee that is not more than:
  - (A) \$400 if the property is described by Subsection (e)(1); or
  - (B) \$500 if the property is described by Subsection (e)(2).

(q) Except as otherwise provided by this section, the provisions of this chapter apply to a limited binding arbitration under this section. In the event of a conflict between this section and another provision of this chapter, this section controls.

### Sec. 41A.02. Notice of Right to Arbitration.

An appraisal review board that delivers notice of issuance of an order described by Section 41A.01 and a copy of the order to a property owner as required by Section 41.47 shall include with the notice and copy:

- (1) a notice of the property owner's rights under this chapter; and
- (2) **[2 Versions: As added by Acts 2005, 79th Leg., ch. 372]** a copy of the form prescribed under Section 41A.03(a)(1).
- (2) **[2 Versions: As added by Acts 2005, 79th Leg., ch. 912]** a copy of the form prescribed under Section 41A.04.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 372 (S.B. 1351), § 1, effective September 1, 2005; Enacted by Acts 2005, 79th Leg., ch. 912 (H.B. 182), § 1, effective September 1, 2005.

### Sec. 41A.03. Request for Arbitration.

(a) To appeal an appraisal review board order under this chapter, a property owner must file with the appraisal district not later than the 60th day after the date the property owner receives notice of the order:

- (1) a completed request for binding arbitration under this chapter in the form prescribed by Section 41A.04; and
- (2) an arbitration deposit made payable to the comptroller in the amount of:
  - (A) \$450, if the property qualifies as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is \$500,000 or less, as determined by the order;
  - (B) \$500, if the property qualifies as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is more than \$500,000, as determined by the order;
  - (C) \$500, if the property does not qualify as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is \$1 million or less, as determined by the order;
  - (D) \$800, if the property does not qualify as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is more than \$1 million but not more than \$2 million, as determined by the order;
  - (E) \$1,050, if the property does not qualify as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is more than \$2 million but not more than \$3 million, as determined by the order; or
  - (F) \$1,550, if the property does not qualify as the owner's residence homestead under Section 11.13 and the appraised or market value, as applicable, of the property is more than \$3 million but not more than \$5 million, as determined by the order.

(a-1) If a property owner requests binding arbitration under this chapter to appeal appraisal review board orders involving two or more contiguous tracts of land that are owned by the property owner, a single arbitration deposit in

the amount provided by Subsection (a)(2) is sufficient to satisfy the requirement of Subsection (a)(2). For purposes of this subsection, “contiguous tracts of land” means improved or unimproved tracts of land that are touching or that share a common boundary, as determined using appraisal district records or legal descriptions of the tracts.

(b) A property owner who fails to strictly comply with this section waives the property owner’s right to request arbitration under this chapter. A property owner who appeals an appraisal review board order determining a protest concerning the appraised or market value, as applicable, of the owner’s property under Chapter 42 waives the owner’s right to request binding arbitration under this chapter regarding the value of that property. An arbitrator shall dismiss any pending arbitration proceeding if the property owner’s rights are waived under this subsection.

**HISTORY:** Enacted by Acts 1995, 74th Leg., ch. 581 (S.B. 783), § 2, effective August 28, 1995; am. Acts 2021, 87th Leg., ch. 644 (H.B. 988), § 23, effective June 15, 2021.

(b) Except as provided by Subsection (c), the chief appraiser may not appeal an order of the appraisal review board determining a taxpayer protest under Subsection (a)(1) if:

- (1) the protest involved a determination of the appraised or market value of the taxpayer's property and that value according to the order that is the subject of the appeal is less than \$1 million; or
- (2) for any other taxpayer protest, the property to which the protest applies has an appraised value according to the appraisal roll for the current year of less than \$1 million.

(c) On written approval of the board of directors of the appraisal district, the chief appraiser may appeal an order of the appraisal review board determining a taxpayer protest otherwise prohibited by Subsection (b), if the chief appraiser alleges that the taxpayer or a person acting on behalf of the taxpayer committed fraud, made a material misrepresentation, or presented fraudulent evidence in the hearing before the board. In an appeal under this subsection, the court shall first consider whether the taxpayer or a person acting on behalf of the taxpayer committed fraud, made a material misrepresentation, or presented fraudulent evidence to the appraisal review board. If the court does not find by a preponderance of the evidence that the taxpayer or a person acting on behalf of the taxpayer committed fraud, made a material misrepresentation, or presented fraudulent evidence to the appraisal review board, the court shall:

- (1) dismiss the appeal; and
- (2) award court costs and reasonable attorney's fees to the taxpayer.

To exercise the right to appeal an order of the comptroller, a party other than a property owner must file written notice of appeal within 15 days after the date the party receives the comptroller's order. A property owner is not required to file a notice of appeal under this section.

(b) A party required to file a notice of appeal under this section other than a chief appraiser who appeals an order of an appraisal review board shall file the notice with the chief appraiser of the appraisal district for which the appraisal review board is established. **Sec. 42.07. Costs of Appeal.**

The reviewing court in its discretion may charge all or part of the costs of an appeal taken as provided by this chapter against any of the parties.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 42.08. Forfeiture of Remedy for Nonpayment of Taxes.**

(a) The pendency of an appeal as provided by this chapter does not affect the delinquency date for the taxes on the property subject to the appeal. However, that delinquency date applies only to the amount of taxes required to be paid

under Subsection (b). If the property owner complies with Subsection (b), the delinquency date for any additional amount of taxes due on the property is determined by Section 42.42(c), and that additional amount is not delinquent before that date.

(b) Except as provided in Subsection (d), a property owner who appeals as provided by this chapter must pay taxes on the property subject to the appeal in the amount required by this subsection before the delinquency date or the property owner forfeits the right to proceed to a final determination of the appeal. The amount of taxes the property owner must pay on the property before the delinquency date to comply with this subsection is the lesser of:

- (1) the amount of taxes due on the portion of the taxable value of the property that is not in dispute;
- (2) the amount of taxes due on the property under the order from which the appeal is taken; or
- (3) the amount of taxes imposed on the property in the preceding tax year.

(b-1) This subsection applies only to an appeal in which the property owner elects to pay the amount of taxes described by Subsection (b)(1). The appeal filed by the property owner must be accompanied by a statement in writing of the amount of taxes the property owner proposes to pay. The failure to provide the statement required by this subsection is not a jurisdictional error.

(c) A property owner that pays an amount of taxes greater than that required by Subsection (b) does not forfeit the property owner's right to a final determination of the appeal by making the payment. The property owner may pay an additional amount of taxes at any time. If the property owner files a timely appeal under this chapter, taxes paid on the property are considered paid under protest, even if paid before the appeal is filed. If the taxes are subject to the split-payment option provided by Section 31.03, the property owner may comply with Subsection (b) of this section by paying one-half of the amount otherwise required to be paid under that subsection before December 1 and paying the remaining one-half of that amount before July 1 of the following year.

(d) After filing an oath of inability to pay the taxes at issue, a party may be excused from the requirement of prepayment of tax as a prerequisite to appeal if the court, after notice and hearing, finds that such prepayment would constitute an unreasonable restraint on the party's right of access to the courts. On the motion of a party and after the movant's compliance with Subsection (e), the court shall hold a hearing to review and determine compliance with this section, and the reviewing court may set such terms and conditions on any grant of relief as may be reasonably required by the circumstances. If the court determines that the property owner has not substantially complied with this section, the court shall dismiss the pending action. If the court determines that the property owner has substantially but not fully complied with this section, the court shall dismiss the pending action unless the property owner fully complies with the court's determination within 30 days of the determination.

(e) Not later than the 45th day before the date of a hearing to review and determine compliance with this section, the movant must mail notice of the hearing by certified mail, return receipt requested, to the collector for each taxing unit that imposes taxes on the property.

(f) Regardless of whether the collector for the taxing unit receives a notice under Subsection (e), a taxing unit that imposes taxes on the property may intervene in an appeal under this chapter and participate in the proceedings for the limited purpose of determining whether the property owner has complied with this section. The taxing unit is entitled to process for witnesses and evidence and to be heard by the court.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1983, 68th Leg., ch. 910 (H.B. 1603), § 1, effective August 29, 1983; am. Acts 1985, 69th Leg., ch. 195 (H.B. 1188), § 1, effective May 24, 1985; am. Acts 1989, 71st Leg., ch. 796 (H.B. 432), § 43, effective June 15, 1989; am. Acts 1995, 74th Leg., ch. 579 (S.B. 642), § 12, effective January 1, 1996; am. Acts 1997, 75th Leg., ch. 203 (H.B. 2201), § 1, effective May 21, 1997; am. Acts 2013, 83rd Leg., ch. 1259 (H.B. 585), § 24, effective June 14, 2013.

#### **Sec. 42.081. Deferral of Delinquent Tax Suit During Appeal.**

A taxing unit that imposes taxes on property that is the subject of an appeal under this chapter may not file a suit to collect a delinquent tax on the property during the pendency of the appeal unless it is determined by the court that the property owner failed to comply with Section 42.08.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 944 (S.B. 2), § 74, effective January 1, 2020.

#### **Sec. 42.09. Remedies Exclusive.**

(a) Except as provided by Subsection (b) of this section, procedures prescribed by this title for adjudication of the grounds of protest authorized by this title are exclusive, and a property owner may not raise any of those grounds:

- (1) in defense to a suit to enforce collection of delinquent taxes; or
- (2) as a basis of a claim for relief in a suit by the property owner to arrest or prevent the tax collection process or to obtain a refund of taxes paid.

(b) A person against whom a suit to collect a delinquent property tax is filed may plead as an affirmative defense:

- (1) if the suit is to enforce personal liability for the tax, that the defendant did not own the property on which the tax was imposed on January 1 of the year for which the tax was imposed; or
- (2) if the suit is to foreclose a lien securing the payment of a tax on real property, that the property was not located within the boundaries of the taxing unit seeking to foreclose the lien on January 1 of the year for which the tax was imposed.

(c) For purposes of this section, "suit" includes a counterclaim, cross-claim, or other claim filed in the course of a lawsuit.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982; am. Acts 1987, 70th Leg., ch. 53 (S.B. 266), § 1, effective May 6, 1987.

**Secs. 42.10 to 42.20. [Reserved for expansion].**

*Subchapter B*

*Review by District Court*

**Sec. 42.21. Petition for Review.**

(a) A party who appeals as provided by this chapter must file a petition for review with the district court within 60 days after the party received notice that a final order has been entered from which an appeal may be had or at any time after the hearing but before the 60-day deadline. Failure to timely file a petition bars any appeal under this chapter.

(b) A petition for review brought under Section 42.02 must be brought against the owner of the property involved in the appeal. A petition for review brought under Section 42.031 must be brought against the appraisal district and against the owner of the property involved in the appeal. A petition for review brought under Section 42.01(a)(2) or 42.03 must be brought against the comptroller. Any other petition for review under this chapter must be brought against the appraisal district. A petition for review may not be brought against the appraisal review board. An appraisal district may hire an attorney that represents the district to represent the appraisal review board established for the district to file an answer and obtain a dismissal of a suit filed against the appraisal review board in violation of this subsection.

(c) If an appeal under this chapter is pending when the appraisal review board issues an order in a subsequent year under a protest by the same property owner and that protest relates to the same property that is involved in the pending appeal, the property owner may appeal the subsequent appraisal review board order by amending the original petition for the pending appeal to include the grounds for appealing the subsequent order. The amended petition must be filed with the court in the period provided by Subsection (a) for filing a petition for review of the subsequent order. A property owner may appeal the subsequent appraisal review board order under this subsection or may appeal the order independently of the pending appeal as otherwise provided by this section, but may not do both. A property owner may change the election of remedies provided by this subsection at any time before the end of the period provided by Subsection (a) for filing a petition for review.

(d) An appraisal district is served by service on the chief appraiser at any time or by service on any other officer or employee of the appraisal district present at the appraisal office at a time when the appraisal office is open for business with the public. An appraisal review board is served by service on the chairman of the appraisal review board. Citation of a party is issued and served in the manner provided by law for civil suits generally.

(e) A petition that is timely filed under Subsection (a) or amended under Subsection (c) may be subsequently amended to:

(1) correct or change the name of a party; or

(2) not later than the 120th day before the date of trial, identify or describe the property originally involved in the appeal.

(f) A petition filed by an owner or lessee of property may include multiple properties that are owned or leased by the same person and are of a similar type or are part of the same economic unit and would typically sell as a single property. If a petition is filed by multiple plaintiffs or includes multiple properties that are not of a similar type, are not part of the same economic unit, or are part of the same economic unit but would not typically sell as a single property, the court may on motion and a showing of good cause sever the plaintiffs or the properties.

(g) A petition filed by an owner or lessee of property may be amended to include additional properties in the same county that are owned or leased by the same person, are of a similar type as the property originally involved in the appeal or are part of the same economic unit as the property originally involved in the appeal and would typically sell as a single property, and are the subject of an appraisal review board order issued in the same year as the order that is the subject of the original appeal. The amendment must be filed within the period during which a petition for review of the appraisal review board order pertaining to the additional properties would be required to be filed under Subsection (a).

(h) The court has jurisdiction over an appeal under this chapter brought on behalf of a property owner or lessee and the owner or lessee is considered to have exhausted the owner's or lessee's administrative remedies regardless of whether the petition correctly identifies the plaintiff as the owner or lessee of the property or correctly describes the property so long as the property was the subject of an appraisal review board order, the petition was filed within the period required by Subsection (a), and the petition provides sufficient information to identify the property that is the subject of the petition. Whether the plaintiff is the proper party to bring the petition or whether the property needs to be further identified or described must be addressed by means of a special exception and correction of the petition by amendment as authorized by Subsection (e) and may not be the subject of a plea to the jurisdiction or a claim that the plaintiff has failed to exhaust the plaintiff's administrative remedies. If the petition is amended to add a plaintiff, the court on motion shall enter a docket control order to provide proper deadlines in response to the addition of the plaintiff.

**Sec. 42.221. Consolidated Appeals for Multicounty Property.**

(a) The owner of property of a telecommunications provider, as defined by Section 51.002, Utilities Code, or the owner of property regulated by the Railroad Commission of Texas, the federal Surface Transportation Board, or the Federal Energy Regulatory Commission that runs through or operates in more than one county and is appraised by more than one appraisal district may appeal an order of an appraisal review board relating to the property running through or operating in more than one county to the district court of any county in which a portion of the property is located or operated if the order relating to that portion of the property is appealed.

(b) A petition for review of each appraisal review board order under this section must be filed with the court as provided by Section 42.21.

(c) If only one appeal by the owner of property subject to this section is pending before the court in an appeal from the decision of an appraisal review board of a district other than the appraisal district for that county, any party to the suit may, not earlier than the 30th day before and not later than the 10th day before the date set for the hearing, make a motion to transfer the suit to a district court of the county in which the appraisal review board from which the appeal is taken is located. In the absence of a showing that further appeals under this section will be filed, the court shall transfer the suit.

(d) When the owner files the first petition for review under this section for a tax year, the owner shall include with the petition a list of each appraisal district in which the property is appraised for taxation in that tax year.

(e) The court shall consolidate all the appeals for a tax year relating to a single property subject to this section for which a petition for review is filed with the court and may consolidate other appeals relating to other property subject to this section of the same owner if the property is located in one or more of the counties on the list required by Subsection (d). Except as provided by this subsection, on the motion of the owner of a property subject to this section the court shall grant a continuance to provide the owner with an opportunity to include in the proceeding appeals of appraisal review board orders from additional appraisal districts. The court may not grant a continuance to include an appeal of an appraisal review board order that relates to a property subject to this section in that tax year after the time for filing a petition for review of that order has expired.

(f) This section does not affect the property owner's right to file a petition for review of an individual appraisal district's order relating to a property subject to this section in the district court in the county in which the appraisal review board is located.

(g) On a joint motion or the separate motions of at least 60 percent of the appraisal districts that are defendants in a consolidated suit filed before the 45th day after the date on which the property owner's petitions for review of the appraisal review board orders relating to a property subject to this section for that tax year must be filed, the court shall transfer the suit to a district court of the county named in the motion or motions if that county is one in which one of the appraisal review boards from which an appeal was taken is located.

**HISTORY:** Enacted by Acts 1993, 73rd Leg., ch. 667 (S.B. 548), § 2, effective September 1, 1993; enacted by Acts 1993, 73rd Leg., ch. 1033 (H.B. 301), § 2, effective September 1, 1993; am. (a) On motion by a property owner who appeals an appraisal review board order under this chapter, the court shall submit the appeal to nonbinding arbitration. The court shall order the nonbinding arbitration to be conducted in accordance with Chapter 154, Civil Practice and Remedies Code. If the appeal proceeds to trial following an arbitration award or finding under this subsection, either party may introduce the award or finding into evidence. In addition, the court shall award the property owner reasonable attorney fees if the trial was not requested by the property owner and the determination of the appeal results in an appraised value for the owner's property that is equal to or less than the appraised value under the arbitration award or finding. However, the amount of an award of attorney fees under this subsection is subject to the same limitations as those provided by Section 42.29.

(b) On motion by the property owner, the court shall order the parties to an appeal of an appraisal review board order under this chapter to submit to binding arbitration if the appraisal district joins in the motion or consents to the arbitration. A binding arbitration award under this subsection is binding and enforceable in the same manner as a contract obligation.

(c) The court shall appoint an impartial third party to conduct an arbitration under this section. The impartial third party is appointed by the court and serves as provided by Subchapter C, Chapter 154, Civil Practice and Remedies Code.

(d) Each party or counsel for the party may present the position of the party before the impartial third party, who must render a specific arbitration award.

(e) Prior to submission of a case to arbitration the court shall determine matters related to jurisdiction, venue, and interpretation of the law.

(f) Except as provided in this section, an arbitration award may include any remedy or relief that a court could order under this chapter.

**Sec. 42.226. Mediation.**

On motion by a party to an appeal under this chapter, the court shall enter an order requiring the parties to attend mediation. The court may enter an order requiring the parties to attend mediation on its own motion.

**HISTORY:** Enacted by Acts 2011, 82nd Leg., ch. 771 (H.B. 1887), § 16, effective September 1, 2011.

**Sec. 42.227. Pretrial Settlement Discussions.**

(a) A property owner or appraisal district that is a party to an appeal under this chapter may request that the parties engage in settlement discussions, including through an informal settlement conference or a form of alternative dispute resolution. The request must be in writing and delivered to the other party before the date of trial. The court on motion of either party shall enter orders necessary to implement this section, including an order:

- (1) specifying the form that the settlement discussions must take; or
- (2) changing a deadline to designate experts prescribed by Subsection (c).

(b) On or before the 120th day after the date the written request is delivered under Subsection (a), each party or the party's attorney of record shall attend the settlement discussions and make a good faith effort to resolve the matter under appeal.

(c) If the appraisal district is unable for any reason to attend the settlement discussions on or before the 120th day after the date the written request is delivered under Subsection (a), the deadline to designate experts for the appeal is, notwithstanding a deadline prescribed by the Texas Rules of Civil Procedure:

- (1) with regard to all experts testifying for a party seeking affirmative relief, 60 days before the date of trial; and
- (2) with regard to all other experts, 30 days before the date of trial.

(d) If a property owner is unable for any reason to attend the settlement discussions on or before the 120th day after the date the written request is delivered under Subsection (a), Section 42.23(d) does not apply to the parties to the appeal.

(e) An appraisal district may not request or require a property owner to waive a right under this title as a condition of attending a settlement discussion.

**HISTORY:** Enacted by Acts 2015, 84th Leg., ch. 1270 (S.B. 593), § 1, effective June 20, 2015.

**Sec. 42.23. Scope of Review.**

(a) Review is by trial de novo. The district court shall try all issues of fact and law raised by the pleadings in the manner applicable to civil suits generally.

(b) The court may not admit in evidence the fact of prior action by the appraisal review board or comptroller, except to the extent necessary to establish its jurisdiction.

(c) Any party is entitled to trial by jury on demand.

(d) Each party to an appeal is considered a party seeking affirmative relief for the purpose of discovery regarding expert witnesses under the Texas Rules of Civil Procedure if, on or before the 120th day after the date the appeal is filed, the property owner:

- (1) makes a written offer of settlement;
- (2) requests alternative dispute resolution; and

(3) designates, in response to an appropriate written discovery request, which cause of action under this chapter is the basis for the appeal.

(e) For purposes of Subsection (d), a property owner may designate a cause of action under Section 42.25 or 42.26 as the basis for an appeal, but may not designate a cause of action under both sections as the basis for the appeal. Discovery regarding a cause of action that is not specifically designated by the property owner under Subsection (d) shall be conducted as provided by the Texas Rules of Civil Procedure. A court may not enter an order, including a protective order under Rule 192.6 of the Texas Rules of Civil Procedure, that conflicts with Subsection (d).

(f) For purposes of a no-evidence motion for summary judgment filed by a party to an appeal under this chapter, the offer of evidence, including an affidavit or testimony, by any person, including the appraisal district, the property owner, or the owner's agent, that was presented at the hearing on the protest before the appraisal review board constitutes sufficient evidence to deny the motion.

(g) For the sole purpose of admitting expert testimony to determine the value of chemical processing property or utility property in an appeal brought under this chapter and for no other purpose under this title, including the rendition of property under Chapter 22, the property is considered to be personal property.

(h) Evidence, argument, or other testimony offered at an appraisal review board hearing by a property owner or agent is not admissible in an appeal under this chapter unless:

- (1) the evidence, argument, or other testimony is offered to demonstrate that there is sufficient evidence to deny a no-evidence motion for summary judgment filed by a party to the appeal or is necessary for the determination of the merits of a motion for summary judgment filed on another ground;
- (2) the property owner or agent is designated as a witness for purposes of trial and the testimony offered at the appraisal review board hearing is offered for impeachment purposes; or
- (3) the evidence is the plaintiff's testimony at the appraisal review board hearing as to the value of the property.

### Sec. 42.231. Jurisdiction of District Court; Remand of Certain Appeals.

(a) This section applies only to an appeal by a property owner of an order of the appraisal review board determining:

- (1) a protest by the property owner as provided by Subchapter C, Chapter 41; or
- (2) a motion filed by the property owner under Section 25.25.

(b) Subject to the provisions of this section and notwithstanding any other law, if a plea to the jurisdiction is filed in the appeal on the basis that the property owner failed to exhaust the property owner's administrative remedies, the court may, in lieu of dismissing the appeal for lack of jurisdiction, remand the action to the appraisal review board with instructions to allow the property owner an opportunity to cure the property owner's failure to exhaust administrative remedies.

(c) An action remanded to the appraisal review board under Subsection (b) is considered to be a timely filed protest under Subchapter C, Chapter 41, or motion under Section 25.25, as applicable. The appraisal review board shall schedule a hearing on the protest or motion and issue a written decision determining the protest or motion in the manner required by Subchapter C, Chapter 41, or Section 25.25, as applicable.

(d) A determination of the appraisal review board relating to the remanded action may be appealed to the court that remanded the action to the board. A determination appealed to the court under this subsection may not be the subject of a plea to the jurisdiction on the basis of the property owner's failure to exhaust administrative remedies.

(e) Notwithstanding Subsection (b), on agreement of each party to the appeal and with the approval of the court, the parties to the appeal may waive remand of the action to the appraisal review board and elect that the court determine the appeal on the merits. If the parties waive remand of the action under this subsection, each party is considered to have exhausted the party's administrative remedies.

**HISTORY:** Enacted by Acts 2019, 86th Leg., ch. 157 (H.B. 380), § 2, effective September 1, 2019.

### Sec. 42.24. Action by Court.

In determining an appeal, the district court may:

- (1) fix the appraised value of property in accordance with the requirements of law if the appraised value is at issue;
- (2) enter the orders necessary to ensure equal treatment under the law for the appealing property owner if inequality in the appraisal of his property is at issue; or
- (3) enter other orders necessary to preserve rights protected by and impose duties required by the law.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 42.25. Remedy for Excessive Appraisal.**

If the court determines that the appraised value of property according to the appraisal roll exceeds the appraised value required by law, the property owner is entitled to a reduction of the appraised value on the appraisal roll to the appraised value determined by the court.

**HISTORY:** Enacted by Acts 1979, 66th Leg., ch. 841 (S.B. 621), § 1, effective January 1, 1982.

**Sec. 42.26. Remedy for Unequal Appraisal.**

(a) The district court shall grant relief on the ground that a property is appraised unequally if:

(1) the appraisal ratio of the property exceeds by at least 10 percent the median level of appraisal of a reasonable and representative sample of other properties in the appraisal district;

(2) the appraisal ratio of the property exceeds by at least 10 percent the median level of appraisal of a sample of properties in the appraisal district consisting of a reasonable number of other properties similarly situated to, or of the same general kind or character as, the property subject to the appeal; or

(3) the appraised value of the property exceeds the median appraised value of a reasonable number of comparable properties appropriately adjusted.

(b) If a property owner is entitled to relief under Subsection (a)(1), the court shall order the property's appraised value changed to the value as calculated on the basis of the median level of appraisal according to Subsection (a)(1). If a property owner is entitled to relief under Subsection (a)(2), the court shall order the property's appraised value changed to the value calculated on the basis of the median level of appraisal according to Subsection (a)(2). If a property owner is entitled to relief under Subsection (a)(3), the court shall order the property's appraised value changed to the value calculated on the basis of the median appraised value according to Subsection (a)(3). If a property owner is entitled to relief under more than one subdivision of Subsection (a), the court shall order the property's appraised value changed to the value that results in the lowest appraised value. The court shall determine each applicable median level of appraisal or median appraised value according to law, and is not required to adopt the median level of appraisal or median appraised value proposed by a party to the appeal. The court may not limit or deny relief to the property owner entitled to relief under a subdivision of Subsection (a) because the appraised value determined according to another subdivision of Subsection (a) results in a higher appraised value.

(c) For purposes of establishing the median level of appraisal under Subsection (a)(1), the median level of appraisal in the appraisal district as determined by the comptroller under Section 5.10 is admissible as evidence of the median level of appraisal of a reasonable and representative sample of properties in the appraisal district for the year of the comptroller's determination, subject to the Texas Rules of Evidence and the Texas Rules of Civil Procedure.

(d) For purposes of this section, the value of the property subject to the suit and the value of a comparable property or sample property that is used for comparison must be the market value determined by the appraisal district when the property is a residence homestead subject to the limitation on appraised value imposed by Section 23.23.

The assessor shall include with the bill a brief explanation of the reason for and effect of the corrected bill.

(b) If the final determination of an appeal that increases a property owner's tax liability occurs after the property owner has paid his taxes, the assessor for each affected taxing unit shall prepare and mail a supplemental tax bill in the manner provided by Chapter 31 for tax bills generally. The assessor shall include with the bill a brief explanation of the reason for and effect of the supplemental bill. The additional tax is due on receipt of the supplemental bill and becomes delinquent if not paid before the delinquency date prescribed by Chapter 31 or before the first day of the next month after the date of mailing that will provide at least 21 days for payment of the tax, whichever is later.

(c) If the final determination of an appeal occurs after the property owner has paid a portion of the tax finally determined to be due as required by Section 42.08, the assessor for each affected taxing unit shall prepare and mail a supplemental tax bill in the form and manner prescribed by Subsection (b). The additional tax is due and becomes delinquent as provided by Subsection (b). If the additional tax is not paid by the delinquency date for the additional tax,

The additional tax is due and becomes delinquent as provided by Subsection (b). - (2) the date the property owner files the form prescribed by Subsection (i) with the taxing unit.

(c) Notwithstanding Subsection (b), if a taxing unit does not make a refund, including interest, required by this section before the 60th day after the date the chief appraiser certifies a correction to the appraisal roll under Section 42.41, the taxing unit shall include with the refund interest on the amount refunded at an annual rate of 12 percent, calculated from the delinquency date for the taxes until the date the refund is made. A refund is not considered made under this section until sent to the proper person as provided by this section.

(d) A property owner who prevails in a suit to compel a refund, including interest, required by this section that is filed on or after the 180th day after the date the chief appraiser certifies a correction to the appraisal roll is entitled to court costs and reasonable attorney's fees.

(i) The comptroller shall prescribe the form necessary to allow a property owner to designate the person to whom a refund must be sent. The comptroller shall include on the form a space for the property owner to designate to whom and where the refund must be sent and provide options to mail the refund to:

- (1) the property owner;
- (2) the business office of the property owner's attorney of record in the appeal; or
- (3) any other individual and address designated by the property owner.

(j) A property owner is not entitled to a refund under this section resulting from the final determination of an appeal of the denial of an exemption under Section 11.31, wholly or partly, unless the property owner is entitled to the refund under Subsection (a) or has entered into a written agreement with the chief appraiser that authorizes the refund as part of an agreement related to the taxation of the property pending a final determination by the Texas Commission on Environmental Quality under Section 11.31.

(k) Not later than the 10th day after the date a property owner and the chief appraiser enter into a written agreement described by Subsection (j), the chief appraiser shall provide to each taxing unit that taxes the property a copy of the agreement. ### **Sec. 311.003. Procedure for Creating Reinvestment Zone.**

(a) The governing body of a county by order may designate a contiguous geographic area in the county and the governing body of a municipality by ordinance may designate a contiguous or noncontiguous geographic area that is in the corporate limits of the municipality, in the extraterritorial jurisdiction of the municipality, or in both to be a reinvestment zone to promote development or redevelopment of the area if the governing body determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future. The designation of an area that is wholly or partly located in the extraterritorial jurisdiction of a municipality is not affected by a subsequent annexation of real property in the reinvestment zone by the municipality.

(b) Before adopting an ordinance or order designating a reinvestment zone, the governing body of the municipality or county must prepare a preliminary reinvestment zone financing plan.

(c) Before adopting an ordinance or order providing for a reinvestment zone, the municipality or county must hold a public hearing on the creation of the zone and its benefits to the municipality or county and to property in the proposed zone. At the hearing an interested person may speak for or against the creation of the zone, its boundaries, or the concept of tax increment financing. Not later than the seventh day before the date of the hearing, notice of the hearing must be published in a newspaper having general circulation in the municipality or county.

(d) A municipality or county proposing to designate a reinvestment zone must provide a reasonable opportunity for the owner of property to protest the inclusion of the property in a proposed reinvestment zone.

(e) to (g) [Repealed by Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 21, effective June 17, 2011.]

(b) In this section, "federally assisted new community" means a federally assisted area that has received or will receive assistance in the form of loan guarantees under Title X of the National Housing Act, if a portion of the federally assisted area has received grants under Section 107(a)(1) of the Housing and Community Development Act of 1974.

### Sec. 311.006. Restrictions on Composition of Reinvestment Zone.

(a) A municipality may not designate a reinvestment zone if:

(1) more than 30 percent of the property in the proposed zone, excluding property that is publicly owned, is used for residential purposes; or

(2) the total appraised value of taxable real property in the proposed zone and in existing reinvestment zones exceeds:

(A) 25 percent of the total appraised value of taxable real property in the municipality and in the industrial districts created by the municipality, if the municipality has a population of 100,000 or more; or

(B) 50 percent of the total appraised value of taxable real property in the municipality and in the industrial districts created by the municipality, if the municipality has a population of less than 100,000.

(b) A municipality may not change the boundaries of an existing reinvestment zone to include property in excess of the restrictions on composition of a zone described by Subsection (a).

(c) [Repealed by Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 21, effective June 17, 2011.]

(d) For purposes of this section, property is used for residential purposes if it is occupied by a house having fewer than five living units, and the appraised value is determined according to the most recent appraisal rolls of the municipality.

(e) Subsection (a)(1) does not apply to a reinvestment zone designated under Section 311.005(a)(4).

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 19, effective September 1, 1989; am. ### Sec. 311.007. Changing Boundaries or Term of Existing Zone.

(a) Subject to the limitations provided by Section 311.006, if applicable, the boundaries of an existing reinvestment zone may be reduced or enlarged by ordinance or resolution of the governing body of the municipality or by order or resolution of the governing body of the county that created the zone.

(b) The governing body of the municipality or county may enlarge an existing reinvestment zone to include an area described in a petition requesting that the area be included in the zone if the petition is submitted to the governing body of the municipality or county by the owners of property constituting at least 50 percent of the appraised value of the property in the area according to the most recent certified appraisal roll for the county in which the area is located. The composition of the board of directors of the zone continues to be governed by Section 311.009(a) or (b), whichever applied to the zone immediately before the enlargement of the zone, except that the membership of the board must conform to the requirements of the applicable subsection of Section 311.009 as applied to the zone after its enlargement. The provision of Section 311.006(b) relating to the amount of property used for residential purposes that may be included in the zone does not apply to the enlargement of a zone under this subsection.

(c) The governing body of the municipality or county that designated a reinvestment zone by ordinance or resolution or by order or resolution, respectively, may extend the term of all or a portion of the zone after notice and hearing in the manner provided for the designation of the zone. A taxing unit other than the municipality or county that designated the zone is not required to participate in the zone or portion of the zone for the extended term unless the taxing unit enters into a written agreement to do so.

(3) enter into agreements, including agreements with bondholders, determined by the governing body of the municipality or county to be necessary or convenient to implement project plans and achieve their purposes, which agreements may include conditions, restrictions, or covenants that run with the land or that by other means regulate or restrict the use of land; and

(4) consistent with the project plan for the zone:

(A) acquire blighted, deteriorated, deteriorating, undeveloped, or inappropriately developed real property or other property in a blighted area or in a federally assisted new community in the zone for the preservation or restoration of historic sites, beautification or conservation, the provision of public works or public facilities, or other public purposes;

(d) A municipality or county may make available to the public on request financial information regarding the acquisition by the municipality or county of land in the zone when the municipality or county acquires the land.

(e) The implementation of a project plan to alleviate a condition described by Section 311.005(a)(1), (2), or (3) and to promote development or redevelopment of a reinvestment zone in accordance with this chapter serves a public purpose.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1987, 70th Leg., 2nd C.S., ch. 44 (H.B. 126), § 2, effective October 20, 1987; am. **Sec. 311.0085. Power of Certain Municipalities.**

(a) This section applies only to a municipality with a population of less than 130,000 as shown by the 2000 federal decennial census that has territory in three counties.

(b) In this section, “educational facility” has the meaning assigned by Section 311.008.

(c) In addition to exercising the powers described by Section 311.008, a municipality may enter into a new agreement, or amend an existing agreement, with a school district that is located in whole or in part in a reinvestment zone created by the municipality to dedicate revenue from the tax increment fund to the school district for acquiring, constructing, or reconstructing an educational facility located in or outside of the zone.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1133 (H.B. 2682), § 1, effective September 1, 2001; am. Acts 2009, 81st Leg., ch. 38 (H.B. 752), § 1, effective May 19, 2009.

**Sec. 311.0087. Restriction on Powers of Certain Municipalities.**

(a) This section applies only to a proposed reinvestment zone:

(1) the designation of which is requested in a petition submitted under Section 311.005(a)(4) before July 31, 2004, to the governing body of a home-rule municipality that:

(A) has a population of more than 1.1 million;

(B) is located primarily in a county with a population of 1.5 million or less; and

(C) has created at least 20 reinvestment zones under this chapter; and

(2) that is the subject of a resolution of intent that was adopted before October 31, 2004, by the governing body of the municipality.

(b) If the municipality imposes a fee of more than \$25,000 for processing the petition, the municipality may not require a property owner who submitted the petition, as a condition of designating the reinvestment zone or approving a development agreement, interlocal agreement, or project plan for the proposed reinvestment zone:

(1) to waive any rights of the owner under Chapter 245, Local Government Code, or under any agreed order or settlement agreement to which the municipality is a party;

(2) to dedicate more than 20 percent of the owner’s land in the area described in the petition as open-space land; or

(3) to use a nonconventional use pattern for a development to be located within the proposed reinvestment zone.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 1347 (S.B. 771), § 3, effective June 18, 2005; am. Acts 2007, 80th Leg., ch. 921 (H.B. 3167), § 14.005, effective September 1, 2007.

**Sec. 311.009. Composition of Board of Directors.**

(a) Except as provided by Subsection (b), the board of directors of a reinvestment zone consists of at least five and not more than 15 members, unless more than 15 members are required to satisfy the requirements of this subsection. Each taxing unit other than the municipality or county that designated the zone that levies taxes on real property in the zone may appoint one member of the board if the taxing unit has approved the payment of all or part of the tax increment produced by the unit into the tax increment fund for the zone. A unit may waive its right to appoint a director. The governing body of the municipality or county that designated the zone may appoint not more than 10 directors to the board; except that if there are fewer than five directors appointed by taxing units other than the municipality or county, the governing body of the municipality or county may appoint more than 10 members as long as the total membership of the board does not exceed 15.

(b) If the zone was designated under Section 311.005(a)(4), the governing body of the municipality or county that designated the zone may provide that the board of directors of the zone consists of nine members appointed as provided by this subsection, unless more than nine members are required to comply with this subsection. Each taxing unit, other than the municipality or county that designated the zone, that levies taxes on real property in the zone may appoint one member of the board if the taxing unit has approved the payment of all or part of the tax increment produced by the unit into the tax increment fund for the zone. The member of the state senate in whose district the zone is located is a member of the board, and the member of the state house of representatives in whose district the zone is located is a member of the board, except that either may designate another individual to serve in the member’s place at the pleasure of the member. If the zone is located in more than one senate or house district, this subsection applies only to the senator or representative in whose district a larger portion of the zone is located than any other senate or house district, as applicable. If fewer than seven taxing units, other than the municipality or county that designated the zone, are eligible to appoint members of the board of directors of the zone, the municipality or county may appoint a number of members of the board such that the board comprises nine members. If at least seven taxing units, other than the municipality or county that designated the zone, are eligible to appoint members of the board of directors of the zone, the municipality or county may appoint one member.

(c) Members of the board are appointed for terms of two years unless longer terms are provided under Article XI, Section 11, of the Texas Constitution. Terms of members may be staggered.

(d) A vacancy on the board is filled for the unexpired term by appointment of the governing body of the taxing unit that appointed the director who served in the vacant position.

(e) To be eligible for appointment to the board by the governing body of the municipality or county that designated the zone, an individual must be at least 18 years of age and:

(1) if the board is covered by Subsection (a):

(A) be a resident of the county in which the zone is located or a county adjacent to that county; or

(B) own real property in the zone, whether or not the individual resides in the county in which the zone is located or a county adjacent to that county; or

(2) if the board is covered by Subsection (b), own real property in the zone or be an employee or agent of a person that owns real property in the zone.

(f) Each year the governing body of the municipality or county that created the zone shall appoint one member of the board to serve as chairman for a term of one year that begins on January 1 of the following year. The board of directors may elect a vice-chairman to preside in the absence of the chairman or when there is a vacancy in the office of chairman. The board may elect other officers as it considers appropriate.

(g) A member of the board of directors of a reinvestment zone:

(1) is not a public official by virtue of that position; and

(2) unless otherwise ineligible, may be appointed to serve concurrently on the board of directors of a local government corporation created under Subchapter D, Chapter 431, Transportation Code.

### Sec. 311.0091. Composition of Board of Directors of Certain Reinvestment Zones.

(a) This section applies to a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 1.8 million in which the principal municipality has a population of 1.1 million or more.

(b) Except as provided by Subsection (c), the board of directors of a reinvestment zone consists of at least five and not more than 15 members, unless more than 15 members are required to satisfy the requirements of this subsection. Each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. In determining the number of members a taxing unit may appoint to the board, the taxing unit's percentage of anticipated pro rata contributions to the tax increment fund is multiplied by the number of members of the board, and a number containing a fraction that is one-half or greater shall be rounded up to the next whole number. Notwithstanding any other provision of this subsection, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint at least one member of the board, and the municipality that designated the zone is entitled to appoint at least as many members of the board as any other participating taxing unit. A taxing unit may waive its right to appoint a director.

(c) If the zone was designated under Section 311.005(a)(4), the board of directors of the zone consists of nine members, unless a greater number of members is necessary to comply with this subsection. Each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. In determining the number of members a taxing unit may appoint to the board, the taxing unit's percentage of anticipated pro rata contributions to the tax increment fund is multiplied by nine, and a number containing a fraction that is one-half or greater shall be rounded up to the next whole number. Notwithstanding any other provision of this subsection, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint at least one member of the board, and the municipality that designated the zone is entitled to appoint at least as many members of the board as any other participating taxing unit. A taxing unit may waive its right to appoint a director. The member of the state senate in whose district the zone is located is a member of the board, and the member of the state house of representatives in whose district the zone is located is a member of the board, except that either may designate another individual to serve in the member's place at the pleasure of the member. If the zone is located in more than one senate or house district, this subsection applies only to the senator or representative in whose district a larger portion of the zone is located than any other senate or house district, as applicable.

(d) Members of the board are appointed for terms of two years unless longer terms are provided under Section 11, Article XI, Texas Constitution. Terms of members may be staggered.

(e) A vacancy on the board is filled for the unexpired term by appointment of the governing body of the taxing unit that appointed the director who served in the vacant position.

(f) Except as provided by Subsection (i), to be eligible for appointment to the board, an individual must:

- (1) be a qualified voter of the municipality; or
- (2) be at least 18 years of age and own real property in the zone or be an employee or agent of a person that owns real property in the zone.
- (g) Each year the board of directors of a reinvestment zone shall elect one of its members to serve as presiding officer for a term of one year. The board of directors may elect an assistant presiding officer to preside in the absence of the presiding officer or when there is a vacancy in the office of presiding officer. The board may elect other officers as it considers appropriate.
- (h) A member of the board of directors of a reinvestment zone:
  - (1) is not a public official by virtue of that position; and
  - (2) unless otherwise ineligible, may be appointed to serve concurrently on the board of directors of a local government corporation created under Subchapter D, Chapter 431, Transportation Code.
- (i) The eligibility criteria for appointment to the board specified by Subsection (f) do not apply to an individual appointed by a conservation and reclamation district:
  - (1) created under Section 59, Article XVI, Texas Constitution; and
  - (2) the jurisdiction of which covers four counties.

Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 9, effective June 17, 2011; am. Acts 2011, 82nd Leg., ch. 1163 (H.B. 2702), § 116, effective September 1, 2011.

#### **Sec. 311.0092. Notice to State Senator and State Representative; Waiver of Service on Board.**

- (a) Not later than the 90th day after the date a member of the state senate or state house of representatives who is an ex officio member of the board of directors of a reinvestment zone under Section 311.009(b) or 311.0091(c), as applicable, is elected to the state senate or the state house of representatives, as applicable, at a general or special election, the board shall send to the member of the state senate or state house of representatives written notice by certified mail informing the state senator or state representative of the person's membership on the board.
- (b) Notwithstanding Section 311.009(b) or 311.0091(c), as applicable, a state senator or state representative may elect not to serve on the board or designate another individual to serve in the member's place. If the state senator or state representative elects not to serve on the board or designate another individual to serve in the member's place, the state senator or state representative shall notify the board in writing as soon as practicable after receipt of the notice under Subsection (a) by certified mail and may not be counted as a member of the board for voting or quorum purposes.

**HISTORY:** Acts 2017, 85th Leg., ch. 600 (S.B. 1465), § 1, effective September 1, 2017.

#### **Sec. 311.010. Powers and Duties of Board of Directors.**

- (a) The board of directors of a reinvestment zone shall make recommendations to the governing body of the municipality or county that created the zone concerning the administration of this chapter in the zone. The governing body of the municipality by ordinance or resolution or the county by order or resolution may authorize the board to exercise any of the municipality's or county's powers with respect to the administration, management, or operation of the zone or the implementation of the project plan for the zone, except that the governing body may not authorize the board to:
  - (1) issue bonds;
  - (2) impose taxes or fees;
  - (3) exercise the power of eminent domain; or
  - (4) give final approval to the project plan.
- (b) The board of directors of a reinvestment zone and the governing body of the municipality or county that creates a reinvestment zone may each enter into agreements as the board or the governing body considers necessary or convenient to implement the project plan and reinvestment zone financing plan and achieve their purposes. An agreement may provide for the regulation or restriction of the use of land by imposing conditions, restrictions, or covenants that run with the land. An agreement may during the term of the agreement dedicate, pledge, or otherwise provide for the use of revenue in the tax increment fund to pay any project costs that benefit the reinvestment zone, including project costs relating to the cost of buildings, schools, or other educational facilities owned by or on behalf of a school district, community college district, or other political subdivision of this state, railroad or transit facilities, affordable housing, the remediation of conditions that contaminate public or private land or buildings, the preservation of the facade of a private or public building, the demolition of public or private buildings, or the construction of a road, sidewalk, or other public infrastructure in or out of the zone, including the cost of acquiring the real property necessary for the construction of the road, sidewalk, or other public infrastructure. An agreement may dedicate revenue from the tax increment fund to pay the costs of providing affordable housing or areas of public assembly in or out of the zone.
- (c) Subject to the approval of the governing body of the municipality that created the zone, the board of a zone designated by the governing body of a municipality under Section 311.005(a)(4) may exercise the power granted by Chapter 211, Local Government Code, to the governing body of the municipality that created the zone to restrict the use or uses of property in the zone. The board may provide that a restriction adopted by the board continues in effect after

the termination of the zone. In that event, after termination of the zone the restriction is treated as if it had been adopted by the governing body of the municipality.

(d) The board of directors of a reinvestment zone may exercise any power granted to a municipality or county by Section 311.008, except that:

(1) the municipality or county that created the reinvestment zone by ordinance, resolution, or order may restrict any power granted to the board by this chapter; and

(2) the board may exercise a power granted to a municipality or county under Section 311.008(b)(2) only with the consent of the governing body of the municipality or county.

(e) After the governing body of a municipality by ordinance or the governing body of a county by order creates a reinvestment zone under this chapter, the board of directors of the zone may exercise any power granted to a board under this chapter.

(f) The board of directors of a reinvestment zone and the governing body of the municipality or county that created the zone may enter into a contract with a local government corporation or a political subdivision to manage the reinvestment zone or implement the project plan and reinvestment zone financing plan for the term of the agreement. In this subsection, "local government corporation" means a local government corporation created by the municipality or county under Chapter 431, Transportation Code.

(g) Chapter 252, Local Government Code, does not apply to a dedication, pledge, or other use of revenue in the tax increment fund for a reinvestment zone under Subsection (b).

(h) Subject to the approval of the governing body of the municipality or county that designated the zone, the board of directors of a reinvestment zone, as necessary or convenient to implement the project plan and reinvestment zone financing plan and achieve their purposes, may establish and provide for the administration of one or more programs for the public purposes of developing and diversifying the economy of the zone, eliminating unemployment and underemployment in the zone, and developing or expanding transportation, business, and commercial activity in the zone, including programs to make grants and loans from the tax increment fund of the zone in an aggregate amount not to exceed the amount of the tax increment produced by the municipality and paid into the tax increment fund for the zone for activities that benefit the zone and stimulate business and commercial activity in the zone. For purposes of this subsection, on approval of the municipality or county, the board of directors of the zone has all the powers of a municipality under Chapter 380, Local Government Code. The approval required by this subsection may be granted in an ordinance, in the case of a zone designated by a municipality, or in an order, in the case of a zone designated by a county, approving a project plan or reinvestment zone financing plan or approving an amendment to a project plan or reinvestment zone financing plan.

(i) The board of directors of a reinvestment zone or a local government corporation administering a reinvestment zone may contract with the municipality that created the zone to allocate from the tax increment fund for the zone an amount equal to the tax increment produced by the municipality and paid into the tax increment fund for the zone to pay the incremental costs of providing municipal services incurred as a result of the creation of the zone or the development or redevelopment of the land in the zone, regardless of whether the costs of those services are identified in the project plan or reinvestment zone financing plan for the zone.

### **Sec. 311.01005. Costs Associated with Transportation or Transit Projects.**

(a) In this section:

(1) "Bus rapid transit project" means a mass transportation facility designed to give preferential treatment to buses on a roadway in order to reduce bus travel time, improve service reliability, increase the convenience of users, and increase bus ridership, including:

- (A) a fixed guideway, high occupancy vehicle lane, bus way, or bus lane;
- (B) a transit center or station;
- (C) a maintenance facility; and
- (D) other real property associated with a bus rapid transit operation.

(2) "Rail transportation project" means a passenger rail facility, including:

- (A) tracks;
- (B) a rail line;
- (C) a depot;
- (D) a maintenance facility; and
- (E) other real property associated with a passenger rail operation.

(b) This section does not affect the power of the board of directors of a reinvestment zone or the governing body of the municipality that creates a reinvestment zone to enter into an agreement under Section 311.010(b) to dedicate, pledge,

or otherwise provide for the use of revenue in the tax increment fund to pay the costs of acquiring, constructing, operating, or maintaining property located in the zone or to acquire or reimburse acquisition costs of real property outside the zone for right-of-way or easements necessary to construct public rights-of-way or infrastructure that benefits the zone.

(c) An agreement under Section 311.010(b) may dedicate, pledge, or otherwise provide for the use of revenue in the tax increment fund to pay the costs of acquiring land, or the development rights or a conservation easement in land, located outside the reinvestment zone, if:

(1) the zone is or will be served by a rail transportation project or bus rapid transit project;

(2) the land or the development rights or conservation easement in the land is acquired for the purpose of preserving the land in its natural or undeveloped condition; and

(3) the land is located in the county in which the zone is located.

(d) The board of directors of a reinvestment zone, if all of the members of the board are appointed by the municipality that creates the zone, or the governing body of the municipality that creates a reinvestment zone may enter into an agreement described by Subsection (c) only if:

(1) the board or the governing body determines that the acquisition of the land, or the development rights or conservation easement in the land, located outside the zone benefits or will benefit the zone by facilitating the preservation of regional open space in order to balance the regional effects of urban development promoted by the rail transportation project or bus rapid transit project; and

(2) the municipality that creates the reinvestment zone and the county in which the zone is located pay the same portion of their tax increment into the tax increment fund for the zone.

(e) Property acquired under Subsection (c) may not be acquired through condemnation.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 1134 (H.B. 2653), § 1, effective June 18, 2005.

#### **Sec. 311.0101. Participation of Disadvantaged Businesses in Certain Zones.**

(a) It is the goal of the legislature, subject to the constitutional requirements spelled out by the United States Supreme Court in *J. A. Croson Company v. City of Richmond* (822 F.2d 1355) and as hereafter further elaborated by federal and state courts, that all disadvantaged businesses in the zone designated under Section 311.005(a)(4) be given full and complete access to the procurement process whereby supplies, materials, services, and equipment are acquired by the board. It is also the intent of the legislature that to the extent constitutionally permissible, a preference be given to disadvantaged businesses. The board and general contractor shall give preference, among bids or other proposals that are otherwise comparable, to a bid or other proposal by a disadvantaged business having its home office located in this state.

(b) It is the intent of the legislature that the zone shall:

(1) implement a program or programs targeted to disadvantaged businesses in order to inform them fully about the zone procurement process and the requirements for their participation in that process;

(2) implement such steps as are necessary to ensure that all disadvantaged businesses are made fully aware of opportunities in the zone, including but not limited to specific opportunities to submit bids and proposals. Steps that may be appropriate in certain circumstances include mailing requests for proposals or notices inviting bids to all disadvantaged businesses in the county;

(3) require prime contractors, as part of their responses to requests for proposals or bids, to make a specific showing of how they intend to maximize participation by disadvantaged businesses as subcontractors. The zone shall be required to evaluate such actions by prime contractors as a factor in the award of contracts within the zone procurement process;

(4) identify disadvantaged businesses in the county that provide or have the potential to provide supplies, materials, services, and equipment to the zone; and

(5) identify barriers to participation by disadvantaged businesses in the zone procurement process, such as bonding, insurance, and working capital requirements that may be imposed on businesses.

(c) It is the intent of the legislature that the zone shall be required to develop a program pursuant to this Act for the purchase of supplies, materials, services, and equipment and that the board of the zone compile a report on an annual basis listing the total number and dollar amount of contracts awarded to disadvantaged businesses during the previous year as well as the total number and dollar amount of all contracts awarded. Such annual report shall be available for inspection by the general public during regular business hours.

(d) The board by rule shall adopt goals for the participation of minority business enterprises and women-owned business enterprises in the awarding of state contracts for professional services. To implement the participation goals, the board shall encourage each issuer to award to minority business enterprises and women-owned business enterprises not less than 15 percent of the total value of all professional services contract awards that the issuer expects to make in its fiscal year.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 23, effective September 1, 1989; am. Acts 2007, 80th Leg., ch. 921 (H.B. 3167), § 14.009, effective September 1, 2007.

#### **Sec. 311.011. Project and Financing Plans.**

(a) The board of directors of a reinvestment zone shall prepare and adopt a project plan and a reinvestment zone

financing plan for the zone and submit the plans to the governing body of the municipality or county that designated the zone.

(b) The project plan must include:

- (1) a description and map showing existing uses and conditions of real property in the zone and proposed uses of that property;
- (2) proposed changes of zoning ordinances, the master plan of the municipality, building codes, other municipal ordinances, and subdivision rules and regulations, if any, of the county, if applicable;
- (3) a list of estimated nonproject costs; and
- (4) a statement of a method of relocating persons to be displaced, if any, as a result of implementing the plan.

(c) The reinvestment zone financing plan must include:

- (1) a detailed list describing the estimated project costs of the zone, including administrative expenses;
- (2) a statement listing the proposed kind, number, and location of all public works or public improvements to be financed by the zone;
- (3) a finding that the plan is economically feasible and an economic feasibility study;
- (4) the estimated amount of bonded indebtedness to be incurred;
- (5) the estimated time when related costs or monetary obligations are to be incurred;
- (6) a description of the methods of financing all estimated project costs and the expected sources of revenue to finance or pay project costs, including the percentage of tax increment to be derived from the property taxes of each taxing unit anticipated to contribute tax increment to the zone that levies taxes on real property in the zone;
- (7) the current total appraised value of taxable real property in the zone;
- (8) the estimated captured appraised value of the zone during each year of its existence; and
- (9) the duration of the zone.

(d) The governing body of the municipality or county that designated the zone must approve a project plan or reinvestment zone financing plan after its adoption by the board. The approval must be by ordinance, in the case of a municipality, or by order, in the case of a county, that finds that the plan is feasible.

(e) The board of directors of the zone at any time may adopt an amendment to the project plan consistent with the requirements and limitations of this chapter. The amendment takes effect on approval by the governing body of the municipality or county that created the zone. That approval must be by ordinance, in the case of a municipality, or by order, in the case of a county. If an amendment reduces or increases the geographic area of the zone, increases the amount of bonded indebtedness to be incurred, increases or decreases the percentage of a tax increment to be contributed by a taxing unit, increases the total estimated project costs, or designates additional property in the zone to be acquired by the municipality or county, the approval must be by ordinance or order, as applicable, adopted after a public hearing that satisfies the procedural requirements of Sections 311.003(c) and (d).

(f) In a zone designated under Section 311.005(a)(4) that is located in a county with a population of 3.3 million or more, the project plan must provide that at least one-third of the tax increment of the zone be used to provide affordable housing during the term of the zone.

(g) A school district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the school district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the governing body of the school district by official action approves the amendment.

(h) Unless specifically provided otherwise in the plan, all amounts contained in the project plan or reinvestment zone financing plan, including amounts of expenditures relating to project costs and amounts relating to participation by taxing units, are considered estimates and do not act as a limitation on the described items, but the amounts contained in the project plan or reinvestment zone financing plan may not vary materially from the estimates. This subsection may not be construed to increase the amount of any reduction under Section 403.302(d)(4), Government Code, in the total taxable value of the property in a school district that participates in the zone as computed under Section 403.302(d) of that code.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 24, effective September 1, 1989; am. Acts 1999, 76th Leg., ch. 983 (H.B. 2684), § 4, effective June 18, 1999; am. Acts 2001, 77th Leg., ch. 669 (H.B. 2810), § 120, effective September 1, 2001; am. Acts 2005, 79th Leg., ch. 1094 (H.B. 2120), § 43, effective September 1, 2005; am. Acts 2007, 80th Leg., ch. 921 (H.B. 3167), § 14.010, effective September 1, 2007; am. Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 11, effective June 17, 2011.

### **Sec. 311.012. Determination of Amount of Tax Increment.**

(a) The amount of a taxing unit's tax increment for a year is the amount of property taxes levied and assessed by the unit for that year on the captured appraised value of real property taxable by the unit and located in a reinvestment zone or the amount of property taxes levied and collected by the unit for that year on the captured appraised value of real property taxable by the unit and located in a reinvestment zone. The governing body of a taxing unit shall determine which of the methods specified by this subsection is used to calculate the amount of the unit's tax increment.

(b) The captured appraised value of real property taxable by a taxing unit for a year is the total taxable value of all real property taxable by the unit and located in a reinvestment zone for that year less the tax increment base of the unit.

(c) The tax increment base of a taxing unit is the total taxable value of all real property taxable by the unit and located in a reinvestment zone for the year in which the zone was designated under this chapter. If the boundaries of

a zone are enlarged, the tax increment base is increased by the taxable value of the real property added to the zone for the year in which the property was added. If the boundaries of a zone are reduced, the tax increment base is reduced by the taxable value of the real property removed from the zone for the year in which the property was originally included in the zone's boundaries. If the municipality that designates a zone does not levy an ad valorem tax in the year in which the zone is designated, the tax increment base is determined by the appraisal district in which the zone is located using assumptions regarding exemptions and other relevant information provided to the appraisal district by the municipality.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1999, 76th Leg., ch. 983 (H.B. 2684), § 5, effective June 18, 1999; am. Acts 2009, 81st Leg., ch. 910 (H.B. 1770), § 3, effective June 19, 2009; am. Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 12, effective June 17, 2011.

### Sec. 311.0123. Sales Tax Increment.

(a) In this section, "sales tax base" for a reinvestment zone means the amount of municipal sales and use taxes attributable to the zone for the year in which the zone was designated under this chapter.

(b) The governing body of a municipality may determine, in an ordinance designating an area as a reinvestment zone or in an ordinance adopted subsequent to the designation of a zone, the portion or amount of tax increment generated from municipal sales and use taxes attributable to the zone, above the sales tax base, to be deposited into the tax increment fund. Nothing in this section requires a municipality to contribute sales tax increment into a tax increment fund.

(c) Before the issuance of a bond, note, or other obligation under this chapter that pledges the payments into the tax increment fund under Subsection (b), the governing body of a municipality may enter into an agreement, under Subchapter E, Chapter 271, Local Government Code, to authorize and direct the comptroller to:

- (1) withhold from any payment to which the municipality may be entitled the amount of the payment into the tax increment fund under Subsection (b);
- (2) deposit that amount into the tax increment fund; and
- (3) continue withholding and making additional payments into the tax increment fund until an amount sufficient to satisfy the amount due has been met.

(d) A local government corporation created under Chapter 431, Transportation Code, that has contracted with a reinvestment zone and a municipality under Section 311.010(f) may be a party to an agreement under Subsection (c) and the agreement may provide for payments to be made to a paying agent of the local government corporation.

(e) The sales and use taxes to be deposited into the tax increment fund under this section may be disbursed from the fund only to:

- (1) satisfy claims of holders of tax increment bonds, notes, or other obligations issued or incurred for the reinvestment zone;
- (2) pay project costs for the zone; and
- (3) make payments in accordance with an agreement made under Section 311.010(b) dedicating revenue from the tax increment fund.

**HISTORY:** Enacted by Acts 2005, 79th Leg., ch. 114 (S.B. 1199), § 1, effective May 20, 2005; am. Acts 2007, 80th Leg., ch. 189 (S.B. 1264), § 1, effective May 23, 2007.

### Sec. 311.0125. Tax Abatement Agreements.

(a) Notwithstanding any provision in this chapter to the contrary, a taxing unit other than a school district may enter into a tax abatement agreement with an owner of real or personal property in a reinvestment zone, regardless of whether the taxing unit deposits or agrees to deposit any portion of its tax increment into the tax increment fund.

(b) To be effective, an agreement to abate taxes on real property in a reinvestment zone must be approved by:

- (1) the board of directors of the reinvestment zone; and
- (2) the governing body of each taxing unit that imposes taxes on real property in the reinvestment zone and deposits or agrees to deposit any of its tax increment into the tax increment fund for the zone.

(c) In any contract entered into by the board of directors of a reinvestment zone in connection with bonds or other obligations, the board may covenant that the board will not approve a tax abatement agreement that applies to real property in that zone.

(d) If a taxing unit enters into a tax abatement agreement authorized by this section, taxes that are abated under that agreement are not considered taxes to be imposed or produced by that taxing unit in calculating the amount of:

- (1) the tax increment of that taxing unit; or
- (2) that taxing unit's deposit to the tax increment fund for the reinvestment zone.

(e) The Texas Department of Economic Development or its successor may recommend that a taxing unit enter into a tax abatement agreement with a person under this chapter. In determining whether to approve an agreement to abate taxes on real property in a reinvestment zone under Subsection (b), the board of directors of the reinvestment zone and the governing body of a taxing unit shall consider any recommendation made by the Texas Department of Economic Development or its successor.

**HISTORY:** Enacted by Acts 1999, 76th Leg., ch. 983 (H.B. 2684), § 6, effective June 18, 1999; am. Acts 2003, 78th Leg., ch. 978 (S.B. 1771), § 4, effective September 1, 2003.

**Sec. 311.013. Collection and Deposit of Tax Increments.**

(a) Each taxing unit that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the unit.

(b) Each taxing unit shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the unit, less the sum of:

(1) property taxes produced from the tax increments that are, by contract executed before the designation of the area as a reinvestment zone, required to be paid by the unit to another political subdivision; and

(2) for a taxing unit other than the municipality that created the zone, a portion, not to exceed 15 percent, of the tax increment produced by the unit as provided by the reinvestment zone financing plan or a larger portion as provided by Subsection (f).

(c) Notwithstanding any termination of the reinvestment zone under Section 311.017(a) and unless otherwise specified by an agreement between the taxing unit and the municipality or county that created the zone, a taxing unit shall make a payment required by Subsection (b) not later than the 90th day after the later of:

(1) the delinquency date for the unit's property taxes; or

(2) the date the municipality or county that created the zone submits to the taxing unit an invoice specifying the tax increment produced by the taxing unit and the amount the taxing unit is required to pay into the tax increment fund for the zone.

(c-1) A delinquent payment incurs a penalty of five percent of the amount delinquent and accrues interest at an annual rate of 10 percent.

(d), (e) [Repealed by Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 21, effective June 17, 2011.]

(f) A taxing unit is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Section 311.005(a) or in an area added to a reinvestment zone under Section 311.007 unless the taxing unit enters into an agreement to do so with the governing body of the municipality or county that designated the zone. A taxing unit may enter into an agreement under this subsection at any time before or after the zone is designated or enlarged. The agreement may include conditions for payment of that tax increment into the fund and must specify the portion of the tax increment to be paid into the fund and the years for which that tax increment is to be paid into the fund. In addition to any other terms to which the parties may agree, the agreement may specify the projects to which a participating taxing unit's tax increment will be dedicated and that the taxing unit's participation may be computed with respect to a base year later than the original base year of the zone. The agreement and the conditions in the agreement are binding on the taxing unit, the municipality or county, and the board of directors of the zone.

(f-1) This subsection does not apply to a hospital district to which Section 281.095, Health and Safety Code, applies. Notwithstanding Subsection (f), the commissioners court of a county that enters into an agreement with the governing body of a municipality under Subsection (f) may enter into an agreement with the governing body of the municipality under that subsection on behalf of a taxing unit other than the county if by statute the ad valorem tax rate of the other taxing unit is approved by the commissioners court or the commissioners court is expressly required by statute to levy the ad valorem taxes of the other taxing unit. The agreement entered into on behalf of the other taxing unit is not required to contain the same conditions as the agreement entered into on behalf of the county. This subsection does not authorize the commissioners court of a county to enter into an agreement on behalf of another taxing unit solely because the county tax assessor-collector is required by law to assess or collect the taxing unit's ad valorem taxes.

(f-2) This subsection does not apply to a hospital district to which Section 281.095, Health and Safety Code, applies. Notwithstanding Subsection (f), the commissioners court of a county that creates a zone may provide by order for the payment into the tax increment fund for the zone of a portion of the tax increment produced by a taxing unit other than the county if by statute the ad valorem tax rate of the other taxing unit is approved by the commissioners court or the commissioners court is expressly required by statute to levy the ad valorem taxes of the other taxing unit. The order may include conditions for payment of that tax increment into the fund that are different from the conditions applicable to the county's obligation to pay into the fund the tax increment produced by the county. This subsection does not authorize the commissioners court of a county to provide for the payment into the fund of a portion of the tax increment produced by another taxing unit solely because the county tax assessor-collector is required by law to assess or collect the taxing unit's ad valorem taxes.

(g) Subject to the provisions of Section 311.0125, in lieu of permitting a portion of its tax increment to be paid into the tax increment fund, and notwithstanding the provisions of Section 312.203, a taxing unit, including a municipality, may elect to offer the owners of taxable real property in a reinvestment zone created under this chapter an exemption from taxation of all or part of the value of the property. To be effective, an agreement to exempt real property from ad valorem taxes under this subsection must be approved by:

(1) the board of directors of the reinvestment zone; and

(2) the governing body of each taxing unit that imposes taxes on real property in the reinvestment zone and deposits or agrees to deposit any of its tax increment into the tax increment fund for the zone.

(h) [Repealed by Acts 2003, 78th Leg., ch. 8 (S.B. 353), § 1, effective April 24, 2003.]

(i) Notwithstanding Subsection (c) and Section 311.012(a), a taxing unit is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected.

(j) Section 26.05(f) does not prohibit a taxing unit from depositing all of the tax increment produced by the taxing unit in a reinvestment zone into the tax increment fund for that zone.

(k) A school district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Section 311.007(a) or (b) unless the governing body of the school district enters into an agreement to do so with the governing body of the municipality or county that created the zone. The governing body of a school district may enter into an agreement under this subsection at any time before or after the zone is created or enlarged. The agreement may include conditions for payment of that tax increment into the fund and must specify the portion of the tax increment to be paid into the fund and the years for which that tax increment is to be paid into the fund. The agreement and the conditions in the agreement are binding on the school district, the municipality or county, and the board of directors of the zone.

(l) The governing body of a municipality or county that designates an area as a reinvestment zone may determine, in the designating ordinance or order adopted under Section 311.003 or in the ordinance or order adopted under Section 311.011 approving the reinvestment zone financing plan for the zone, the portion of the tax increment produced by the municipality or county that the municipality or county is required to pay into the tax increment fund for the zone. If a municipality or county does not determine the portion of the tax increment produced by the municipality or county that the municipality or county is required to pay into the tax increment fund for a reinvestment zone, the municipality or county is required to pay into the fund for the zone the entire tax increment produced by the municipality or county, except as provided by Subsection (b)(1).

(m) The governing body of a municipality that is located in a county with a population of more than 1.8 million but less than 1.9 million or in a county with a population of 3.3 million or more by ordinance may reduce the portion of the tax increment produced by the municipality that the municipality is required to pay into the tax increment fund for the zone. The municipality may not reduce under this subsection the portion of the tax increment produced by the municipality that the municipality is required to pay into the tax increment fund for the zone unless the municipality provides each county that has entered into an agreement with the municipality to pay all or a portion of the county's tax increment into the fund an opportunity to enter into an agreement with the municipality to reduce the portion of the tax increment produced by the county that the county is required to pay into the tax increment fund for the zone by the same proportion that the portion of the municipality's tax increment that the municipality is required to pay into the fund is reduced. The portion of the tax increment produced by a municipality that the municipality is required to pay into the tax increment fund for a reinvestment zone, as reduced by the ordinance adopted under this subsection, together with all other revenues required to be paid into the fund, must be sufficient to complete and pay for the estimated costs of projects listed in the reinvestment zone financing plan and pay any tax increment bonds or notes issued for the zone, and any other obligations of the zone.

(n) This subsection applies only to a school district whose taxable value computed under Section 403.302(d), Government Code, is reduced in accordance with Subdivision (4) of that subsection. In addition to the amount otherwise required to be paid into the tax increment fund, the district shall pay into the fund an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the school district receives in state aid for the current tax year under Section 48.253, Education Code. The school district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Section 48.253, Education Code.

### **Sec. 311.014. Tax Increment Fund.**

(a) In addition to the deposits required by Section 311.013, all revenues from the sale of tax increment bonds or notes, revenues from the sale of any property acquired as part of the tax increment financing plan, and other revenues to be used in the reinvestment zone shall be deposited in the tax increment fund for the zone.

(b) Money may be disbursed from the fund only to satisfy claims of holders of tax increment bonds or notes issued for the zone, to pay project costs for the zone, to make payments pursuant to an agreement made under Section 311.010(b) dedicating revenue from the tax increment fund, or to repay other obligations incurred for the zone.

(c) Subject to an agreement with the holders of tax increment bonds or notes, money in a tax increment fund may be temporarily invested in the same manner as other funds of the municipality or county that created the zone.

(d) After all project costs, all tax increment bonds or notes issued for a reinvestment zone, and any other obligations incurred for the zone have been paid, and subject to any agreement with bondholders, any money remaining in the tax increment fund shall be paid to the municipality or county that created the zone and other taxing units levying taxes on property in the zone in proportion to the municipality's or county's and each other unit's respective share of the total amount of tax increments derived from taxable real property in the zone that were deposited in the fund during the fund's existence.

(e) A taxing unit that levies taxes on real property in a reinvestment zone may make a loan to the board of directors of the zone for deposit in the tax increment fund for the zone if the governing body of the taxing unit determines that the loan is beneficial to, and serves a public purpose of, the taxing unit. The loan is payable on the terms agreed to by the taxing unit, or an instrumentality of the taxing unit if applicable, and the board of directors of the zone. A loan under this subsection:

- (1) is not considered to be a tax increment bond or note under Section 311.015; and
- (2) is considered to be:
  - (A) an authorized investment under Chapter 2256, Government Code; and
  - (B) an obligation incurred for the zone.

(f) Money in the tax increment fund for a reinvestment zone may be transferred to the tax increment fund for an adjacent zone if:

- (1) the taxing units that participate in the zone from which the money is to be transferred participate in the adjacent zone and vice versa;
- (2) each participating taxing unit has agreed to deposit the same portion of its tax increment in the fund for each zone;
- (3) each participating taxing unit has agreed to the transfer; and
- (4) the holders of any tax increment bonds or notes issued for the zone from which the money is to be transferred have agreed to the transfer.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 26, effective September 1, 1989; am. Acts 2005, 79th Leg., ch. 1094 (H.B. 2120), § 45, effective September 1, 2005; am. Acts 2007, 80th Leg., ch. 189 (S.B. 1264), § 2, effective May 23, 2007; am. Acts 2013, 83rd Leg., ch. 1023 (H.B. 2636), § 1, effective September 1, 2013.

### **Sec. 311.015. Tax Increment Bonds and Notes.**

(a) A municipality designating a reinvestment zone may issue tax increment bonds or notes, the proceeds of which may be used to make payments pursuant to agreements made under Section 311.010(b), to pay project costs for the reinvestment zone on behalf of which the bonds or notes were issued, or to satisfy claims of holders of the bonds or notes. The municipality may issue refunding bonds or notes for the payment or retirement of tax increment bonds or notes previously issued by it.

(b) Tax increment bonds and notes are payable, as to both principal and interest, solely from the tax increment fund established for the reinvestment zone. The governing body of the municipality may pledge irrevocably all or part of the fund for payment of tax increment bonds or notes. The part of the fund pledged in payment may be used only for the payment of the bonds or notes or interest on the bonds or notes until the bonds or notes have been fully paid. A holder of the bonds or notes or of coupons issued on the bonds has a lien against the fund for payment of the bonds or notes and interest on the bonds or notes and may protect or enforce the lien at law or in equity.

(c) Tax increment bonds are issued by ordinance of the municipality without any additional approval other than that of the attorney general.

(d) Tax increment bonds or notes, together with the interest on and income from those bonds or notes, are exempt from all taxes.

(e) The issuing municipality may provide in the contract with the owners or holders of tax increment bonds that it will pay into the tax increment fund all or any part of the revenue produced or received from the operation or sale of a facility acquired, improved, or constructed pursuant to a project plan, to be used to pay principal and interest on the bonds. If the municipality agrees, the owners or holders of tax increment bonds may have a lien or mortgage on a facility acquired, improved, or constructed with the proceeds of the bonds.

(f) Tax increment bonds may be issued in one or more series. The ordinance approving a tax increment bond or note, or the trust indenture or mortgage issued in connection with the bond or note, shall provide:

- (1) the date that the bond or note bears;
- (2) that the bond or note is payable on demand or at a specified time;
- (3) the interest rate that the bond or note bears;
- (4) the denomination of the bond or note;
- (5) whether the bond or note is in coupon or registered form;
- (6) the conversion or registration privileges of the bond or note;
- (7) the rank or priority of the bond or note;
- (8) the manner of execution of the bond or note;

- (9) the medium of payment in which and the place or places at which the bond or note is payable;
- (10) the terms of redemption, with or without premium, to which the bond or note is subject;
- (11) the manner in which the bond or note is secured; and
- (12) any other characteristic of the bond or note.

(g) A bond or note issued under this chapter is fully negotiable. In a suit, action, or other proceeding involving the validity or enforceability of a bond or note issued under this chapter or the security of a bond or note issued under this chapter, if the bond or note recites in substance that it was issued by the municipality for a reinvestment zone, the bond or note is conclusively deemed to have been issued for that purpose, and the development or redevelopment of the zone is conclusively deemed to have been planned, located, and carried out as provided by this chapter.

(h) A bank, trust company, savings bank or institution, savings and loan association, investment company or other person carrying on a banking or investment business; an insurance company, insurance association, or other person carrying on an insurance business; or an executor, administrator, curator, trustee, or other fiduciary may invest any sinking funds, money, or other funds belonging to it or in its control in tax increment bonds or notes issued under this chapter. Tax increment bonds or notes are authorized security for all public deposits. A person, political subdivision, or public or private officer may use funds owned or controlled by the person, political subdivision, or officer to purchase tax increment bonds or notes. This chapter does not relieve any person of the duty to exercise reasonable care in selecting securities.

(i) A tax increment bond or note is not a general obligation of the municipality issuing the bond or note. A tax increment bond or note does not give rise to a charge against the general credit or taxing powers of the municipality and is not payable except as provided by this chapter. A tax increment bond or note issued under this chapter must state the restrictions of this subsection on its face.

(i-1) A municipality's obligation to deposit sales and use taxes into the tax increment fund is not a general obligation of the municipality. An obligation to make payments from sales and use taxes under Section 311.0123 does not give rise to a charge against the general credit or taxing powers of the municipality and is not payable except as provided by this chapter. A tax increment bond or note issued under this chapter that pledges payments made under Section 311.0123 must state the restrictions of this subsection on its face.

(j) A tax increment bond or note may not be included in any computation of the debt of the issuing municipality.

(k) A municipality may not issue tax increment bonds or notes in an amount that exceeds the total cost of implementing the project plan for the reinvestment zone for which the bonds or notes are issued.

(l) A tax increment bond or note must mature on or before the date by which the final payments of tax increment into the tax increment fund are due.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 2005, 79th Leg., ch. 114 (S.B. 1199), § 2, effective May 20, 2005; am. Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), § 14, effective June 17, 2011.

### Sec. 311.016. Annual Report by Municipality or County.

(a) On or before the 150th day following the end of the fiscal year of the municipality or county, the governing body of a municipality or county shall submit to the chief executive officer of each taxing unit that levies property taxes on real property in a reinvestment zone created by the municipality or county a report on the status of the zone. The report must include:

- (1) the amount and source of revenue in the tax increment fund established for the zone;
- (2) the amount and purpose of expenditures from the fund;
- (3) the amount of principal and interest due on outstanding bonded indebtedness;
- (4) the tax increment base and current captured appraised value retained by the zone; and
- (5) the captured appraised value shared by the municipality or county and other taxing units, the total amount of tax increments received, and any additional information necessary to demonstrate compliance with the tax increment financing plan adopted by the governing body of the municipality or county.

(b) The municipality or county shall send a copy of a report made under this section to the comptroller.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 2 (S.B. 221), § 14.06(a), effective August 28, 1989; am. Acts 2001, 77th Leg., ch. 471 (H.B. 612), §§ 1, 2, effective June 11, 2001; am. Acts 2005, 79th Leg., ch. 977 (H.B. 1820), § 2, effective June 18, 2005; am. Acts 2011, 82nd Leg., ch. 1032 (H.B. 2853), §§ 15, 16, effective June 17, 2011.

### Sec. 311.0163. Annual Report by Comptroller.

(a) Not later than December 31 of each even-numbered year, the comptroller shall submit a report to the legislature and to the governor on reinvestment zones designated under this chapter and on project plans and reinvestment zone financing plans adopted under this chapter.

(b) A report submitted under this section must include, for each reinvestment zone designated under this chapter, a summary of the information reported under Section 311.016.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 471 (H.B. 612), § 3, effective June 11, 2001.

**Sec. 311.017. Termination of Reinvestment Zone.**

(a) A reinvestment zone terminates on the earlier of:

(1) the termination date designated in the ordinance or order, as applicable, designating the zone or an earlier or later termination date designated by an ordinance or order adopted under Section 311.007(c); or

(2) the date on which all project costs, tax increment bonds and interest on those bonds, and other obligations have been paid in full.

(a-1) [2 Versions: As added by Acts 2009, 81st Leg., ch. 137] This subsection applies only to a reinvestment zone created by a municipality that has a population of more than 220,000 but less than 235,000 and is the county seat of a county that has a population of 280,000 or less. Notwithstanding Subsection (a)(1), a municipality by ordinance adopted subsequent to the ordinance adopted by the municipality creating a reinvestment zone may designate a termination date for the zone that is later than the termination date designated in the ordinance creating the zone but not later than the 20th anniversary of that date. If a municipality adopts an ordinance extending the termination date for a reinvestment zone as authorized by this subsection, the zone terminates on the earlier of:

(1) the termination date designated in the ordinance; or

(2) the date provided by Subsection (a)(2).

(a-1) [2 Versions: As added by Acts 2009, 81st Leg., ch. 910] Notwithstanding the designation of a later termination date under Subsection (a), a taxing unit that taxes real property located in the reinvestment zone, other than the municipality or county that created the zone, is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the governing body of the taxing unit enters into an agreement to do so with the governing body of the municipality or county that created the zone.

(b) The tax increment pledged to the payment of bonds and interest on the bonds and to the payment of any other obligations may be discharged and the reinvestment zone may be terminated if the municipality or county that created the zone deposits or causes to be deposited with a trustee or other escrow agent authorized by law funds in an amount that, together with the interest on the investment of the funds in direct obligations of the United States, will be sufficient to pay the principal of, premium, if any, and interest on all bonds issued on behalf of the reinvestment zone at maturity or at the date fixed for redemption of the bonds, and to pay any other amounts that may become due, including compensation due or to become due to the trustee or escrow agent, as well as to pay the principal of and interest on any other obligations incurred on behalf of the zone.

(a) The comptroller shall maintain a central registry of:

(1) reinvestment zones designated under this chapter;

(2) project plans and reinvestment zone financing plans adopted under this chapter; and

(3) annual reports submitted under Section 311.016.

(b) A municipality or county that designates a reinvestment zone or approves a project plan or reinvestment zone financing plan under this chapter shall deliver to the comptroller before April 1 of the year following the year in which the zone is designated or the plan is approved a report containing:

(1) a general description of each zone, including:

(A) the size of the zone;

(B) the types of property located in the zone;

*Subchapter A*

*General Provisions [Expires September 1, 2029]*

**Sec. 312.001. Short Title. [Expires September 1, 2029]**

This chapter may be cited as the Property Redevelopment and Tax Abatement Act.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987.

**Sec. 312.002. Eligibility of Taxing Unit to Participate in Tax Abatement. [Expires September 1, 2029]**

(a) A taxing unit may not enter into a tax abatement agreement under this chapter and the governing body of a municipality or county may not designate an area as a reinvestment zone unless the governing body has established guidelines and criteria governing tax abatement agreements by the taxing unit and a resolution stating that the taxing unit elects to become eligible to participate in tax abatement. The guidelines applicable to property other than property described by Section 312.211(a) must provide for the availability of tax abatement for both new facilities and structures and for the expansion or modernization of existing facilities and structures.

(b) The governing body of a taxing unit may not enter into a tax abatement agreement under this chapter unless it finds that the terms of the agreement and the property subject to the agreement meet the applicable guidelines and criteria adopted by the governing body under this section.

(c) The guidelines and criteria adopted under this section are effective for two years from the date adopted. During that period, the guidelines and criteria may be amended or repealed only by a vote of three-fourths of the members of the governing body.

(c-1) Before the governing body of a taxing unit may adopt, amend, repeal, or reauthorize guidelines and criteria, the body must hold a public hearing regarding the proposed adoption, amendment, repeal, or reauthorization at which members of the public are given the opportunity to be heard.

(c-2) A taxing unit that maintains an Internet website shall post the current version of the guidelines and criteria governing tax abatement agreements adopted under this section on the website.

(d) The adoption of the guidelines and criteria by the governing body of a taxing unit does not:

- (1) limit the discretion of the governing body to decide whether to enter into a specific tax abatement agreement;
- (2) limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or request for tax abatement; or
- (3) create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement.

(e) The guidelines and criteria adopted by the commissioners court of a county may include a requirement that an

application or request for tax abatement submitted to the county under this chapter must be accompanied by a reasonable application fee not to exceed \$1,000.

(f) On or after September 1, 2001, a school district may not enter into a tax abatement agreement under this chapter.

(g) "Taxing unit" has the meaning assigned by Section 1.04, except that for a tax abatement agreement executed on or after September 1, 2001, the term does not include a school district that is subject to Chapter 48, Education Code, and that is organized primarily to provide general elementary and secondary public education.

(2) "Wind-powered energy device" has the meaning assigned by Section 11.27.

(b) Notwithstanding any other provision of this chapter, an owner or lessee of a parcel of real property that is located wholly or partly in a reinvestment zone may not receive an exemption from taxation of any portion of the value of the parcel of real property or of tangible personal property located on the parcel of real property under a tax abatement agreement under this chapter that is entered into on or after September 1, 2017, if, on or after that date, a wind-powered energy device is installed or constructed on the same parcel of real property at a location that is within 25 nautical miles of the boundaries of a military aviation facility located in this state. The prohibition provided by this section applies regardless of whether the wind-powered energy device is installed or constructed at a location that is in the reinvestment zone.

(c) The prohibition provided by this section does not apply if the wind-powered energy device is installed or constructed as part of an expansion or repowering of an existing project.

**HISTORY:** Acts 2017, 85th Leg., ch. 444 (S.B. 277), § 2, effective September 1, 2017.

**Sec. 312.0025. Designation of Reinvestment Zone by School District. [Expires September 1, 2029]**

(a) Notwithstanding any other provision of this chapter to the contrary, the governing body of a school district, in the manner required for official action and for purposes of Subchapter B or C, Chapter 313, may designate an area entirely within the territory of the school district as a reinvestment zone if the governing body finds that, as a result of the designation and the granting of a limitation on appraised value under Subchapter B or C, Chapter 313, for property located in the reinvestment zone, the designation is reasonably likely to:

(1) contribute to the expansion of primary employment in the reinvestment zone; or

(2) attract major investment in the reinvestment zone that would:

(A) be a benefit to property in the reinvestment zone and to the school district; and

(B) contribute to the economic development of the region of this state in which the school district is located.

(b) The governing body of the school district may seek the recommendation of the commissioners court of each county and the governing body of each municipality that has territory in the school district before designating an area as a reinvestment zone under Subsection (a).

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1505 (H.B. 1200), § 4, effective January 1, 2002.

Information that is provided to a taxing unit in connection with an application or request for tax abatement under this chapter and that describes the specific processes or business activities to be conducted or the equipment or other property to be located on the property for which tax abatement is sought is confidential and not subject to public disclosure until the tax abatement agreement is executed. That information in the custody of a taxing unit after the agreement is executed is not confidential under this section.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 2, effective September 1, 1989.

(a) The commissioners court of a county that enters into a tax abatement agreement for the county may enter into

a tax abatement agreement applicable to the same property on behalf of a taxing unit other than the county if by statute the ad valorem tax rate of the other taxing unit is approved by the commissioners court or the commissioners court is expressly required by statute to levy the ad valorem taxes of the other taxing unit. The tax abatement agreement entered into on behalf of the other taxing unit is not required to contain the same terms as the tax abatement agreement entered into on behalf of the county.

(b) This section does not apply to a taxing unit because the county tax assessor-collector is required by law to assess or collect the taxing unit's ad valorem taxes.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 3, effective September 1, 1989; am. Acts 1999, 76th Leg., ch. 1039 (H.B. 3034), § 1, effective September 1, 1999.

(2) be predominantly open and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impair or arrest the sound growth of the municipality;

(3) be in a federally assisted new community located in a home-rule municipality or in an area immediately adjacent to a federally assisted new community located in a home-rule municipality;

(4) be located entirely in an area that meets the requirements for federal assistance under Section 119 of the Housing and Community Development Act of 1974 (42 U.S.C. Section 5318);

(5) encompass signs, billboards, or other outdoor advertising structures designated by the governing body of the municipality for relocation, reconstruction, or removal for the purpose of enhancing the physical environment of the municipality, which the legislature declares to be a public purpose; or

(6) be reasonably likely as a result of the designation to contribute to the retention or expansion of primary employment or to attract major investment in the zone that would be a benefit to the property and that would contribute to the economic development of the municipality.

(b) For purposes of this section, a federally assisted new community is a federally assisted area:

(1) that has received or will receive assistance in the form of loan guarantees under Title X of the National Housing Act (12 U.S.C. Section 1749aa et seq.); and

### **Sec. 312.203. Expiration of Reinvestment Zone. [Expires September 1, 2029]**

The designation of a reinvestment zone for residential or commercial-industrial tax abatement expires five years after the date of the designation and may be renewed for periods not to exceed five years, except that a reinvestment zone that is a state enterprise zone is designated for the same period as a state enterprise zone as provided by Chapter 2303, Government Code. The expiration of the designation does not affect an existing tax abatement agreement made under this subchapter.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1995, 74th Leg., ch. 985 (H.B. 2065), § 12, effective September 1, 1995.

### **Sec. 312.204. Municipal Tax Abatement Agreement.**

(a) The governing body of a municipality eligible to enter into tax abatement agreements under Section 312.002 may agree in writing with the owner of taxable real property that is located in a reinvestment zone, but that is not in an improvement project financed by tax increment bonds, to exempt from taxation a portion of the value of the real property or of tangible personal property located on the real property, or both, for a period not to exceed 10 years, on the condition that the owner of the property make specific improvements or repairs to the property. The governing body of an eligible municipality may agree in writing with the owner of a leasehold interest in tax-exempt real property that is located in a reinvestment zone, but that is not in an improvement project financed by tax increment bonds, to exempt a portion of the value of property subject to ad valorem taxation, including the leasehold interest, improvements, or tangible personal property located on the real property, for a period not to exceed 10 years, on the condition that the owner of the leasehold interest make specific improvements or repairs to the real property. A tax abatement agreement under this section is subject to the rights of holders of outstanding bonds of the municipality. An agreement exempting taxable real property or leasehold interests or improvements on tax-exempt real property may provide for the exemption of such taxable interests in each year covered by the agreement only to the extent its value for that year exceeds its value for the year in which the agreement is executed. An agreement exempting tangible personal property located on taxable or tax-exempt real property may provide for the exemption of tangible personal property located on the real property in each year covered by the agreement other than tangible personal property that was located on the real property at any time before the period covered by the agreement with the municipality, including inventory and supplies. In a municipality that has a comprehensive zoning ordinance, an improvement, repair, development, or redevelopment taking place under an agreement under this section must conform to the comprehensive zoning ordinance.

(b) The agreements made with the owners of property in a reinvestment zone must contain identical terms for the portion of the value of the property that is to be exempt and the duration of the exemption. For purposes of this subsection, if agreements made with the owners of property in a reinvestment zone before September 1, 1989, exceed 10 years in duration, agreements made with owners of property in the zone on or after that date must have a duration of 10 years.

(c) The property subject to an agreement made under this section may be located in the extraterritorial jurisdiction of the municipality. In that event, the agreement applies to taxes of the municipality if the municipality annexes the property during the period specified in the agreement.

(d) Except as otherwise provided by this subsection, property that is in a reinvestment zone and that is owned or leased by a person who is a member of the governing body of the municipality or a member of a zoning or planning board or commission of the municipality is excluded from property tax abatement or tax increment financing. Property that is subject to a tax abatement agreement in effect when the person becomes a member of the governing body or of the zoning or planning board or commission does not cease to be eligible for property tax abatement under that agreement because of the person's membership on the governing body, board, or commission. Property that is subject to tax increment financing when the person becomes a member of the governing body or of the zoning or planning board or commission does not become ineligible for tax increment financing in the same reinvestment zone because of the person's membership on the governing body, board, or commission.

(e) The governing body of a municipality eligible to enter into tax abatement agreements under Section 312.002 may agree in writing with the owner or lessee of real property that is located in a reinvestment zone to exempt from taxation for a period not to exceed 10 years a portion of the value of the real property or of personal property, or both, located within the zone and owned or leased by a certificated air carrier, on the condition that the certificated air carrier make specific real property improvements or lease for a term of 10 years or more real property improvements located within the reinvestment zone. An agreement may provide for the exemption of the real property in each year covered by the agreement to the extent its value for that year exceeds its value for the year in which the agreement is executed. An agreement may provide for the exemption of the personal property owned or leased by a certificated air carrier located within the reinvestment zone in each year covered by the agreement other than specific personal property that was located within the reinvestment zone at any time before the period covered by the agreement with the municipality.

(f) The agreements made with owners of property in an enterprise zone that is also designated as a reinvestment zone are not required to contain identical terms for the portion of the value of property that is to be exempt and the duration of the agreement.

(g) Notwithstanding the other provisions of this chapter, the governing body of a municipality eligible to enter into tax abatement agreements under Section 312.002 may agree in writing with the owner of real property that is located in a reinvestment zone to exempt from taxation for a period not to exceed five years a portion of the value of the real property or of tangible personal property located on the real property, or both, that is used to provide housing for military personnel employed at a military facility located in or near the municipality. An agreement may provide for the exemption of the real property in each year covered by the agreement only to the extent its value for that year exceeds its value for the year in which the agreement is executed. An agreement may provide for the exemption of tangible personal property located on the real property in each year covered by the agreement other than tangible personal property that was located on the real property at any time before the period covered by the agreement with the municipality and other than inventory or supplies. The governing body of the municipality may adopt guidelines and criteria for tax abatement agreements entered into under this subsection that are different from the guidelines and criteria that apply to tax abatement agreements entered into under another provision of this section. Tax abatement agreements entered into under this subsection are not required to contain identical terms for the portion of the value of the property that is to be exempt or for the duration of the exemption as tax abatement agreements entered into with the owners of property in the reinvestment zone under another provision of this section.

(h) The Texas Department of Economic Development or its successor may recommend that a taxing unit enter into a tax abatement agreement with a person under this chapter. In determining whether to enter into a tax abatement agreement under this section, the governing body of a municipality shall consider any recommendation made by the Texas Department of Economic Development or its successor.

### **Sec. 312.206. Tax Abatement by Other Taxing Units. [Expires September 1, 2029]**

(a) If property taxes on property located in the taxing jurisdiction of a municipality are abated under an agreement made under Section 312.204 or 312.211, the governing body of each other taxing unit eligible to enter into tax abatement agreements under Section 312.002 in which the property is located may execute a written tax abatement agreement with the owner of the property. The agreement is not required to contain terms identical to those contained in the agreement with the municipality. The execution, duration, and other terms of an agreement made under this section are governed by the provisions of Sections 312.204, 312.205, and 312.211 applicable to a municipality. If the governing body of the taxing unit by official action at any time before the execution of the municipal agreement expresses an intent to be bound by the terms of the municipal agreement if the municipality enters into an agreement under Section 312.204 or 312.211 with the owner relating to the property, the terms of the municipal agreement regarding the share of the property to be exempt in each year of the municipal agreement apply to the taxation of the property by the taxing unit.

(b) If property taxes on property located in the taxing jurisdiction of a municipality are abated under an agreement made by the municipality before September 1, 1989, the terms of the agreement with the municipality regarding the share of the property that is to be exempt in each year of the agreement apply to the taxation of the property by every other taxing unit, other than a county or school district, in which the property is located. If the agreement was made before September 1, 1987, the terms regarding the share of the property to be exempt in each year of the agreement also apply to the taxation of the property by a county or school district.

(c) If the governing body of a municipality designates a reinvestment zone that includes property in the extraterritorial jurisdiction of the municipality, the governing body of a taxing unit eligible to enter into tax abatement agreements under Section 312.002 in which the property is located may execute a written agreement with the owner of the property to exempt from its property taxes all or part of the value of the property in the same manner and subject to the same restrictions as provided by Section 312.204 or 312.211 for a municipality. The taxing unit may execute an agreement even if the municipality does not execute an agreement for the property, and the terms of the agreement are not required to be identical to the terms of a municipal agreement. However, if the governing body of another eligible taxing unit has previously executed an agreement to exempt all or part of the value of the property and that agreement is still in effect, the terms of the subsequent agreement relating to the share of the property that is to be exempt in each year that the existing agreement remains in effect must be identical to those of the existing agreement.

(d) If property taxes are abated on property in the extraterritorial jurisdiction of a municipality due to an agreement with a county or school district made before September 1, 1989, the terms of the agreement with the county or school district relating to the share of the property that is to be exempt in each year of the agreement apply to the taxation of the property by every other taxing unit, other than a municipality, school district, or county, in which the property is located.

(e) If property taxes on property located in an enterprise zone are abated under this chapter, the governing body of each taxing jurisdiction may execute a written agreement with the owner of the property not later than the 90th day after the date the municipal or county agreement is executed, whichever is later. The agreement may, but is not required to, contain terms that are identical to those contained in the agreement with the municipality, county, or both, whichever applies, and the only terms of the agreement that may vary are the portion of the property that is to be exempt from taxation under the agreement and the duration of the agreement.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 2 (S.B. 221), § 14.10(b), effective August 28, 1989; am. Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 9, effective September 1, 1989; am. Acts 1995, 74th Leg., ch. 985 (H.B. 2065), § 14, effective September 1, 1995; am. Acts 1997, 75th Leg., ch. 855 (H.B. 1239), § 13, effective September 1, 1997; am. Acts 1997, 75th Leg., ch. 1333 (S.B. 1596), § 5, effective September 1, 1997; am. Acts 1999, 76th Leg., ch. 1039 (H.B. 3034), § 2, effective September 1, 1999; am. Acts 2001, 77th Leg., ch. 765 (S.B. 1710), § 1, effective September 1, 2001.

**Sec. 312.207. Approval by Governing Body. [Expires September 1, 2029]**

(a) To be effective, an agreement made under this subchapter must be approved by the affirmative vote of a majority of the members of the governing body of the municipality or other taxing unit at a regularly scheduled meeting of the governing body.

(b) On approval by the governing body, an agreement may be executed in the same manner as other contracts made by the municipality or other taxing unit.

(c) In addition to any other requirement of law, the public notice of a meeting at which the governing body of a municipality or other taxing unit will consider the approval of a tax abatement agreement with a property owner must contain:

- (1) the name of the property owner and the name of the applicant for the tax abatement agreement ;
- (2) the name and location of the reinvestment zone in which the property subject to the agreement is located;
- (3) a general description of the nature of the improvements or repairs included in the agreement; and
- (4) the estimated cost of the improvements or repairs.

(d) The notice of a meeting required by this section must be given in the manner required by Chapter 551, Government Code, except that the notice must be provided at least 30 days before the scheduled time of the meeting.

**Sec. 312.208. Modification or Termination of Agreement. [Expires September 1, 2029]**

(a) At any time before the expiration of an agreement made under this subchapter, the agreement may be modified by the parties to the agreement to include other provisions that could have been included in the original agreement or to delete provisions that were not necessary to the original agreement. The modification must be made by the same procedure by which the original agreement was approved and executed. The original agreement may not be modified to extend beyond 10 years from the date of the original agreement.

(b) An agreement made under this subchapter may be terminated by the mutual consent of the parties in the same manner that the agreement was approved and executed.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 1137 (S.B. 1312), § 10, effective September 1, 1989.

(b) The commissioners court may not designate an area as a reinvestment zone until it holds a public hearing on the designation and finds that the designation would contribute to the retention or expansion of primary employment or would attract major investment in the zone that would be a benefit to the property to be included in the zone and would contribute to the economic development of the county. At the hearing, interested persons are entitled to speak and present evidence for or against the designation. (c) The designation of a reinvestment zone under this section expires five years after the date of the designation and may be renewed for periods not to exceed five years. The expiration of the designation does not affect existing agreements made under this subchapter.

(d) Property may be located both in a reinvestment zone designated by a county under this subchapter and in a reinvestment zone designated by a municipality under Subchapter B.

**HISTORY:** Enacted by Acts 1987, 70th Leg., ch. 191 (S.B. 888), § 1, effective September 1, 1987; am. Acts 1989, 71st Leg., ch. 2 (S.B. 221), § 14.12(a), effective August 28, 1989.

**Sec. 312.4011. Enterprise Zone. [Expires September 1, 2029]**

Designation of an area as an enterprise zone under Chapter 2303, Government Code constitutes designation of the area as a reinvestment zone under this subchapter without further hearing or other procedural requirements other than those provided by Chapter 2303, Government Code.

**HISTORY:** Enacted by Acts 1989, 71st Leg., ch. 1106 (S.B. 1205), § 30, effective August 28, 1989; am. Acts 1995, 74th Leg., ch. 76 (S.B. 959), § 5.95(22), effective September 1, 1995.

**Sec. 312.402. County Tax Abatement Agreement. [Expires September 1, 2029]**

(a) The commissioners court may execute a tax abatement agreement with the owner of taxable real property located in a reinvestment zone designated under this subchapter or with the owner of tangible personal property located on real property in a reinvestment zone to exempt from taxation all or a portion of the value of the real property, all or a portion of the value of the tangible personal property located on the real property, or all or a portion of the value of both.

(a-1) The commissioners court may execute a tax abatement agreement with the owner of a leasehold interest in tax-exempt real property located in a reinvestment zone designated under this subchapter to exempt all or a portion of the value of the leasehold interest in the real property. The court may execute a tax abatement agreement with the owner of tangible personal property or an improvement located on tax-exempt real property that is located in a designated reinvestment zone to exempt all or a portion of the value of the tangible personal property or improvement located on the real property.

(a-2) The execution, duration, and other terms of an agreement entered into under this section are governed by the provisions of Sections 312.204, 312.205, and 312.211 applicable to a municipality. Section 312.2041 applies to an agreement entered into under this section in the same manner as that section applies to an agreement entered into under Section 312.204 or 312.211.

(a-3) The commissioners court may execute a tax abatement agreement with a lessee of taxable real property located in a reinvestment zone designated under this subchapter to exempt from taxation all or a portion of the value of the fixtures, improvements, or other real property owned by the lessee and located on the property that is subject to the lease, all or a portion of the value of tangible personal property owned by the lessee and located on the real property that is the subject of the lease, or all or a portion of the value of both the fixtures, improvements, or other real property and the tangible personal property described by this subsection.

(b) A tax abatement agreement made by a county has the same effect on the school districts and other taxing units in which the property subject to the agreement is located as is provided by Sections 312.206(a) and (b) for an agreement made by a municipality to abate taxes on property located in the taxing jurisdiction of the municipality.

(c) If on or after September 1, 1989, property subject to an agreement with a county under this section is annexed by a municipality during the existence of the agreement, the terms of the county agreement regarding the share of the property to be exempt in each year of the agreement apply to the taxation of the property by the municipality if before the annexation the governing body of the municipality by official action expresses an intent to enter into an agreement with the owner of the property to abate taxes on the property if it is annexed or to be bound by the terms of the county agreement after annexation, even if that official action of the governing body of the municipality expressing that intent occurs before September 1, 1989.

(d) Except as otherwise provided by this subsection, property that is located in a reinvestment zone designated by a county under this subchapter and that is owned or leased by a person who is a member of the commissioners court may not be subject to a tax abatement agreement made under this section. Property that is subject to a tax abatement agreement under this section in effect when the person becomes a member of the commissioners court does not cease to be eligible for property tax abatement under that agreement because of the person's membership on the commissioners court.

(e) An agreement made under this section by a county or other taxing unit may be modified or terminated in the same manner and subject to the same limitations as provided by Section 312.208 for an agreement made under Subchapter B.

(f) The Texas Department of Economic Development or its successor may recommend that a taxing unit enter into a tax abatement agreement with a person under this chapter. In determining whether to enter into a tax abatement agreement under this section, the commissioners court of a county shall consider any recommendation made by the Texas Department of Economic Development or its successor.

*Subchapter A**General Provisions***Sec. 313.001. Short Title.**

This chapter may be cited as the Texas Economic Development Act.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1505 (H.B. 1200), § 1, effective January 1, 2002.

**Sec. 313.002. Findings.**

The legislature finds that:

- (1) many states have enacted aggressive economic development laws designed to attract large employers, create jobs, and strengthen their economies;
- (2) given Texas' relatively high ad valorem taxes, it is difficult for the state to compete for new capital projects without temporarily limiting ad valorem taxes imposed on new capital investments;
- (3) a significant portion of the Texas economy continues to be based in manufacturing and other capital-intensive industries, and their continued growth and overall health serve the Texas economy well;
- (4) without a vibrant, strong manufacturing sector, other sectors of the economy, especially the state's service sector, will also suffer adverse consequences; and
- (5) the current ad valorem tax system of this state does not favor capital-intensive businesses such as manufacturers.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1505 (H.B. 1200), § 1, effective January 1, 2002; am. Acts 2013, 83rd Leg., ch. 1304 (H.B. 3390), § 1, effective January 1, 2014.

**Sec. 313.003. Purposes.**

The purposes of this chapter are to:

- (1) encourage large-scale capital investments in this state;
- (2) create new, high-paying jobs in this state;
- (3) attract to this state large-scale businesses that are exploring opportunities to locate in other states or other countries;
- (4) enable state and local government officials and economic development professionals to compete with other states by authorizing economic development incentives that are comparable to incentives being offered to prospective employers by other states and to provide state and local officials with an effective means to attract large-scale investment;
- (5) strengthen and improve the overall performance of the economy of this state;
- (6) expand and enlarge the ad valorem tax base of this state; and
- (7) enhance this state's economic development efforts by providing state and local officials with an effective economic development tool.

**HISTORY:** Enacted by Acts 2001, 77th Leg., ch. 1505 (H.B. 1200), § 1, effective January 1, 2002; am. Acts 2013, 83rd Leg., ch. 1304 (H.B. 3390), § 1, effective January 1, 2014.

**Sec. 313.004. Legislative Intent.**

It is the intent of the legislature in enacting this chapter that:

- (1) economic development decisions involving school district taxes should occur at the local level with oversight by the state and should be consistent with identifiable statewide economic development goals;
- (2) this chapter should not be construed or interpreted to allow:
  - (A) property owners to pool investments to create sufficiently large investments to qualify for an ad valorem tax benefit provided by this chapter;
  - (B) an applicant for an ad valorem tax benefit provided by this chapter to assert that jobs will be eliminated if certain investments are not made if the assertion is not true; or
  - (C) an entity not subject to the tax imposed by Chapter 171 to receive an ad valorem tax benefit provided by this chapter;
- (3) in implementing this chapter, school districts should:
  - (A) strictly interpret the criteria and selection guidelines provided by this chapter; and
  - (B) approve only those applications for an ad valorem tax benefit provided by this chapter that:
    - (i) enhance the local community;
    - (ii) improve the local public education system;
    - (iii) create high-paying jobs; and
    - (iv) advance the economic development goals of this state; and
- (4) in implementing this chapter, the comptroller should:

This subsection does not require the comptroller to post information that is confidential under Section 313.028.

(b) The governing body of a school district is not required to consider an application for a limitation on appraised value. If the governing body of the school district elects to consider an application, the governing body shall deliver a copy of the application to the comptroller and request that the comptroller conduct an economic impact evaluation of the investment proposed by the application. The comptroller shall conduct or contract with a third person to conduct the economic impact evaluation, which shall be completed and provided to the governing body of the school district, along with the comptroller's certificate or written explanation under Subsection (d), as soon as practicable but not later

than the 90th day after the date the comptroller receives the application. (e) Before approving or disapproving an application under this subchapter that the governing body of the school district elects to consider, the governing body must make a written finding as to any criteria considered by the comptroller in conducting the economic impact evaluation under Section 313.026. The governing body shall deliver a copy of those findings to the applicant.

(f) The governing body may approve an application only if the governing body finds that the information in the application is true and correct, finds that the applicant is eligible for the limitation on the appraised value of the person's qualified property, and determines that granting the application is in the best interest of the school district and this state.

(f-1) Notwithstanding any other provision of this chapter to the contrary, including Section 313.003(2) or 313.004(3)(A) or (B)(iii), the governing body of a school district may waive the new jobs creation requirement in Section 313.021(2)(A)(iv)(b) or 313.051(b) and approve an application if the governing body makes a finding that the jobs creation requirement exceeds the industry standard for the number of employees reasonably necessary for the operation of the facility of the property owner that is described in the application.

(g) The Texas Economic Development and Tourism Office or its successor may recommend that a school district approve an application under this chapter. **Sec. 313.026. Economic Impact Evaluation. [Expires December 31, 2022]**

(a) The economic impact evaluation of the application must include any information the comptroller determines is necessary or helpful to:

- (1) the governing body of the school district in determining whether to approve the application under Section 313.025; or
- (2) the comptroller in determining whether to issue a certificate for a limitation on appraised value of the property under Section 313.025.

(b) Except as provided by Subsections (c) and (d), the comptroller's determination whether to issue a certificate for a limitation on appraised value under this chapter for property described in the application shall be based on the economic impact evaluation described by Subsection (a) and on any other information available to the comptroller, including information provided by the governing body of the school district.

(c) The comptroller may not issue a certificate for a limitation on appraised value under this chapter for property described in an application unless the comptroller determines that:

- (1) the project proposed by the applicant is reasonably likely to generate, before the 25th anniversary of the beginning of the limitation period, tax revenue, including state tax revenue, school district maintenance and operations ad valorem tax revenue attributable to the project, and any other tax revenue attributable to the effect of the project on the economy of the state, in an amount sufficient to offset the school district maintenance and operations ad valorem tax revenue lost as a result of the agreement; and
- (2) the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state.

(d) The comptroller shall state in writing the basis for the determinations made under Subsections (c)(1) and (2).

(e) The applicant may submit information to the comptroller that would provide a basis for an affirmative determination under Subsection (c)(2).

(f) Notwithstanding Subsections (c) and (d), if the comptroller makes a qualitative determination that other considerations associated with the project result in a net positive benefit to the state, the comptroller may issue the certificate.

(a) The comptroller shall post on the comptroller's Internet website each document or item of information the comptroller designates as substantive before the 15th day after the date the document or item of information was received or created. Each document or item of information must continue to be posted until the appraised value limitation expires.

(b) The comptroller shall designate the following as substantive:

- (1) each application requesting a limitation on appraised value; and
- (2) the economic impact evaluation made in connection with the application.

(c) If a school district maintains a generally accessible Internet website, the district shall maintain a link on its Internet website to the area of the comptroller's Internet website where information on each of the district's agreements to limit appraised value is maintained.

**HISTORY:** Enacted by Acts 2009, 81st Leg., ch. 1186 (H.B. 3676), § 7, effective January 1, 2010; am. Acts 2013, 83rd Leg., ch. 1304 (H.B. 3390), § 8, effective January 1, 2014.

**Sec. 313.027. Limitation on Appraised Value; Agreement. [Expires December 31, 2022]**

(a) If the person's application is approved by the governing body of the school district, the appraised value for school district maintenance and operations ad valorem tax purposes of the person's qualified property as described in the agreement between the person and the district entered into under this section in the school district may not exceed the lesser of:

- (1) the market value of the property; or
- (2) subject to Subsection (b), the amount agreed to by the governing body of the school district.

(a-1) The agreement must:

- (1) provide that the limitation under Subsection (a) applies for a period of 10 years; and
- (2) specify the beginning date of the limitation, which must be January 1 of the first tax year that begins after:
  - (A) the application date;
  - (B) the qualifying time period; or
  - (C) the date commercial operations begin at the site of the project.

(b) The amount agreed to by the governing body of a school district under Subsection (a)(2) must be an amount in accordance with the following, according to the category established by Section 313.022 to which the school district belongs:

CATEGORY	MINIMUM AMOUNT OF LIMITATION
I	\$100 million
II	\$80 million
III	\$60 million
IV	\$40 million
V	\$20 million

(c) The limitation amounts listed in Subsection (b) are minimum amounts. A school district, regardless of category, may agree to a greater amount than those amounts.

(d) The governing body of the school district and the property owner shall enter into a written agreement for the implementation of the limitation on appraised value under this subchapter on the owner’s qualified property.

(e) The agreement must describe with specificity the qualified investment that the person will make on or in connection with the person’s qualified property that is subject to the limitation on appraised value under this subchapter. Other property of the person that is not specifically described in the agreement is not subject to the limitation unless the governing body of the school district, by official action, provides that the other property is subject to the limitation.

(f) In addition, the agreement:

(1) must incorporate each relevant provision of this subchapter and, to the extent necessary, include provisions for the protection of future school district revenues through the adjustment of the minimum valuations, the payment of revenue offsets, and other mechanisms agreed to by the property owner and the school district;

(2) may provide that the property owner will protect the school district in the event the district incurs extraordinary education-related expenses related to the project that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the project;

(3) must require the property owner to maintain a viable presence in the school district for at least five years after the date the limitation on appraised value of the owner’s property expires;

(4) must provide for the termination of the agreement, the recapture of ad valorem tax revenue lost as a result of the agreement if the owner of the property fails to comply with the terms of the agreement, and payment of a penalty or interest, or both, on that recaptured ad valorem tax revenue;

(5) may specify any conditions the occurrence of which will require the district and the property owner to renegotiate all or any part of the agreement;

(6) must specify the ad valorem tax years covered by the agreement; and

(7) must be in a form approved by the comptroller.

(g) When appraising a person’s qualified property subject to a limitation on appraised value under this section, the chief appraiser shall determine the market value of the property and include both the market value and the appropriate value under Subsection (a) in the appraisal records.

(h) The agreement between the governing body of the school district and the applicant may provide for a deferral of the date on which the qualifying time period for the project is to commence or, subsequent to the date the agreement is entered into, be amended to provide for such a deferral. The agreement may not provide for the deferral of the date on which the qualifying time period is to commence to a date later than January 1 of the fourth tax year that begins after the date the application is approved except that if the agreement is one of a series of agreements related to the same project, the agreement may provide for the deferral of the date on which the qualifying time period is to commence to a date not later than January 1 of the sixth tax year that begins after the date the application is approved. This subsection may not be construed to permit a qualifying time period that has commenced to continue for more than the number of years applicable to the project under Section 313.021(4).

(i) A person and the school district may not enter into an agreement under which the person agrees to provide supplemental payments to a school district or any other entity on behalf of a school district in an amount that exceeds an amount equal to the greater of \$100 per student per year in average daily attendance, as defined by Section 48.005, Education Code, or \$50,000 per year, or for a period that exceeds the period beginning with the period described by Section 313.021(4) and ending December 31 of the third tax year after the date the person’s eligibility for a limitation under this chapter expires. This limit does not apply to amounts described by Subsection (f)(1) or (2).

(j) An agreement under this chapter must disclose any consideration promised in conjunction with the application and the limitation.

Acts 2013, 83rd Leg., ch. 1304 (H.B. 3390), § 9, effective January 1, 2014; am. Acts 2019, 86th Leg., ch. 943 (H.B. 3), § 3.095, effective September 1, 2019.

**Sec. 313.0275. Recapture of Ad Valorem Tax Revenue Lost. [Expires December 31, 2022]**

(a) Notwithstanding any other provision of this chapter to the contrary, a person with whom a school district enters into an agreement under this subchapter must make the minimum amount of qualified investment during the qualifying time period.

(b) If in any tax year a property owner fails to comply with Subsection (a), the property owner is liable to this state for a penalty equal to the amount computed by subtracting from the market value of the property for that tax year the value of the property as limited by the agreement and multiplying the difference by the maintenance and operations tax rate of the school district for that tax year.

(c) A penalty imposed under Subsection (b) becomes delinquent if not paid on or before February 1 of the following tax year. Section 33.01 applies to the delinquent penalty in the manner that section applies to delinquent taxes.

(d) In the event of a casualty loss that prevents a person from complying with Subsection (a), the person may request and the comptroller may grant a waiver of the penalty imposed under Subsection (b).

**HISTORY:** Enacted by Acts 2009, 81st Leg., ch. 1186 (H.B. 3676), § 9, effective June 19, 2009; am. Acts 2013, 83rd Leg., ch. 1304 (H.B. 3390), § 10, effective January 1, 2014.

**Sec. 313.0276. Penalty for Failure to Comply with Job-Creation Requirements.**

(a) The comptroller shall conduct an annual review and issue a determination as to whether a person with whom a school district has entered into an agreement under this chapter satisfied in the preceding year the requirements of this chapter regarding the creation of the required number of qualifying jobs. If the comptroller makes an adverse determination in the review, the comptroller shall notify the person of the cause of the adverse determination and the corrective measures necessary to remedy the determination.

(b) If a person who receives an adverse determination fails to remedy the determination following notification of the determination and the comptroller makes an adverse determination with respect to the person's compliance in the following year, the person must submit to the comptroller a plan for remedying the determination and certify the person's intent to fully implement the plan not later than December 31 of the year in which the determination is made.

(c) If a person who receives an adverse determination under Subsection (b) fails to comply with that subsection following notification of the determination and receives an adverse determination in the following year, the comptroller shall impose a penalty on the person. The penalty is in an amount equal to the amount computed by:

(1) subtracting from the number of qualifying jobs required to be created the number of qualifying jobs actually created; and

(2) multiplying the amount computed under Subdivision (1) by the average annual wage for all jobs in the county during the most recent four quarters for which data is available.

(d) Notwithstanding Subsection (c), if a person receives an adverse determination and the comptroller has previously imposed a penalty on the person under this section one or more times, the comptroller shall impose a penalty on the person in an amount equal to the amount computed by multiplying the amount computed under Subsection (c)(1) by an amount equal to twice the amount computed under Subsection (c)(2).

(e) Notwithstanding Subsections (c) and (d), a penalty imposed under this section may not exceed an amount equal to the difference between the amount of the ad valorem tax benefit received by the person under the agreement in the preceding year and the amount of any supplemental payments made to the school district in that year.

(f) A job created by a person that is not a qualifying job because the job does not meet a numerical requirement of Section 313.021(3)(A), (D), or (E) is considered for purposes of this section to be a nonqualifying job only if the job fails to meet the numerical requirement by at least 10 percent.

(g) An adverse determination under this section is a deficiency determination under Section 111.008. A penalty imposed under this section is an amount the comptroller is required to collect, receive, administer, or enforce, and the determination is subject to the payment and redetermination requirements of Sections 111.0081 and 111.009.

(h) A redetermination under Section 111.009 of an adverse determination under this section is a contested case as defined by Section 2001.003, Government Code.

(i) If a person on whom a penalty is imposed under this section contends that the amount of the penalty is unlawful or that the comptroller may not legally demand or collect the penalty, the person may challenge the determination of the comptroller under Subchapters A and B, Chapter 112.

(j) If the comptroller imposes a penalty on a person under this section three times, the comptroller may rescind the agreement between the person and the school district under this chapter.

(k) A person may contest a determination by the comptroller to rescind an agreement between the person and a school district under this chapter pursuant to Subsection (j) by filing suit against the comptroller and the attorney general. The district courts of Travis County have exclusive, original jurisdiction of a suit brought under this subsection. This subsection prevails over a provision of Chapter 25, Government Code, to the extent of any conflict.

(l) If a person files suit under Subsection (k) and the comptroller's determination to rescind the agreement is upheld on appeal, the person shall pay to the comptroller any tax that would have been due and payable to the school district during the pendency of the appeal, including statutory interest and penalties imposed on delinquent taxes under Sections 111.060 and 111.061.

(m) The comptroller shall deposit a penalty collected under this section, including any interest and penalty applicable to the penalty, to the credit of the foundation school fund.

this subchapter that describes the specific processes or business activities to be conducted or the specific tangible personal property to be located on real property covered by the application shall be segregated in the application from other information in the application and is confidential and not subject to public disclosure unless the governing body of the school district approves the application.
